Child Abuse Prevention Month 2021 Proclamation

Whereas we can build healthier, safer, and thriving communities if we take the same approach to raising families that we do to tending a community garden on a shared piece of land; and

Whereas, children are locally grown and have a right to be safe and to be provided an opportunity to thrive, learn and grow; and

Whereas, hope and commitment are powerful fertilizers that strengthen and support Kansas’ families thus preventing the far-reaching effects of maltreatment, providing the opportunity for children to develop healthy, trusting family bonds; and

Whereas, we must come together as partners to nurture, heal and grow together because prevention happens in partnership; and

Whereas, by growing a better tomorrow for all children, together, we can ensure that Kansas children will grow to their full potential as the next generation of leaders, helping to secure the future of this state and nation;

City Commissioners  
From: Corey Keller Public Works Director  
Date: March 31, 2021  
Subject: Med Trans Lease Agreement  
Agenda Item: Consent Calendar

Recommendation: To enter into an agreement with Med-Trans Corporation to lease a 70’x90’ piece of ground north west of the ARFF building located at the Airport.

Justification: Attached is the signed lease agreement with Med-Trans Corporation. They have agreed to the terms, to lease sixty-three hundred (6300) square feet of land located north west of the ARFF building. The lease is a five-year term. The amount of the lease is $630.00 annually and will increase by two percent each year for five years. The land lease is comparable with other land leases at the Airport. The cost was also compared to similar land leases in Garden City, Liberal and Hays.

The lease will become effective as of January 1, 2021 and end on December 31, 2026. Signatures of both parties will activate the lease. Med Trans and I have already agreed to the terms and have signed the document. The Commission’s approval will complete the process.

Financial Considerations: Med Trans Corporation will pay the City an annual fee for the five-year term. The fees will increase two percent annually for the five-year term.

Legal Considerations: Legal has reviewed the document and is in agreement with the terms.

Attachments: Lease Agreement
CITY OF DODGE CITY AIRPORT LEASE WITH MED-TRANS CORPORATION

1. PREMISES. The City, in consideration of the rent, agreements and conditions as set forth herein to be paid and performed by Lessee, does hereby lease to the Lessee, subject to the terms and conditions set forth herein, the land and facilities located at the Dodge City Regional Airport and referred to herein after as the “Premises.”

The City, as a courtesy, will provide written notice of this change at the end of the 1st November of each calendar year; however this is not a requirement for the implementation of these annual monthly basic rent changes. This change will effect the rental fee for all subsequent years of the lease, including those resulting from any renewals, until its expiration. The City, as a courtesy, will provide written notice of this change at the end of the 1st quarter of each calendar year, however this is not a requirement for the implementation of these annual fee changes.

B. All rent shall be paid without prior demand therefore at the City's business office, Dodge City Regional Airport, P.O. Box 880, Dodge City, KS 67801.

3. LATE CHARGES. In the event Lessee has failed to pay the rent and other amounts due to the City, on or before the first (1st) day of the month due, the Lessee shall owe, as additional rent, a late charge equal to five percent (5%) of the amount of the monthly payment(s) then due.

4. TERM. This lease commences on January 1, 2021 and expires on December 1, 2026 inclusive, a period of 5 years. This lease may be extended by mutual agreement of the parties or in compliance with any option for renewal provided in Paragraph five (5) of this lease.

5. OPTION TO RENEW:
   A. Lessee shall have the option to renew this lease for an additional five (5) year term unless the lease has been terminated as a result of voluntary withdrawal, destruction of Premises, or Lessee's default or breach.
   B. Lessee shall deliver to the City written notice of its intent to renew at least sixty (60) days prior to the expiration of the original term.
   C. The rent shall be adjusted each year during the renewal term of this lease in proportion to the change in the CPI-U Midwest Urban Cities (Consumer Price Index) over the previous year.
   D. Except for rental fee, all agreements and conditions in this lease shall remain in full force and effect for the renewal term unless the parties otherwise agree in writing.
6. ACCEPTANCE OF PREMISES, CONDITION REPORT:

A. Lessee acknowledges it has inspected and noted the condition of Premises and accepts said Premises in their present condition and without representation or warranty by the City and without alterations, repairs or additions thereto.

B. A representative of the City shall inspect the Premises not later than five (5) days after City approval of this lease. The Lessee shall have the right to be present at such inspection. The City shall prepare a Condition Report as a result of such inspection, which shall inventory the condition of the Premises. The representative of the City and Lessee shall sign the Condition Report and a copy shall be provided to Lessee. Should the Lessee fail or refuse to sign the Report, such fact shall be noted on the Report in lieu of Lessee's signature. This Condition Report shall be the basis upon which the City determines whether or not the Premises have been maintained properly under the terms of this lease, and whether or not waste or destruction has occurred. The Report shall itemize any personal property on the Premises belonging to the City for which Lessee is responsible.

7. USE OF PREMISES.

A. Lessee shall comply with all Federal, State and Local laws, ordinances and administrative regulations applicable to the leased premises and Lessee's use and occupation thereof. Lessee shall also comply with all policies and use restrictions of the City, including subsequent modifications or changes thereto, which are applicable to the leased premises, Lessee's use thereof, and all City property.

B. Lessee shall not occupy premises for any unlawful purpose or for any purpose which constitutes a nuisance, is harmful to, or interferes unreasonably with the rights of any other person including the City and its tenants.

C. Lessee will have roof access of any leased facilities to install microwave antennas, at its own cost, with prior approval from FAA, NOAA and the Airport Manager, which approval is subject to revocation in the event of interference with equipment or services provided by FAA or NOAA.

8. REPAIRS AND MAINTENANCE:

City agrees that it will be responsible for major repairs and maintenance within budget limitations including the removal of snow on the airport premises; ramp, runways, taxiways, hangars, parking lot and airport entrance road. For purposes hereof, “major” shall be defined as any one occurrence or condition requiring an expenditure of one hundred dollars ($100.00) or more to correct, labor and materials included. All minor repairs shall be the responsibility of Lessee.

A. Lessee shall make all repairs, whether structural or otherwise, necessary to preserve the premises in as good of condition as when leased, normal wear and tear excepted, or as otherwise provided for in this lease. The quality of repair work shall be at least equal to that of original construction, and in accordance with building codes in affect at the time of such repairs.

B. Lessee shall permit no waste or injury to occur to the premises, and at all times, shall keep premises safe and clean and shall comply with all laws and regulations governing care and maintenance of premises. Lessee shall remove rubbish which may accumulate on premises, and make every attempt to give premises a pleasing appearance, all at Lessee's sole expense. Lessee shall not permit materials, supplies or equipment to be stored outside of buildings without the prior written consent of the City.

C. In the event Lessee fails to comply with requirements of this paragraph, the City shall have the option either to treat such failure as a default and breach and terminate this lease as provided in paragraph 23 or, after giving notice and opportunity to cure such failure as provided in paragraph 24, the City may perform all repairs and maintenance necessary to cure such failure and add the cost thereof to basic rent due in the month following the date such costs are incurred.

D. Notwithstanding any other provision of this lease, in the event:
1) Lessee fails, in the sole judgment of the City, to take necessary precautions to protect the leased Premises or personal property thereon from the elements, or the security thereof;

2) Lessee's maintenance or use of the premises is such that it constitutes a fire hazard or otherwise endangers the leased Premises, or

3) Lessee's conduct endangers property owned by the City, or persons on the leased Premises or in adjacent the City property; then the City or its authorized representatives may forthwith come upon the Premises and take all reasonable and necessary steps to correct such danger or condition. The expenses in making such corrections shall be billed to Lessee and shall be due and payable by Lessee to the City the first of the month subsequent to such billing.

E. The requirements for repairs and maintenance required by this Paragraph shall not make Lessee the agent or trustee of the City for any purpose, and the provisions of Paragraph 7 of this lease shall be controlling. Nothing in Paragraph 7 of this lease concerning the use of Premises or in any other provision of this lease shall be construed to create any such agency or trustee relationship.

9. PERMANENT IMPROVEMENTS TO PREMISES:

A. To the extent allowed by the existing budget environment, the City is obligated to rebuild, replace, maintain, repair, improve, enlarge or remodel premises. At its sole expense, Lessee may make permanent improvements to premises either by enlarging or remodeling current improvements or constructing new improvements provided the City gives prior approval in writing, and Lessee submits detailed construction and site plan of proposed improvements for the City’s final approval prior to commencement of construction. All permanent improvements shall become part of premises and property of the City and shall conform to the following minimum requirements unless specifically waived by the City in writing.

1) Any new buildings or additions to buildings now on premises shall be restricted to commercial, industrial or warehouse use as approved by the City.

2) Outside walls of all new buildings or additions must be of masonry construction, decorative metal or their equivalent.

3) All roofs shall be constructed from fire resistant material.

4) All signage shall comply with the 2009 Dodge City Zoning Ordinance.

5) Lessee shall obtain and pay for all requisite government permit and authorizations related to new construction on premises prior to commencement thereof; Lessee shall comply with applicable building and zoning laws and ordinances and other government regulations and requirements.

6) All construction shall be prosecuted to completion with diligence in a workmanlike manner.

B. Permanent improvements shall be defined as all improvements which attach either to the premises or any improvements thereon including, without limitation, all structural and nonstructural improvements, plumbing and electrical equipment and fixtures and all property including fixtures, equipment and personal property which cannot be removed without undue damage to premises or which would be of insignificant value after removal from premises. Other examples, again without limitation, shall include attach carpet and other floor covering, draperies, light fixtures, wall panel and permanently installed equipment. All such permanent improvements shall become property of the City when installed, unless the City otherwise agrees in writing. Lessee shall not convey a security interest in any permanent improvements to any creditor.

C. The City's approval of permanent improvements to be made by Lessee shall not make Lessee the agent or trustee of the City for any purpose, and the provisions of Paragraph 12 and Paragraph 8 shall be controlling. The Lessee shall not construe anything in Paragraph 7 of this lease, concerning the use of premises, or in any other provisions of this lease as written approval by the City for permanent improvements.
10. OWNERSHIP OF PERSONAL PROPERTY AND TRADE FIXTURES:
   A. Any personal property, furniture, fixtures, or equipment owned by the City and located on
   premises at any time during the term of this lease shall remain the property of the City and shall not be
   removed from premises without the City’s written consent; Lessee may use such property in the conduct of
   its business, but shall suffer no waste or injury thereto, reasonable wear and tear excepted, and at all times
   shall keep such property clean and shall perform ordinary maintenance necessary to the preservation
   thereof; the City has no obligation either to rebuild, replace, maintain, repair, improve or remodel such
   personal property, furniture, fixtures or equipment being used by Lessee; Lessee shall repair and maintain
   such property a Lessee’s sole expense. Lessee shall be liable to the City for destruction of such property
   resulting from Lessee’s negligence or misuse thereof.

   B. Lessee may replace or install on Premises, at its sole expense, such personal property,
   furniture, trade fixtures and equipment as it shall deem necessary for the conduct of its business; Lessee
   shall have the privilege, at any time during the term of this lease, of removing any and all of its personal
   property, furniture, trade fixtures and equipment except as provided hereafter and only so long as no
   permanent improvements as defined in Paragraph 10 of this lease shall be removed from premises without
   the City’s written consent. Lessee shall be liable to the City for all damages to premises resulting from
   Lessee’s removal of any property.

   C. Forthwith upon termination of this lease for any reason, the Lessee shall remove all of its
   personal property from the leased Premises. In the event Lessee fails to remove its personal property, then
   the City may, at the City’s option, take possession of the property, store it at Lessee’s expense, and sell or
   otherwise dispose of the same. The City shall, however, provide written notification to Lessee by
   depositing a copy of a notice thereof in the United States mail, postage prepaid, addressed to Lessee at
   Lessee’s address as specified in this lease. Such notice shall state the name of the Lessee, a brief
   description of the property and the date that the City intends to sell or otherwise dispose of such property.
   So long as the City complies with the notice provisions as herein set forth, the City shall not be liable
   either to Lessee or to any other person who claims any interest in any property sold or otherwise disposed
   of except as to any secured creditor who gives written notice to the City of his or her interest in the
   property prior to the time of sale or disposition. In the event the City has taken custody and possession
   of personal property pursuant to this provision, the Lessee shall have no right to the return thereof unless and
   until Lessee has paid all rent or other monies due and owing to the City and the reasonable expenses
   incurred by the City in holding and preparing the property for sale. In the event the City sells the
   property of Lessee, it shall be applied first to pay the City’s expenses, then to reimburse the City for any
   rents or other monies due, and if any money remains, the City shall return it to the Lessee. Lessee shall
   protect, indemnify and save the City, its agent and employees harmless from any and all claims for
   damages to said property while in the City’s possession, whether such property is owned by Lessee, its
   officers, employees, agents or anyone else.

11. TOTAL AND PARTIAL DESTRUCTION OF PREMISES:
   A. Partial Destruction: In the event premises covered by this lease are not totally destroyed but
   are damaged by fire, wind or other occurrence to the extent that such damage is, within the sole opinion
   of the City, repairable with reasonable diligence within one hundred twenty (120) days after the
   happening of such destruction or damage, then:

   1) The City may, at the City’s option, either elect to repair the premises or to cancel this
   lease. In the event such lease is canceled, it shall be canceled as of the date of the damage or destruction,
   and no rent shall be due and payable thereafter. In the event the City elects to have the premises repaired,
   the repairs shall be completed as soon as reasonably practicable, and all insurance monies covering the
   premises shall be available to the City in making such repairs. The City shall not be liable to spend any
   money on repairs over and above the insurance proceeds. In the event no election to repair is made, then
   all insurance proceeds on the premises shall become the sole property of the City.
2) In the event that the premises are to be repaired, then this lease shall continue in full force and effect, but rent due and owing from the Lessee to the City shall be abated from the date of partial destruction to the date the repairs are completed in the same ratio as that portion of the premises which is rendered unfit for occupancy bears to the whole.

B. Total Destruction: If, in the sole opinion of the City, there is total destruction of the premises, or, in the sole opinion of the City, the premises are so damaged or destroyed so as to render the whole or a substantial part thereof unfit for occupancy, and the same cannot be repaired with reasonable diligence within one hundred twenty (120) days after the happening of such destruction or damage, then:

1) Either party to this lease may terminate this lease by giving the other party written notification of such termination within fifteen (15) days after the occurrence of such damage or destruction (except that the Lessee may not exercise this option if such total destruction is the proximate result of the negligence of Lessee, its agents, servants or employees). In the event of termination, any unearned rent paid in advance by Lessee shall be refunded. In the event of termination by either party, all insurance proceeds applicable to the premises shall be the sole property of and shall be paid to the City.

2) Should neither party elect to terminate the lease, the City shall have the option to enter into negotiations for a mutually agreeable substitute lease with all insurance proceeds being used for the construction of a substitute building.

3) In no event shall the City, at any time, be required to restore premises or construct any building the total cost of which shall exceed the insurance available by reason of the destruction of the leased premises.

12. NO MECHANICS LIENS, NO AGENCY CREATED. Lessee is not the agent, partner or trustee of the City, and by this lease, Lessee acquires no rights to act for or on behalf of the City in regard to the repairs or building of any structure upon the Leased Premises. The City is not, and shall not, be liable for any labor, services or material furnished to Lessee, its officers, employees, agents or anybody claiming under this lease. No materialmen or persons furnishing labor or other services to Lessee shall have the right to file any lien upon the Leased Premises, and no mechanics lien filed by any such materialmen, workers or other persons shall attach to said Premises or affect the City's interest as owner of the Leased Premises. Lessee shall not, at any time, hold him/herself out as having any authority to act for and on behalf of the City or create a lien on the Leased Premises. Should any lien be filed against the Leased Premises by reason of any services, materials or work furnished for and on behalf of Lessee, the same shall constitute a breach of this lease by Lessee, and Lessee shall immediately cause the discharge of any such lien.

13. CONTEST OF LIENS:
A. Notwithstanding provisions of Paragraph 12 of this lease, Lessee shall have the right to contest any mechanics lien or other similar lien if Lessee notifies the City in writing of its intention to do so.
B. On demand of the City, Lessee shall provide a bond in the City's favor, the face amount of which shall be at least twice the amount of the lien claim contested to indemnify and protect the City against liability, loss, damage an expense of any nature resulting from said asserted lien and the contest thereof; if Lessee diligently prosecutes such contest, prevents any judicial sale of any part of Premises and pays or otherwise satisfies a final judgment enforcing such contested lien claim and thereafter promptly procures record releases or satisfaction thereof, Lessee shall be discharged and the bond released.

14. INDEMNITY:
A. Lessee shall indemnify, protect, defend and save the City harmless from and against all claims, demands, liabilities and costs, including attorneys fee arising from damage or injury, actual or claimed, of whatever kind or character to property or persons allegedly occurring on or about Premises during this lease term or Lessee's period of actual possession of Premises, whichever is longer. Upon
notice from the City, Lessee shall defend the City in any action or proceeding brought in connection with such claims and demands.

B. Nothing in this paragraph shall require Lessee to indemnify, protect, defend and save the City harmless against claims, demands, liabilities and costs arising from negligence of the City, its officers, employees, agents, license and invitees.

15. INSURANCE:
A. Lessee, at its sole expense, shall maintain public liability insurance to protect against any liability which may arise from accident or injury on or about the said Premises; such liability insurance coverage shall have the following minimum requirements:
   1) This policy shall be on a Comprehensive General Liability form.
   2) The City shall be an additional insured as Lessor of the Premises.
   3) Policy limits shall be at least: $1,000,000 per occurrence, $2,000,000 aggregate.

B. The City reserves the right to require additional insurance if, in its sole discretion, the City deems such additional coverage to be necessary because of a substantial change in Lessee's operations or for any other reason. The Lessee shall pay the cost of any such additional insurance coverage.

C. Lessee shall procure any insurance coverage required by this lease through companies authorized to write insurance in Kansas as selected by the Lessee and approved in writing by the City. Lessee may include the required insurance coverage under its existing insurance policy, provided each insurance requirement of this lease is fulfilled thereby and the City approves thereof.

D. All insurance policies described in subparagraph A. and B. of this paragraph and renewals thereof shall name the City and Lessee as insured parties and shall contain a provision prohibiting cancellation by the insurer without at least ten (10) days prior written notice to the City and Lessee. Lessee shall deliver to the City a certificate of such insurance within ten (10) days after this agreement is executed between the City and Lessee.

E. Memorandum

To: City Manager, Nickolaus Hernandez & City Commission
From: Parks & Facilities Director, Adam Lockard
Date: April 5th, 2021
Subject: Memorial/Dedication Approval
Agenda Item: Consent Calendar

Recommendation: Staff and the Park Board Approved our Annual Arbor Day Tree Dedication to be after Alan Cunningham. Final consideration to be approved by City Commissioners and City Manager per the Memorial and Dedication Policy.

Background: Alan was deeply involved in the community he called home for so many years. He served on the Western Plains Medical Center Board of Directors, the Chamber of Commerce Board of Directors, Dodge City Community College Foundation Board, Dodge City/Ford County Economic Development Corporation board and was instrumental in the success of the Kansas Teachers Hall of Fame, a cause he dedicated a great deal of time to. His presence and leadership will be missed throughout the community.

He was a devoted advocate for children and public education and was a role model and mentor to many. He was an active member of both the Kansas/Missouri Superintendent’s Council and the Southwest Kansas Area Cooperative District 613 Superintendent’s Council. Alan served as an Officer for Schools for Fair Funding and was an integral part of that lawsuit, fighting for adequacy and equity for all children. His peers and those who worked alongside Alan had a tremendous amount of admiration and respect for him as a Superintendent, and as a person.

Justification: Annually, the Parks and Facilities Department and Park and Facilities Board dedicates a tree to celebrate Arbor Day with a plaque in a park or memorial place more specific to the dedicatee. The Arbor Day Dedication would occur on the morning of April 30th. The location is to be determined. Our hope is to have this placed on School District property due to his positive and integral impact on the education system in Dodge City.

Financial Considerations: Less than $150 for the tree and plaque.

Purpose/Mission: To continue a long-standing tradition for Arbor Day and community involvement by dedicating a tree to a worth citizen of Dodge City.

Legal Considerations: None

Recommendation: Staff and the Park and Facility Board recommends dedicating the REWA Classroom, Room #14, after Senator Bud Estes.

Background: The Rural Education & Workforce Alliance (REWA) Board of Directors has requested the City’s consideration of honoring Senator Estes for his time, dedication and leadership in developing this space for the new University Training Center at Hennessey Hall. He was instrumental in assisting the Development Corporation staff in leading the efforts to create and promote the concept throughout the State and receive funding to provide renovations to the space, technology to set up the classroom and satellite classrooms in Elkhart, Tribune, Scott City, Saint John and Jetmore. His leadership ability was an exceptional characteristic that he offered willingly to many projects and organizations across the region and State of Kansas.

Justification: Senator Estes was a key player in the creation of the University Training Center and helped us connect valuable partnerships with the universities and state and regional leaders.

Financial Considerations: REWA and Development Corporation will cover the costs of the plaque and ceremony expenses. City staff will assist in preparing for the ceremony, tentively scheduled for Friday, May 7th, 3:00 p.m.

Purpose/Mission: To Dedicate the REWA Classroom after Bud Estes and have a celebration of his accomplishments involving the University Training Center at Hennessey Hall.

From: Nicole May, Finance Director
Date: April 1, 2021
Subject: Resolution 2021-07
Agenda Item: Ordinances and Resolutions

Recommendation: I recommend the City Commission approve Resolution 2021-07.

Background: So that the City can obtain financing for construction projects in the form of general obligation bonds or temporary notes, the project first needs to be authorized by Resolution of the City of Dodge City. The City is in the design phase of the Downtown Streetscape project, there is a possibility that a portion of this project may need to be financed with GO Bonds or Temp Notes in the future. This Resolution is only authorizing the project, it does not in any way obligate the City of bond any portion of the project. If in the future, it is determined that the City does need to finance a portion of the project then this step is complete. Resolution No. 2021-07 formalizes the approval process for bond financing.

Justification: To issue General Obligation Bonds/Temporary Notes for specific public improvement projects, they need to be authorized by Resolution.

Financial Considerations: Once the projects are authorized, funding will be issued to fund these projects.

Purpose/Mission: To maintain and improve the infrastructure in Dodge City.

Legal Considerations: All legal considerations have been satisfied by the proposed resolution.

Date: April 1, 2021
Subject: Resolution 2021-08
Agenda Item: Ordinances and Resolutions

Recommendation: I recommend the City Commission approve Resolution 2021-08.

Background: So that the City can obtain financing for construction projects in the form of general obligation bonds or temporary notes, the project first needs to be authorized by Resolution of the City of Dodge City. At the March 1, 2021 City Commission meeting the City Commission approved the 2021 street program and other projects to be financed by General Obligation Bonds. This program included street projects that will need to be financed with General Obligation Bond funding. These projects are: US 50 Highway & Loretta Dr. Intersection - Design in the amount of $500,000, Trail St. Widening & Improvements - Construction in the amount of $1,200,000, McCaustland Road 2 Reroute in the amount of $950,000, Comanche St. Reconstruction (14th Ave – Wal-Mart Drive) in the amount of $400,000, Second Ave. Bridge Repair – Construction in the amount of $575,000, 14th Avenue Bridge Repair – Design in the amount of $50,000, Levee Certification Improvements in the amount of $850,000 and Ave. D & Wyatt Earp Drainage Improvements in the amount of $150,000. In the approval resolution, the public art fund contribution is added to each project instead of a standalone. That is why the amounts in the authorizing resolution are slightly different than what is stated above. Resolution No. 2021-08 formalizes the approval process for bond financing.

Justification: To issue General Obligation Bonds for specific street and other public improvement projects need to be authorized by Resolution.

Financial Considerations: Once the projects are authorized, funding will be issued to fund these projects.

Purpose/Mission: To maintain and improve the infrastructure in Dodge City.

Legal Considerations: All legal considerations have been satisfied by the proposed resolution.

Subject: Approval to Name the Recycling Building after Jane Longmeyer  
Agenda Item: New Business

Recommendation: It is the recommendation of the CREW Recycling Advisory Board to name the new recycling center after Jane Longmeyer.

Background: In 1990 Jane volunteered to assist the United Methodist Church in starting a recycling program for Dodge City. The program started as a once-a-month drop-off site in the Village Square parking lot where Jane and members from the United Methodist Church collected the recycled materials. Once the program outgrew the trailers Jane advocated to purchase the old building located at 716 E Military. Through many KDHE grants she was able to acquire much of the equipment still being utilized today. When the program outgrew the old building, Jane advocated to build the new building where she continues her dedication to the program today.

Jane has always had a strong passion for the environment. She has led many litter clean ups throughout the city and county. Through Keep America Beautiful, CREW has won many awards due to Jane’s dedication to Keep Dodge City Beautiful. Still to this day and after her retirement, on any given day Jane can be found picking up litter in one of the many drainage ditches, highway edges, or neighborhoods throughout the community.

Justification: I have discussed this recommendation with Jane and have her and her family’s approval to name the building. A dedication ceremony will take place on April 24th at 10 am during the Great American Clean Up event this year if approved. This request is in compliance with the policy set at the Commission meeting on March 15, 2021.

Subject: Small Crack Sealing (ST 2104)
Agenda Item: New Business

Recommendation: Approve the bid of 4,420 gallons of sealant from Stripe & Seal, LLC for the Small Crack Sealing (ST2104) project in the amount of $50,000.00.

Background: Sealing of small cracks in our asphalt streets is a cost-effective preventative maintenance technique that will help extend the service life of the pavement. This project was included in the 2021 Street Program that was presented and approved by the commission on March 1st.

Justification: This preventative maintenance technique will extend the service life of the pavement by protecting the subgrade from moisture. It will also help maintain the asphalt street network at a higher PCI.

Financial Considerations: The application of this sealing material will cost $50,000.00. Funding of this project will be through Special Streets.

Purpose/Mission: The completion of this project aligns with the City’s Core Value of Ongoing Improvement by preparing for the community’s future.

Legal Considerations: By approving the bid from Stripe & Seal, LLC, the City will enter a contract with Stripe & Seal, LLC, and be responsible to make payments for the completed work.

Subject: Rebein/Goodnight Property Proposal
Agenda Item: New Business

Recommendation: To authorize City Staff to draft an agreement with Volz Builders, LLC of Dodge City, for the purchase of 95.3 acres. Approval of sales agreement to be presented later.

Justification: Upon the request of the Commissioners and due to the lack of available property for future housing development, City Staff prepared a Request for Proposal form for the Rebein/Goodnight Property located north of the Iron Road corridor and east of 14th Avenue. Only one proposal was submitted from Volz Builders, LLC. We did receive a letter of No-Bid from Zach Carlton with requests for the City to look at splitting the property up into smaller tracks and allowing more time to submit the proposal.

I met with Mr. Volz on Tuesday the 30th of March to discuss his proposal. During our conversation he stated that having this large of a tract will allow for a much greater Master Plan for the entire property and that he is wanting to make it a welcoming place with real thought to the phasing. He also stated he would allow the City to work with him on his plan.

Other items for consideration, any undeveloped property within 10 years would revert to the City.

Financial Considerations: $114,360 for 95.3 acres

Legal Considerations: Legal has yet to draft the purchase agreement.

A:
1. Volz Builders LLC has developed multiple sub-developments in Dodge City.
2. The Sub-Developments are:
3. Previous customer's letter upon request?
4. Since I will be signing the developer agreement to fulfill the completed project, I am liable for the improvement costs. I will complete this development like the previous ones.

B:
1. Upon agreement completion, we will immediately start on the development of the property.
2. I usually have 30 to 40 lots in each phase.

C:
1. I can provide a letter of credit if needed from my bank, each lot improvement cost has been roughly 40,000.00, with the RHID payout over the 25 years and the taxes for this price of home at 4,000.00 per house per year is what this project is based on. This works with the city's cooperation just like the prior sub-developments.
2. Most of the homes, we plan on building will range from 175,000.00 to 200,000.00 in one area and 250,000.00 to 300,000.00 in other areas.

D:
1. Photocopy of prior sub-developments are upon request.

Nick Hernandez,

This letter is to serve as a No Bid for the “Rebin Property” land purchase and development proposal located at 14th Street and Iron Road in Dodge City. 

Our company has tremendous interest in single family residential land development in Dodge City and Southwest Kansas as we desire to participate in the addressing the housing shortage we are currently experiencing. As you may know we are currently developing a parcel titled “Casa Del Rio” located at 14th Street and Pheasant Road that has recently been annexed into the city of Dodge City. We will be providing 146 single family housing units over the next few years with this parcel. This development targets a specific income bracket that we believe has a long-standing need of servicing.

We believe studies show our community is in need of additional single family homes in other price points. We believe that our capabilities in residential development, conceptual design and construction management equip us well to perform, with excellence, residential development and home building. Unfortunately, as a younger company we do not currently have access to the capital that would be required to take on an additional project of this size.

We would be very interested in the City of Dodge City considering parceling out the “Rebin Property” in tracts in which 20 – 40 single family residential units could be purchased and developed at a time and phased. This would be a more consumable financial commitment for our company.

We would argue that if the land was parceled, multiple developers could develop this property concurrently and more quickly address the housing needs as opposed to a single developer taking longer to service our community's needs.

We understand the City retains the right to move forward as listed in the bid request but we would strongly implore the City consider our request and resubmit a bid request that divides the property into tracts and give us more time to conceptually design a development plan that is functional, appealing and addresses the housing needs in a wide range of price points.

We would also request 60-75 days to submit our bid as we believe 30 days is not enough time to put together a development design and concept that carefully considers existing physical site conditions, current housing demands and future community needs.

Thank you for your audience and consideration.

Memorandum

To: City Commissioners  
From: Abbey Martin, Public Information Officer  
Date: March 31, 2021  
Subject: Adoption of new official City of Dodge City Flag  
Agenda Item: New Business

Recommendation: Staff recommends adopting the winning flag from the public vote portion of the City Flag Contest as the official city flag. The design won with 212 votes out of a total of 658 responses.

Background: During the rebranding process in early 2020, the City flag was discussed as part of the brand standard with A|D Creative. Staff discussed the flag and decided that a community-engaged contest would be the best route to take for a new flag to lead to better buy-in and create a movement such as the one that has taken place in Wichita. The contest began after staff researched proper flag design through the North American Vexillological Association, watched a few TED Talks on city flag design, reviewed contests from other cities, and consulted with other government communications and media professionals. The contest launched in August 2020 with a design submission portion that ended in September 2020. A review committee of administration staff, CVB staff, DC/FC Economic Development staff and Dodge City Area Chamber of Commerce staff met to go over the designs. At that time, the committee did not feel that the designs were ready to go forward to a public vote. Therefore, the contest was put on hold. Late in 2020, two different flag professionals reached out to the Public Information Office inquiring about the contest’s status and aiding to refine the submitted designs and create additional designs for consideration. This assistance allowed the contest to get back on track and the review committee shrunk to administration staff and CVB staff to expedite the process and finalize the top designs for a public vote. On March 22, 2021, the public vote opened with five designs to choose from and closed at noon on March 31. The poll was published through local media, social media, the City website, and the Community Newsletter listserv. Two votes separate the top two designs.

Justification: The City of Dodge City has had an official flag for many years; however, the design was outdated from the City branding and did not follow the five flag design principles. By adopting a new design, the flag will be cohesive with the brand being implemented by City departments and will serve as a symbol for Dodge City and a source of civic pride. The flag design being recommended was the top vote by the public.

Financial Considerations: None to be considered by adopting; there will be future costs to order flags for facilities and for the public to purchase.

Purpose/Mission: Together, we serve to make Dodge City the best place to be.

Legal Considerations: None
This flag represents Dodge City in a variety of ways. First, the golden color represents both wheat fields and the native tallgrass of the Western Kansas prairie. The thin black line represents the bedrock of the past, on top of which the white stripe represents both progress and hope for the future. The black star circumscribed by a circle is a nod to the marshal’s badge of a Wild West lawman and ties into the one featured on the new Dodge City Seal.
