RE: City of Dodge City
CDBG 20-CV-016 Grant Close-out

FROM: Faye Trent
Executive Co-Director/Grant Administrator

At the Monday, August 2, 2021, meeting of the Dodge City Commission, a performance public hearing was held to discuss the performance of the City’s CDBG grant for small businesses. With these funds, the City was able to assist six businesses to retain 42 full time equivalent jobs of which 34.25 or 81.55% met the low-to-moderate income requirement of the grant.

At this time, I am asking the Commission to accept the grant close-out information and permit Mayor Sower to sign the required documents.
Memorandum

To: City Manager, City Manager City Commissioners
From: Angie Gonzalez, Housing Coordinator
Date: 12/16/21
Subject: CDBG Grant Application
Agenda Item: Resolution No. 2021-20

Recommendation: Staff recommends the approval of Resolution No. 2021-20 allowing the City of Dodge City to apply for assistance from the COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM and to administer the funds if awarded.

Background: In April 2018, the City and County received the CHAT report which provided the community with a housing needs and analysis. The report showed that our community housing needs were substantial. The report also indicated that there was a need for renovation of lower quality homes.

The CDBG Housing Rehabilitation grant provides assistance to low-to-moderate income homeowners in a target area to receive funds to rehabilitate their homes.

Justification: This application for funding from the COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM will provide funds in the form of grants to help local low-to-moderate income homeowners rehabilitate their homes.

Financial Considerations: No funding match is required.

Purpose/Mission: This resolution will assist Staff in supporting Community Housing Association of Dodge City who is working to bring much needed housing opportunities to our community, therefore, improving the quality of life for our citizens.

Legal Considerations: None

Recommendation: Discussion and Commission recommendation on

A RESOLUTION AUTHORIZING AND PROVIDING FOR THE CALLING OF A SPECIAL QUESTION ELECTION IN THE CITY OF DODGE CITY, KANSAS, FOR THE PURPOSE OF SUBMITTING TO THE ELECTORS OF THE CITY THE QUESTION OF IMPOSING A ONE-HALF PERCENT (0.50%) CITY-WIDE RETAILERS' SALES TAX; AND PROVIDING FOR THE GIVING OF NOTICE OF SAID ELECTION.

Shall the following be adopted?

Shall the City of Dodge City, Kansas, be authorized to impose a one-half percent (0.50%) City-wide retailers' sales tax on April 1, 2022, or as soon thereafter as permitted by law, and shall terminate ten years after its commencement, the proceeds of which shall be used to finance the costs of transportation improvements, including the rehabilitation, construction and reconstruction of streets, sidewalks, curbs, gutters, trails, transit facilities, bicycle lanes, traffic signalization, signage, landscaping along rights-of-way, and all related improvements; all pursuant to the provisions of K.S.A. 12-187 et seq., as amended?

Background:
Several months ago, the Commission tasked staff with developing a sales tax question for consideration during the upcoming election. This tax would begin April 1, 2022 and would terminate 10 years later. This would allow for the public to determine the appropriate level of street funding. Our current street maintenance budget is approximately $300 to $500,000 per year that is funded from the special gas tax. The City does however issue an additional $1 Million to $1.5 Million in debt for non RHID street related projects funded, which equates to approximately 5.5 to 8.5 mills. This sales tax could allow for up to $4.6 million in street funding or it could provide a modest mill levy reduction by eliminating a portion of our issued debt paid for by property tax revenues.
Justification:
The existing .15% sales tax for Horse Thief Reservoir is expected to terminate by the beginning of the new year. This increase would technically only increase the existing sales tax rate by .35%. The sales tax is spread throughout all consumers in Dodge City and not just residents and is primarily sourced through grocery and car sales.

Financial Considerations: The current sales tax rate in Dodge City is 8.65%. This ½ cent sales tax, if approved by the voters is expected to generate $4.6 million in additional revenue per year for 10 years dedicated solely to our street program. We did not utilize this years anticipated sales tax numbers in our calculations as they may be inflated for a short period of time and we anticipate the increase in sales tax could lead to a decrease in sales tax revenues, which would bring us to the $4.6 average.

Purpose/Mission: Safety: Together we endeavor to provide a safe and secure workplace and community. Ongoing Improvement: Together we value progress, growth, and new possibilities by providing and preparing for the community’s future.

Legal Considerations: The documentation has been prepared and reviewed by Gilmore and Bell.

To: City Commissioners  
From: Nickolaus Hernandez, City Manager  
Date: August 12, 2021  
Subject: Sell of Lot 2, 14th and Soule  
Agenda Item: New Business

Recommendation: Staff recommends approval of the sales agreement for Lot 2, 14th and Soule Subdivision, Unit Two to Wild Pine Ventures LLC, for the amount of $225,000

Background: Lot 2 of the Sutherlands Development has not generated significant amount of interest from traditional retail stores and restaurants. We were pursuing a retail boutique, however after several months we were unable to secure any local interest in operating the store. During this period, we were approached by two local investor/operators of Tommy’s Express Car Washes and negotiations began which have led to where we are today. The owners plan to have the facility operational within the next 12 months.

Justification: This is a unique retail service opportunity is not currently provided within the community and it would enhance the existing offerings and bring additional traffic to the Sutherlands development, through the use of monthly car wash memberships, and could potentially place this wash in the top 50-75 sales tax generators in the City.

Financial Considerations: The City of Dodge City would allow up to 2% in a Community Improvement District to allow for the owners to enhance the purchased property. The Car Wash is anticipated to generate sales more than $1 million in year all of which would be subject to our current sales tax. This could generate $10,000+ for every 1% of sales tax. The property is to be sold for $225,000 with an earnest amount of $22,500 within three days of approval.

Purpose/Mission: Ongoing Improvement. Together we value progress, growth and new possibilities by providing and preparing for the community’s future.

Legal Considerations: This agreement has been reviewed by Todd LaSala and meets our Star Bond reporting requirements.

PURCHASE AGREEMENT

This Purchase Agreement, (hereinafter the “Agreement”) is made and entered into on the Effective Date, by and between the City of Dodge City, Kansas (hereinafter “Seller”) and Wild Pines Ventures, LLC, a Kansas Limited Liability Company, and/or its assigns (hereinafter “Buyer”).

WITNESSETH: That the Seller agrees to sell and the Buyer agrees to purchase, upon the terms and conditions hereinafter set forth, the following-described real owned by the Seller and located in the County of Ford, State of Kansas, to-wit:

Legal Description: Lot 2, 14th and Soule Subdivision, Unit Two

(Hereinafter referred to as the Property)

The purchase price shall be Two Hundred Twenty-five Thousand Dollars ($225,000.00). The total purchase price, less credit for the earnest money herein paid and less credits, if any, as herein specified, shall be fully due and payable at the time of closing. At closing Seller will deliver to the Buyer a Special Warranty Deed to the Property subject to those matters mentioned below along with possession of the Property.

1. EARNEST MONEY: Within 3 days following the Effective Date, Buyer will pay the sum of Twenty-Two Thousand Five Hundred Dollars ($22,500.00) as earnest money to be credited to the purchase price at closing, to High Plains Title, Dodge City, Kansas. Should Buyer fail to perform any of Buyer’s obligations hereunder, Seller may as its sole remedy terminate this Agreement, upon such notice as is required by law, and upon such termination retain the earnest money as liquidated damages for breach of this Agreement and both parties’ obligations hereunder will thereupon cease.

2. DEFAULT: In the event that any of Seller's representations or warranties contained in this Agreement are untrue or if Seller shall have defaulted in the performance of any of the covenants or agreements contained herein which are to be performed by Seller for any reason, Buyer may, at its option: (a) terminate this Agreement by giving written notice of termination to Seller and receive a full and immediate refund of the earnest money as its sole remedy; or (b) seek to enforce specific performance of this Agreement. Seller acknowledges that the Property is unique and cannot be replaced by a comparable property.

3. TITLE COMMITMENT: Within 5 days of the Effective Date, Seller shall instruct the title company conducting the closing to issue a title commitment for the Property. The title commitment must show good and marketable title in the Seller, free and clear of all liens and encumbrances except the following, which the parties agree shall be permitted (“Permitted Encumbrances”): (1) taxes and special assessments not yet due and payable, (2) easements, (3) restrictive covenants, mineral grants and reservations of record, (4) building and zoning laws, ordinances and state and federal regulations that would not hinder Buyer’s intended use of the Property, and (5) and any other encumbrances acceptable to Buyer.
4. **EXAMINATION OF TITLE COMMITMENT:** The Buyer shall have 10 days following its receipt of the title commitment to provide Seller a written list of any encumbrances or other title matters not acceptable to Buyer to which it objects (“Title Defects”). Failure to object within this timeframe shall be deemed a waiver of any objections Buyer may have, and all encumbrances shall then be deemed Permitted Encumbrances. Seller shall then have 90 days in which to use commercially reasonable efforts to correct the title and make it marketable and/or address Buyer’s concerns as to the Title Defects. If Seller determines that such corrections are not commercially practicable then Seller may elect to terminate this contract and return to Buyer its earnest money. If the Title Defects cannot be resolved to the parties’ mutual satisfaction within this time or such further time as may be agreed, Buyer as its sole remedy shall be entitled to the return of the earnest money paid under this contract and this contract shall thereafter be null, void and unenforceable.

5. **MECHANIC’S LIENS:** Seller certifies and warrants that no person has provided labor or material for the Property prior to closing whose claim for such labor or material has not been fully paid.

6. **TAXES AND SPECIAL ASSESSMENTS:** The taxes and installments of special assessments, if applicable, for the year of closing shall be prorated to the date of closing. In the event the amount of the taxes for the year of closing has not been established as of the closing date, such proration shall be based upon the taxes for the previous year. Taxes and installments of special assessments, if applicable, which are all due and payable in the year prior to closing and all prior years shall be the sole responsibility of Seller. Taxes and installments of special assessments, if applicable, for the year following closing and all subsequent years shall be the responsibility of the Buyer or Buyer’s successors.

7. **ENVIRONMENTAL INVESTIGATION AND TESTING:** Seller shall provide Buyer a copy of any environmental reports Seller has in its possession. Buyer and Buyer’s agents shall have the right to enter upon the Property between the Effective Date and through the closing date, without charge and at all reasonable times, to perform such environmental or physical examinations, investigations, tests and any other inspections as Buyer may reasonably deem appropriate. Buyer shall pay all costs and expenses of such investigation and testing and shall hold Seller harmless from all costs and liabilities arising out of Buyer’s activities. If the purchase and sale contemplated by this Agreement is not closed, Buyer shall repair and restore any damage to the Property caused by Buyer’s environmental investigation or testing, at Buyer’s expense, and shall return the Property to substantially the same condition as it existed prior to such entry. Seller shall cooperate with Buyer and Buyer’s agents in providing access to information necessary to complete any environmental assessment or investigation. Purchase of the Property is conditioned upon Buyer’s approval of its inspection results prior to closing.

8. Intentionally omitted.

9. **SELLER’S WARRANTIES AND REPRESENTATIONS:** The Seller warrants and represents to the Buyer as of the date of closing as follows:
(a) To Seller’s actual knowledge, without any duty of inquiry, Seller warrants that there is access to the Property from a public right-of-way and all necessary utilities including water, sewer, gas and electric are stubbed to the Property.

(b) Seller warrants that the Seller has not received any notice from any governmental authority as to violation of law, ordinance, or regulation for condition on the Property that remains uncorrected.

(c) Seller warrants that if the Property is subject to restrictive covenants, declarations, or operating agreements, Seller has not received any notice from any person or authority as to a breach of the covenants or any other agreements which remains uncorrected and Seller further warrants any notices received by Seller will be provided to Buyer immediately.

(d) Seller warrants that as of the time of closing, there will be no leases or other contracts which encumber the Property or by which any third party could claim any interest in the Property, and Seller further warrants that the Property shall be vacant as of the time of closing.

(e) The Seller has the full right, power and authority to sell, convey and transfer the Property herein and to execute, deliver and carry out the provisions of this Agreement.

(f) To the Seller’s actual knowledge, without any duty of inquiry, there exist no violations of any rule, regulation, code, resolution, ordinance, statute or law involving the use, maintenance, or operation or condition of the Property, or any part thereof or installations therein, and the Property fully and duly complies with all applicable resolutions, statutes, laws, rules, regulations, and codes of all governmental units, authorities, agencies, and environmental protection agencies, having jurisdiction over the Property.

(g) No litigation is pending or, to Seller’s actual knowledge without any duty of inquiry, proposed, threatened or anticipated with respect to any matter affecting the Property or the operation thereof.

(h) As of the Closing Date, there shall be no liens, delinquent taxes or delinquent installments of special assessments pertaining to the Property.

(i) Seller is not a foreign person selling property as described in the Foreign Investment in Real Property Tax Act (FIRPTA) and agrees to deliver an affidavit at Closing reflecting that Seller is not such a foreign person.

(j) Seller will cooperate with Buyer to advance to the Dodge City Commission a petition requesting a two percent (2%) Community Improvement District (CID) Sales Tax for the maximum period allowed by law. This provision shall survive the date of closing.
All warranties and representations shall survive the closing for one year regardless of whether they are restated in any subsequent document. The term "Seller's actual knowledge" as used herein shall be limited to City Manager Nick Hernandez.

10. RISK OF LOSS: Seller shall continue to care for the Property and insure the Property through Date of Closing. The risk of loss prior to closing is on the Seller. In the event that the Property is totally or partially destroyed or damaged, or in the event that a proceeding is commenced to condemn all or any portion of the Property prior to the Date of Closing, this Agreement shall become null and void and Buyer shall be entitled to a return of the earnest money, at Buyer’s option. In the event Buyer does not elect to terminate this Agreement as a result of such damage or condemnation, Seller shall assign to Buyer all rights to insurance proceeds resulting from such damage, or Seller shall assign to Buyer all rights to appear in and receive any award from such condemnation proceedings.

11. DUE DILIGENCE PERIOD: Buyer’s obligation to close the transaction contemplated by this Agreement is contingent upon a 120-day Due Diligence Period (the Due Diligence Period) which shall commence on the Effective Date. During the Due Diligence Period, Buyer shall have the right to perform and complete all inspections, investigations, studies and due diligence and to determine whether to purchase the Property. During the Due Diligence Period, Seller shall cooperate with Buyer in submitting applications for necessary governmental approvals for permitting and zoning required for Buyer’s intended use of the Property. If Buyer shall find such inspections, investigations or studies to be unsatisfactory, for any reason, or if Buyer otherwise determines that the Property is not suitable for its intended use, for any reason, including the failure to obtain necessary franchisor or City approvals, in Buyer’s sole discretion, then Buyer shall have the right, at its option, to terminate this agreement within the Due Diligence Period, in which case the earnest money shall be immediately refunded to buyer and each party shall have no further liability to the other, except as herein specifically set forth. If Purchaser does not notify Seller of its intention to terminate the Agreement prior to the expiration of the Due Diligence Period, the earnest money shall become non-refundable and Buyer will be deemed to have accepted the Property in its present condition, “AS IS” and WITHOUT WARRANTIES OR GUARANTEES OF ANY KIND BY SELLER CONCERNING THE CONDITION OR VALUE OF THE PROPERTY.

12. CLOSING AND POSSESSION: Closing and possession of the Property shall occur within 30 days following the end of the Due Diligence Period, subject to any extension of time granted in the event that title to the Property should be found unmarketable, pursuant to Section 4 of this agreement, and subject to change by mutual agreement of the seller and Buyer. The closing shall be held at High Plains Title, Dodge City, Kansas. The date on which closing shall occur, shall be referred to as the “Date of Closing.”

13. CLOSING DOCUMENTS. Subject to performance by the Buyer and the Seller of their respective obligations hereunder, at the time and place set for closing, Seller and Buyer shall deliver to each other the following:

13.1 Seller shall deliver an executed Special Warranty Deed conveying the Property to the Buyer, free and clear of all liens and encumbrances, except the Permitted Encumbrances;
13.2 Intentionally omitted;

13.3 Buyer shall deliver funds, in cash or some other form acceptable to the Seller, sufficient to satisfy the Buyer’s obligations hereunder; and

13.4 Buyer and Seller shall also sign such other documents required by the closing agent to close this transaction.

14. CLOSING COSTS: Seller shall be responsible for the following closing costs: one-half of the owner’s title insurance premium (in the amount of the purchase price), one-half of the closing agent’s fee, the full cost of a survey of the Property, preparation of the special warranty deed and preparation of and recording expense of all releases, satisfactions and corrective documents, if any. Buyer shall be responsible for one-half of the owner’s title insurance premium, one-half of the closing agent’s fee and the full cost of recording the special warranty deed to buyer. Any closing costs not specifically enumerated herein shall be the responsibility of the party ordering such item or contracting therefor. In the event that Buyer’s lender requires title insurance, the cost thereof, including but not limited to any special endorsements, shall be entirely paid by Buyer.

15. ENTIRE AGREEMENT: This agreement constitutes the entire agreement by and between the parties and any other prior representations or agreements are deemed merged herein and those not specified herein do not represent any agreements or promises or covenants or representations on the part of either party hereto.

16. AMENDMENTS, MODIFICATIONS OR WAIVERS: No amendment, modification, or waiver of any condition, provision or term shall be valid or of any effect unless made in writing signed by the party or parties to be bound or a duly authorized representative and specifying with particularity the extent and nature of such amendment, modification or waiver. Any waiver by any party of any default of another party shall not effect or impair any right arising from any subsequent default. Except as expressly and specifically stated otherwise, nothing herein shall limit the remedies and rights of the parties thereto under and pursuant to this Agreement.

17. CONSTRUCTION OF AGREEMENT: Whenever the singular number is used herein, the same shall include the plural where appropriate, and the words of any gender shall include any other genders where appropriate. Captions contained herein are inserted only for the purpose of convenient reference, and in no way define, limit or describe the scope of this Agreement or any part thereof.

18. SEVERABLE PROVISIONS: Each provision, section, sentence, clause, phrase, and word of this Agreement is intended to be severable. If any provision, section, sentence, clause, phrase, and word hereof is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of this Agreement.

19. BINDING EFFECT: This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective personal representatives, successors and assigns.
20. GOVERNING LAW: This Agreement shall be governed by the laws of the state of Kansas.

21. COUNTERPARTS: This Agreement shall be executed in counterparts (duplicate originals) with both Seller and Buyer having a fully executed counterpart.

22. TIME: Time is of the essence of each of the party’s respective obligations under this Agreement.

23. EFFECTIVE DATE: The effective date (“Effective Date”) of this Agreement shall be the date upon which this agreement is executed by the last signatory.

24. STAR BOND REQUIREMENTS: On March 19, 2012, pursuant to the STAR Bonds Financing Act, K.S.A. 12-17,160 et. seq., as amended, the City of Dodge City approved a STAR Bond Project District (the "Original STAR Bond District") by passage of Ordinance No. 3527. The Original STAR Bond District has been amended multiple times, and the Property was added to the Original STAR Bond District by passage of Ordinance No. 3650 on February 3, 2017 (as amended the "STAR Bond District") and STAR Bonds have been issued in the STAR Bond District. Though Buyer will not have access to any STAR Bond financing, Buyer acknowledges and agrees that the Property is within the STAR Bond District and benefits from infrastructure and other improvements that were financed with STAR Bonds. Accordingly, Buyer hereby specifically agrees to certain reporting requirements as set forth in this Section 24.

(a) Reporting Sales and Use Taxes. During the life of any STAR Bonds issued in connection with the STAR Bond District, each owner and tenant of any parcel located within the STAR Bond District must provide the Seller and/or the Kansas Department of Revenue (the "DOR"), or their designee(s), with documentation of sales tax receipts for each such business within the Property, indicating the type and amount of the sales taxes and/or use taxes paid by such business for the particular location within the Property (and not in the aggregate). During the life of any such STAR Bonds, Buyer shall additionally cause owners and new tenants of any parcels located within the Property to provide to the Seller and/or the DOR, or their designee(s), true and correct copies of all sales tax and/or use tax returns filed with the State of Kansas with respect to sales in, on or from such business, the same to be provided simultaneously with, or within ten (10) days after such filing.

(b) Lease Requirements. Buyer shall use commercially reasonable efforts to cause any and all leases, licenses, sale agreements or other agreements for transfers of portions of the Property or possession thereof (collectively, the "Leases") entered into by Buyer and any tenant (or other operator or user) within the Property to contain a provision requiring such tenant to comply with the provisions set forth in this Section 24. Buyer shall use best efforts to enforce any such provisions in its Lease, provided however, that Buyer shall not have any liability or obligation to Seller or DOR or any other party by reason of the refusal or failure of any tenant (or other operator or user) within the Property to timely or accurately report its sales tax receipts within the Property despite Buyer's best efforts. If applicable and upon request, Buyer shall, to the extent
allowed by applicable laws, regulations and other requirements, provide to the DOR and the bond trustee for any STAR Bonds in the STAR Bond District, the names of all vendors operating in, on or from the Property, their Kansas sales tax identification number and their dates of operation.

(c) **Generation of Retail Sales.** Buyer shall not take any actions or adopt any practices or procedures which are designed to eliminate, reduce, or divert in any way any sales taxes and/or use taxes payable to the City of Dodge City and/or the State of Kansas in connection with sales made or services from, in or on and about the STAR Bond District.

(d) **Survival.** The provisions of this Section 24 shall survive the Closing.
