Memorandum

To: City Manager
   City Commissioners
From: Ray Slattery, Director of Engineering
   Services
Date: March 22, 2018
Subject: Asphalt Street Projects
   (ST 1704)
Agenda Item: Consent Calendar

Recommendation: Approve Change Order No. 1 for Asphalt Street Projects.

Background: Asphalt Street Projects was approved on June 19, 2017.

Justification: Base Bid -
Sub-Grade Repair — This item was deleted from the contract. We did not encounter any sub-grade that needed to be repaired in the base bid of the project.

4” HMA Base Course— There was an underrun of 15 Ton of 4” HMA Base Course. The reason for the underrun is due to the over estimation of the quantity needed during design.

2” HMA Surface Course— There was an overrun of 24 Ton of 2” HMA Surface Course. The reason for the overrun is due to a difference between theoretical volumes and actual volumes measured and placed in the field.

Remove/Replace Curb and Gutter — There was an overrun of 4 L.F. of Rem./Repl. Curb & Gutter. The reason for the overrun was due to decisions made in the field during construction to remove and replace curb and gutter to either a full or half joint.

6” Fly Ash Sub-Grade Treatment – This is a new addition to bid items on the project. After the project was bid it was determined that fly-ash treatment of the sub-grade was omitted from the bid. It was included in the plans and specifications. The unit price given by the contractor was consistent with past prices for this work.

Bid Alternate -
2 ½” HMA Surface Course — There was an overrun of 11 Tons of 2 ½” HMA Surface Course. The reason for the overrun is due to a difference between theoretical volumes and actual volumes measured and placed in the field.

Water Valve Adjustment - This item was deleted from the contract. The contractor was able to place the pavement on Layton St. without adjusting the existing water valve box.
Manhole Adjustment - This item was deleted from the contract. The contractor was able to place the pavement on Layton St. without adjusting the existing manholes.

Sub-Grade Repair — This item was added to the project for Layton St. The area along the north curb line was deteriorated beyond repair once the 2 ½” of surface asphalt was milled off. The Milling Machine actually fell through the pavement during the milling operation. This area had to be excavated and compacted back to grade in lifts.

Crushed Concrete Fill — This item was added to the project for Layton St. and coincides with the sub-grade repair. Some additional material was needed to stabilize the worst of the unstable areas, staff and the contractor agreed to use crushed concrete.

4” Asphalt Mill — This item was added to the project for Layton St. and coincides with the subgrade repair. The base course of asphalt had to be removed where the milling machine fell through and the sub-grade needed to be repaired.

4” HMA — This item was added to the project for Layton St. and coincides with the subgrade repair. The extra tonnage was required to cover the areas where the sub-grade had been repaired or reworked. The contractor agreed to the same unit price for this item as he bid in the base bid.

**Financial Considerations:** Change Order No. 1 is for a increase of $ 31,813.75.

**Purpose/Mission:** One of the City's core values in Ongoing Improvements. With the construction of these improvements the City is preparing for the community's future and providing new possibilities for current and future citizens of our community.

**Legal Considerations:** N/A

Memorandum

To: City Commissioners
From: Cherise Tieben
Date: March 28, 2018
Subject: Intent to Issue IRB’s Sutherlands
Agenda Item: Resolution 2018-07

Recommendation: Staff recommends approval of Resolution 2018-07.

Background: IRB’s are an economic development tool that is statutorily permitted to provide funds to pay the costs of acquisition, construction and equipping a commercial business. They are special revenue bonds. Businesses typically utilize IRB’s for the sales tax exemption of materials and equipment or other favorable tax and financing issues. The first step in this process is to issue a letter of intent for the City to issue IRB’s. The next step will be an Ordinance approved by the Governing Body to issue these bonds. When the bonds are issued by the City a lease will be entered into between the City and Sutherlands for the final amount of the bonds issued. The lease proceeds will be used to repay the revenue bonds.

Justification: In accordance with the Sutherlands Development Agreement, we agreed to issue IRB’s on behalf of Sutherlands for the cost of construction materials, furniture, fixtures and equipment for the facility.

Financial Considerations: None, as the IRB’s are not backed by the full faith and credit of the City.

Purpose/Mission: Together, we value progress, growth and new possibilities by providing and preparing for the community’s growth.

Legal Considerations: The Resolution of Intent was prepared by the City’s bond counsel, Gilmore & Bell.

Attachments: Resolution 2018-07

WHEREAS, the City and Company entered into the Sutherlands Development Agreement dated July 6, 2017, as amended by a First Amendment to Sutherlands Development Agreement dated March 5, 2018 (collectively the “Development Agreement”): and

Resolution of Intent

Memorandum

To: Cherise Tieben, City Manager
City Commissioners
From: Robert Heinz, Fire Chief
Date: April 2, 2018
Subject: Fireworks Contract
Agenda Item: New Business

Recommendation: Staff requests Commission approval to enter into contract with Wald’s All American Display Fireworks in the amount of $25,000 for the 4th fireworks show. The contract for 2018 allows for a rescheduled date within a 3 month period of the original showing.

Background: Wald’s has provided all of the fireworks shows for the Old Dodge City event since we first started in 1998 with this being the 21st year. They have provided well designed shows, choreographed with music that has developed Dodge City’s reputation as a premier show in the state.

Again this year the 4th committee is working to coordinate with other agencies and organizations to promote activities planned for the day and then culminate with the fireworks show at 10pm that night. The show will be shot from Morgan Blvd and USD 443 will allow us to use Memorial Stadium for spectator viewing.

Justification: The Dodge City show is the largest display in western Kansas and local response is overwhelmingly positive. This show draws people into the community from all around the area and several thousand people line the streets and parking areas around north Dodge to view the display.

Wald’s has provided excellent service and quality displays for the event since its inception. The planning committee has met and recommends to continue contracting with Wald for the display.

Financial Considerations: The contract for the show is $25,000. Of the total expense, the City covers $5,000 from the Non-Departmental budget. The remainder is raised by the local fireworks committee through corporate and individual sponsors. The committee
is already working towards that goal and is sending out solicitation letters. The group has also developed some additional fund raising strategies to support the program.

**Purpose/Mission:** The City’s support of this program is consistent with the mission of the City to improve quality of life as it enhances a community wide event celebrating our history and providing entertainment for our citizens.

**Legal Considerations:** Liability issues with this activity are covered by Wald & Co. through a certificate of insurance with coverage limit of $5,000,000 for public liability and property damage.

**Attachments:** Wald Contract.

Memorandum

To: City Commissioners
From: Cherise Tieben
Date: March 28, 2018
Subject: Sutherlands Project
Agenda Item: Second Amendment to the Sutherlands Development Agreement

Recommendation: Staff recommends approval of the Second Amendment to Sutherlands Development Agreement.

Background: As I am sure you recall, we entered into the original Development Agreement last year and on February 5, 2018 approved the First Amendment. Sutherlands have recently settled on a general contractor for their project and once we complete a few more minor details, we will move to close on the property immediately thereafter. The details include such items as approving the plans to the reasonable satisfaction of Sutherlands and the mutual agreement on the coordination of infrastructure extensions. We anticipate closing in the next few weeks. However, the deadline as established in the First Amendment was March 31, 2018. The amendment moves the deadline to an outside date of April 30, 2018, which all parties agreed should be sufficient time.

Justification: We believe that we will close in the next couple of weeks, but Sutherlands was confident that it could occur prior to April 30th.

Financial Considerations: None

Purpose/Mission: Together, we promote open communications with our community members to improve quality of life and preserve our heritage to foster a better future.

Legal Considerations: The document was prepared by our STAR Bond legal counsel and simply extends our opportunity to complete our conditions for closing.

Memorandum

To: City Commissioners
    City Manager, Cherise Tieben

From: Jackie Regan
       Nannette Pogue

Date: March 29, 2018

Subject: Program Rate Changes
Agenda Item: New Business

Recommendation: Staff recommends the City Commission approve the request to amend 2018 membership rates and program fees.

Background: As stated in Section 2 (g) of the Management Agreement between the City of Dodge City and the YMCA of Southwest Kansas, the Dodge City YMCA is currently required to seek and receive City Commission approval prior to any increases in membership costs and/or program fees. The purpose of this memo is to inform you in changes of program fees. These fees either still fall with the agreed upon fees within the agreement, or are for programs that the City did not oversee, however the YMCA still wanted to notify you of the changes just for awareness purposes.

Justification: These rates changes were agreed upon through the committee process and are pending Board approval on March 29. For the Sports and Summer Camp rates, they fall within the agreed upon rates in the agreement with the City of Dodge and the YMCA. The Swim Team rate change has been approved through the Parent Advisory Council and is to offset a second coach for the program. I have attached a breakdown explaining the fee changes below.

Financial Considerations: The YMCA is proposing these changes to best meet the organizational needs of the YMCA and the individual program need. We will still offer other scholarship options in order to continue with the YMCA mission to provide programs “for all,” and will not turn any child away due to inability to pay.
Purpose/Mission: The proposed request is consistent with the City’s Core Purpose of “Together We Serve to Make Dodge City the Best Place to be.”

Legal Considerations: None.

Attachments: Current and Proposed Fee breakdown.
## YMCA Program Fee Changes

### Sports Proposal

The Sports Committee is proposing adding a Free/Reduced Lunch rate for program participants in order to give the best discount to our members. The logic behind this change is that members are paying a monthly rate on top of their program fees so it is more of a benefit to drive membership and retain our members and will generate a little extra income in the Sports Dept. as well.
