## Heritage Months and Holidays

Download the 2014 Interfaith Calendar Here!

Please read below for more details on commonly practiced cultural and ethnic heritage months.

### September

[Hispanic Heritage Month](#) is celebrated each September 15 - October 15 in the United States of America to recognize the contributions made by people of Hispanic descent and to celebrate Hispanic culture. Hispanic Heritage Month begins on September 15 because it is the anniversary of 5 Latin American countries' Independence Day: Costa Rica, El Salvador, Guatemala, Honduras and Nicaragua.

### October

[German American Heritage Month](#): Beginning on October 6, 1987 as German American Day, the culture and achievement of Americans of German descent is now celebrated during a month-long period between. Established in 1995, German American Heritage Month spans these dates so as to encompass festivals like Oktoberfest and Steuben parades.

[Gay, Lesbian, Bi-Sexual, Transgender History Month](#) is celebrated in October. The month of October was chosen because National Coming Out Day (October 11) was already established and a widely known event. LGBT History Month is intended to encourage honesty and openness about being lesbian, gay, bisexual or transgender.

[Italian Heritage Month](#) is set in October to coincide with Columbus Day. Italian Heritage Month celebrates the many achievements and successes of not only Americans of Italian descent, but also Italians living in America. America was named after an Italian (Amerigo Vespucci). It is also important to note that language plays a very large part of this celebration as it is thought of as an intrinsic part of Italian culture.

[Polish American Heritage Month](#) is celebrated each year in October to commemorate the contributions to American society made by those of Polish descent.

### November

[Native American Heritage Month](#) was initially celebrated in 1916 by the state of New York. It was not until 1990 that then President George H.W. Bush established it as a month long festival. Not only does Native American Indian Heritage Month showcase the rich culture of the native people of this land, but also honors those American Indians that have suffered injustices. Therefore, we celebrate all Native Americans during the month of November.

## December

**AIDS Awareness Month:** In December, we honor those who have become infected by the AIDS (acquired immune deficiency syndrome) virus by helping Americans become more aware of it. Caused by the human immunodeficiency virus (HIV), AIDS has killed more than 25 million people since 1981, not just in the United States, but all over the world.

**World AIDS Day:** Celebrated each December 1, World AIDS day is dedicated to raising awareness about the AIDS epidemic around the globe. AIDS has killed more than 25 million people becoming one of the worst epidemics man has ever faced.

## January

**Dr. Martin Luther King Day:** On the third Monday of January each year, we celebrate Dr. Martin Luther King Day. Dr. Martin Luther King Day is the only national holiday commemorating the actions of an African-American. Originally petitioned to honor King's dedication to trade unions, it would be established on November 2, 1983 by Ronald Reagan.

## February

In 1976 it was expanded to encompass the entire month of February to recognize the significant achievements made by the African-American community in all aspects of American society.
