Memorandum

To: City Manager
   City Commissioners
From: Joann Knight
      Executive Director DC/FC Development Corp
Date: 5/1/17
Subject: RHID
Agenda Item: Resolution No. 2017-14

Recommendation: Staff recommends adoption of Resolution 2017-14, which establishes a date and time for a public hearing as required by Kansas statute.

Background: In 2008, the City commissioned a Housing Needs Analysis, which reflected a critical shortage of housing available in the community. In 2009, the City Commission adopted a Resolution providing for several incentive programs in order to encourage housing development in the City. The Rural Housing Incentive District (RHID) was identified as one of those programs. The RHID has captured the attention of several developers, locally and statewide. In 2015, the City commissioned another Housing Needs Analysis taking into consideration the progress that had developed since the 2008 Analysis. The latest Analysis continued to reflect a major shortage of housing. The establishment of this RHID will provide an incentive needed to entice developers to and in our community.

Justification: Housing continues to be a constant challenge in the Dodge City area. Establishment of the RHID is necessary in order to address the City’s critical housing shortage.

Financial Considerations: None at this time. However, if utilized, the financial consideration would be dependent upon each independent development agreement.

Purpose/Mission: To provide adequate housing in order for the City to accommodate present and future growth.

Legal Considerations: None

Attachments: Resolution No. 2017-14

SUMMARY OF THE CONTRACTUAL ASSURANCES BY THE DEVELOPER AND OF THE COMPREHENSIVE FEASIBILITY ANALYSIS

Contractual Assurances.

The Governing Body of the City of Dodge City has entered into a development agreement with Summerlon Properties, LLC. This agreement, as supplemented and amended, includes the project construction schedule, a description of projects to be constructed, financial obligations of the developer and financial and administrative support from the City of Dodge City.

Feasibility Study.

The City conducted a study to determine whether the public benefits derived from the District will exceed the costs and that the income from the District, together with other sources of revenue provided by the developer, would be sufficient to pay for the public improvements to be undertaken in the District. The analysis estimates the property tax revenues that will be generated from the development, less existing property taxes to determine the revenue stream available to support the costs of the public infrastructure. The estimates indicate that the estimated revenue realized from the project would be adequate to pay the costs of the public infrastructure.

SUMMERLON PROPERTIES, LLC – SUMMERLON PHASE V RURAL HOUSING INCENTIVE DISTRICT OF THE CITY OF DODGE CITY, KANSAS

May 1, 2017
INTRODUCTION

On March 20, 2017 the Governing Body of the City of Dodge City, Kansas (the “City”) adopted Resolution 2017-08 that found and determined that:

1. There is a shortage of quality housing of various price ranges in the City despite the best efforts of public and private housing developers.
2. The shortage of quality housing can be expected to persist and that additional financial incentives are necessary in order to encourage the private sector to construct or renovate housing in the City.
3. The shortage of quality housing is a substantial deterrent to the future economic growth and development of the City.
4. The future economic wellbeing of the City depends on the Governing Body providing additional incentives for the construction of/or renovation of quality housing in the City.

Based on these findings and determinations, the Governing Body proposed the establishment of a Rural Housing Incentive District within Dodge City pursuant to the Act.

Following the adoption of Resolution 2017-08, a certified copy of said Resolution was submitted to the Secretary of Commerce for approval of the establishment of the Rural Housing Incentive District in Dodge City, as required by K.S.A. 12-5244(c).

On April 13, 2017, the Secretary of Commerce provided written confirmation, approving the establishment of Summerlon Properties, LLC – Summerlon Phase V Rural Housing Incentive District (the “District”) (Resolution 2017-08, Exhibit A-21).

DEVELOPMENT PLAN ADOPTION

K.S.A. 12-5245 states that once the City receives approval from the Secretary of Commerce for the development of a Kansas Rural Housing Incentive District, the governing body must adopt a plan for the development of housing and public facilities within the proposed district.

DEVELOPMENT PLAN

As a result of the shortage of quality housing within Dodge City, the City proposes this Development Plan to assist in the development of quality housing within the City.

1. The legal description of the Summerlon Properties, LLC – Summerlon Phase V Rural Housing Incentive District is:

   Lots 1-7 of Block 1, Lots 1-21 of Block 2, Replat of Summerlon Addition, Phase V, City of Dodge City, Ford County, Kansas

   A map of the District is attached as Exhibit A to this document.
2. The assessed valuation of all real estate within the District for 2017 is $58,660. There are no existing structures on the real estate within the District.

3. The name and address of the owner of record for the real estate within the District is:

   Summerlon, Inc  
   1902 Hi Street  
   Dodge City, KS 67801

4. The housing and public facilities projects that are proposed to be constructed include the following:

   **Housing Facilities**

   The housing facilities will be composed of twenty-six (26) duplex residences, one (1) triplex, and three (3) quad-plexes. The housing facilities will consist of a variety of 2 and 3 bedroom duplexes. Each individual family unit will have laundry hook-ups, cable television hook-ups and garages.

   **Public Facilities**

   Public improvements include the extension of water and sewer by the City of Dodge City, gas distribution lines by Black Hills Energy and electric distribution lines to the boundaries of the District by Victory Electric. These improvements will be constructed concurrently with the project.

   Public improvements will also include construction of infrastructure improvements located within the boundaries of the District, including electric, gas, water, sanitary sewer, storm sewer, storm water detention, streets, street lighting, fire services and sidewalks. Infrastructure improvements will be constructed concurrently with the project.

The Development Agreement, as supplemented and amended, includes the project construction schedule, a description of projects to be constructed, financial obligations of the Developer and financial and administrative support from the City. The complete Development Agreement is attached hereto as Exhibit C.

7. The City’s Finance Director conducted a study to determine whether the public benefits derived from the District will exceed the costs and that the income from the District, together with other sources of revenue provided by the Developer, would be sufficient to pay for the public improvements to be undertaken in the District. A copy of the analysis is attached hereto as Exhibit B. The analysis estimates the property tax revenues that will be generated from the District, less existing property taxes, to determine the revenue stream available to support financing the public infrastructure. The revenue stream is compared to the estimated debt service of any bonds needed to finance the project. The estimated costs of the improvements and the costs of the financing is compared to the estimated revenue stream. Memorandum

to: City Manager
   City Commissioners
from: Mollea Wainscott
       Special Projects/Housing
Date: 5/1/17
Subject: RHID
Agenda Item: Resolution No. 2017-15

Recommendation: Staff recommends adoption of Resolution 2017-15, which establishes a date and time for a public hearing as required by Kansas statute.

Background: In 2008, the City commissioned a Housing Needs Analysis, which reflected a critical shortage of housing available in the community. In 2009, the City Commission adopted a Resolution providing for several incentive programs in order to encourage housing development in the City. The Rural Housing Incentive District (RHID) was identified as one of those programs. The RHID has captured the attention of several developers, locally and statewide. In 2015, the City commissioned another Housing Needs Analysis taking into consideration the progress that had developed since the 2008 Analysis. The latest Analysis continued to reflect a major shortage of housing. The establishment of this RHID will provide an incentive needed to entice developers to and in our community.

Justification: Housing continues to be a constant challenge in the Dodge City area. Establishment of the RHID is necessary in order to address the City’s critical housing shortage.

Financial Considerations: None at this time. However, if utilized, the financial consideration would be dependent upon each independent development agreement.

Purpose/Mission: To provide adequate housing in order for the City to accommodate present and future growth.

Legal Considerations: None

INTRODUCTION

On March 6, 2017 the Governing Body of the City of Dodge City, Kansas (the “City”) adopted Resolution 2017-07 that found and determined that:

1. There is a shortage of quality housing of various price ranges in the City despite the best efforts of public and private housing developers.

Memorandum

To: Cherise Tieben, City Manager
From: Joann Knight
Date: April 27, 2017
Subject: Resolution No. 2017-17

Agenda Item: Ordinances and Resolutions

Recommendation: I recommend the approval of Resolution No. 2017-17, allowing the City of Dodge City to apply for funding from the United States Department of Agriculture Rural Business Enterprise Grant and administer the funds if awarded.

Background: City and Development Corporation staff and volunteers have been coordinating efforts to bring higher education opportunities for mid-level health care providers to Southwest Kansas. We have been in discussions with Fort Hays State University, Wichita State University and University of Kansas to identify outreach programs that could help educate individuals to provide services to meet the healthcare needs of the Southwest Kansas residents. Now, a feasibility study needs to be prepared as well as a healthcare strategic plan. We can apply for funding to assist with the cost of the plans and hiring a consultant to help with the coordination of the meetings that will be required to identify the best options available for all the universities expressing interest in this proposal.

Justification: This is the next step in moving forward on this opportunity and we will need expertise to provide the studies as well a consultant to focus on the project to keep the project moving forward and coordinate all the different stakeholders in the education realm as well as Southwest Kansas communities.

Financial Considerations: The Dodge City/Ford County Development Corporation will provide funding to this project for the match needed and work on obtaining additional grant funds for the project. City staff time will also be eligible for in-kind match for the funds. We would like to request $10,000 from the City’s 2018 Budget as part of the match commitment as well as office space and equipment. The grant time frame for budget will run August 2017 – July 2018. Administration of the grant funds, if awarded will need to be provided by the City and/or Economic Development staff.

Purpose/Mission: To improve the health care and education opportunities for this region.
Legal Considerations: None
