RE:                 2006 Inlet and Curb & Gutter Project -- SD0602

Attached please find Change Order 1 for your review on the above referenced project. The change order is for an increase of $1,287.25.

The change order is the result of the following.

**Place Standard Curb & Gutter** – The deletion of 292 L.F. of Standard Curb and Gutter represents actual field measurements. This item was decreased to the fact that the curb & gutter placed needed to have an extended toe due to the bad edge of existing asphalt pavement.

**Place Reverse Modified Curb & Gutter** – The deletion of 3 L.F. of Reverse Modified Curb and Gutter represents actual field measurements. This decrease was due to an over estimation in the design phase.

**Place Curb & Gutter w/Extended Toe** – The addition of this item was needed as previously mentioned because the edge of the existing asphalt pavement was deteriorated more than originally thought. To keep the back of curb in the original design location, so that the roadway would not be narrowed, it was decided to place the new curb with an extended to make up the difference. The addition of 323 L.F. represents actual field measurements.

Staff would recommend approval of this change order as submitted. To date, the change orders are for a total increase of $1,287.25. Should you have questions or need additional information please let me know.

RE: Truck Tire Changer

During the 2006 Budget process, the Fleet Maintenance Department requested a Truck Tire Changer. Currently any truck tires are broken down by hand. This process takes a lot of time and is not the safest method when dealing with the large truck tires.

The mechanics requested quotes and received the following:

RE: Temporary Easement  
West Wyatt Earp Blvd. 14th Ave. – Matt Down Lane

Attached for your review and approval is a request for payment to Donna Ralaya in the amount of $8,000.00 for the purchase of a temporary easement. As you recall several temporary easements are necessary to allow our contractor adequate access when replacing the pavement, sidewalks, and driveways along this section of Wyatt Earp Blvd.

I have visited with our agent and he has made contact with 90% of the property owners and believes the he will be able to have the necessary right-of-way and easements necessary for this project by mid-July.

Staff would recommend approval of this request. Should you have any questions, please let me know.

RE: Change Order #8 Wyatt Earp Blvd. Reconstruction Project ST 0201

Attached for your review is Change Order #8 for the above referenced project. As you recall the contract specified a cement treated base (CBT). Dobson Brothers requested that we consider substituting 6” of AB-3 (crushed rock) for the CBT.

Once the contractor submitted an appropriate mix design that they could meet, this request was approved. During the review of the request, staff felt that a credit was due to the city, as this material would allow the contractor to proceed through the winter and that the material was cheaper to produce and place.

This change order is the result of the change in material and is for a deduction of $27,006.00. To date the following change orders have been approved:

Memorandum

To: City Commissioners
cc: Chief John Ball
    Nannette Pogue, City Clerk
From: Ken W. Strobel, City Attorney
Date: June 29, 2007
Subject: Juvenile Curfew Ordinance

Presented for your consideration is a draft of a revised Juvenile Curfew Ordinance for the City of Dodge City. As you will recall, the previous curfew ordinance expired sometime ago and was not reenacted. If adopted, the new ordinance would become effective upon publication in the Dodge City Daily Globe.

The proposed ordinance mirrors closely the provisions of an ordinance adopted in Dallas, Texas several years ago, which has withstood a constitutional challenge in the United States 5th Circuit Court of Appeals. Although the proposed ordinance contains many of the same provisions as the prior ordinance, there are several significant changes proposed in light of the results of the Dallas court case.

First, under the prior ordinance, fines for a curfew violation were only assessed against the parents of the minor. Under the new ordinance the minor, the parents or the owner or operator of an “establishment,” as defined in the ordinance, may be found guilty of a violation and an appropriate fine assessed.

Second, the prior ordinance provided for a warning only on a first violation. Such a warning requirement is not present in the proposed ordinance.

Third, the prior ordinance contained a sunset provision under which the ordinance automatically expired unless the commission took action to renew it. No such sunset provision appears in the proposed ordinance. As indicated earlier, the above three provisions were included in the prior ordinance in order to bolster the validity of the ordinance in the event of a constitutional challenge. In light of the Dallas court case, it appears such provisions are no longer necessary in order to meet constitutionality requirements.

The enclosed ordinance has been discussed with the local juvenile authorities and Chief Ball who believe the ordinance will be of assistance to them in addressing various juvenile issues present in our community. The ordinance comes before you upon a staff recommendation for adoption.

Should you have any questions concerning the matter, please feel free to give me a call.

Ken

KWS/skp
ORDINANCE NO. 34

AN ORDINANCE TO ESTABLISH NOCTURNAL CURFEW APPLICABLE TO MINORS (AS DEFINED HEREIN) AND REGULATING THEIR ACTIONS IN PUBLIC PLACES; DEFINING THE DUTIES OF PARENTS OR GUARDIANS OF MINORS; PROVIDING FOR RELATED MATTERS INCLUDING EXCEPTIONS, POLICE PROCEDURES, AND PENALTIES FOR THE VIOLATION THEREOF:

BE IT ENACTED BY THE COMMISSION OF THE CITY OF DODGE CITY, That this ordinance may be cited as the “Juvenile Curfew Ordinance of 2007.”

Section 1. Findings and purpose.

A. The Commission of the City of Dodge City (Commission) has determined that persons under the age of 17 years are particularly susceptible, because of their lack of maturity and experience, to participate in unlawful and gang-related activities and to be the victims of older perpetrators of crime.

B. The Commission has an obligation to provide for the protection of minors from each other and from other persons, for the enforcement of parental control over, and responsibility for, children, for the protection of the general public, and for the reduction of the incidence of juvenile criminal activities.

C. The Commission has found that there has been a significant breakdown in the supervision and guidance normally provided by parents for minor children resulting in an increase in crimes and other unacceptable behavior including vandalism, public drinking and littering, drug use, breaking and entering and harassment of residents.

D. The Commission has determined that parental responsibility for the whereabouts of their children is the accepted norm and legal sanctions to enforce such responsibility will increase parental responsibility for minor children within their control and decrease juvenile delinquency.

E. The Commission has determined that a curfew for those under the age of 17 years will be in the interest of the public health, safety, and general welfare and will help to attain these objectives and to diminish the undesirable impact of this conduct on the citizens of the City of Dodge City.

F. The commission determines that passage of a curfew ordinance will protect the welfare of minors by:
   1. Reducing the likelihood that minors will be the victims of criminal acts during the curfew hours;
   2. Reducing the likelihood that minors will become involved in criminal acts or exposed to narcotics trafficking during the curfew hours; and
   3. Aiding parents or guardians in carrying out their responsibility to exercise reasonable supervision of minors entrusted to their care.
Section 2. Definitions.

For the purposes of this ordinance, the term:

A. “Curfew hours” means from 11:00 p.m. on any Sunday, Monday, Tuesday, Wednesday or Thursday, until 6:00 a.m. on the following day, and from 12:01 a.m. until 6:00 a.m. on any Saturday or Sunday. During the months of June, July and August, the term “curfew hours” mean from 12:01 a.m. until 6:00 a.m.

B. “Emergency” means an unforeseen combination of circumstances or the resulting state that calls for immediate action. The term “emergency” includes, but is not limited to, a fire, a natural disaster, an automobile accident, or any situation that requires immediate action to prevent serious bodily injury or loss of life.

C. “Establishment” means any privately-owned place of business operated for profit to which the public is invited, including, but not limited to, any place of amusement or entertainment and parking lots adjacent thereto.

D. “Guardian” means a person who, under court order, is the guardian of the person or a minor or a public or private agency with whom a minor has been placed by the court.

E. “Minor” means any person under the age of 17 years, but does not include a judicially emancipated minor or a married minor.

F. “Operator” means any individual, firm, association, partnership, or corporation operation, managing, or conducting any establishment. The term includes the members or partners of an association or partnership and the officers of a corporation.

G. “Parent” means a natural parent, adoptive parent or step-parent, or any person who has legal custody by court order or marriage, or any person not less than 21 years of age who is authorized by the natural parent, adoptive parent, stepparent or custodial parent of a child to be a caretaker for the child.

H. “Public place” means any place to which the public, or a substantial group of the public, has access, and includes, but is not limited to, streets, highways, parking lots and the common areas of schools, hospitals, apartment houses, office buildings, transport facilities, and shops.

I. “Remain” means to:
   (1) linger or stay; or
   (2) fail to leave premises when requested to do so by a police officer or the owner, operator, or other person in control of the premises.

J. “Serious bodily injury” means bodily injury that creates a substantial risk of death or that causes death, serious permanent disfigurement, or protracted loss or impairment of the function of any bodily member or organ.
Section 3.   Curfew Offenses.

A.   A minor commits an offense if he remains in any public place or on the premises of any establishment within the city during curfew hours.

B.   A parent or guardian of a minor commits an offense if he knowingly permits, or by insufficient control allows, the minor to remain in any public place or on the premises of any establishment within the city during curfew hours.

C.   The owner, operator, or any employee of an establishment commits an offense if he knowingly allows a minor to remain upon the premises of the establishment during curfew hours.

Section 4.   Defenses.

A.   It is a defense to prosecution under this ordinance that the minor was:
   1.   Accompanied by the minor's parent or guardian.
   2.   On an errand at the direction of the minor's parent or guardian, without any detour or stop;
   3.   In a motor vehicle, train, or bus involved in interstate travel;
   4.   Engaged in an employment activity, or going to, or returning home from, an employment activity, without detour or stop;
   5.   Involved in an emergency;
   6.   On the sidewalk that abuts the minor's residence or that abuts the residence of a next-door neighbor, if the neighbor did not complain to the Dodge City Police Department about the minor's presence;
   7.   In attendance at an official school, religious, or other recreational activity sponsored by the City of Dodge City, a civic organization, or other similar entity that takes responsibility for a minor, or going to, or returning home from, without any detour or stop, an official school, religious, or other recreational activity supervised by adults and sponsored by the City of Dodge City, a civic organization, or other similar entity that takes responsibility for a minor; or
   8.   Exercising First Amendment rights protected by the United States Constitution, including free exercise of religion, freedom of speech, and the right of assembly.
   9.   It is a defense to prosecution under this ordinance that the owner, operator, or employee of an establishment promptly notified the police department that a minor was present on the premises of the establishment during curfew hours and refused to leave.

Section 5.   Enforcement.

A.   Before taking any enforcement action under this section, a police officer shall ask the apparent minor's age and reason for being in the public place or establishment during curfew hours. The officer shall not take any enforcement action under this section unless the officer reasonably believes that a violation of this ordinance has occurred and that, based on any response and other circumstances, no defense in subsection (B) of Section 3 is proffered or is present.

B.   If a police officer reasonably believes that a minor is in a public place or establishment in violation of this ordinance, the officer shall notify the minor that he/she is in violation of curfew hours and shall require the minor to provide
his/her name, address, telephone number and how to contact his/her parent or guardian. In determining the age of the minor and in the absence of convincing evidence, a police officer shall use his/her best judgment in determining age.

Section 6. Penalties.

A. A person who violates a provision of Section 3 of this ordinance is guilty of a separate offense for each day or part of a day during which the violation is committed, continued, or permitted. Each offense, upon conviction, is punishable by a fine not to exceed $500.

B. The Judge of the Municipal Court, upon finding a parent or guardian guilty of a violation of Section 3.B. of this ordinance, shall sentence the parent to pay an appropriate fine and the costs of prosecution, and may require the parent or guardian to complete parenting classes at the Dodge City Area Mental Health Center or Department of Social and Rehabilitation Services.

C. Any minor who shall violate curfew hours more than three (3) times may be reported by the Chief of Police to the Department of Social and Rehabilitation Services as a minor in need of care and the Chief of Police may proceed to file an appropriate complaint with juvenile authorities.

Section 7. Reports.

The City Manager shall report to the Commission every six months after the effective date of this act, on the curfew’s effectiveness.

Section 8. Effective Date.

This ordinance shall take effect from and after its publication in the official City newspaper.

ADOPTED this _______ day of July, 2007, by the governing body of the City of Dodge City, Kansas.

TO: Nannette Pogue, City Clerk

FROM: Joseph E. Finley, P.E., Director of Public Works

RE: Resolution 2007-10 Establishing fees and rates for solid waste collection services

On March 20, 2006 a resolution establishing new rates for solid waste collection was passed by the City Commission. As a part of this resolution a previous resolution 2002-07 was repealed. However, resolution 2004-06 was passed on March 1, 2004 and is still a valid resolution as it was never repealed.

In the 2004 resolution the commission established fees for special item pick up. Technically we have two resolutions on the books that are in conflict. Resolution 2007-10 established the special collection rates and also the new rates adjusted for the annual CPI adjustments.

Staff would recommend approval of this resolution as submitted. Should you have any questions please let me know.

JF/jlg
RESOLUTION NO. 2007-10

A RESOLUTION ESTABLISHING FEES AND RATES FOR SOLID WASTE COLLECTION SERVICE IN THE CITY OF DODGE CITY

WHEREAS, for the peace, health, safety and welfare of the citizens of Dodge City, it is deemed necessary for the City to provide Solid Waste Collection service to its citizens; and

WHEREAS, such Solid Waste Collection services includes both scheduled and non-scheduled garbage, refuse and trash pickup and disposal; and

WHEREAS, because of current Ford County Landfill regulations, yard waste must be separated from municipal solid waste, now requiring the City to make separate collections; and

WHEREAS, it is necessary for each and every citizen of the City of Dodge City to pay a fair and equitable share of the cost of this Solid Waste Collection service.

NOW, THEREFORE, BE IT RESOLVED by the Governing Body of the City of Dodge City, Kansas:

Section 1: REPEAL: Resolutions 2004-06; adopted on the 1st day of March, 2004 and Resolution 2007-04: adopted on the 2nd day of April, 2007, are hereby repealed.

Section 2: SERVICE TO DWELLINGS:

2.1 Dwellings shall include all single family residences, duplexes, or two family dwellings. Fees for dwellings shall be $14.33 per month per dwelling plus an additional fee of $1.15 per month per dwelling for recycling and the handling of disposal of household hazardous wastes.

2.2 Multiple family dwellings shall be all residential buildings, except hotels or motels, having three (3) or more separate living units. Fees for multiple family dwellings shall be $14.33 for the first dwelling unit and $8.55 for each additional dwelling unit plus an additional fee per month per unit of $1.15 for recycling and the handling of disposal of household hazardous wastes.

2.3 Special fees. In addition to the base rates provided herein above, special fees shall be charged in those cases where the Sanitation Department personnel shall be required to collect such items as refrigerators, stoves, furniture, etc., and large accumulations of trash or metal. In addition, trash placed by either the poly-kart or dumpster will also be subject to an additional charge.

Special fees for some items are as follows:
<table>
<thead>
<tr>
<th>ITEM</th>
<th>FEE</th>
</tr>
</thead>
<tbody>
<tr>
<td>Refrigerators</td>
<td>$5.00 plus any fee for disposal of compressor or refrigerant</td>
</tr>
<tr>
<td>Freezers</td>
<td>$5.00 plus any fee for disposal of compressor or refrigerant</td>
</tr>
<tr>
<td>Air Conditioners</td>
<td>$5.00 plus any fee for disposal of compressor or refrigerant</td>
</tr>
<tr>
<td>Stoves, dishwashers or other white goods</td>
<td>$5.00 per item</td>
</tr>
<tr>
<td>Metal goods</td>
<td>$5.00 per item</td>
</tr>
<tr>
<td>Furniture, Mattresses, Carpet, or other large household items</td>
<td>$5.00 per item</td>
</tr>
<tr>
<td>Bagged or loose trash not in poly-kart or dumpster</td>
<td>$1.00 per 40 lb. Bag</td>
</tr>
</tbody>
</table>

Should there be more than three (3) items placed at curb for special pickup, these items will be considered as a bulky accumulation and subject to that charge.

- Trees and other large brush accumulations and other bulky large accumulations: Minimum of $25.00 per load plus $12.50 per hour plus landfill charges
- Alley Cleanup: Minimum of $25.00 per load plus $12.50 per hour plus landfill charges
- Late Pickup: A $2.00 charge for pickup of items and karts not placed at the curb by 7:00 a.m. on the scheduled day for pickup

**Section 3. SERVICE TO HOME OCCUPATIONS**

Home occupations and similar activities, but not including child care facilities shall pay a $14.33 per month fee for the residence and shall also pay an additional $14.33 per month fee for service to the home occupation. Such home occupations shall also pay an additional $1.15 each for the residence and for the home occupation for recycling and the handling and disposal of household hazardous wastes.

**Section 4. SPECIAL CONDITIONS**

Any special conditions not included in the above rate schedule shall be determined by the Director of Public Works, subject to the approval of the Governing Body.

**Section 5. YARD WASTE**

As the Ford County Landfill requires that all yard wastes be separated from solid waste and that all yard wastes cannot be bagged, the City of Dodge City requires all residents desiring to have their yard waste disposed of by the City shall rent a container, provided by the City, for a cost of $2.28 per month. Residents may dispose of yard waste by bagging the waste. Bags may not weigh more than 40 lbs. when full. Crews will pick up the bags for $1.00 per bag.
Section 6. EFFECTIVE DATE

This Resolution shall become effective upon its adoption by the City Commission and publication in the official city newspaper.

MEMO

TO: City Commission

FROM: Nannette Pogue

SUBJECT: Resolution Nos. 2007-11 and 2007-12

Resolution No. 2007-11 authorizes improvements of main trafficways in the City of Dodge City. Those main traffic ways are Wyatt Earp Boulevard, 14th Avenue, Commanche to U.S. Highway 50, 14th Avenue, Ross Boulevard to Iron Road and 6th Avenue from Ross Boulevard to Plains. Resolution No. 2007-12 authorizes improvement of residential streets in the City. Those residential streets are part of the Asphalt Street Sealing project and Asphalt Reconstruction project. All of the main trafficways and residential streets were included in the 2007 street program. The resolutions are necessary as part of the G.O. Bond process.

If you have any questions or wish additional information, please let me know.
RESOLUTION NO. 2007-11

A RESOLUTION AUTHORIZING THE IMPROVEMENT OR REIMPROVEMENT OF CERTAIN MAIN TRAFFICWAYS WITHIN THE CITY OF DODGE CITY, KANSAS; AND PROVIDING FOR THE PAYMENT OF THE COSTS THEREOF.

WHEREAS, K.S.A. 12-687 provides that the governing body of any city shall have the power to improve or reimprove or cause to be improved or reimproved, any main trafficway or trafficway connection designated and established under the provisions of K.S.A. 12-685 et seq. (the "Act"), and such improvement or reimprovement may include grading, regrading, curbing, recuring, guttering, reguttering, paving, repaving, macadamizing, remacadamizing, constructing, reconstructing, opening, widening, extending, rounding corners, straightening, relocating, building any necessary bridges and approaches thereto, viaducts, overpasses, underpasses, culverts and drainage, trafficway illumination, traffic control devices, pedestrian ways, or other improvements or any two or more of such improvements or reimprovements and the acquisition of right-of-way by purchase or condemnation when necessary for any of such purposes; and

WHEREAS, the Act provides that all costs of improvements or reimprovements authorized thereunder, including acquisition of right-of-way, engineering costs, and all other costs properly attributable to such projects, shall be paid by the city at large and may be funded, among others, by the issuance of general obligation bonds; and

WHEREAS, the governing body of the City of Dodge City, Kansas (the "City"), has heretofore designated certain streets within the City as main trafficways, as provided by and under the authority of the Act; and

WHEREAS, said governing body hereby finds and determines that it is necessary to improve or reimprove said main trafficways, and to provide for the payment of the costs thereof, all as provided by and under the authority of the Act.

THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF DODGE CITY, KANSAS:

Section 1. Project Authorization. It is hereby deemed and declared to be necessary to improve or reimprove the main trafficways hereinafter set forth:

(the "Project") under the authority of the Act, in accordance with plans and specifications therefor prepared or approved by the City Engineer.

Section 2. Financing Authority. The City's share of the costs of the Project and associated financing costs shall be payable from the proceeds of general obligation bonds of the City issued under authority of the Act (the "Bonds"). The City has previously issued bonds in the amount of $3,350,000, plus associated costs of issuance for the first two projects listed above. This authorization is for the remaining balance of the City's share of the Project costs, plus associated financing costs.

Section 3. Reimbursement. The Bonds may be issued to reimburse expenditures made on or after the date which is 60 days before the date of this Resolution, pursuant to Treasury Regulation §1.150-2.

Section 4. Effective Date. This Resolution shall take effect and be in full force from and after its adoption by the governing body of the City.

Subject: Application for approval to change the place of use, point of diversion or use made of existing water rights

As you know, PEC is currently working with staff to look at our existing wells and water rights and help us determine how to best use our existing wells, combine existing water rights and develop new water rights that have not been developed.

After several months of study and meeting with the Division of Water Resources (DWR), PEC is making several recommendations and is needing to make application to DWR for these changes.

The following is a summary of the recommendations and what appears on the application to DWR.

- Water right 30108 (Well #21 Race Track)
  - Change the point of use
    Currently the point of use is for the ground at the race track. This change would allow the water to be used City wide
  - Point of Diversion
    The physical location of the well is being relocated so that other water rights close to this well might be purchased and transferred to this location
  - Use made of the water
    We are requesting a change from irrigated right to domestic right

- Water right 34040 (Well #16 Old Landfill)
  - Point of Diversion
    The well casing is bad, which requires the well to be relocated a minimum of 50ft. Currently the well is located on county property. We are seeking a change in the diversion to relocate the well at the Airport.
• Water Right 25293 (Well #1 & #15 Wright Park & Utility Division)
  o Point of Diversion
    Both wells utilize the vested right FO2. Currently neither well is permitted
to pump due to high levels of nitrates. We have done some preliminary
test pumping several years ago and believe that we can isolate the two
different layers of the aquifer and pump from the lower level which is free
from this high level of nitrates. However, we must relocate the well to
accomplish this. We are proposing to locate the well in the southeast
corner of Wright Park.

• Vested Water Right FO69 (Well #15 Utility Division)
  o Point of Diversion
    We are proposing to move the well and utilize its water from two water
rights FO69 and FO2. This request would authorize the relocation of the
well to the south east corner of Wright Park along with well #2

Staff has reviewed the applications and would recommend that they be approved as
submitted. Should you have any questions, please let me know.

JF/jlg
APPLICATION FOR APPROVAL TO CHANGE THE PLACE OF USE, THE POINT OF DIVERSION OR THE USE MADE OF THE WATER UNDER AN EXISTING WATER RIGHT

Filing Fee Must Accompany the Application
(Please refer to Fee Schedule on back side of application form.)

The application must be supplemented by either a topographic map or detailed plat. A U.S. Geological Survey Topographic Map, scale 1:24,000, is available through the Kansas Geological Survey, 1930 Constant Avenue, University of Kansas, Lawrence, Kansas 66047-3726. The following information must be shown on the map: If a change in the location of the point(s) of diversion is desired, show both the location of the presently authorized point(s) of diversion and the location of the proposed point(s) of diversion. Distances North and West of the Southwest corner of the section must be shown. Describe the current condition and future plans of any points of diversion which are no longer to be used. These locations should be shown by plotting the position accurately on the map and giving the distance and direction from a section corner or some permanent point. If the source of supply is groundwater, then please show the location of existing water wells of any kind within ½ mile of the proposed well or wells. Identify each well as to its use and furnish name and mailing address of the property owner or owners. If there are no wells within ½ mile, please advise us. If a change in the place of use is desired, show the proposed place of use by crosshatching on the map. Identify the center of the section, the section lines and the section corners and show the appropriate section, township, and range numbers on the map. Please be certain that the information shown on the map agrees with the information shown in the application.

My Commission Expires

NOTE: The application must be signed by each person and his or her spouse, if married, whose name appears as an applicant and all other owners of land covered by the water right. Please indicate if there is no spouse. If land is being purchased under contract, the seller must sign as landowner until such time as the contract is completed.

In the event that all applicants cannot appear before one notary public, they may as necessary sign separate copies of the application before any notary public conveniently available to them. All copies signed in this manner shall be considered to be valid parts of the application.

If the request is signed on behalf of any Owner by someone with legal authority to do so (for example, an agent, one who has power of attorney, or an executor, executor, conservator), it will be necessary to attach proper documents showing such authority.

FEE SCHEDULE effective July 1, 2002

Each application to change the place of use, the point of diversion or the use made of the water under this section shall be accompanied by the application fee set forth in the schedule below:

1. Application to change a point of diversion 300 feet or less ........................................ $100
2. Application to change a point of diversion more than 300 feet ........................................ 200
3. Application to change the place of use .............................................................................. 200
4. Application to change the use made of the water ............................................................... 300

Any application submitted which requests two of the types of changes set forth above shall be accompanied by a fee of $300. Any application which requests three types of changes shall be accompanied by a fee of $600.

Make check payable to Kansas Department of Agriculture.

APPLICATION FOR APPROVAL TO CHANGE THE PLACE OF USE, THE POINT OF DIVERSION OR THE USE MADE OF THE WATER UNDER AN EXISTING WATER RIGHT

Filing Fee Must Accompany the Application
(Please refer to Fee Schedule on back side of application form.)

The application must be supplemented by either a topographic map or detailed plat. A U.S. Geological Survey Topographic Map, scale 1:24,000, is available through the Kansas Geological Survey, 1930 Constant Avenue, University of Kansas, Lawrence, Kansas 66047-3726. The following information must be shown on the map. If a change in the location of the point(s) of diversion is desired, show both the location of the presently authorized point(s) of diversion and the location of the proposed point(s) of diversion. Distances North and West of the Southeast corner of the section must be shown. Describe the current condition and future plans of any points of diversion which are no longer to be used. These locations should be shown by plotting the position accurately on the map and giving the distance and direction from a section corner or some permanent point. If the source of supply is groundwater, then please show the location of existing water wells of any kind within 1/2 mile of the proposed well or wells. Identify each well as to its use and furnish name and mailing address of the property owner or owners. If there are no wells within 1/2 mile, please advise us. If a change in the place of use is desired, show the proposed place of use by crosshatching on the map. Identify the center of the section, the section lines and the section corners and show the appropriate section, township, and range numbers on the map. Please be certain that the information shown on the map agrees with the information shown in the application.

NOTE: The application must be signed by each person and his or her spouse, if married, whose name appears as an applicant and all other owners of land covered by the water right. Please indicate if there is no spouse. If land is being purchased under contract, the seller must sign as landowner until such time as the contract is completed.

In the event that all applicants cannot appear before one notary public, they may as necessary sign separate copies of the application before any notary public conveniently available to them. All copies signed in this manner shall be considered to be valid parts of the application.

If the request is signed on behalf of any Owner by someone with legal authority to do so (for example, an agent, one who has power of attorney, or an executor, executor, conservator), it will be necessary to attach proper documents showing such authority.

FEE SCHEDULE effective July 1, 2002

Each application to change the place of use, the point of diversion or the use made of the water under this section shall be accompanied by the application fee set forth in the schedule below:

(1) Application to change a point of diversion 300 feet or less ________________________________ $100
(2) Application to change a point of diversion more than 300 feet ____________________________ 200
(3) Application to change the place of use ________________________________ 200
(4) Application to change the use made of the water ________________________________ 300

Any application submitted which requests two of the types of changes set forth above shall be accompanied by a fee of $300. Any application which requests three types of changes shall be accompanied by a fee of $500.

Make check payable to Kansas Department of Agriculture.
APPLICATION FOR APPROVAL TO CHANGE THE PLACE OF USE, THE POINT OF DIVERSION OR THE USE MADE OF THE WATER UNDER AN EXISTING WATER RIGHT

Filing Fee Must Accompany the Application
(Please refer to Fee Schedule on back side of application form.)

The application must be supplemented by either a topographic map or detailed plat. A U.S. Geological Survey Topographic Map, scale 1:24,000, is available through the Kansas Geological Survey, 1930 Constant Avenue, University of Kansas, Lawrence, Kansas 66047-3726. The following information must be shown on the map. If a change in the location of the point(s) of diversion is desired, show both the location of the presently authorized point(s) of diversion and the location of the proposed point(s) of diversion. Distances North and West of the Southeast corner of the section must be shown. Describe the current condition and future plans of any points of diversion which are no longer to be used. These locations should be shown by plotting the position accurately on the map and giving the distance and direction from a section corner or some permanent point. If the source of supply is groundwater, then please show the location of existing water wells of any kind within ½ mile of the proposed well or wells. Identify each well as to its use and furnish name and mailing address of the property owner or owners. If there are no wells within ½ mile, please advise us. If a change in the place of use is desired, show the proposed place of use by crosshatching on the map. Identify the center of the section, the section lines and the section corners and show the appropriate section, township, and range numbers on the map. Please be certain that the information shown on the map agrees with the information shown in the application.

   IF MORE SPACE IS NEEDED, ATTACH ADDITIONAL SHEETS AS NECESSARY
Section 82a-726 of the Kansas Water Appropriation Act, provides:

(a) Except for the appropriation of water for the purpose of domestic use, . . . it shall be unlawful for any person to appropriate or threaten to appropriate water from any source without first applying for and obtaining a permit to appropriate water in accordance with the provisions of chapter 7 of article 82a of the Kansas Statutes Annotated [the Water Appropriation Act] and acts amendatory thereof or supplemental thereto or, for any person to violate any condition of a vested right, appropriation right or an approved application for a permit to appropriate water for beneficial use. (Emphasis added)

(b) (1) The violation of any provision of this section by any person is a class C misdemeanor.

A class C misdemeanor is punishable by a fine, only after notification by the Chief Engineer, not to exceed $500 and/or a term of confinement not to exceed one month in the county jail. Each day that the violation occurs constitutes a separate offense.

One in the ______________ quarter of the ______________ quarter of the ______________ quarter of Section ______________.

Township ______, Range ______, in ______________ County, Kansas, ______________ feet North ______________ feet West of the Southeast corner of section.

6. The proposed location of the point(s) of diversion is (are) ONE

WELL, PUMP, & MOTOR

located as follows:

One in the SE quarter of the NW quarter of the NE quarter of Section 35.

Township 26S, Range 25W, in FORD County, Kansas, 4329 feet North 1494 feet West of the Southeast corner of section, and

One in the ______________ quarter of the ______________ quarter of the ______________ quarter of Section ______________.

Township ______, Range ______, in ______________ County, Kansas, ______________ feet North ______________ feet West of the Southeast corner of section.

7. The works for diversion of water at the proposed location will consist of ONE WELL, PUMP, & MOTOR

and proposed to be completed by DECEMBER 2007.

8. The presently authorized use of water is for MUNICIPAL purposes.

It is proposed that the use be changed to (NO CHANGE) purposes.

9. The change(s) proposed herein are desired for the following reasons (please be specific):

10. Furnish information to show:

a. That the proposed change(s) will not impair existing water rights, and
b. That the proposed change(s) relates to the same local source of supply as that to which the presently authorized water right relates. Attach statements, plats, geology reports, well logs, test hole logs, and other information as necessary with additional comments below:

(A) THE PROPOSED CHANGES WILL NOT IMPAIR EXISTING WATER RIGHTS - NO KNOWN WATER WELLS IN CLOSE PROXIMITY TO PROPOSED POINT OF DIVERSION.

(a) EXISTING WELL DEPTH 140FT, SCREENED FROM 100-140FT - NEW WELL WILL BE SIMILARLY CONSTRUCTED.

IF MORE SPACE IS NEEDED, ATTACH ADDITIONAL SHEETS AS NECESSARY
Section 82a-728 of the Kansas Water Appropriation Act, provides

(a) Except for the appropriation of water for the purpose of domestic use, . . . it shall be unlawful for any person to appropriate or threaten to appropriate water from any source without first applying for and obtaining a permit to appropriate water in accordance with the provisions of chapter 7 of article 82a of the Kansas Statutes Annotated [the Water Appropriation Act] and acts ancillary thereof or supplemental thereto or, for any person to violate any condition of a vested right, appropriation right or an approved application for a permit to appropriate water for beneficial use. (Emphasis added)

(b) (1) The violation of any provision of this section by any person is a class C misdemeanor . . .

A class C misdemeanor is punishable by a fine, only after notification by the Chief Engineer, not to exceed $500 and/or a term of confinement not to exceed one month in the county jail. Each day that the violation occurs constitutes a separate offense.
