Memorandum

To: Nick Hernandez, City Manager and City Commissioners
From: Corey Keller Public Works Director
Date: February 4, 2022
Subject: Contract for Water Service for Dennis and Rosa Boyles 1504 Ave. P
Agenda Item: Consent Calendar

Background: The City has allowed County Residents/Business/Property Owners located adjacent to a City waterline to connect service lines once a Contract has been approved between the Resident/Business/Property Owner and the City. Mr. and Mrs. Boyles are planning to construct a building at this location for his personal use. He is wanting the building to have a bathroom facility and wants to have City water instead of his own well. He is requesting a domestic service from the City’s line on the west side of Ave. P.

Justification: By allowing these connections, the Residents/Businesses/Property Owners have access to a potable water supply when their private well becomes non-operational, has other issues, like contaminations, or they just want a secure water supply. The connection provides a safe supply of potable water for the Resident/Business/Property Owner.

Financial Considerations: The cost for the installation of the service, and meter will be paid for by the property owner. The property owner will also be responsible for the fees to file the Water Contract with the Register of Deed’s Office.

Purpose/Mission: This project aligns with the City’s Core Value of “Safety”. Together we endeavor to provide a safe potable water supply for the Residents/Businesses/Property Owners around Dodge City.

Legal Considerations: None

AGREEMENT FOR WATER SERVICE

THIS AGREEMENT is made and entered into by and between the City of Dodge City, Kansas, a municipal corporation, hereinafter referred to as “City” and Dennis Boyles and Rosa Boyles, hereinafter referred to as “Owner(s)”, and who are the record Owner(s) of the following described property, located in Ford County, Kansas: (Insert Legal Description below)

Lot Four (4) Jean Bone #2 Subdivision, in Government Lots 4 and 9, Section 30, Township 26 south, Range 24 West of the Sixth Principal Meridian, Ford County Kansas

More commonly known as 1504 Ave P; hereinafter referred to as “the premises”.

WHEREAS, at the present time the premises are located outside the corporation limits of the City, and

WHEREAS, at some point in the future it may be of benefit to the City and the Owners for the City to annex the premises into the corporate limits of the City, and

WHEREAS, in accordance with the provisions of K.S.A. 12-534 the City and Owners may agree that the City will provide access to municipal water services for the premises, even though the premises are not currently within the corporate limits of the City, and that said agreement may be conditional upon the Owners consent to annexation of the premises at a later date and such other terms and conditions as the City deems appropriate and necessary, and

WHEREAS, the Owners desire to have public water service provided to the premises described above, under the terms and conditions of this agreement, and, the City is willing to provide such water service under the terms and conditions of this agreement;

NOW, THEREFORE, in consideration of the mutual promises of the parties, it is agreed as follows:
The City hereby agrees, that in its sole discretion, it will to either allow Owners access to City water system at its present location, or, that it will install, construct and maintain an extension of the City’s present public water system to a point selected by the City and allow the Owners to access such public water extension, all under the terms and conditions as set forth herein.
The Owners do hereby agree to accept public water service from a connection at such point as selected by the City and further agree to be responsible for and to pay all costs associated with the system extension and the accessing or tapping the City’s public water system at such point or location. Should the City elect not the extend the water main line to said premises at this time, the Owners understand and agree that Owners will be responsible to pay for any future costs associated with any future extension.

Rev. 1/14/22
The Owners understand and agree that the size of the water lines and size of the tap will be determined by the City in accordance with its estimated needs of service to the Owners and Owners accept such service with the knowledge and understanding that the City’s ability to provide public water service is regulated by certain state agencies which have the legal right to regulate and restrict the City’s ability to provide such public water services.

In addition, the Owners hereby agree that they shall not permit or allow any other persons to utilize the public water service as established by this agreement by attaching to such water lines which the Owners may install for service to the premises.

Owners further agree that they will pay public water rates as established by ordinance for residential & commercial customers of the City of Dodge City, as the same may be amended from time to time.

Owners on their own behalf or on behalf of their heirs, administrators, executors, personal representatives and successor owners do, by this agreement, petition the City to annex the premises as described above into the corporate city limits of the City of Dodge City. Owners agree that all determinations with regard to when such annexation shall take place shall be made by the governing body of the City and that Owners shall not withdraw this request for annexation. This request for annexation shall be binding on the present Owners and any successors in interest in and to the above-described property. At such time that annexation takes place, the Owners agree that all costs associated with providing the usual city services to the premises shall be paid for by said Owners.

Owners further agree that they will not assign any right, privilege or obligation which shall accrue to them by virtue of this agreement to any other person or entity except for a legal successor in title to the above-described premises, and any attempt to make such assignment to any other person or entity shall automatically terminate this agreement.

In the event Owners should fail to perform any actions or obligations incumbent upon them by virtue of this agreement and should such default or failure continue for a period of thirty (30) days after notice from the City of such failure or default, then the City may, at its option, terminate this agreement, terminate water services to the premises and no longer be required to provide such service and shall be released from any obligations under this agreement.

The Owners understand and agree that if the present City water system is to be extended that all costs associated with such extension of said public water system to provide such water service to the premises under this agreement and all costs associated with the tapping and connection to the system regardless of whether the system is extended or not, shall be paid by the Owners; that the estimated cost of providing such water service is approximately, $2050.00, which amount may be increased due to unforeseen circumstances or decreased due to actually costs of installation and which amount shall be paid by the Owner to the City in the following time and manner:

All tapping, meter and service line installation fees, along with filing fees shall be paid once installation is complete and prior to water service being turned on.

The Owner further agrees that the Owner shall be responsible for and shall pay all costs associated with the installation, construction and continuing maintenance of the Owner’s private water service line from the point of connection at the City’s meter to the Owners point of use. The Owner shall construct and maintain said line in accordance with City ordinances and any and all state or federal regulations applicable to such service.

SPECIAL CONDITIONS:
No Special Conditions are required for this installation.

Recommendation: Staff recommends the sale of Lot 3, 14th and Soule, Dodge City, Kansas to Capital Development LLC in the amount of $60,000.

Background: This property was negotiated between the City and Mr. Marbeouf on March 4, 2019 with the intention of being a service and or retail property. Mr. Marbeouf intends to construct a Midas Center Service Shop on the property within the next year. There is a non-compete clause for other vehicle servicing companies for a period of ten years. Attached you will find the sales agreement and conceptuels for the project.

Justification: The site is considered a secondary site from a retail perspective since it does not face a major arterial, this diminishes the value of the property slightly and limits the types of businesses willing to locate on such designated sites.

Financial Considerations: The City would receive $60,000 from the sale of the property and will collect both property taxes and retail taxes which will be utilized to help pay off the Star Bond District improvements.

Purpose/Mission: To meet our core value of Ongoing Improvement. Together we value progress, growth and new possibilities by providing and preparing for the community’s future.

Legal Considerations: City Attorney Brad Ralph has reviewed and approved the resolution. The Sale Contract is of standard form utilized within the State of Kansas and was prepared by Mr. Delzeit for the benefit of the purchaser and City.
Resolution No. 2022-08

A RESOLUTION AUTHORIZING THE SALE AND CONVEYANCE OF LOT 3, 14TH AVENUE AND SOULE SUBDIVISION, ORIGINAL TOWN OF THE CITY OF DODGE CITY, KANSAS FROM THE CITY OF DODGE CITY, KANSAS TO CAPITAL DEVELOPMENT, LLC. OR ITS DESIGNEE

WHEREAS, the City of Dodge City is the title owner of the following described real estate located in Ford County, Kansas described as follows:

Lot Three (3) 14th & Soule Subdivision Original Town of the City of Dodge City, Kansas, according to recorded Plat thereof; and,

WHEREAS, the City has determined that said premises are no longer needed for city or municipal purposes and that it would be in the best interest of the City to convey said property to Capital Development, LLC.; and,

WHEREAS, Capital Development Inc. has submitted a proposal to purchase the premises from the City for the sum of $60,000.00 to be used as a location for future development; and,

WHEREAS, the City has approved and accepted the bid of Capital Development, LLC. for the purchase of the property in the amount of $60,000.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF DODGE CITY, KANSAS as follows:

That the City of Dodge City, Kansas, does hereby sell, transfer, and convey the above described premises to Capitol Development, LLC., and that the Mayor and Clerk be authorized and directed to execute the deed and other documents necessary to complete said sale.

ADOPTED BY THE GOVERNING BODY OF THE CITY OF DODGE CITY, KANSAS, THIS 7TH DAY of FEBRUARY 2022.

9. SURVEY: Buyer ( ) will acquire (X) will not acquire a survey on the property being purchased, regardless of lender's survey requirements.

10. DEED AND DOCUMENTS FOR CLOSING: In the event a title or abstract company prepares a Deed and Affidavit of No Liens and other necessary documents to complete this transaction, the charge for same, in addition to the cost of closing the transaction, shall be shared equally between the Buyer and Seller, but if Lender prohibits Buyer from doing so, Seller shall pay such costs.

11. EARNEST MONEY: The Buyer does hereby deposit with High Plains Title LLC (Company Name), earnest money in the form of check and in the amount of $ 2,500.00, as security that the terms and conditions of this Contract shall be fulfilled by the Buyer. Earnest money shall be deposited within five business days after Contract is accepted by all parties. Said earnest money shall be applied to the purchase price at closing. In the event this contract fails to close, the earnest money shall be disbursed according to an agreement signed by both parties. In addition to forfeiture of earnest money to Seller or return of earnest money to Buyer, Buyer and Seller shall both have the option of enforcing specific performance of this Contract or any other remedy allowed by law or equity. Pursuant to Kansas Statute 58-3061 (g), the broker can only disburse earnest money 1) pursuant to written authorization of buyer and seller, 2) pursuant to a court order, or 3) when a transaction is closed according to the agreement of the parties. If a dispute arises over disposition of funds or documents deposited with the escrow agent or the listing broker, Seller and Buyer agree that any attorney's fees, court costs and/or other legal expenses incurred by the escrow agent and any broker in connection with such dispute shall be reimbursed from the earnest money or other funds deposited with the escrow agent or listing broker.

12. PRORATION OF TAXES AND RESERVES: All taxes and special assessments shall be paid from the proceeds of the sale as herein provided. All ad valorem taxes, the current annual installment of special assessments, rentals, homeowner's association dues, and interest, if any, shall be adjusted and prorated as of closing date, unless otherwise agreed. General taxes shall be prorated for the calendar year on the basis of taxes for the previous year unless the previous year's assessed valuation was based on a lesser improved property, in which case said taxes shall be determined from the assessed valuation and the officially-established mill levy prevailing at closing. Special assessments shall be prorated on the basis of the amount (for the calendar year) ascertainable at the time of closing by the closing agent. The Buyer understands that the Buyer is responsible for payment of all ad valorem taxes and special assessments becoming due after the closing date and that Buyer is assuming all un-matured installments of special assessments. Periodic reappraisal, required by law, may result in a change in taxes.

13. The Seller further agrees to convey the above described premises with all the improvements, if any, located thereon and deliver possession of the same in the same condition as they now are, reasonable wear and tear accepted.

14. CLOSING AND POSSESSION: The parties agree that time is of the essence and the parties agree to make final settlement on or before 02/15/2022. Seller agrees to give possession as follows: upon closing.

15. AGENCY DISCLOSURE: Seller and Buyer acknowledge that the real estate licensees involved in this transaction may be functioning as agents of the Seller, agents of the Buyer, or transaction brokers. Licensees functioning as an agent of the Seller have a duty to represent the Seller's interest and will not be the agent of the Buyer. INFORMATION GIVEN BY THE BUYER TO AN AGENT FOR THE SELLER WILL BE DISCLOSED TO THE SELLER. This contract is for use by BRIAN DELZEIT. Use by any other party is illegal and voids the contract.
16. REPRESENTATIONS AND RECOMMENDATIONS: It is hereby agreed and acknowledged by the parties hereto that unless otherwise stated in Paragraph 20 (Additional Terms and Conditions), neither the listing nor selling brokers, or their agents, employees, or associates have made, on their own behalf, any representations or warranties, expressed or implied, with respect to any element to the subject property. Any information furnished to either party through the Multiple Listing Service or in any property condition report should be independently verified by that party before that party relies on such information. Any representations made herein have been made by the listing/selling brokers based on information supplied by sources believed to be reliable, and brokers and their associates have not assumed any responsibility, directly or indirectly, with respect to any representation or warranties which have been made. Since the selling/listing brokers are acting as brokers only, they shall, under no circumstances, be held liable to either the Seller or Buyer for performance or lack of performance of any other terms or conditions of this Contract, or for damages arising out of or relating to the contents of this Contract or the performance or non-performance of either of the parties to this Contract. Buyer and Seller agree that broker and broker's agents do not have any expertise in evaluating the environmental condition of the property described in Paragraph 1, and that broker and broker's agents have made no representation concerning environmental condition except as may be noted in Paragraph 20 (Additional Terms and Conditions). Buyer or Seller may retain an environmental inspection firm to inspect the property. Again, it is emphasized that if the parties hereto feel representations have been made, they must set forth specifically and in writing in Paragraph 20 (Additional Terms and Conditions) if said understood or implied representations are to be effective or enforceable.

17. BROKERAGE FEES: The party handling the closing of this transaction is hereby authorized and directed to collect and disburse the brokerage fees at closing.

18. LIENS: Seller represents and warrants that there are no unpaid (whether recorded or not) chattel mortgages, conditional sales contracts, financing statements, or security agreements affecting any fixture, portion of the premises or item of personal property covered by this Contract. Any existing liens upon the premises which the Seller is required to remove under this Contract may be paid and discharged from the sale proceeds upon settlement date.

19. AGREEMENT APPROVAL: This Contract constitutes the entire agreement between the parties and supersedes any previously executed contracts, representations, verbal or written, to buy and/or sell the property. Neither this Contract, nor any interest therein, shall be transferred or assigned by Buyer without the prior written consent of Seller.

20. ADDITIONAL TERMS AND CONDITIONS:
A. During the 10-year period extending past this closing date, Seller may not approve for purchase in the existing Star Bonds Power Center described in Exhibit A, another like competing vehicle service company without permission from the then property owner as described in Paragraph 1.
B. Letter of Intent dated March 4, 2019 described in Exhibit B, between the City of Dodge City as seller and Ric Marxboef & Leon Frazier as buyer is an integral part of this contract.

THIS IS A LEGALLY BINDING CONTRACT. IF NOT UNDERSTOOD, SEEK COMPETENT ADVICE.

Letter of Intent to Sell

Re: Lot 3, 14th and Soule Subdivision, Dodge City, Ford County, Kansas

Seller: City of Dodge City

Buyer: Ric Marboeuf and Leon Frazier

This is to inform the Buyer the City of Dodge City’s intent to sell the above described property under the following guidelines with a form Purchase Contract to follow:

Sale Price: $60,000

Escrow: $2,500 shall be placed in escrow.

Buyer will offer this site as a turn-key build to suit site to potential retail/service tenants or operators or develop the site with a retail/service business. Because it is in the Power Center Area STAR Bond district, it is the City’s preference that it be retail.

If another developer should approach the City about purchasing the same lot and they have a development plan in place, the Buyer will have 30 days to present their development plan that shall take no longer than 90 days to begin construction. If the Developer fails to move forward after the 120 day period, the City may retain the Escrow funds and may pursue other Developers.

The Buyer will not request any subsequent Star Bond funds from the City to facilitate the process.

The Buyer will proceed with developing a plan and once that plan is presented to the City and agreed upon, both parties will proceed with closing the property. The final Purchase Contract shall be drafted by the City of Dodge City subject to the approval of the Buyer.

This Intent to Sell was presented and approved at the February 18, 2019 City Commission Meeting.

Subject: Two (2) New Vehicles for Detectives  
Agenda Item: New Business

Recommendation: Staff recommends approving the bid from Lewis Chevrolet for the two 2022 Chevrolet Equinoxes for $45,928.

If approved, the units could be obtained in ten to fourteen weeks.

Background: These vehicles are key pieces of equipment for the Police Department. Reliable transportation is critical for the department to perform its mission.

Financial Considerations: $60,000 is budgeted for this purchase. We expect to sell two units on Purple Wave that these units would replace. These units are a 2009 Hyundai Santa Fe with 71,000 miles and a 2011 Hyundai Sonata with 72,262 miles.

To: City Commission, City Manager  
From: Drew Francis, Police Chief  
Date: 2/3/2022  
Subject: Approval for non-traditional purchase of (4) Police Patrol Vehicles  

Recommendation:  
Purchase (4) New 2021 Ford Explorer Police Interceptors (SUV) from existing stock and ready for immediate upfitting with 10 days per vehicle turnover, from an non-local upfitter vs. a local dealership. $49,918.57 each / $199,674.28 total.

Background:  
Staff has researched the current options for fleet replacement due to the supply chain interruptions and lasting shortage in the vehicle market. All car companies are reporting they are struggling to make good on existing orders and are unsure of new orders potential delivery dates. Under normal circumstances our vehicles typically take over 6 months from time of order to delivery. Currently no manufacturer can promise delivery anytime before the fall at best, if at all this year. Some reports don’t have them even being built in 2022.

Justification:  
With no reliable manufacturer/dealership options for ordering the preferred police package SUVs, staff has looked to existing new in-stock options from other non-traditional sources such as TCS Upfitters out of Wichita, Ks and John Jones Upfitters in Salem, IN. DCPD runs a very tight fleet. We have (5) vehicles out of service (DEADLINED) currently, with a 6th one acting up. Repair costs exceed recommendation given the age and mileage.

Financial Considerations:  
TCS upfitters – New ’21 Ford Explorer SUV PI - $49,918.57 each (In-stock & available now)  
John Jones Upfitters – ’21 Dodge Durango SUV $53,003 each (In-stock & available now)  
Lopp Motors – ’22 Dodge Durango SUV - $46,377 each (Unk delivery / orders could be canceled)  
Lopp Motors – ’22 Dodge 1500 SSV Pickup - $49,320 each (Not as functional for city police work/ Unk delivery / orders could be canceled)

Capital Equipment Program Outline has budgeted (4) vehicles replaced in year 2022 at $41,500 ea/$166,000 total. The budget estimation is $33,674.28 under budgeted if the TCS quote is pursued.

Purpose/Mission:
Uniformed police officers use these vehicles to perform their duties. The patrol fleet must be maintained within a reasonable service life to be reliable in the public safety service.

Legal Considerations:

Contacted GM Fleet sales who directed me to 3 dealerships. All with 0 inventory. They also stated they do not have an ETA on production of fleet vehicles. During contact with John Jones they stated that 2022 Dodge Models have already had orders cancelled form the factory. Production of fleet vehicles isn't expected until April 2022 at the earliest. If retail orders We have 2 2022 Durangos currently on order with a deadline of May 1st. Due to the current production delays and supply / demand issues I do not believe that that order can be fulfilled in the timeframe.
To: Nick Hernandez, City Manager and City Commissioners  
From: Ray Slattery, PE, Director of Engineering Services  
Date: February 7, 2022  
Subject: Approval of Supplemental Agreement for Inspection Services for 2nd Avenue Bridge & RCB Repairs, ST 2004  
Agenda Item: New Business  

Recommendation: Approve the Supplemental Agreement with PEC for Inspection Services for the 2nd Ave. Bridge & RCB Repairs in an amount not to exceed $179,957.38.

Background: In July of 2019 the City received the results of the Biennial Bridge Inspections. As a result of this inspection, it was determined the 2nd Ave. Bridge over the Arkansas River had several items in need of repair. Exposed steel was also documented on two RCB bridges located in the City.

In March of 2020, the Commission approved the design of the repairs to the 2nd Ave. Bridge., the RCB on 14th Ave. (north of the river), and the RCB at the Ave. D & Wyatt Earp Blvd. intersection.

The design included but was not limited to:

- Develop plans and specifications for the repair of the following items on the 2nd Ave. Bridge over the Arkansas River:
  - Expansion joints at Abutment 1 and Pier 3.
  - Rusted bearing of Substructure at Abutment 1 and Pier 3.
  - Delamination of pile cap at Abutment 1 and Pier 3.
  - Rust of Superstructure
  - Explore the possibility of replacing existing Chain-Link pedestrian fence with a decorative fence.
- Develop plans and specifications to remove rust and grout exposed steel of 2 RCB bridge structures located in the City.

In September of 2021, bids were opened for this repair work, however the bids were over budget. Commission followed Staff's recommendation to reject all bids. The installation of the new pedestrian fencing made the project unfeasible. The cost of the fencing was more than double the Engineer's Estimate for the entire project. This was due to issues raising in the supply chain that we are experience due to the pandemic.

In October of 2021, the project was rebid. The replacement of the pedestrian fencing was omitted from the project. The City received two bids for the project. One from PbX Corporation
in the amount of $280,962.93 and another from Pci Roads in the amount of $416,567. The engineer’s estimate was $412,492.50. At the October 18, 2021 Commission Meeting the Commission awarded the project to PbX Corporation. PbX Corporation’s tentative start date is February 23, 2022.

**Justification:** Inspection Services provided by PEC will ensure the project is constructed to the plans and specifications of the project so that the City sees prolong the life of the bridge and the two RCB structures.

**Financial Considerations:** The cost of these services is $179,957.38. There are funds available in the 2021 GOB’s issued to cover the construction and inspection of this project. This is the “Worst Case” scenario, if the project does not take 150 calendar days to complete, the inspection services bill will be less. The City will only pay for the actual services provided.

**Purpose/Mission:** The completion of this project aligns with the City’s Core Values of Safety and Ongoing Improvement.

**Legal Considerations:** By approving the Supplemental Agreement with PEC, the City will amend the agreement with PEC and be responsible to make payments for the completed work.

   a. Provide material testing field reports of outlining results of services rendered within 5 business days from date of service.
3. PEC Agrees:
   a. To provide the various technical and professional services, equipment, material, and transportation to perform the tasks as outlined in the Scope of Services.

4. Client Obligations:
   a. Provide a point of contact for day to day communications.
   b. PEC resident project representative will utilize office space at the Owner’s designated location.
   c. Provide a facility, if necessary, for Pre-Construction, Progress, or Coordination Meetings.
   d. Furnish to PEC any information currently available relative to existing and proposed improvements in the PROJECT area which may be pertinent to the PROJECT. Such information may include hazardous conditions and/or history of site contamination, underground utilities, etc.
   e. Provide right of entry for PEC’s personnel in performing site visits, field testing, and inspections.
   f. Provide 24-hour notice of anticipated testing services needed.
   g. Provide electronic copies of construction plans, construction specifications, and/or Geotechnical Reports if requested and not developed/conducted by PEC.
   h. Provide information related to known and/or potential hazardous subsurface conditions and/or history of site contamination.
   i. Pay PEC for authorized additional work associated with services not included in Supplemental Agreement No. 1, or overages of the quantities outlined in Supplemental Agreement No. 1.
   j. Client accepts that materials testing services provided by PEC are on an on-call, as-needed basis. Continuous testing is not part of this agreement.
   k. Client acknowledges that the test results provided are relative to the date and time in which the test was conducted and to the relative location described in the report.

5. Exclusions:
   a. Entrance into a permit-required or non-permit required Confined Space.
   b. Transporting compressive strength specimens from the field to the City of Dodge City facility following casting.
   c. Compressive strength testing of cylinders cast by PEC.
   d. Any material testing services not specifically referenced in this Supplemental Agreement No. 1.
   e. Construction Staking (additional services that can be provided by PEC).
   f. Geotechnical Subsurface Investigation (additional services that can be provided by PEC).
   g. Record Drawings in any other format than Red-Line Drawings,
   h. Testing for Sanitary Sewer pressure, simulated flow, pipe deflection, video recording and log, manhole vacuum testing.
   i. Final size of thrust blocks
   j. Storm Water Sewer video recording and log.
   k. Water Quality and Pressure Testing.
   l. NPDES permit or SWPPP review, inspection, and documentation.
   m. Transcribing and distribution of Pre-Construction, Progress, or Coordination Meeting Notes.
   n. Permit fees.
   o. Environmental assessments/clearances.
   p. Observation of contractor activities other than a single shift between 7:00AM and 6:00PM Monday through Friday.
q. Work on Saturdays, Sundays, City holidays. If the contractor is granted permission to work on these days, staff may be available for observation but this work or any work beyond the single shift described above is eligible to be considered additional services reimbursed at 1.5 times the PEC Standard Rates.

B. Time of Performance:
   1. PEC anticipates the notice to proceed for construction to be issued approximately February 23, 2022 and for the on-site construction to be complete July 22, 2022 (150 Calendar Days).
   2. CLIENT acknowledges that directed changes, unforeseen conditions, and other delays may affect the completion of PEC’s services. PEC will not have control over or responsibility for any contractor or vendor’s performance schedule.

C. Payment Provisions:
   1. The basis of the fees for this work is based on the contract requirements provided to the contractor for a total of one-hundred fifty (150) calendar days for the contractor to reach completion for the PROJECT. Work is anticipated on Monday through Friday for eight (8) regular hours per day and a half (1/2) OT hour per day during construction for the PROJECT with scope attending the preconstruction meeting/preparation and post construction closeout documentation. Scope also included for drive time and mileage to/from Wichita/Dodge City typically on Monday and Friday of each week. If more than one-hundred fifty (150) calendar days elapse from the Construction Notice to Proceed to completion of the PROJECT a separate supplemental agreement shall be negotiated and executed for the remaining work, and PEC will be reimbursed at the current PEC Standard Hourly Rates.
   2. Labor more than 8 hours per day Monday through Friday, shall be reimbursed at 1.5 times the Standard Rate for the Construction Observer.
   3. The Supplemental Agreement estimated fee which includes reimbursables for Construction Services is:
      - Inspection Observation Fee: $165,688.38
      - Materials Testing Fee: $14,269.00
      - Total Additional Fee: $179,957.38
   4. The adjusted contract amount is:
      - Original Contract Amount: $62,455.00
      - Additional Supplemental Agreement Amount: $179,957.38
      - New Contract Amount: $242,412.38
   5. PEC’s Fee for its Scope of Services will be on an hourly basis, at the rates established on the current PEC Rate Schedule A for labor and Reimbursable Expenses.
   6. Taxes are not included in PEC’s Fees. CLIENT shall reimburse PEC for any sales, use, and value added taxes which apply to these services.
   7. PEC will invoice CLIENT one time per month for services rendered and Reimbursable Expenses incurred in the previous month. CLIENT agrees to pay each invoice within 30 days after receipt.
D. **Authorization to Proceed:**

1. Return receipt of this executed Supplemental Agreement will be considered our authorization to proceed.

Sincerely,

PROFESSIONAL ENGINEERING CONSULTANTS, P.A.

CFAB Appointment Recommendations Memo
Memorandum

To: City Manager, City of Dodge City Commissioners & County Administrator, Ford County Commissioners
From: Assistant City Manager/Public Affairs, Melissa McCoy
Date: February 7, 2022
Subject: CFAB Board Member Appointments
Agenda Item: New Business

Recommendation: CFAB recommends the following reappointment and appointments to the Community Facility Advisory Board:

- The reappointment of Martha Mendoza to serve a second three-year term.
- The appointment of Paige Bangerter to fill a vacancy for a remaining board term.
- The appointment of Hugo Garcia to fill a board vacancy.

Background:
The Committee consists of six at-large members, the Chairperson of the Board of Directors of the Dodge City / Ford County Development Corporation or his/her designee and ex-officio representation from the City and County Commissions. Martha Mendoza will be serving a second, three-year term. Hugo Garcia will be filling the vacancy for an at large position left by Mike Martinez. Paige Bangerter will fill the existing at large term of Michael Burns who was recently elected to the City Commission. This term ends in 2024. Four candidates submitted applications for the board positions. The CFAB Chair, Vice Chair, CFAB board, City Manager and County Administrator reviewed the applications and support the recommendation.

Justification:
Ms. Bangerter and Mr. Garcia bring diverse work backgrounds not currently represented on the board. In addition, they represent the younger generation that make up our population. Ms. Mendoza has an extensive background in education and works closely with youth. She and Mr. Garcia also represent the Latino population that make up the majority of our population. They are bilingual in English and Spanish. They all are committed to supporting the City and County by serving on the CFAB Board.

Financial Considerations:
There are no financial considerations.

Purpose/Mission: Together, we promote open communications with our community members to improve quality of life and preserve our heritage to foster a better future.
Legal Considerations: Per the Inter-local agreement at-large members shall be appointed for an initial term of three years. Any at-large member may be nominated and re-appointed to serve a second three-year term, except after two consecutive terms there must be at least a one-year interval before an additional nomination and appointment.

Subject: United Wireless Arena Ribbon Board  
Agenda Item: New Business

Recommendation: Authorize City Staff to solicit a sole source bid to replace the ribbon board and audio video setup at United Wireless Arena (UWA).

Background: The existing ribbon board at UWA is failing and some components are no longer functional. In addition, due to the age of the board, the replacement parts are no longer available. The ribbon board is an integral part of the arena and is used to promote upcoming events, sponsors, and scores for games and tournaments. However, there are very few vendors for this type of technology which is why staff is requesting the authorization to solicit a sole source bid.

Justification: The United Wireless Arena ribbon board and audio/video setup is a great candidate for a sole source purchase. Daktronics is the industry leader and provides a comprehensive system for venues of all sizes. They install quality systems and ensure that they remain operational. The goal is to have a partner who can provide, install and service the equipment and who will have parts when needed. This is critical as the availability of parts is essential for extending the life of the ribbon and Daktronics produces many of their own components. These parts are very specialized and currently there are uncertainties with obtaining parts within the marketplace.

Financial Considerations: The budgetary pricing estimate provided by DAKTRONICS for the ribbon board is $732,000. Approval for the actual purchase would be brought back for commission approval at a later date.

Purpose/Mission: Together we value progress, growth and ongoing improvement.

Legal Considerations: There are no legal considerations.
