GENERAL INFORMATION

The Friends of the Zoo (FOTZ), and the City of Dodge City work together to make improvements to the zoo. Over the last few years projects have included renovating landscaping at the zoo, providing new exhibits for wolves and emu's, and expanding pens for several existing exhibits including Elvira, our Bengal tiger.

The FOTZ is now working towards developing the west zoo. Plans include an exhibit of animals from the American plains, an African plains exhibit and a bird aviary. First phases of the development will include dirt work and construction of underground utilities followed by construction of sidewalks and the actual pens.

The FOTZ plays an instrumental role in those improvements by building awareness for projects and raising funds. Principal fund raising activities include the Spring Fun Run/Walk and Boo at the Zoo.

Your support is critical to the success of this effort. Please help make improvements continue by becoming a member of the Friends of the Zoo and supporting FOTZ.
