Subject: Approval of Extension of Hennessey Hall Lease Agreement with Southwest Kansas Area Agency on Aging  
Agenda Item: Consent Calendar

**Recommendation:** Staff recommends approval of the lease extension with Southwest Kansas Area Agency on Aging (SWKAAA) for office space at Hennessy Hall.

**Background:** SWKAAA desires to continue to lease space at Hennessy to house their operations and services. The space being leased is on the first floor. The total space being leased is 6,000 square feet and this is a three-year extension of the existing lease.

**Justification:** SWKAAA is a planning, coordinating, and funding agency for seniors in Southwest Kansas. They provide aging resources such as information, assistance, set up of in-home services, respite care, caregiving, and Medicare counseling. They are also a not-for-profit public service enterprise that is compatible with other entities currently housed in the facility and are one of the building’s primary tenants.

**Financial Considerations:** The annual lease payment will be based on the standard $6 per sq. ft. price charged to nonprofit tenants at that facility. Lease payments are prorated monthly and billed through City Hall. the annual lease amount is $36,000 payable in $3,000 monthly installments. Any renovations or redecorating is the responsibility of the tenant with the approval of the City.

**Purpose/Mission:** This lease agreement is consistent with the City’s core purpose of Ongoing Improvement as it facilitates additional resources for citizens as they strive to provide and maintain housing and educate themselves to improve their quality of life.

**Legal Considerations:** The agreement is the standard form used with all Hennessy tenants. The lease agreement was approved by the City Attorney.

**Attachments:** Lease agreement

LEASE EXTENSION

This extension of Lease Agreement made by and between the City of Dodge City, Kansas, a municipal corporation (“Landlord”) and Southwest Kansas Area Agency on Aging, Inc., a Kansas not-for-profit corporation (“Tenant”) relative to a certain lease agreement for the premises known as:

**Dated:** March 1, 2021  
**Name of Lease:** Hennessy Hall Lease Agreement (the “Lease Agreement”).

In consideration of the mutual promises and covenants of Landlord and Tenant as set forth below, Landlord and Tenant agree as follows:

1. **TERM:** The term of the Lease Agreement is extended for a period of three 3) years from March 1, 2021 to and until February 28, 2024.
2. **OTHER PROVISIONS:** All other covenants, conditions and considerations of the Lease Agreement shall remain unchanged and are in full force and effect for the entire duration of the extended Term as if fully set forth herein.

This extension agreement shall be binding upon the Landlord and Tenant, as well as their respective successors and assigns.

IN WITNESS WHEREOF, the parties have hereunto set their hands this _____ day of February, 2021.

From: Nathan Littrell, Planning & Zoning Administrator
Date: February 15, 2021
Subject: Rezoning for 800, 802, 804, & 806 Beeson Ct.
Agenda Item: Ordinance #3751

Recommendation: The Planning Commission held a public hearing on February 9, 2021 and recommends approval of this zoning amendment. It is also City staff’s recommendation to approve this rezoning.

Background: The applicant wishes to rezone this property to C-2 Commercial Highway to allow for a mixed-use development of self-storage units to be built in this location. This property is currently vacant.

Justification: The property is adjacent to other C-2 Commercial Highway zoning. Self-storage units would be an appropriate use for adjacent medium density residential. It would also create a better transition between the residential areas immediately west and auto body shop to the east. A landscape buffer would be required for development between this property and the adjacent residential property. The rezoning of this property is in agreement with the City’s Comprehensive Plan.

Financial Considerations: None

Purpose/Mission: Approving this rezoning will encourage and support growth and development in our community.

Legal Considerations: None

Subject: Bids for New Patrol Vehicles  
Agenda Item: New Business

Recommendation: On February 2nd, 2021 Staff opened bids for up to three new police SUVs (with accessories installed). We received two bids: one from Lopp Motors and the other from John Jones. Staff recommends we purchase three of the SUVs from Lopp Motors for $123,651. Lopp was the low bidder with John Johns’ bid coming in at $149,547.

Background: We had presented the first part of this at the Commission Meeting in Fall 2020. This is the second half of the six SUV vehicles for Patrol.

Justification: These vehicles have been taking some time to arrive and be outfitted, once purchased. Six months is usually a good estimate.

These police suvs serve as a vital tool for the Police Department to fulfill their mission. The vehicles serve as communication, rapid transportation, gear storage, and in many cases an office for City law enforcement officers.

Financial Considerations: Two vehicles are budgeted were budgeted for 2020 (and we bought three) and four for this year. Staff is asking for three now.

Subject: DCFD: Quick Attack Brush Truck  
Agenda Item: New Business

Recommendation: On February 1st, 2021 Staff opened bids for a single Quick Attack Brush Truck for DCFD. We received two bids (see attached). Staff is recommending purchase of the truck from Hays Fire for $149,719.67 as they met specs and were the low bid. The other bid was from Weis Fire for $177,085.

Background/Justification: These types of units allow DCFD to get access to areas that other trucks cannot go. The unit also will have a thermal imaging camera that will allow the driver to more safely see through smoke—which will improve safety a great deal.

The existing brush truck that we have is getting older but will be kept so that DCFD will have increased response and ability to combat brush and grass fires. This truck is expected to have a useful life of up to 20 years.

Financial Considerations: This is a budgeted purchase.

Subject: CDBG-CV Grant Fund Request
Agenda Item: New Business

Recommendation: Staff and Review Committee recommends approval of the following CDBG-CV Grants and requests the Mayor to sign the attached Determination of Level of Review for each applicant business and Request for Payment of CDBG Funds.

Boot Hill Antiques - $14,704
I Don't Care Family Restaurant and Sports Bar LLC - $30,000

Background: The COVID-19 pandemic has resulted in a tremendous strain on many small businesses. The City of Dodge City and the Dodge City/Ford County Development Corporation have worked tirelessly to assist our businesses with local, state and federal assistance programs like the Payroll Protection Program, Economic Injury Disaster Loan, local revolving CDBG loans, and other local grants. The City of Dodge City awarded over $400,000 in CDBG revolving loan funds. Since the current revolving loans funds have been depleted, the City applied for and was awarded $132,000 in CDBG-CV funds to be granted out to qualifying businesses. The City has awarded $68,971.72 in CDBG-CV funds and has $63,028.28 remaining.

All the applications were reviewed and certified by Great Plains Development and the City CDBG Review Committee consisting of Joann Knight, Gary Johnson and Nannette Pogue.

Justification: The funds available will reimburse working capital to critical small businesses in our community. All applicants meet the 51% Low to Moderate (LMI) requirements set by HUD. Following is the LMI of each applicant and a brief description of the COVID 19 impact on their business:

1. Boot Hill Antiques – 1 Full-time equivalent employee of which 1 or 100% meet the LMI requirements of the fund. COVID-19 caused Boot Hill Antiques to temporarily close. Since reopening Boot Hill Antiques has seen a reduction in weekday shopping and weekend foot traffic. Boot Hill Antiques is struggling to find inventory due to very few auctions and estate sales.
2. I Don’t Care Family Restaurant and Sports Bar LLC – 11.5 Full-time equivalent employees of which 8.5 or 77.3% meet the LMI requirement of the fund. COVID-19 caused the restaurant to temporarily close. From March to May, I Don’t Care lost $122,000.

**Financial Considerations:** The City of Dodge City was awarded $132,000 in the CDBG-CV grant funds and has $63,028.28 remaining funds. These applications meet the requirements and qualifications of the program. The Review Committee recommends a total approval of $44,704.

**Purpose/Mission:** Provide disaster relief funding to our local small businesses affected by COVID-19.

**Legal Considerations:** Each grant application will require a Determination of Letter of Review signed by the Mayor.

**Attachments:** Boot Hill Antiques Application and Determination Letter of Review, I Don’t Care Family Restaurant and Sports Bar LLC Application and Determination Letter of Review, Request for Payment of CDBG-CV Funds.

Subject: Approval of Sign Bid Proposal for Dodge City Raceway Park

Agenda Item: New Business

Recommendation: Staff recommends approval of the signage proposal from Luminous Neon, Inc. in the amount of $30,255.00 for Dodge City Raceway Park (DCRP). Approval of optional add-on LED sign for $68,869.00 pending response from insurance.

Background: The City of Dodge City and Ford County issued a request for proposals on January 22, 2021 for professional services to develop and implement bilingual signage for Dodge City Raceway Park. A pre-bid conference was held at the DCRP on January 28, 2021. This request included a variety of signage throughout the facility.

Including:
- a. Elevator Shaft Signage with DCRP Logo
- b. Ticket Booth Signage
- c. Restrooms
- d. Concessions
- e. Cold Beer sign
- f. Pit Sign-In
- 4-30” Reflective Signs for the following:
  - g. 1-Spectator Parking
  - h. 2-Thank you Please Drive Safe
  - i. 1-Handicapped Parking
  - j. DCRP logo on Flag Stand-Reflective
  - k. DCRP logo on Main Office Glass Door
  - l. DCRP logo on West facing door of Main Office

In addition, an optional add-on was included to replace the existing LED sign that was damaged by vandalism The City only received one bid for Luminous Neon, Inc for the project.
**Justification:** Much of the existing DCRP signage is original to the facility and is damaged or in poor condition. In addition, the DCRP is under new management and has recently implemented new brand standards including a new logo that will be used in the development of the signage. The current LED sign is unfixable and the west facing side of the sign is no longer operable and the east facing side is only 50% operable.

Luminous Neon’s proposal met all the requirements of the request. A deduction in cost has also been provided for signage that can be installed by City staff. Luminous is a local company that has been serving Dodge City and Ford County since 2001. The timeline to complete the project is April 1, 2021 in time for the 2021 Race Season. However, the LED sign has an eight to ten-week turnaround time.

**Financial Considerations:**
The cost to replace the existing signage with City staff providing installation is $30,255 and the cost to replace the existing LED sign is $68,869. The City is awaiting a response from insurance to determine if the cost excluding the deductible of $25,000 will be covered. If approved, a 50% deposit will be required. The project will be paid out of the Sales Tax fund Depreciation fund.

**Legal Considerations:** There are no legal considerations.

NUMBER OF COPIES REQUIRED
Number of Copies:
Submit one (1) original and three (3) copies, and one (1) digital copy of the proposal in a sealed envelope or container.
I. Introduction

The City of Dodge City and Ford County are requesting proposals for professional services to develop and implement signage for Dodge City Raceway Park. This signage program includes a variety of signage that is described in Section III Objectives/Deliverables of this document. The City of Dodge City will select and negotiate with the firm whose responses meet the requirements and objectives of this RFP.

Additionally, The City requests an Optional Add-On to bid for replacing the LED sign at the site.

II. Background:

The DCRP is a “Why Not Dodge” sales tax project, the purpose of the “Why Not Dodge” sales tax initiative is to increase access to quality of life amenities for area residents as well as enhance the tourism-based economy in Dodge City and Ford County by developing venues that host a variety of activities and events that result in increased overnight stays and sales tax revenues. “Why Not Dodge” funds were approved for several public projects, including the construction of the DCRP.

In 2000, the City and the County opened the state-of-the-art 3/8-mile racetrack. The track is in its twenty-first (21st) year of operation. DCRP provides weekly race events during the race season, along with special events throughout the year. Much of the facility’s existing signage needs updated or replaced.

In addition, the DCRP is under new management with Craig Dollansky Racing and has recently implemented new brand standards including a new logo. The firm selected for this project will have access to the DCRP brand standards to develop the signage.

III. Objective:

This Request for Proposals (RFP) is for a firm or team to design, develop and install bilingual signage in English and Spanish. This will also include an implementation plan that designates sign locations.
