AG CMB Corporate Application (Rev. 10/25/17)
Memorandum

To: City Manager
   City Commissioners
From: Nathan Littrell
Date: October 21, 2019
Subject: Vacation of Utility Easement
Agenda Item: Ordinance #3726

Recommendation: City staff recommends approval of this vacation ordinance.

Background: The applicant, Simeon Russell, requested the vacation of Utility Easement along the north property line of his property to allow for an addition to the existing garage.

Justification: There are no existing utilities located in this easement. All of the utility companies have been notified and there are no objection to this utility easement being vacated.

Financial Considerations: None

Purpose/Mission: None

Legal Considerations: None

Attachments: Ordinance #3726, Map
ORDINANCE NO. 3726

AN ORDINANCE VACATING A PORTION OF UTILITY EASEMENT LOCATED AT 2719 COUNTRY ACRES DRIVE, AS PLATTED IN CEDAR RIDGE SUBDIVISION.

BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF DODGE CITY:

SECTION 1: The following described property in Dodge City, Ford County, Kansas is hereby vacated: Utility Easement, excluding the west fifteen feet, located along the North property line of Lot 10 of Block 1 of Cedar Ridge Subdivision, Dodge City, Ford County, Kansas.

SECTION 2: This vacation is granted pursuant to Section 12-504 K.S.A. and is made subject to the existing rights of all present public or private utilities or uses located under, on, upon or over said property.

SECTION 3: No protest to the vacation has been filed, as provided by law.

SECTION 4: This ordinance shall take effect, from and following its publication in the official paper, as provided by law.

SECTION 5: The City Clerk shall file a certified copy of this ordinance in the offices of the County Register of Deeds and County Clerk for Ford County, Kansas.

PASSED BY THE CITY OF DODGE CITY GOVERNING BODY, IN REGULAR SESSION, AND APPROVED BY THE MAYOR, THIS TWENTY-FIRST DAY OF OCTOBER, 2019.

CONNIE MARQUEZ, CITY CLERK
Memorandum

To: City Commissioners
From: Cherise Tieben
Date: October 15, 2019
Subject: Nor-Am Agreement
Agenda Item: Old Business

Recommendation: Staff recommends the approval of the Nor-Am agreement as amended.

Background: As you may recall, at the last Commission meeting you approved the Nor-Am agreement with authorization to sign the agreement once legal counsel reviewed. However, because there has been a request by Nor-Am to limit their risk which was not indicated in the original agreement, I felt it prudent to return the agreement in whole to the Commission.

Justification: The amended agreement limits the risk to Nor-Am for the amount of the road had we improved the existing McCausland II as it is situated today. Because the recommendation to amend the road to the west is more expensive than the McCausland II as it is today, Nor-Am requested the limitation. The west route for the road overcomes the challenges presented by Nor-Am and future heavy industrial projects in the vicinity so it did not seem appropriate to hold Nor-Am accountable for the full relocation.

Financial Considerations: The amendment would push the road improvement cost difference from Nor-Am to the City and possibly the County for the amount of road improvements in excess of the $528,047.

Purpose/Mission: Together we endeavor to provide a safe and secure workplace and community.

Legal Considerations: The agreement reflects all changes.

Attachments: Nor-Am Agreement with changes shown.
AGREEMENT

This Agreement (this "Agreement") is made and entered into by and between the CITY OF DODGE CITY, KANSAS, a municipal corporation (the "CITY") and Nor-Am Logistics South, LLC ("NOR-AM"), an Iowa corporation, (collectively the "Parties").

WHEREAS, the CITY and the NOR-AM have engaged in discussions regarding the desire to create new business in the community and enhance existing local businesses; and,

WHEREAS, NOR-AM desires to build and operate a refrigeration and pet food manufacturing facility in Dodge City, Kansas (the "FACILITY"); and,

WHEREAS, the CITY desires to cooperate in the relocation of certain portions of infrastructure in order to create the best circumstance for the community, the existing businesses, and the area residents; and,

WHEREAS, the Parties have agreed to cooperate in these endeavors.

NOW THEREFORE, the Parties do hereby agree as follows:

NOR-AM AGREES TO:

a. Build and operate a refrigeration and pet food manufacturing facility (the "FACILITY") within the city limits of Dodge City, Kansas, on Lots 3 and 4 of McCaustland Place.

c. Open the FACILITY to commence production no later than January 1, 2021.

d. Maintain the operation of the FACILITY for a continuous term of no
less than fifteen (15) years from the date of commencing production.

e. Create, fill, and maintain no less than eighty (80) full-time employment positions at the FACILITY within two (2) years of commencing production, and maintain at least an average of eighty (80) full-time employees, on a calendar year basis, at the FACILITY for a continuous thirteen (13) year period.

f. Construct and maintain a landscaping buffer between the FACILITY and the residential area to the south of the FACILITY in accordance with City Code.

g. Construct a six inch (6") water service/meter under the inspection of the City.

h. Pay all taxes on time and in full; pay all utility bills on time and in full; and comply with all City municipal codes including but not limited to the ordinance addressing noise in the community.

i. Retain ownership of the FACILITY during the entire time that NOR-AM is obligated to perform under the terms of this Agreement. If NOR-AM desires to transfer the ownership of the FACILITY at any time covered by this Agreement, NOR-AM shall secure written agreement of the proposed purchaser to assume all obligations still imposed upon NOR-AM by the terms of this Agreement. Any such proposed transfer of the FACILITY, as well as such assumption of this Agreement’s terms, will be subject to the approval of the City, with such approval not to be unreasonably withheld.

i. Should NOR-AM fail to fulfill its agreements contained in subsections
a, b, c, d, e, f and i as stated above, the CITY and COUNTY shall
require repayment of the relocation expenses of the McCaustland
Road II, not to exceed five hundred twenty-eight thousand, forty-
seven dollars ($528,047.00), less the amount actually paid in
incremental Ad Valorem Property Taxes paid on this property to date.
This repayment will occur at such time as the CITY notifies NOR-
AM, in writing, of NOR-AM's failure to fulfill any one or more of the
requirements noted in the previous sentence above. If NOR-AM fails
to remedy said failure within thirty (30) days of the date of the written
notification, NOR-AM will pay to the CITY in a single payment the
entire amount of the costs of relocation of the McCaustland Road, not
to exceed five hundred twenty-eight thousand, forty-seven dollars
($528,047.00), less the amount actually paid in incremental Ad
Valorem Property Taxes paid on this property to date. Said single
payment will be due and payable within ninety (90) days of the
written notification referenced above.

j. Pay the same sewer rates as National Beef, an industrial user, with
comparable BOD TSS, TDS and OG rates per pound, in accordance
with Resolution 2019-05 and any subsequent Utility Rate Resolutions
passed by the City Commission.

k. As a result of the loading information provided by NOR-AM and due
to the loadings exceeding our wastewater limits for industrial
customers, it will be necessary for NOR-AM to install a flow meter
and sampling port on the sewer line utilized by the pet food plant

10-17-19
portion of the facility.

THE CITY AGREES TO:

a. Provide a water connection to the City’s water supply for the
   Facility at the cost of NOR-AM. The City will reimburse NOR-AM
   fifty percent (50%) of the agreed upon cost.

b. The CITY and the COUNTY agree to waive the requirements of
   continuous operation and minimum employment as listed above,
   should the incremental Ad Valorem Property Tax collected exceed
   the cost of the McCaustland II Road relocation as indicated above.

c. Create one of the following two (2) options to reroute McCaustland
   II Road for access to residences that will lie south of the FACILITY,
   thereby removing any safety and operational conflicts between
   NOR-AM and the residents on the existing McCaustland II Road.
   These two (2) options are identified in the map that is attached to
   this Agreement as Exhibit A.

   1. Reroute the existing McCaustland II Road (vacated portion) along
      the southern portion of Lot 17, McCaustland Place; or

   2. Reroute the existing McCaustland II Road (vacated portion) along
      the southern and western portion of Lot 17 and western portion of
      Lot 6, McCaustland Place.

d. Vacate the existing north/south McCaustland II Road, north of the
   north property line of Lot 14 extended, when and if appropriate land is
   acquired to the west of the existing McCaustland II Road.
The Parties agree to use good faith efforts in working together to accomplish the purposes and intent of this Agreement.

This Agreement, together with the Exhibits hereto, contains all representations, warranties and covenants made by NOR-AM and the CITY and constitutes the entire understanding between the parties hereto with respect to the subject matter hereof. Any prior correspondence, memoranda, letters of intent or agreements are replaced in total by this Agreement.

NOR-AM's rights and obligations hereunder shall not be assignable without the prior written consent of the CITY, which consent may not be unreasonably withheld. Any assignment of this Agreement without the prior written consent of the CITY shall be void. In the event that any assignee of NOR-AM shall fail to perform on any of the terms and conditions of this Agreement, NOR-AM shall in all cases remain responsible to the CITY for such performance.

This Agreement shall be governed by and construed in accordance with the laws of the State of Kansas.

This Agreement may be amended or modified only by a written instrument signed by NOR-AM and the CITY.

No joint venture or other partnership exists between the parties hereto. Neither party has any fiduciary relationship hereunder to the other.
IN WITNESS WHEREOF, the Parties have signed this Agreement on the date stated below.

DATED this ____ day of ____________, 2019.

10-17-19
Memorandum

To: City Commissioners
From: Cherise Tieben
Date: October 15, 2019
Subject: Rib Crib Development Agreement Amendment

Agenda Item: New Business

Recommendation: Staff recommends approval of the Rib Crib Development Agreement Amendment.

Background: As you are aware, it is very difficult to develop property in some of the historical areas of our community. In order to overcome some of the hurdles posed by title work, it will be necessary to extend the “outside date” to close on the property. The legal counsel has met and believe they have a pathway to rectify these issues, but it will take a little bit more time than projected.

Justification: Rib Crib has submitted their site plan and have indicated that they intend to submit their building plans this week for approval. All of these are items that need to be checked off during the due diligent period as well as clearing the easement hurdles, legal counsel is confident that all of the obligations can be completed during this extension, if not sooner.

Financial Considerations: None at this time.
Purpose/Mission: Together, we value progress, growth and new possibilities by providing and preparing for the community’s future.
Legal Considerations: None at this time.
Attachments: Amendment to Rib Crib Development Agreement.
AMENDMENT TO RIB CRIB DEVELOPMENT AGREEMENT

THIS AMENDMENT TO RIB CRIB DEVELOPMENT AGREEMENT ("Amendment") is entered into as of October ____, 2019, by and between the City of Dodge City, Kansas ("City"), Dodge City Rib Crib, LLC, a Delaware limited liability company ("Rib Crib") and RCP Development, LLC, a Kansas limited liability company ("RCP").

WHEREAS, the parties executed that certain Rib Crib Development Agreement dated as of April 10, 2019 ("Agreement") concerning the acquisition and development of approximately 0.33 acres of land located in the 400 Block of Trail Street, Dodge City, Kansas ("Site"); and

WHEREAS, the parties desire to amend the Agreement, subject to the terms and conditions herein.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Except as modified herein, the Agreement shall remain in full force and effect.

2. Section 3.1(e) of the Agreement is amended to extend the “Title Objection Date” to September 13, 2019, and Seller acknowledges receipt of Buyer’s title objection letter dated September 13, 2019.

3. Section 5.1 of the Agreement is amended to extend the “Outside Date” to January 10, 2020.

4. The City agrees to pay the cost of the Alliant Engineering survey obtained by Rib Crib.

IN WITNESS WHEREOF, the parties have set their hands as of the date shown above.

The City of Dodge City, Kansas

Mayor

Rib Crib of Dodge City, LLC

Name __________________________

RCP Development, LLC

Michael J. Boyd, Manager
Memorandum

To: City Manager
   City Commissioners
From: Ray Slattery, P.E.
       Director of Engineering Services
Date: October 16, 2019
Subject: Dodge City National Beef Processors Wastewater System Improvements, SS 1701.

Agenda Item: New Business

**Recommendation:** Approve Change Order #2 from Nowak Construction Company, Inc. in the amount of $23,715.00. This is to install a 1 ½” force main from National Beef’s (NBP) HR building to the new north lift station. This force main was inadvertently removed in Change Order #1. With this force main all of NBP’s waste water flow, except for the flow from their engineering staff’s office building will be routed through the new metering device at the primary pump station. There will still be a deduct on the project of $106,679.00.

**Background:** In the summer of 2016, NBP was billed surcharges on their sewer bill based on the loading of the constituents found in the waste water. From time to time in the past there have been other disputes over sampling and billing of NBP’s wastewater. To resolve the issues both parties entered into a "Surcharge & Sampling Resolution Agreement". This agreement will help settle the dispute from 2016 and limit any future disputes over wastewater surcharges. The improvements included in this wastewater project align with the City’s and National Beef’s obligations in the agreement.

Once the agreement was in place, PEC started designing the wastewater improvements. Working closely with NBP, the City, & our wastewater operators Jacobs, plans for improvements were completed and put out for bid. Due to the complexity of the project, a mandatory pre-bid meeting was included as a prerequisite for contractors to bid. Only two contractors attended this meeting, Nowak and UCI. UCI ended bidding with Nowak as a subcontractor on the project.

At the July 15, 2019 Commission Meeting, approval was granted allow City, Jacobs, and NBP staff, the contractor, and PEC to try and value engineer the project to reduce the cost of the project. A week later everyone met in Wichita to discuss the project and brain storm on ideas to reduce costs. From this meeting several ideas were reviewed. There were a couple of phone call afterwards to discuss ideas. As a result of these discussions, Nowak Construction submitted the Change Order and the new contract amount being approved tonight.

**Justification:** This project will allow the City and National Beef to comply with obligations outlined in the "Surcharge & Sampling Resolution Agreement" and put an end to billing disputes.

**Financial Considerations:** The City will be responsible for payment to Nowak Construction. NBP will reimburse the City 50% of the construction costs. There are funds in the 2019 and 2020 Budgets for this project.

**Purpose/Mission:** The completion of this project meets our Core Values of Honesty, Integrity & Respect, Ongoing Improvement, and Working Towards Excellence.
**Legal Considerations:** By approving the bid from Nowak Construction Company, Inc. the City will enter into a contract with Nowak Construction Co., Inc. and be responsible to make payments to Nowak Construction Co., Inc.

**Attachments:** Change Order #2
**CHANGE ORDER No. 2**

Date of Issuance: 9/12/2019

**The following changes are hereby made to the CONTRACT DOCUMENTS:**

**North Phase:** Forcemain No. 2 will be added back into the project. The forcemain will be installed by horizontal directional drill.

- 365 LF 1.5” Forcemain at $47.00/LF = $17,155.00
- 160 LF 1.5” Forcemain by Directional Drill at $41.00/LF = $6,560.00

**Justification:** The flow from the Curtis Building was determined to be significant enough to require connection to the North Lift Station.

Memorandum

To: City Manager
    City Commissioners
From: Tanner Rutschman, P.E.
    City Engineer
Date: October 21, 2019
Subject: 1st Ave. Reconstruction with Waterline Replacement, ST 1601

Agenda Item: New Business

Recommendation: Approve the bid from Building Solutions, LLC in the amount of $728,085.75. This bid came in below the Engineer’s Estimate of $811,276.00 and the budget of $740,000.00.

Background: This reconstruction project will see the installation of a new 8” water main with all new water services to water meters and replace the existing brick pavement with 7” concrete. The City initially budgeted money and went out for bids on a portion this project back in 2016. We ending up rejecting all bids due to insufficient funds to budget the project. Since bids were rejected, the budget for the project has increased as well as the limits. Instead of reconstructing three city blocks and waterline, the project will encompass five city blocks and waterlines. The bidding for the project was delayed due to construction on Central Ave. and the preference of having this project start once Central Ave. was completed.

Justification: This five block section of First Ave. has experienced numerous water main breaks throughout the years and its roughness shows it. The street and water main are nearing 100 years in age and it is time for a major improvement to be made.

Financial Considerations: This project came in under budget and will be funded through General Obligation Bonds. The budgeted amount for this project was $740,000.

Purpose/Mission: The completion of this project will align with the City’s core values of Ongoing Improvement & Working Towards Excellence by insuring that our residents have a smooth driving surface and continue to receive quality water services into the future.

Legal Considerations: By approving the bid from Building Solutions, LLC., the city will enter into a contract with Building Solutions, LLC. and be responsible for making payments to Building Solutions, LLC.

Memorandum

To: City Commissioners
From: Cherise Tieben
Date: October 17, 2019
Subject: Demo & Acquisition Agreement
Agenda Item: New Business

Recommendation: Staff recommends the approval of the Demolition & Acquisition Agreement with First Christian Church of Dodge City.

Background: In accordance with our Comprehensive Plan, there is a desire to make Sixth Ave. a connecting street down to Wyatt Earp Blvd. In order to do so, the City would need to acquire multiple homes along the west side of Sixth Ave. north of Cedar or work with the First Christian Church to demo the old Lincoln School. Due to the projected cost to acquire the houses, our communities need for housing and the significant amount of time that Police, Fire and Code Enforcement were spending at Lincoln School due to vagrants and vandals staff decided to consider Lincoln School first. The Church was approached about the facility and noted that they have had no viable interest from developers or anyone else in a project at Lincoln School in recent history. The damage and the amount of repairs necessary had become overwhelming. We explained our desire to get right of way for a connection from Sixth Ave. to Seventh Ave. and that it would require demolition of the facility. They were agreeable to us demolishing the building for the necessary right of way to form the connection.

Justification: By demolishing the building, we eliminate continuing drains on Police, Fire and Development Services. By paying demolition costs, we acquire the Right of Way for nearly the same amount as the houses that would need to be acquired if Lincoln is not demolished. In addition, it could happen in an expeditious fashion in order to allow us to make the much needed repairs to Spruce and the Spruce/Seventh Street intersection which was scheduled for next year and is in desperate need of being completed.

Financial Considerations: Staff will reallocate funds that were planned to be used for the intersection of Sixth Ave and Soule St. to make this project practical.

Purpose/Mission: Together, we value progress, growth & new possibilities by providing and preparing for the community’s future.

Legal Considerations: Legal Counsel prepared the agreement.

Attachments: Demolition and Acquisition Agreement
Demolition and Acquisition AGREEMENT

THIS AGREEMENT is made and entered into by and between the City of Dodge City, Kansas (hereinafter the “City”) and First Christian Church of Dodge City (hereinafter the “Church”).

WHEREAS, The Church is the owner of certain real property specifically identified by legal description which is contained in the attached Exhibit A (the “Premises”) more commonly known as Lincoln Elementary School; and,

WHEREAS, the Church has made exhaustive efforts in an attempt to find feasible options for repurposing of the structures on the Premises; and,

WHEREAS, the City and the Church have cooperated in the searches for such feasible alternatives; and,

WHEREAS, the efforts of the Church make clear no viable plans for repurposing the structures is available in the foreseeable future; and

WHEREAS, the City has the ability at this time to facilitate the demolition of the structure and use a portion of the Premises to further a portion of the City’s Comprehensive Plan by extending the current Sixth Avenue to a connection with current Seventh Avenue; and,

WHEREAS, the Church and the City wish to further compatible interest related to the Premises for the benefit of the community.

NOW, THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES OF THE PARTIES, IT IS AGREED AS FOLLOWS:

The Church agrees to:
City/First Christian Church  
October 16, 2019

1. Execute an authorization, in a form acceptable to the City, to allow any and all demolition and construction activities on the Premises necessary to reasonably accomplish the objectives of this Agreement.

2. The demolition of the entire structure commonly known as Lincoln School, including all appurtenances and associated structures, all to be completed at the discretion of the City in terms of schedule, methods, and means.

3. Execute all necessary and appropriate documents to transfer title to that portion of the Premises requested by the City to provide for street Right-of-Way (“ROW”) over and through the Premises.

4. Execute all necessary and appropriate documents to transfer title to that portion of the Premises requested by the City to provide residential building lots North of the newly designed roadway over the Premises.

5. Pay for any and all additional construction costs that are directly attributable to the construction of additional entrances requested by the Church, and agreed to by the City, for the Church’s parking areas.

6. Pay the costs for construction of an approved sidewalk along the north side of Spruce Street from 5th Avenue to 7th Avenue. It is agreed by the Parties that this obligation of the Church will not exceed Six Thousand, Five Hundred dollars ($6,500.00).

7. Reimburse the City for one-half (1/2) of the cost of the replatting of the Premises within forty-five (45) days of completion of the replatting.
8. Provide clear title to the portions of the Premises dedicated to ROW and residential building lots, at Church’s cost.

9. Execute an agreement to hold the City harmless from any and all liability which may arise from any activities on the Premises related to demolition and razing of the structures located on the Premises.

The City agrees to:

1. Pay for all demolition and construction activities necessary to raze and remove all structures and Appurtenances from the Premises.

2. Arrange and pay for the replatting of the Premises following demolition of Lincoln School and roadway design.

GENERAL CONDITIONS:

a. This Agreement may be amended at any time by mutual written agreement of the parties.

b. This Agreement shall not be assigned or transferred to any other person or entity without the prior written consent of the City.

c. This Agreement shall be binding on the parties hereto and their respective successors and assigns.

d. The parties hereto do hereby warrant that each party is legally authorized to enter into this Agreement and that all actions necessary to authorize approval of this
City/First Christian Church
