AG CMB Corporate Application (Rev. 07.08.2013)
Memorandum

To: Cherise Tieben, City Manager
From: Nannette Pogue
Date: November 3, 2017
Subject: Resolution No. 2017-31
Agenda Item: Resolutions

Recommendation: I recommend the City Commission adopt Resolution No. 2017-31.

Background: The City of Dodge City previously issued IRBs for Kimbroy’s Properties, L.L.C. for the construction of the Best Western Inn and Suites on Wyatt Earp. When IRBs are issued, the City holds the title to the property until the Industrial Revenue Bonds have been paid off. Those IRB’s have been paid in full by Kimbroy’s Properties LLC and they have sent a letter to the City exercising the option to purchase the property. The resolution authorizes the Mayor and City Clerk to execute a Special Warranty Deed, Bill of Sale and Release of Lease.

Justification: These actions are a requirement after full payment of the IRBs to release the property back to the owner which is Kimbroy’s Properties.

Financial Considerations: none with these actions

Purpose/Mission: To promote business in our community and improve the quality of life in Dodge City and Ford County.

Legal Considerations: All legal actions are met with the Resolution and documents for the City to sign. These documents have been prepared by Gilmore and Bell.

RESOLUTION NO. 2017-31

A RESOLUTION OF THE GOVERNING BODY OF THE CITY OF DODGE CITY, KANSAS AUTHORIZING THE SALE AND CONVEYANCE OF CERTAIN PROPERTY TO KIMBROY'S PROPERTIES L.L.C.

WHEREAS, pursuant to Ordinance No. 3443 and the Bond Agreement dated as of October 24, 2007, the City of Dodge City, Kansas (the “Issuer”) has previously issued its Taxable Industrial Revenue Bonds, Series 2007 (Kimbroy's Properties, L.L.C.) in the original aggregate principal amount of $2,970,000 (the "Bonds") to finance the cost of acquiring, constructing, furnishing and equipping a hotel facility to be used for commercial purposes (the "Project"), such Project having been leased to Kimbroy's Properties L.L.C., a Kansas limited liability company (the "Tenant") pursuant to a Lease dated as of October 24, 2007 between the City and the Tenant (the "Lease"); and

WHEREAS, the Tenant desires to exercise its option to purchase the Project under Section 17.1 of the Lease and is not in default under the Lease; and

WHEREAS, the Tenant had made all the payments of Basic Rent and Additional Rent pursuant to the Lease and all principal and interest on the Bonds has been paid or payment has been provided for; and

WHEREAS, Legacy Bank, Wichita, Kansas, as fiscal and paying agent for the Bonds, has certified that no Bonds remain outstanding; and

WHEREAS, the Tenant has provided the City written notice of its intent to exercise its option to purchase the Project;

NOW THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF DODGE CITY, KANSAS:

Section 1. The Mayor and Clerk are authorized and directed to execute a special warranty deed, a bill of sale and a Release of Lease, in substantially the forms submitted to the Governing Body concurrently with the adoption of this Resolution. The Clerk is directed to deliver the executed special warranty deed, a bill of sale and a release of lease to the Tenant.

Section 2. The Mayor and Clerk are hereby further authorized and directed to sign such other instruments and certificates as shall be necessary and desirable in connection with this Resolution, and are hereby further authorized to take such further actions as may be necessary to accomplish the purposes of this Resolution.

Subject: Resolution No. 2017-33
Agenda Item: Ordinances and Resolutions

**Recommendation:** I recommend the approval of Resolution No. 2017-33, thereby cancelling the collection date of the CID sales tax for the Santa Fe Plaza project.

**Background:** Ordinance No. 3492 provided that the district would begin the collection of the CID sales tax on January 1, 2011. Since that time the owners have filed petitions each year to extend the CID by a year and the City Commission have approved Resolutions delaying the collection of the CID, the most recent being delayed until January 1, 2018. The developer of the Santa Fe Plaza stated that there is no date set for construction of this development. So, he has asked that this CID be cancelled at this time and if at a future date, plans materialize we can revisit the CID on this property if it is appropriate. Resolution No. 2017-33 will accomplish that cancellation.

**Justification:** The developer does not expect to have retail development on the property in the near future.

**Financial Considerations:** none

**Purpose/Mission:** Together we strive to achieve high performance and service standards set by us and expected by the community.

**Legal Considerations:** This resolution will satisfy the legal requirements.

**Attachments:** Resolution No. 2017-33

WHEREAS, on June 7, 2010, the Governing Body of the City of Dodge City, Kansas (the “City”) passed Ordinance No. 3492 making findings as to the advisability of and creating a community improvement district more particularly described therein (the “Santa Fe Plaza CID”), authorizing certain projects relating thereto, approving the estimated cost of such projects, authorizing the imposition of a community improvement district sales tax within the community improvement district, and providing the proposed method and amount of financing; and

WHEREAS, Section 6 of Ordinance No. 3492 provided that the community improvement district sales tax would commence on January 1, 2011 or any other effective date the City may approve by resolution if a change in the effective date was requested by the party that petitioned to create such community improvement district (the “Petitioner”); and

WHEREAS, the City has received a Request for Delay of Community Improvement District Sales Tax each year delaying it for one year. The most recent delay was Resolution No. 2016-24 delaying the effective date to January 1, 2018.

WHEREAS, on November 1, the developer of the Santa Fe Plaza stated that the plans for this development have not yet materialized and there is no start date for those plans.

WHEREAS, the City hereby finds that it is appropriate to cancel the effective date of the collection of community improvement district sales tax within the Santa Fe Plaza CID based on the notification of the developer that construction has not started and there is no date set for construction or development of the Santa Fe Plaza

Memorandum

To: City Manager, Cherise Tieben
    City Commissioners

From: Nicole May
     Paul Lewis

Date: November 3, 2017
Subject: Public Transportation Grant Letters
Agenda Item: New Business

Recommendation: Staff recommends the City Commission approve the submission of applications for 5311 public transportation grant including local match financial commitment letters as follows:

1. U.S.C. 49-5311 Public Transportation Operating Grant in the amount of $421,005 which includes $78,670 for dispatch and $13,120 for replacement of a minibus.

Background: The Dodge City Public Transportation provides services to Dodge City and Ford County area residents. Our services include Fixed Route, Demand Response and ADA Para-transit service. Currently we provide over 44,000 rides annually and we continue to increase ridership. The proposed budget for this grant (see Attachment 1) will continue funding for the program as follows:

• Fixed Route Bus Service in Dodge City. The Fixed Route bus system was expanded in May 2015. Each route runs hourly from 6:00 am to 7:00 pm, Monday through Friday.

• Door-to-Door ADA Para-transit Service. We continue to provide door to door service (within ¾ of a mile of the Fixed Routes) for passengers with physical, cognitive or visual disabilities which prevent them from utilizing the fixed route buses.

• Regional Demand Response Service. We provide service outside the 3/4 mile Para-transit zone, and up to 2 miles beyond the city limits. Any resident may schedule a door-to-door ride if the ride's origin or destination is beyond the 3/4 mile Para-transit zone and within a 2 mile radius of City limits. Based on our reports over the last year, we are providing over 1,400 Para-transit and Regional Demand Response rides per month.
**Justification:** As of today, Dodge City Public Transportation is providing over 3,600 rides a month with both Fixed Route and Para transit/Demand Response service. We have seen a 19% increase in total rides when comparing to last year. We expect that the Fixed Route and Para-transit services continue to increase and build ridership.

**Financial Considerations:** There are no significant changes to the level of funding requested. Our operating and administrative budget remains the same or similar. For this grant cycle staff recommends Dodge City commit to meeting the local match costs associated with this important public service. The letters of financial commitment required for the 5311 grant application are as follows:

- **U.S.C. 49-5311 Public Transportation Grant:**
  - Operations (50%) $307,535
  - Dispatch (50%) $78,670
  - Administration (20%) $21,680
  - Capital (20%) $13,120
  - TOTAL $421,005

The commitment letters are required to include a 50% local match of the Federal transportation funds for Operations and Dispatch for which the City is applying. Historically KDOT has supplemented the Federal funds and for this grant cycle we anticipate State funding of an additional 20%. With State funding, the net City obligation will be $297,995 of which $205,345 is budgeted in Public Transportation (3410) for 2018; $26,930 is provided from existing covered positions in the Parks budget (5210); $13,120 is budgeted in the depreciation fund and $52,600 will be raised through Service Contracts.

**Purpose/Mission:** Improvements to public transportation represent the City’s core values of Ongoing Improvement and Preparing for the Community’s Future. Dodge City’s expanding service is helping more residents every day by allowing them to get to work, do their shopping and get to medical appointments. The availability of public transportation also allows older residents to live more independently.

**Legal Considerations:** These commitment letters are required elements of the City’s application for grant funding. KDOT will consider all requests and most likely will adjust the final approved amounts.

**Attachments:** Program budget document.

Memorandum

To: Cherise Tieben, City Manager
   City Commissioners
From: Paul Lewis, Parks & Recreation Director
Date: November 2, 2017
Subject: Heritage Sign Proposals
Agenda Item: New Business

RECOMMENDATION: Staff recommends accepting the proposal from Building Solutions in the amount of $42,407.11 for the construction of a monument sign.

BACKGROUND: This project is one of the components of the Development Agreement for the Heritage District. The City is obligated to erect a sign at a cost not to exceed $60,000. The sign will promote the Heritage improvements including the hotel, RV Park, restaurant, water park, and Boot Hill Museum.

Staff had published an RFP previously soliciting proposals but due to materials choices, those proposals were rejected and a second RFP was published. Building Solutions was the only response to the second RFP. Their proposal incorporates the brick and stone elements that are consistent with the new and renovated construction that is the theme of the area.

The Building Solutions proposal provides the structure for the sign. Staff will still need to acquire the specific sign panels to be attached and also bring electrical service to the site.

JUSTIFICATION: This project is a requirement that is identified in the Development Agreement for the Heritage District improvements. The sign will help identify and draw attention to the area and support the significant attractions included with this development project.

FINANCIAL CONSIDERATIONS: This project will be funded out of the Growth Fund. The project estimate was $60,000. Combined, this proposal and the remaining work, the total cost will not exceed the project estimate.

PURPOSE/MISSION: This project is consistent with the City’s Core Value of Ongoing Improvements.

LEGAL CONSIDERATIONS: n/a
