City Clerk
Memorandum

To: Cherise Tieben, City Manager  
   City Commissioners  
From: Troy Brown, Parks and Facilities Director  
Date: February 14, 2020  
Subject: Hennessy Lease

RECOMMENDATION: Staff recommends approving the lease with SER- Jobs for Progress National Inc., for space at Hennessy Hall. The Commission had approved the lease at the January 20th meeting however SER requested the following language be added: The parties agree that if the Tenant were to lose or suffer a significant decrease in funding from the Department of Labor (SCSEP) Tenant may elect to terminate this Lease with thirty (30) day’s notice to the City. Said notice must occur within forty-five (45) days of the actual loss and/or reduction in said funding.

BACKGROUND: SER desires to lease space at Hennessy to house their operations and services. The space being leased is on the first floor, room 130. The total space being leased is 700 square feet and this is a one year lease with a two year option.  
SER is a national network of employment and training organizations that formulates and advocates initiatives focusing on the needs of Hispanics in the areas of education, training, employment, business and economic opportunity.

JUSTIFICATION: SER is a not-for-profit public service enterprise that is compatible with other entities currently housed in the facility.
**FINANCIAL CONSIDERATIONS:** The annual lease payment will be $4,200 based on the standard $6 per sq. ft. price charged to tenants at that facility. Lease payments are prorated monthly and billed through City Hall.

Any renovations or redecorating is the responsibility of the tenant with the approval of the City.

**PURPOSE/MISSION:** This lease agreement is consistent with the City’s core purpose of Ongoing Improvement as it facilitates additional resources for citizens as they strive to provide and maintain housing and educate themselves to improve their quality of life.

**LEGAL CONSIDERATIONS:** The agreement is the standard form used with all Hennessy tenants. The term of this agreement is for three years. The lease agreement was approved by the city attorney.

**ATTACHMENT:**

Lease Agreement
Hennessey Hall Lease Agreement

This lease agreement (this “Lease”) is made and entered into by and between the City of Dodge City, Kansas, a municipal corporation (the “LANDLORD”) and SER-Jobs for Progress National, Inc., a Kansas not-for-profit corporation. (the “TENANT”).

In consideration of the mutual promises and covenants of the parties as set forth herein, the LANDLORD and TENANT agree as follows:

1) **LEASE PREMISES**: The LANDLORD hereby leases to the TENANT part of that property known as Hennessey Hall, located on the former St. Mary of the Plains College Campus in Dodge City, Kansas. The portion of the premises hereby leased to the TENANT is indicated on the attached document, comprising approximately seven hundred (700) square feet and labeled as Room 130. The room indicated, attached hereto and made a part hereof, is hereinafter collectively referred to as the “leased premises”.

2) **TERM**: The term of this lease shall begin on February 1, 2020 and shall continue until January, 2021 (the “Lease Term”). The expiration or termination of the Lease Term shall not terminate or otherwise extinguish any liability or obligation (including, without limitation, indemnification obligations) of either party hereto involving any act, omission, breach or default occurring prior to such expiration or termination. The Lease Term may be extended for two (2) additional terms of two (2) years each (the “Renewal Terms”) by mutual agreement of the parties, by Tenant providing written notice of the exercise of the Renewal Term to Owner no less than three (3) months in advance of the expiration of any Lease Term or Renewal Term. The parties agree that if the Tenant were to lose or suffer a significant decrease in funding from the Department of Labor (SCSEP) Tenant may elect to terminate this Lease with thirty (30) days’ notice to the City. Said notice must occur within forty-five (45) days of the actual loss and/or reduction in said funding.

3) **LEASE RENTAL**: During the first year of this Lease, the TENANT shall pay to the LANDLORD annual rent in the amount of four thousand, two hundred dollars ($4,200.00), representing a square footage rental rate of $6.00 per square foot, said annual amount to be paid in equal advance monthly installments of three hundred五十 dollars ($350.00), beginning on the first day of February, 2020, for first month’s rent and continuing monthly thereafter for the first year of this Lease, said monthly rental being hereinafter referred to as the “base rent.”

4) **ADDITIONAL RENT**: It is agreed by the parties that, in addition to the base rent as set forth above, the TENANT shall pay an amount representing the TENANT’S proportionate share of any increase in the LANDLORD’S cost for taxes and utilities as set forth in the formula below. The parties understand and agree that, at the present time, Hennessey Hall is exempt from real estate taxes, and the parties anticipate the continued exemption of said facility during the term of this Lease; provided, however, that in the event the Hennessey Hall in which the leased premises are located is placed on the tax rolls, then the TENANT shall pay proportionate share of such real estate taxes as set forth below.

The TENANT’S proportionate share of any increases costs for taxes and utilities will be calculated on the following basis:

(a) If the combined expenses to the LANDLORD for real estate taxes and utilities (electricity, gas, trash, and water) for any year of this Lease are more than the taxes and utility costs for the base year, as defined below, then, in that event, the amount of the increase in such tax and utility expenses above the amount of the
base year shall be proportioned to the TENANT based on percentage that the leased premises covered by this Lease bears to the total usable space in Hennessey hall. It is agreed that the leased premises covered by this Lease is approximately seven hundred (700) square feet and the total usable space of Hennessey Hall is 38,000 square feet, and that the TENANT’S proportionate percentage of the total building space is 1.8%

(b) To figure the rental adjustment, the dollar amount of increase in the combined real estate taxes and utility costs shall be multiplied by 1.8%, the TENANT’S proportionate share of Hennessey Hall. A resulting amount is then divided by seven hundred (700) square feet and that amount shall then be added to the base rent per square foot rental figure for the coming lease year. It is agreed that in no event shall the annual per square foot rental figure be increased by more than $1.25 per square foot for any one year.

(c) The adjusted base rent figure, as provided above, shall be due and payable to the landlord in monthly installments commencing on February 1, 2021 of the following year, and on the first day of each month thereafter until the next rental adjustment.

(d) The “base year” shall be the taxes and utility costs attributable to the leased building facility for the calendar year 2019.

5) **REPAIR AND MAINTENANCE:** Throughout the term of this Lease, the LANDLORD shall be responsible for the maintenance and repair of the roof, the exterior portions of all outside walls of Hennessey Hall and shall be responsible for repairs necessitated by structural defects of the building. In addition, the LANDLORD shall be responsible for repair and maintenance of all plumbing, sewer, lighting, electrical, and heating and air conditioning units. LANDLORD shall maintain all portions of the area adjoining the leased premises including sidewalks and parking lots in a clean and orderly condition free and clear of rubbish, snow, ice, and unlawful obstructions.

The TENANT shall be responsible for all interior maintenance of the leased premises, including but not limited to, cleaning, painting, and general upkeep and shall be responsible for the prompt repair of any damage to the leased premises caused by reason of its use of the same, including but not limited to, any damage or needed repairs to any plumbing and electrical facilities located within the leased premises. The TENANT shall be responsible for repairs, maintenance, and replacement of any improvements or renovation made to the leased premises by the TENANT, including but not limited to telephone lines and equipment, computer wiring, and any special accommodations provided or installed by the TENANT.

6) **SIGNAGE:** The LANDLORD will provide a community sign identifying the property with a listing of the building tenants at a location near the entrance to Hennessey Hall. The TENANT will be responsible for any individual tenant signage it might desire, the style and location of which shall be subject to prior approval of the LANDLORD.

7) **JANITORIAL SERVICES:** The LANDLORD shall be responsible for providing janitorial services for the common areas of Hennessey Hall. The common areas shall consist of the foyer, stairs, and common hallways located outside the lease premises. The TENANT will be responsible for providing janitorial services to the leased premises.
8) **TAXES:** The LANDLORD shall pay all real estate taxes (including special assessments) on Hennessey Hall, if any. The TENANT shall pay all personal property taxes assessed against personal property owned by the TENANT and located in the leased premises.

9) **USE:** The TENANT shall use and occupy the leased premises for the operation of a business office. The TENANT shall not use or knowingly permit any part of the leased premises to be used for any other purpose, without the prior written consent of the LANDLORD.

10) **TENANT RENOVATIONS:** The TENANT acknowledges that no representation, statement or warranty, expressed or implied, has been made by or on behalf of the LANDLORD as to the existing condition of the leased premises. Any future renovations and remodeling desired by the TENANT will be at the sole expense of the TENANT and shall be performed in accordance with plans and specifications as prepared by the TENANT, subject, however, to the prior written approval of the LANDLORD, which approval shall not be unreasonably withheld. The TENANT further covenants and agrees to pay the entire cost of any work on the lease premises undertaken by the TENANT; to procure all necessary permits before undertaking such work; to do all such work in a good and workmanlike manner employing materials of good quality and complying with all governmental requirements. The TENANT further agrees to hold the LANDLORD harmless and indemnified from any injury, loss, claim, or damages to any person or property occasioned by or growing out of such work. The TENANT shall have the right to contest any claimed amounts or claims, arising out of any such work, and the TENANT shall discharge any lien, by bond, or otherwise, at its sole expense.

11) **TERMINATION BY LANDLORD:** In the event of the sale by the LANDLORD of Hennessey Hall which includes the lease premises to a third party, the LANDLORD shall have the option to terminate this Lease by providing written notice to the TENANT at least twelve (12) months prior to the termination date.

12) **TERMINATION BY TENANT:** The LANDLORD acknowledges that the TENANT anticipates conducting operations subject to State and Federal government funding. Should the TENANT fail to receive adequate funding to continue operations, the TENANT may terminate this Lease by providing the LANDLORD written notice of intent to terminate ninety (90) days prior to termination. Should the TENANT terminate this Lease under this provision, the TENANT shall not rent, lease, or sub-lease any other space within Ford County for the purpose of conducting office operations for the term of this Lease.

13) **CASUALTY INSURANCE:** The LANDLORD agrees to keep the Hennessey Hall insured for the benefit of the LANDLORD against loss of damage by fire and all casualties included in the broadest standard form obtainable of extended coverage or supplemental contract of endorsements. The TENANT shall have the responsibility to insure all of its interest in the fixtures, equipment, inventory, and other TENANT assets.

14) **TENANT LIABILITY INSURANCE:** The TENANT shall be responsible for and shall provide total and complete liability insurance in the amount of at least $500,000 that will save and protect the LANDLORD from any and all claims or demands of any kind or character which may arise or claim to arise against the LANDLORD by reason of the use of
leased premises by the TENANT, and the LANDLORD shall be named as an additional insured on such policies.

It is further agreed that the TENANT shall save and hold harmless the LANDLORD from any and all claims, causes of action or losses which may be asserted against the LANDLORD by reason of the TENANT’S use of the leased premises under the terms and conditions of this Lease and will further indemnify the LANDLORD for its attorney’s fees and other costs, losses or expenses incurred by the LANDLORD in defending against any such claims or causes of action.

15) DESTRUCTION: In the event the leased premises, or any part thereof, be partially destroyed by an act of god, the elements, fire, or other cause covered by insurance carried by the landlord, the LANDLORD, using such insurance proceeds, shall proceed immediately with due diligence to repair, restore, and to replace said lease premises to as good a condition as it was in prior to such damage or destruction. The LANDLORD’S responsibility in this respect should be limited to the amount of insurance proceeds received by the LANDLORD because of the damage or destruction. A just and proportionate part of the monthly rental payments shall be suspended or proportionately abated in accordance with use until the lease premises is put in complete repair. If the lease premises shall, at any time during the life of this lease or an extension thereof, be substantially damaged or destroyed by causes not covered by insurance, this lease agreement shall be subject of cancellation at the option of the LANDLORD by giving TENANT written notice of cancellation within twenty (20) days after the date of such damage or destruction. All rent paid in advance, if any, by the TENANT, that is actually unearned at the date of the damage or destruction, shall be refunded forthwith to the TENANT. If no notice of cancellation is given as aforesaid, or if the leased premises are not substantially damaged or destroyed, this lease shall remain in full force and effect, and the LANDLORD shall proceed immediately with due diligence to repair, restore, and replace the lease premises to as good a condition as they were in immediately prior to the damage or destruction. It is expressly agreed that TENANT’S obligation to pay rent hereunder shall abate during the period of LANDLORD’S repair or reconstruction of the premises pursuant to the term of this paragraph; to the extent the premises are untenable.

16) UTILITIES: LANDLORD shall be responsible for the payment of utilities, including water, sewer, trash removal, gas, and electricity for the lease premises. TENANT shall be responsible for any telecommunications and data utilities required.

17) ASSIGNMENT BY TENANT: The TENANT shall not assign this Lease nor sublet or permit the leased premises or any part thereof to be used by any others, without the prior written consent of the LANDLORD in each such incident. The written consent of the LANDLORD to an assignment or subletting shall not be construed to relieve the TENANT from obtaining the consent in writing of the LANDLORD to any further assignment or subletting.

18) ASSIGNMENT BY LANDLORD: The LANDLORD shall have the right to assign this Lease to another person or entity at any time without approval of the TENANT; provided, however, any such assignment shall not relieve the LANDLORD and its assignee of any obligations incumbent upon it under the provisions of this Lease, and the same shall be binding on the LANDLORD’S assignee.
19) **RULES AND REGULATIONS:** The LANDLORD reserves the right to promulgate rules and regulations concerning occupancy of Hennessey Hall of which the leased premises are a part. These rules and regulations shall be in writing and will take effect immediately after notice has been given by serving a copy of the rules and regulations upon the TENANT.

20) **NOTICES:** Any notice under this lease must be in writing and must be sent by registered or certified mail to the last address of the party to whom the notice is to be given, as designated by the party in writing. The LANDLORD hereby designates its address as CITY HALL, 806 N. Second Avenue, P. O. Box 880, Dodge City, Kansas 67801. The TENANT hereby designates its address as 100 E. Royal Lane, Suite 130, Irving, TX 75039.

Memorandum

To:        City Manager

From:      Mollea Wainscott
           Special Projects Coordinator
Date:      8/16/17
Subject:   RHID – Casa Del Rio
Agenda Item: Resolution No. 2020-02

Recommendation: Staff recommends adoption of Resolution 2020-02, which permits the submittal of a proposed Rural Housing Incentive District (RHID) to the Kansas Secretary of Commerce for approval.

Background: In 2008, the City commissioned a Housing Needs Analysis, which reflected a critical shortage of housing available in the community. In 2009, the City Commission adopted a Resolution providing for several incentive programs in order to encourage housing development in the City. The RHID was identified as one of those programs. The program has captured the attention of several developers, locally and statewide. In 2018, the City commissioned another Housing Needs Analysis taking into consideration the progress that had developed since the 2008 Analysis. The latest Analysis continued to reflect a major shortage of housing. The establishment of this RHID will provide the incentive needed to entice developers to and in our community.

Justification: Housing continues to be a constant challenge in the Dodge City area. Establishment of the RHID is necessary in order to address the City’s critical housing shortage.

Financial Considerations: None at this time. However, if utilized, the financial consideration would be dependent upon each independent development agreement.

Purpose/Mission: To provide adequate housing in order for the City to accommodate present and future growth.

Legal Considerations: None

RESOLUTION NO. 2020-02

A RESOLUTION MAKING CERTAIN FINDINGS AND DETERMINATIONS AS TO THE NEED FOR HOUSING WITHIN THE CITY OF DODGE CITY, KANSAS AND SETTING FORTH THE LEGAL DESCRIPTION OF REAL PROPERTY PROPOSED TO BE DESIGNATED AS A RURAL HOUSING INCENTIVE DISTRICT WITHIN THE CITY. (CASA DEL RIO)

WHEREAS, K.S.A. 12-5241 et seq. (the “Act”) authorizes any city incorporated in accordance with the laws of the state of Kansas (the “State”) with a population of less than 60,000 located in a county with a population of less than 80,000, to designate rural housing incentive districts within such city; and

WHEREAS, prior to such designation the governing body of such city shall conduct a housing needs analysis to determine what, if any, housing needs exist within its community; and

WHEREAS, after conducting such analysis, the governing body of such city may adopt a resolution making certain findings regarding the establishment of a rural housing incentive district and providing the legal description of property to be contained therein; and

WHEREAS, after publishing such resolution, the governing body of such city shall send a copy thereof to the Secretary of Commerce of the State (the “Secretary”) requesting that the Secretary agree with the finding contained in such resolution; and

WHEREAS, if the Secretary agrees with such findings, such city may proceed with the establishment of a rural housing incentive district within such city and adopt a plan for the development or redevelopment of housing and public facilities in the proposed district; and

WHEREAS, the City of Dodge City, Kansas (the “City”) has an estimated population of 27,340, is located in Ford County, Kansas, which has an estimated population of 33,848 and therefore constitutes a city as said term is defined in the Act; and

WHEREAS, the Governing Body of the City has performed a Housing Needs Analysis dated 2018 (the “Needs Analysis”), a copy of which is on file in the office of the City Clerk; and

WHEREAS, based on the Needs Analysis, the Governing Body of the City proposes to commence proceedings necessary to create a Rural Housing Incentive District, in accordance with the provisions of the Act.
THEREFORE, BE IT RESOLVED by the Governing Body of the City of Dodge City, Kansas, as follows:

Section 1. The Governing Body hereby adopts and incorporates by this reference as part of this Resolution the Needs Analysis, a copy of which is on file in the office of the City Clerk, and based on a review of said Needs Analysis makes the following findings and determinations.

Section 2. The Governing Body hereby finds and determines that there is a shortage of quality housing of various price ranges in the City despite the best efforts of public and private housing developers.

Section 3. The Governing Body hereby finds and determines that the shortage of quality housing can be expected to persist and that additional financial incentives are necessary in order to encourage the private sector to construct or renovate housing in the City.

Section 4. The Governing Body hereby finds and determines that the shortage of quality housing is a substantial deterrent to the future economic growth and development of the City.

Section 5. The Governing Body hereby finds and determines that the future economic well-being of the City depends on the Governing Body providing additional incentives for the construction or renovation of quality housing in the City.

Section 6. Based on the findings and determinations recited in Sections 2 through 5 of this Resolution, the Governing Body proposes to establish a Rural Housing Incentive District pursuant to the Act, within boundaries of the real estate legally described in Exhibit A, attached hereto, and shown on the maps depicting the existing parcels of land contained in Exhibit B, attached hereto (the “District”).

Section 7. The City Clerk is hereby directed to publish this Resolution one time in the official City newspaper, and to send a certified copy of this Resolution to the Secretary of Commerce for the Secretary’s review and approval.

Section 8. This Resolution shall take effect after its adoption and publication once in the official City newspaper.

Approved this 17th day of March 2020 and signed by the Mayor.

Date: February 12, 2020

Subject: Approval of Amendment No. 1
Professional Architecture Services
for Airport Terminal

Agenda Item: New Business

Recommendation: It is the recommendation of staff to approve the amendment number one (1) to authorization number three (3) professional engineering and architectural services for the terminal remodel in the amount of $142,720.00

Justification: On December 16, 2019 commission approved the agreement authorization number three (3) for professional engineering and architectural services with Burns and McDonnell to design the terminal remodel. It was quickly determined that the spaces that would be available to passengers in the lobby area and the security/hold room would not accommodate fifty passengers adequately given the current space available in the terminal building. This amendment will be for the added services to design a 2000 square foot addition extending both the lobby and the security/hold room. This addition will be placed on the air side just east of the current terminal building (see attached preliminary designs). Staff has compared the fees in this agreement to other comparable projects that have been bid recently and have determined that the costs for this addition are in line with other engineering and architectural fees that we are seeing at this time.

Financial Considerations: The $142,720.00 will be included in the overall project cost. This is a budgeted project for 2020 and will be paid for through the Growth and Development funds. The $142,720.00 will be added to the original $160,950.00 for a total of $303,670.00 for the entire design of the project.

Legal Considerations: N/A

Attachment: Burns and McDonnell Amendment #1 to Authorization #3. Preliminary Design concepts with the addition.

Memorandum

To: City Manager  
   City Commissioners  
From: Corey Keller  
       Public Works Director  
Date: February 12, 2020  
Subject: Purchase of Water Meters  
Agenda Item: New Business

Recommendation: To purchase 300 water meters and some additional parts for water meters from Municipal Supply in the amount of $101,821.20. This is a sole source purchase, Municipal Supply is the only supplier of the Neptune meters.

Background: This purchase is for 200 5/8 inch meters, 100 3/4 inch meters, 50 one inch meters, 20 inch and one half meters meter heads, 20 two inch meter heads, and 10 two inch meter chambers. The majority of the meters will be utilized to replace non-radio read style meters and repair meters that are damaged throughout the City. To date we have a total of 8507 water accounts. Currently we still have 1,013 of the old style meters left in the system. Staff continues to work to replace the non-radio read meters as necessary. Attached is cost quotation from Municipal Supply for each type of meter.

Justification: The meters that will be purchased are to replenish the Water Departments current inventory.

Financial Considerations:
2020 Budget Fund and Amount: Water Department, General Supplies $ 290,000.00
Expenditures to date $ 0.00
Water Meter Purchase $ 101,821.20
Line Item Balance $ 188,178.80

The remaining balance will be utilizes through out the year to replace supplies as needed.
