Memorandum

To: Cherise Tieben, City Manager
    City Commissioners
From: Melissa McCoy, Assistant City Manager
Date: September 3, 2019
Subject: Prime on the Nine Lease and Operations Agreement

Agenda Item: New Business

Recommendation: Staff recommends approval of the Lease and Operations Agreement with HHPON, LLC for the Prime on the Nine Restaurant located in the Mariah Hills Golf Course Clubhouse.

Background: City Administration met with the owners on August 9, 2019 to review current financials and discuss the lease agreement. It was determined at this meeting that the City would increase the rent by 10% effective in October 1, 2019 and would meet in six months to review the financial status of the restaurant.

Justification: The lease and operations agreement has been updated in accordance with the current needs of the City and the Company as well as to reflect the change in ownership. This lease is beneficial to the City in that it provides additional income to the City's General Fund. The leased space provides an enhanced income stream which offsets a portion of the subsidy currently required for golf course operations.

The restaurant and golf course operations mutually benefit from this arrangement. Both entities have enjoyed increased exposure which has helped drive business as well as provide an additional service at the golf course.

Financial Considerations: The revised monthly rent schedule reflects a 10% increase raising the monthly rent to $1650 to per month. Other costs include $722 a month to cover utility costs. The City retains three percent (3%) of the total credit card sales for alcohol to cover the credit card and other fees. Also, proceeds from beer sales transacted by the Mariah Hills golf pro shop on behalf of the Prime on the Nine Restaurant are retained by City and credited to HHPON, LLC account for any rents and charges due as outlined within the existing agreement.

Purpose/Mission: This project meets our core purpose of making Dodge City the best place to be while matching the core value of ongoing improvement. This arrangement capitalizes on the assets at Mariah Hills and combines to provide a full service operation that is attractive and desirable to residents and tourists alike. It also improves income generated at the facility to help offset operational expenses and manages taxpayer responsibility for golf course operations.

Legal Considerations: The terms of the lease agreement will supersede all previous agreements and the agreement has been reviewed by the City Attorney.

The Parties acknowledge that at the time of termination of this Lease, whether by mutual agreement of the Parties or otherwise, the City shall have sole ownership rights to the name “Prime on the Nine” in the continued operation of a restaurant at the MHGC, whether or not said operation is continued.

3. RENT. The Tenant shall pay to the City as monthly rental for the Leased Premises the amount of One Thousand Six Hundred Fifty Dollars on the 1st day of each month beginning on October 1, 2019. Said rent is payable at City Hall.

7. **TAXES.** The Tenant shall pay all taxes and assessments levied against personal property owned by the Tenant and located on the Leased Premises. The Parties acknowledge that the Leased Premises is exempt from ad valorem taxes at the present time as it is owned by the City, however, the Parties agree that if the City is compelled at a later date to pay ad valorem taxes on the Leased Premises, such taxes will be assessed to and shall be paid by the Tenant on a pro-rata basis as determined by the square footage leased by the Tenant compared to the total square footage of the real property subject to ad valorem taxes.

8. **MAINTENANCE.** The City will be responsible for all necessary major repairs ($500 or more) to the basic structure of the Leased Premises, including the foundation, building supports, exterior walls, roof, plumbing, heating and air conditioning, and electrical systems, but excluding, any repairs which must be made as a result of damages caused by any acts or omissions of the Tenant, its employees or agents. The Tenant shall pay for minor repairs (less than $500) to the Leased Premises. The Tenant shall provide janitorial services and janitorial supplies for the Leased Premises.

9. **DUTIES AND RESPONSIBILITIES OF TENANT.** The Tenant shall not terminate its restaurant business during the term of this Lease. Termination of restaurant business activity by Tenant shall be deemed to be a default and breach of this Lease Agreement, in spite of the fact that Tenant may continue to make rent payments hereunder, and City shall have the right, without notice, to immediately declare this Lease breached by the Tenant if such period of termination exceeds thirty days.

The Tenant further agrees to the following terms and conditions in the renovation and operation of its restaurant and catering businesses:

(e) Not perform any act or carry out any practice that may injure the Leased Premises or any part of the MHGC, or cause any offensive odors or loud noise, or constitute a nuisance to any other tenant or the general public at MHGC.

(f) Conform to and comply with any and all laws, rules, regulations, and operating standards which have been heretofore, or which may be hereafter adopted, by any governmental authority having jurisdiction, including the City. The Tenant further agrees to procure and maintain all permits and licenses, pay all charges, fees, and taxes, and give all notices required by law.

(g) Not use the plumbing facilities for any other purpose than that for which they are constructed, and no foreign substance of any kind shall be deposited therein. The expense of any breakage, stoppage, or damage to plumbing facilities or the sewer system, shall be borne by the Tenant, if the Tenant, or its employees, agents, or invitees caused such problem.

(h) Keep the Leased Premises in such condition and repair so as to enable it to pass any City, Ford County, or Kansas Department of Agriculture, Food Safety and Lodging or restaurant inspection. If the Tenant fails to operate the Prime on the Nine in a commercially reasonable and safe manner so as to fail an inspection two (2) or more times within a twelve (12) month period, the City will have the right to immediately declare this Lease terminated by furnishing written notice to the Tenant.

The Tenant shall not employ any person or persons in or about the Leased Premises who uses improper language or acts in a loud or boisterous or otherwise improper manner.

(j) Maintain the floor and wall coverings in a clean condition, having the carpet shampooed at such reasonable intervals so as to maintain a safe and hygienic environment. In the event the Tenant fails to perform this duty, the City will have the right to have the Leased Premises cleaned and either have the Tenant charged directly or pay for same, for which the Tenant will be obligated to reimburse City at the time the next rent payment is due. The City will furnish the Tenant a copy of the paid invoice.

(k) Be responsible for all expenses, including but not limited to, supplies, food preparation and delivery, and personnel, associated with the operation of Tenant's restaurant and catering business.

(l) Purchase, install, and maintain all equipment, furniture, fixtures, drapes, and/or appliances required by the Tenant in the operation of Tenant's restaurant and catering business.
(m) Maintain a competitively priced menu in the restaurant.

10. **CASUALTY INSURANCE.** The City agrees to keep the structure where the Leased Premises is located insured against loss or damage for fire or other casualties. The City will not insure any property owned by the Tenant, and the Tenant will not be a loss payee on any insurance policy maintained by City.

11. **INDEMNIFICATION.** The Tenant shall keep, protect, and save harmless the City from any loss, cost, claim, judgment, or expense of any sort of nature, and from liability to any person, on account of any injury, damage, or death to any person or property arising out of any use of the Leased Premises by the Tenant, its agents, or employees.

12. **INSURANCE.** The Tenant agrees to procure and maintain a comprehensive liability insurance policy covering bodily injury and property damage in an amount not less than One Million Dollars ($1,000,000.00) per person and One Million Dollars ($1,000,000.00) per occurrence, with the City named as an additional loss payee/insured. The Tenant shall also maintain workers compensation insurance for its employees and agents as required by Kansas law. The Tenant acknowledges and agrees that it, its agents, or employees are not employees of the City. The Tenant shall annually provide proof of required insurance to the City.

13. **ALTERATIONS.** The Tenant shall not make any material or substantial alterations or additions to the Leased Premises without the prior written consent of the City. All fixtures, additions, or improvements in or upon the Leased Premises, made by either Party, shall become the property of the City and must remain upon, and be surrendered with, the Leased Premises as a part thereof, at the expiration or sooner termination of this Lease. The Tenant shall pay for all expense of any remodeling or alteration of the Leased Premises required by the intended use of the Leased Premises by the Tenant, subject to prior approval by the City.

14. **LIENS AND ENCUMBRANCES.** The Tenant agrees at all times to keep the Leased Premises free from liens and encumbrances of whatever kind or nature arising from, or predicated upon, materials furnished or work or labor performed upon the Leased Premises, at the Tenant's request.

15. **UTILITIES.** The Tenant shall pay for its proportional share of all utilities used in the structure known as the MHGC Clubhouse, to include gas and electricity. The calculation of said proportional share is described in the paragraph to follow and said payments are due as described in Paragraph 3 above. The Tenant shall pay for all charges for telephone, cable TV, or internet service used in the restaurant operation.

    The City's average monthly utility costs for the MHGC Clubhouse for the twelve (12) months preceding this Lease have been seven hundred twenty two dollars ($722.00). The Tenant shall pay for utility costs each month to the extent that said total costs are in excess of seven hundred twenty two dollars ($722.00).

16. **DAMAGE BY FIRE OR OTHER CASUALTY.** The Tenant shall use every precaution against fire and shall, in case of fire or other casualty for which the Tenant is not under an obligation to repair, immediately notify the City, who shall, unless the Leased Premises be so damaged that the City decides not to repair or rebuild, thereupon cause the damage to be promptly repaired. If the Leased Premises are so destroyed or damaged so that the City decides not to repair or rebuild, either temporarily or permanently, then the term of this Lease shall cease as of the date upon which the casualty occurred,
with no further obligation of either Party to recognize this Lease.

17. **CONSTRUCTION PROJECTS.** The Tenant acknowledges that from time to time construction projects for improvement of MHGC will be commenced which may interfere with the operation of the Tenant's business. The City agrees to take all reasonable steps to minimize inconvenience and loss of business to the Tenant, but the City will not be financially responsible for the same.

18. **RIGHT TO INSPECT.** The City hereby reserves, and the Tenant hereby accords to the City, the right, personally or through any representative of the City's choice, to enter upon and to inspect the Leased Premises, at any and all reasonable times, for the purpose of inspecting the Leased Premises.

19. **DEFAULT.** This Lease is made upon the express condition that if the Tenant fails to pay the rent specified in paragraph 3 above and/or the utility payments specified in paragraph 15 above, after the same shall become due and such failure shall continue for a period of thirty (30) days after written notice thereof from the City to the Tenant, or if the Tenant fails or neglects to perform or observe any of the Tenant's other obligations hereunder and such failure and neglect shall continue for thirty (30) days after written notice to the Tenant from the City, the City at any time thereafter, by written notice to the Tenant, may lawfully declare the termination of this Lease and re-enter the Leased Premises or any part thereof. The City shall have the right to remove, at the Tenant's expense, any of the Tenant's property left remaining in or upon the Leased Premises. Should the Tenant be in default, the City shall have the right to pursue all available remedies allowed by law.

20. **TENANT HOLDING OVER.** In the event that the Tenant remains in the Leased Premises after the expiration of the term of this Lease, such holding-over will not constitute a renewal or extension of this Lease. The City may, at its option, elect to treat the Tenant as one who has not been removed at the end of term, and thereupon be entitled to all the remedies against the Tenant provided by law in that situation. In the alternative, the City may elect, at its option, to construe such holding over as a tenancy from month-to-month, subject to all the terms and conditions of this Lease, except as to duration thereof, and in that event the Tenant shall pay rent at the rate provided herein as effective during the last month of this Lease.

21. **SURRENDER AND TERMINATION.** Subject to the holding over period provided in paragraph 20 above, upon expiration of this Lease and the Renewal Terms for any reason, whether by reason of expiration of the term hereof or cancellation for default or otherwise, the Tenant shall, and hereby covenants and agrees to peacefully surrender and deliver up possession of the Leased Premises to the City, in as good condition or repair as the same was at the inception of this Lease, reasonable depreciation and damages from the elements excepted, including, but not limited to, the obligation to repair any and all damages caused by the Tenant during the term hereof. In addition, the Tenant agrees to offer for sale to the City upon expiration of this Lease, except for by reason of default by the Tenant, all equipment, furnishing, and other accessories placed by the Tenant upon and within the Leased Premises used by the Tenant in the operation of the restaurant and catering business at the Tenant's depreciated book value of such items. Within thirty (30) days following the Tenant's offer, the City may at its sole option purchase any or all such items by tendering to the Tenant a City check in the total amount of all items the City elects to purchase, in which case said items shall remain in the Leased Premises. All items not purchased by the City must be removed from the Leased Premises by Tenant at its sole expense within thirty (30) days following written notice of the City's election. This Lease is conditioned upon the City passing and maintaining, during the term hereof, an ordinance allowing for the sale and consumption of alcoholic beverages on the Leased Premises, the lower level meeting room and the adjacent golf course. If at any time during any term of this Lease the sale and consumption of alcoholic beverages are prohibited on the Leased Premises, lower level meeting room and/or golf course, as a result of action taken by the City to repeal or amend said ordinance, the Tenant at its sole option may terminate this Lease and upon thirty (30) days prior written notice to the City vacate the leased premises and thereupon be released from any further obligation, duties and responsibilities hereunder.

Dear City Clerks, City Managers, or City Administrators:

Save the date for October 12-14, 2019 in Overland Park for the League’s Annual Conference: Find Your Balance. Do you find it hard to manage competing funding priorities in your community? Do you get bogged down; knowing that productivity of your city can be improved but you just don’t know how? Have you ever struggled to find balance between your public service work and your personal life? This year’s League Annual Conference is for you! Additional information along with a conference schedule is in the July issue of the Kansas Government Journal.

The annual business meeting and policy session of city voting delegates will be held on Monday afternoon, October 14th, at the conference in Overland Park.

I am writing to request your governing body register their League voting delegates. K.S.A. Supp. 12-1601f provides that “The governing body of each member city may elect city delegates from among the city’s officers to represent the city in the conduct and management of the affairs of the League of Kansas Municipalities.”

Article 2, Section 2 of the League Bylaws states “When a city is a member of the League, any elected or appointed officers of such city may be elected by the city governing body as voting delegates and alternate voting delegates, in accordance with the provisions of Article 4 of these Bylaws, to represent the city in any meeting of the voting delegates and in the conduct of any other affairs of the instrumentality requiring action of the member cities. Alternate voting delegates may vote on matters before a meeting of the voting delegates in the absence of the regular delegate. A voting delegate or alternate shall qualify by having his or her name, city, title and address registered with the executive director and shall hold such position while qualified and until a successor is elected and qualified.”

Article 4, Section 5 of the League Bylaws prescribes the total number of votes provided to each member city based on population. The number of delegate registration forms enclosed is based on the following table.

Each member city must file new registration forms with the League of Kansas Municipalities every year.

On the attached forms please print the information required for each delegate and circle whether the person is a voting delegate or alternate delegate and which delegate number they represent. The League must have a form on file for each voting delegate and each alternate delegate for their vote to count during the business meeting. The City may register any number of delegates up to the maximum number allowed per the Bylaws. You may send the forms via email to kwillis@lkm.org; or FAX to 785-354-4186. Please send forms by **Friday, September 27th** to the attention of Kaitlyn Willis. Forms received after this date may not be processed.

Please remember, the voting delegate forms are not conference registrations. You must also register for conference on our website at www.lkm.org.

As always, I thank you for your support and look forward to seeing you in Overland Park in October!

Subject: Dodge City National Beef Processors Wastewater System Improvements, SS 1701.

Agenda Item: New Business

Recommendation: Approve the Proposal and Change Order #1 from Nowak Construction Company, Inc. for the construction of the Dodge City/National Beef (NBP) Wastewater Improvements (Sampling Basing and Force Main Construction). They were the lone bidder on the project with a total bid of $1,357,692.00, Change Order #1 (CO #1) is a deduct of $139,394.00 which is the result of negotiations with Nowak Construction Co., Inc., City, Jacobs, and NBP Staff, along with PEC. The new project price is $1,227,298.00. The sum of the bid and CO #1 is still above the Engineer’s estimate but the staffs of the City, NBP, Jacobs, and PEC are comfortable with the number and believe it is with in industrial standards. The project will meet the provisions of the Sampling Agreement previously made between the City and NBP. NBP has reviewed the new price and is agreeable to the dollar amount.

Background: In the summer of 2016, NBP was billed surcharges on their sewer bill based on the loading of the constituents found in the waste water. From time to time in the past there have been other disputes over sampling and billing of NBP’s wastewater. To resolve the issues both parties entered into a "Surcharge & Sampling Basin Resolution Agreement". This agreement will help settle the dispute from 2016 and limit any future disputes over wastewater surcharges. The improvements included in this wastewater project align with the City's and National Beef's obligations in the agreement.

Once the agreement was in place, PEC started designing the wastewater improvements. Working closely with NBP, the City, & our wastewater operators Jacobs, plans for improvements were completed and put out for bid. Due to the complexity of the project, a mandatory pre-bid meeting was included as a prerequisite for contractors to bid. Only two contractors attended this meeting, Nowak and UCI. UCI ended bidding with Nowak as a subcontractor on the project.

At the July 15, 2019 Commission Meeting, approval was granted allow City, Jacobs, and NBP staff, the contractor, and PEC to try and value engineer the project to reduce the cost of the project. A week later everyone met in Wichita to discuss the project and brainstorm ideas to reduce costs. From this meeting several ideas were reviewed. There were a couple of phone call afterwards to discuss ideas. As a result of these discussions, Nowak Construction submitted the Change Order and the new contract amount being approved tonight.

Justification: This project will allow the City and National Beef to comply with obligations outlined in the "Surcharge & Sampling Resolution Agreement” and put an end to billing disputes.

Financial Considerations: The City will be responsible for payment to Nowak Construction. NBP will reimburse the City 50% of the construction costs. There are funds in the 2019 and 2020 Budgets for this project.

Purpose/Mission: The completion of this project meets our Core Values of Honesty, Integrity & Respect, Ongoing Improvement, and Working Towards Excellence.
Legal Considerations: By approving the bid from Nowak Construction Company, Inc. the City will enter into a contract with Nowak Construction Co., Inc. and be responsible to make payments to Nowak Construction Co., Inc.

The following changes are hereby made to the CONTRACT DOCUMENTS:

**North Phase:**

The 1.5” forcemain will be removed from the project scope. The remaining forcemains will be installed by horizontal directional drilling and fittings shown on the plans will not be installed. Since the forcemains will not be installed by trenching, no concrete pavement or gravel will need to be removed or replaced.

**Justification:**

Since the flow through the 1.5” forcemain will be minimal, it was removed from the project to save costs. Horizontal directional drilling was allowed as a cost saving measure.

**South Phase:**

The layout and piping design was modified.

**Justification:**

The modified layout and piping design minimizes flow bypassing and reduces the risk of encountering conflicts with buried infrastructure.

Re: Dodge City NBP Wastewater System Improvements
PEC Project No. 34-170940-000-1009

Dear Mr. Slattery:

Bids were received and publicly opened for the above referenced project on July 9, 2019. One bid was received from Nowak Construction Company, Inc. (Nowak) for a total of $1,357,692.00. We reviewed Nowak’s bid and believe they are qualified for this project. We have worked with Nowak in the past and are confident that they can complete the work.

The bid submitted by Nowak was not within the engineer’s estimate of $1,080,795.00. There was one alternate in the total bid price for a mobilization deduct if both the North and South Phase were completed together. The mobilization deduct totaled $50,000. Based on the cost savings for completing both phases at the same time, the City and National Beef agreed that both phases should be completed and the add alternate was accepted.

City staff, National Beef, Nowak, and PEC met on July 22, 2019 to discuss value engineering. As a result of the value engineering process, Nowak submitted a proposed change order on August 19, 2019. The proposed change order outlined modifications that would reduce the total bid by $130,394.00, including the accepted add alternate. City staff, National Beef, and PEC reviewed the proposed modifications and associated cost savings and agreed that the revised bid was reasonable.

PEC recommends awarding the subject project to Nowak with the add alternate and value engineering items. Attached to this letter is a copy of the Notice of Award for the City’s execution. Please sign the document and provide a copy of the executed document to PEC.

If you have any questions or comments, please contact me at (316)206-1343 or by email and Nicole.Franken@pec1.com.

Subject: Park Street/CREW Bldg Project
Agenda Item: New Business

Recommendation:
Purchase the architecture services from Building Solutions for $13,588. Their bid aligns with our stated goals in our Proposal Document. Additionally, we have worked with Building Solutions on similar projects and they actually took the Chaffin Building down.

Background/Justification
City Staff determined that the Park Street project requires services from an architect/contractor team to lay the groundwork for the project. The team will work with City Staff for thirty days and create a Guaranteed Maximum Price as well as drawings suitable for building permits.

The current plan is to reuse the Chaffin Building and reassemble it on one of the new Park Street properties. The project includes the option to relocate the existing Sanitation metal building as well.

Financial Considerations:
The proposed services would be paid for from the project that is budgeted in Sanitation.

From: Melissa McCoy, Assistant City Manager

Date: September 3, 2019

Subject: Christmas tree Partnership

Agenda Item: New Business

Recommendation: Staff recommends approval of the purchase of a 30 ft. Garland Pixel Christmas tree from Holiday Display Services from Kansas City, MO which will be placed near Boot Hill Casino and Resort and United Wireless Arena/Boot Hill Casino Conference Center. In addition, staff is seeking approval for the City Manager to enter into a Memorandum of Understanding with Boot Hill Casino and Resort to share in the cost of this tree as well as for a second similar tree to be purchased in 2020 for the downtown area.

Background:
The City and Casino received quotes from two different vendors and Holiday Display Services provided the low quote. They offer set up, take down and provide maintenance of the tree for an additional cost after the first year. The Pixel tree which can be viewed on the following link https://photos.app.goo.gl/pXJBYxbeIX8nJiky6 has lights that function like a large low resolution television screen but during the day visitors will be able view the garland tree. In addition, the tree features outdoor speakers that will play holiday music.

Justification:
The City and Boot Hill Casino staff have been working on ideas to develop additional activities in conjunction with the Christmas holiday season that will draw in more visitors. These activities would kick off with the Parade of Lights and would expand on the Dodge City Convention and Visitor Bureau Trolley tours of lights which will include the Casino and special events center, downtown, Wright Park and area neighborhoods.

The goal of adding the Pixel Christmas tree and holiday activities is to attract more visitors to Dodge City while enhancing the quality of life for our local residents. In addition, the Casino and the City are working on an annual lighting event that would be in conjunction with the holiday concert at the United Wireless Arena. This year’s lighting could take place in conjunction with Mannheim Steamroller concert on November 25. In the future if a tree is also purchased for downtown it could be part of the Parade of Lights/Chili Feed event.
Financial Considerations: The cost of the 30 ft. garland, pixel tree is $46,500. The cost will be split with Boot Hill Casino and Resort and so the City’s final cost will be $23,250. There is no additional charges for delivery or installation during the first year. The tree will be paid out of the 2% transient guest tax which has funds available for the project.

Purpose/Mission: This project meets our core purpose of making Dodge City the best place to be while matching the core value of ongoing improvement.

Legal Considerations: A memorandum of understanding with the City and Boot Hill Casino and Resort for the Christmas Tree partnership project as well as the addition of a second tree for downtown for the 2020 season is being developed by legal counsel.
