Date: December 5, 2022  
Subject: Advisory Board - Vacant Position  
Agenda Item: Consent Calendar

RECOMMENDATION: Staff recommends the appointment of Ryan Rabe to fill the vacant position on the Planning Commission.

JUSTIFICATION: Appointment of Ryan Rabe, Construction Manager with Conant Construction. Ryan has a background in construction and would bring a valuable perspective and expertise to the Planning Commission. Ryan was born and raised in Dodge City and has served our community in various role over the years.

PURPOSE/MISSION: Working with Boards and Commissions fulfills the City’s mission statement: Together, we promote open communications with our community members to improve quality of life and preserve our heritage to foster a better future.

Attachment: Application
Memorandum

To: Nick Hernandez, City Manager and City Commissioners
From: Ray Slattery, PE, Director of Engineering Services
Date: December 5, 2022
Subject: Resolution 2022-43 – Boundary Resolution Describing and Defining the Boundary of the City of Dodge City
Agenda Item: Ordinances and Resolutions

Purpose: Each year the City is required by KSA 12-517 to adjust the City’s boundary by resolution to define any territory that has been added or excluded from the previous Boundary Resolution.

Recommendation: Approve Resolution 2022-43, the 2022 Boundary Resolution of the City of Dodge City

Background: Each year the City must adjust the boundary resolution that describes the City Limits of the City to account for any additional lands that had been annexed in the past year or correct any errors found in the description. This year the change to the boundary limits are as follows.

- The addition of Lot 1, Block 3 of the Church Subdivision Plat. This property is on the north side of Ross Blvd. near the High School’s drive.

This property was annexed into the City on January 18, 2022 per Ordinance 3768. It will be the future site of a housing development.

City Commission Options:
1. Approve Bid
2. Disapprove Bid
3. Table for further discussion

Financial Considerations: None

Amount $:
Funds:

__ Budgeted Expense __Grant __ Bonds __Other
Legal Considerations: The City is obligated under state statute to update the boundary limits of the City each year.

Mission/Values: The City is responsible for following State laws. By updating our boundaries, we have identified what properties should be served by the City and can plan for the long-term improvements to those areas.

Attachments: Boundary Resolution and map showing the addition to the current boundary of the City.

Connie Marquez, City Clerk
Memorandum

To: City of Dodge City Commission
From: City Manager, Nick Hernandez
Date: December 5, 2022
Subject: Approve agreement with Outlaw Productions to operate/promote the Dodge City Raceway Park
Agenda Item: Unfinished Business

Recommendation: Approve agreement with Outlaw Productions for the operation/promotion of the Dodge City Raceway Park for the 2023 season.

Background: The Joint City/County Commissions met on November 21, 2022 and reviewed a recommendation from the Community Facility Advisory Board (CFAB). The recommendation was to have the City Manager and County Administrator negotiate an agreement with Outlaw Productions pending review and approval by City and County Legal Counsel. The County Commission approved the recommendation 2-1 and the City Commission tabled the motion and requested that the agreement be brought back for approval at the next regularly scheduled meeting.

Justification: City and County Administration have worked with the operator/promoter on the proposed agreement. The details of the agreement are listed below:

Proposed Schedule and Promotional Plan: The schedule and marketing plan will specify classes and include not less than three major racing events, ten local IMCA sanctioned racing events and six short track events. Any change to the schedule must have prior written consent by the City Manager, County Administrator, or their designees. Additional events may be added at any time by the Operator but will not be subsidized by the City unless a separate written agreement has been negotiated.

Financial Considerations: The subsidy for all events, major and local will not exceed $276,000. The Operator will provide the City all attendance, car count, and financial information on the first business day following a race during race season and prior to the final subsidy payment. The first subsidy payment of the next racing season will not be disbursed prior to receipt of the attendance, car count and financial information being received for the previous year.

At the conclusion of the scheduled events, the City and Operator will divide equally the net profit for the season with the Operator receiving 50% and the City receiving 50%. The proceeds of the City’s portion will be placed into a special event fund for the promotion and attraction of future events per policy.
Legal Considerations: The agreement has been reviewed and approved by the City and County Legal Counsel. The initial term of agreement is for a period of one year, starting on January 1, 2023, and expiring December 31, 2023. This Agreement may be extended annually beyond the initial term or terminated earlier.

CFAB Options:
1. Approve
2. Disapprove
3. Table for further discussion

DCRP Agreement with Outlaw Productions
RACETRACK OPERATING AGREEMENT

THIS AGREEMENT is made and entered into by and between the City of Dodge City, Kansas (hereinafter the “City”) acting pursuant to the authority provided for in the Interlocal Agreement dated July 21, 1997 by and between the City and Ford County, Kansas (hereinafter the “Interlocal Agreement”) and Outlaw Productions, a partnership (hereinafter the “Operator”).

WHEREAS, utilizing sales tax revenues as provided for in the Interlocal Agreement, the City issued bonds for and did construct a motorsports complex located in Ford County, Kansas, consisting of a three-eighths (3/8) mile racetrack, grandstand and other racing amenities known as Dodge City Raceway Park (hereinafter the “Facility”); and,

WHEREAS, the City has operated the Facility for the past several years as a recreational complex with sales tax revenues as authorized by the Interlocal Agreement; and,

WHEREAS, the parties to the Interlocal Agreement desire to contract for the promotion and operation of the Facility on behalf of the City, utilizing sales tax revenues as provided for in the Interlocal Agreement to fund such promotion and operations; and,
WHEREAS, the Operator has experience and expertise in the promotion and operation of dirt track racing facilities and desires to promote and operate the Facility to the benefit of the parties to the Interlocal Agreement; and,

WHEREAS, the City and the Operator have reached an agreement whereby the Operator would promote and operate the Facility under the terms and conditions set forth herein.

NOW, THEREFORE, IN CONSIDERATION OF THE MONIES TO BE PAID HEREUNDER, AND THE MUTUAL PROMISES OF THE CITY AND THE OPERATOR, IT IS AGREED AS FOLLOWS:

1. USE OF FACILITY: The City hereby grants to the Operator, during the term of this Agreement and any extension hereof and subject to the conditions set forth herein, the rights and responsibility for the operation, promotion, scheduling and use of the Facility for motor sports racing events and other related events.

2. TERM: The initial term of this Agreement will be for a period of one (1) year, commencing January 1, 2023, and expiring December 31, 2023. This Agreement may be extended annually beyond the initial term or earlier terminated as provided herein.

3. MAINTENANCE OF DIRT TRACK: The Operator at its sole cost and expense will be responsible for and shall perform any and all maintenance, alterations, preparations and care of the dirt track during the term of this Agreement, and all extensions hereof, so as to provide a dirt track surface equal to the highest standards for
like facilities. The Operator shall maintain the dirt track in a safe and proper manner during all events. The Operator shall supply all equipment and materials necessary for all repairs, maintenance and preparation of the dirt track.

Any modification of the dirt track configuration shall be subject to the prior approval of the City. The Operator, at its sole cost and expense, shall restore the dirt track to its original configuration and condition, subject to normal wear and tear.

4. MAINTENANCE OF FACILITY: The City shall provide, for cleanup and care of the structures and grounds located at Dodge City Raceway Park. This responsibility will include grandstands, concession and restroom areas, ticket booths, pit area, parking lot and all other amenities located at the Facility, with the exception of the interior of the general office building.

In addition, the City, at its expense, will provide staff for watering, mowing, trimming and care of all grassy areas, shrubbery, and trees at the Facility. Said staff will be directed in these activities by the Operator in coordination with the City Manager or his/her designee for budgetary oversight purposes.

The Operator shall, at its expense, maintain the interior of the general office building in a clean, neat, safe and proper manner at all times throughout the term of this Agreement.

5. FACILITY REPAIRS AND MODIFICATIONS: The City, at its expense, shall provide for all normal day-to-day repairs at the Facility, including but not limited to plumbing repairs, electrical repairs, replacing bulbs including track and security lighting and damage to track fencing. The City will be responsible for the repairs to the Facility caused by normal use or natural deterioration caused by age. Such repairs to the Facility
December 2, 2022

will be the sole responsibility of the City. Such repairs will be performed in a good and workman-like manner and will be performed at times which would be least disruptive to the operation of the Facility.

The Operator shall immediately notify the City Manager or his/her designee, in writing or by email, of the need for any such repairs to the Facility.

In the event of structural damage to any aspect of the Facility resulting from fire, wind, hail, rain, vandalism, defacement or other casualties, not the fault of the City or the Operator, or the result of a latent structural defect, the City shall pay for such repair costs from sales tax revenues pursuant to the Interlocal Agreement.

Required repairs to the Facility due to neglect of the Operator will be the sole financial responsibility of the Operator. Such repairs will be made by the City and all costs for such repairs will be immediately reimbursed to the City by the Operator. If the Operator proposes to make such repairs itself, such repairs must be approved by the City prior to the commencement of any such work.

6. INSPECTION OF FACILITY AND EQUIPMENT: The Operator understands and agrees that the City is entitled to perform random inspections throughout the race season in order to assure proper maintenance of the general office building. The City shall provide the Operator no less than twenty-four (24) hours’ notice prior to any such inspection.

7. MODIFICATIONS AND IMPROVEMENTS: Any modification or other permanent improvements within the Facility will be subject to the prior approval of the City and must be based upon specific plans, specifications and cost estimates, as well as an agreement between the City and the Operator as to the responsibility for payment of
such modifications and/or improvements. Any such modifications and/or improvements to the Facility shall become a part of the Facility at the time of their completion and the Operator will have no ownership interest in such modifications and/or improvements.

8. **EQUIPMENT:** The Operator shall provide all equipment necessary for the operation of the Facility, as well as the costs and expense of the maintenance and operation of said equipment. The Operator will be entitled to utilize, on the premises of the Facility, existing City-owned equipment presently located at the Facility. The Operator shall repair and/or replace any and all such City-owned equipment if such equipment is damaged as the result of the Operator’s negligence. The Operator may not dispose of any City-owned equipment without the prior written approval of the City Manager or her/his designee.

Any equipment provided or purchased by the Operator and utilized at the Facility will remain the property of the Operator and may be removed from the Facility upon termination of this Agreement, provided that such removal can be accomplished without damage to the Facility.

9. **OPERATIONAL EXPENSES AND REVENUES:** The Operator shall provide all personnel necessary for the proper operation, promotion and use of the Facility as well as the events conducted at the Facility, including but not limited to security, fire, safety and emergency medical, gatekeepers, ticket sales, concessions, fan accommodations, office staff, sales representatives, dirt track surface preparation and maintenance, racing officials and judges, non-racing event supervision and personnel, PA announcer, and all other required personnel.
The Operator is solely responsible for the payment of all wages, salaries and/or other benefits provided to such personnel. All such personnel are employees, independent contractors or volunteers of the Operator, and not of the City. The Operator further agrees to save and hold harmless the City of and from any and all claims which might be asserted against the City in any manner whatsoever by or through any such personnel arising out of any injuries or death to such personnel arising out of their duties or services provided at the Facility.

Except as specifically provided herein, the Operator will be solely responsible for the timely payment of any and all operational expenses of the Facility and will retain all revenues resulting from the operation of the Facility, including but not limited to all gate fees, ticket sales, concession sales, advertising sales, sponsorship fees, membership fees and other revenues resulting from the use and operation of the Facility by the Operator.

10. INSURANCE: During the term of this Agreement, and all extensions hereof, the Operator shall, at its sole cost and expense, maintain in full force and effect liability insurance providing coverage for liability for any injuries, damages, or death for participants and fans in an amount not less than Two Million Dollars ($2,000,000.00). In addition, the Operator shall provide, at its sole expense, participant accident policy with a minimum of $100,000 for medical expenses. Said insurance coverage must list the City and Ford County, Kansas as named additional insureds. The Operator shall also provide workers compensation insurance for all employees and volunteers of the Operator who provide any services at the Facility. All insurance policies provided by the Operator must contain provision for at least thirty (30) days prior written notice to the City of any
cancellation or modification of insurance coverage. Copies of all such policies and insurance binders will be provided to the City in advance of the season.

11. UTILITIES: The utility bills relating to the operation of the Facility, including electric, gas, water, sewer, internet and trash pickup services, will be the responsibility of the City from sales tax revenues received pursuant to the Interlocal Agreement; provided, however, the City reserves the right to provide a well to provide water for track preparation and irrigation of Facility grounds from sales tax revenues pursuant to the Interlocal Agreement or other sources, subject to the Operator’s approval as to the location of any such well if located within the Facility. Such approval shall not be unreasonably withheld.

12. TAXES: The City shall pay all real estate taxes assessed against the Facility from sales tax revenues received pursuant to the Interlocal Agreement. The Operator will be responsible for and shall pay in a timely manner, all other taxes, fees, permits or licenses associated with the Operator’s use of the Facility, including but not limited to personal property taxes, sales taxes, payroll taxes, concession and beer licenses and any and all other operating permits, licenses or fees.

13. SCHEDULE, NUMBER OF EVENTS AND PROMOTIONAL PLAN: On or before November 1 of each year the, the Operator shall provide the City with a calendar of proposed events scheduled for the Facility for the following season and a marketing plan to promote these events. Said schedule and marketing plan will specify classes and include not less than three (3) major racing events, ten (10) local IMCA sanctioned racing events and six (6) Little DCRP events during the racing season, all of which will be subject to
prior approval by the City Manager or his/her designee. Any reduction in the required number of scheduled events must have the prior written approval of the City Manager and County Administrator or their designees. Additional events may be added at any time by the Operator, but shall not be subsidized by the City unless a separate written agreement has been negotiated.

During the course of any year, the City may request the use of the Facility for events, subject to the Operator’s review and upon such terms and conditions as are mutually acceptable to the parties. The Operator’s approval for such events shall not be unreasonably withheld.

14. CONSIDERATION FOR PROMOTIONAL AND OPERATIONAL SERVICES: In consideration of the promotional and operational services to be provided by the Operator in accordance with terms and conditions as set forth in the Paragraph 13 above, the City, in addition to any other payment obligation provided for herein, shall make payments to the Operator from sales tax revenues received pursuant to the Interlocal Agreement, in the time and manner following:

a. The City and the Operator shall negotiate the dates for payment of the subsidy prior to each season starting.

b. The subsidy will be divided into nine (9) equal payments to be made on nine (9) separate dates.

c. The Operator shall provide to the City all attendance, car count, and financial information on the first business day following a race during race season and prior to the final subsidy payment. If the agreement is extended beyond the initial term, the first subsidy
payment of the next racing season shall not be disbursed prior to receipt of the attendance, car count and financial information being received for the previous year. See Paragraph 18 below.

d. Subsidy for all events, major and local should not exceed the following amounts:

2023- Two Hundred Seventy-Six Thousand Dollars ($276,000)

e. At the conclusion of the scheduled events, the City and Operator will divide equally the net profit for the season with the Operator receiving 50% and the City receiving 50%. The proceeds of the City’s portion will be placed into a special event fund for the promotion and attraction of future events per policy.

i. Net Profit is Total revenue less total expenses as mutually agreed upon by both parties. Total revenue will include all income streams including the subsidy. Net profit is reached by subtracting all expenses within the contract year from total revenue.

15. PERFORMANCE STANDARDS: The Operator will keep accurate attendance records for all events conducted at the Facility and provide to the City on the first business day post-race during race season. In accordance with Paragraph 14(c) above, the Operator will provide to the City an affidavit and supporting records verifying the total attendance for each event. The total attendance figure for the major racing events will be divided by the number of major racing events actually conducted at the Facility during the year to establish an “average attendance” per major racing event.
If the “average attendance” per major racing event for any year should fall below One Thousand (1000) attendees, then the City will have the option of terminating this Agreement by providing written notice of such intent to terminate within thirty (30) calendar days of receipt of the Operator’s attendance report. If within thirty (30) days of receipt of the notice of termination the parties have not reached a mutually acceptable agreement for the continued operation of the Facility by the Operator, this Agreement will terminate and both parties will be released from any further obligations pursuant to this Agreement, except only for the Operator’s obligation for full payment of any outstanding unpaid obligations at the time of such termination.

16. EXTENSIONS OF INITIAL TERM: Upon the expiration of the initial term of this Agreement on December 31, 2023, this Agreement will automatically extend for an additional term of one (1) year, unless either party provides written notice to the other of its intent not to renew this Agreement in accordance with the following procedure.

A terminating party must deliver to the other party, on or before September 1st of the year of expiration of any extended term, written notice of its intent not to extend this Agreement. In the event of such notice the parties agree to immediately enter into good faith negotiations for renewal of an operation agreement based on terms and conditions that are mutually acceptable to both parties. If such negotiations fail to produce a mutually acceptable agreement, this Agreement will expire on December 31 of that year. Upon either such termination both parties shall be released from any further obligations under this Agreement except only for the Operator’s full payment of any outstanding unpaid obligations of the Operator at the time of termination.
17. NON-APPROPRIATION OF CITY PAYMENTS: The parties understand and agree that the payment obligations of the City as set forth herein, including the payment obligation described in Paragraph 14 above, are subject to the provisions of the Kansas Cash Basis Law and continued collection of sales tax revenues. The City currently intends to continue this Agreement through its term and to make all payments as provided for herein, and currently intends to make provision for such payments in each annual budget submitted and adopted in accordance with applicable provisions of state law and the provisions of the Interlocal Agreement. Notwithstanding the foregoing, however, the parties acknowledge that the City is obligated only to pay periodic payments as provided herein as may lawfully be made from sales tax funds budgeted and appropriated for that purpose during the current budget year, or funds made available from any lawfully operated revenue producing source. The City agrees to give written notice of such non-appropriation to the Operator at least thirty (30) days prior to December 31 of the year during which such non-appropriation occurs. The City shall pay all payments remaining due through the end of that year, if any. In the event of such non-appropriation, the Operator may terminate this Agreement at any time after receiving notice from the City of such non-appropriation of funds to satisfy the payment obligations. Such non-appropriation will not constitute a default or breach of this Agreement by the City and the Operator may elect to continue this Agreement notwithstanding the City’s failure to satisfy its payment obligations due to such non-appropriation.

18. GENERAL CONDITIONS:

a. The Operator shall pay in a timely manner any and all obligations incumbent upon it under the terms and conditions of this Agreement and shall not allow
any type of lien or encumbrance to attach to the Facility resulting from nonpayment of any obligations of the Operator.

b. This Agreement may be amended at any time by mutual written agreement of the parties.

c. This Agreement shall not be assigned or transferred to any other person or entity without the prior written consent of the City.

d. This Agreement shall be binding on the parties hereto and their respective successors and assigns.

e. The parties hereto do hereby warrant that each party is legally authorized to enter into this Agreement and that all actions necessary to authorize approval of this Agreement by the persons executing the same has been duly obtained so as to legally bind the party so represented.

f. The relationship created by virtue of this Agreement between the City and the Operator is that of an independent contractor, and nothing contained herein is intended to establish and does not establish any relationship other than that of an independent contractor.

g. For purposes of this Agreement, the effective date of said Agreement shall be January 1, 2023, despite the later approval by the parties of said Agreement.

h. All reports, notices or other communications called for pursuant to this Agreement will be between the Operator and the City’s City Manager who is hereby designated to administer this Agreement on behalf of the City.

i. The Operator will comply with all federal, state, and local ordinances, statutes, rules and regulations related to the operation of the Facility and the Operator’s
December 2, 2022

fitness to operate the Facility. Operator’s failure to comply as described shall be an event of default pursuant to this Agreement and shall entitle the City to terminate this Agreement.

i. In the event either party breaches any terms or condition of this Agreement, then said party shall have the option of terminating this Agreement by providing written notice of such intent to terminate within thirty (30) calendar days of receipt of said notice. If within thirty (30) days of receipt of the notice of termination the parties have not reached a mutually acceptable agreement for the continued operation of the Facility by the Operator, this Agreement shall terminate and both parties shall be released from any further obligations under this Agreement, except only for the Operator’s obligation for full payment of any outstanding unpaid obligations at the time of such termination.

IN WITNESS WHEREOF, the parties have executed this agreement on the dates reflected below.

Memorandum

To: Nick Hernandez, City Manager and City Commissioners
From: Tanner Rutschman, PE, City Engineer
Date: December 5, 2022
Subject: Approval of Bid to Apply Mastic Crack Sealant, ST 2204
Agenda Item: New Business

Purpose: The purpose of this project is to apply mastic crack sealant to asphalt streets and other City facilities as a preventative maintenance measure. Applying mastic to cracks is a low-cost maintenance technique that helps extend the service life of asphalt streets. This project will concentrate on maintenance zone #3 (see attached map).

Recommendation: Approve the bid from Stripe & Seal, LLC to apply 80,000 lbs of large crack seal material at a rate of $1.25/lb. City Staff would also recommend extending quantity to 96,000 lbs to have $20,000 worth of mastic crack seal material applied to various parks facilities. The winning bidder has been contacted and is agreeable to this extension of quantity.

Background: This project will perform preventative maintenance on several asphalt streets and parks facilities in the City. This maintenance consists of filling large transverse cracks with mastic material to prevent water from percolating through the pavement and into the sub-grade. The streets in town that will receive mastic with this project are in maintenance zone #3, which includes all the asphalt streets north of Comanche St., south of US50 Highway and east of Central Ave.

This project will be split between City streets ($100,000), Saint Mary’s Soccer Complex ($5,000), Legends Park ($7,500) & the Thurow walking trail ($7,500).

City Commission Options:
1. Approve Bid
2. Disapprove Bid
3. Table for further discussion

Financial Considerations:

Subject: Trash trucks for Sanitation (2)
Agenda Item: New Business

Recommendation: Authorize the purchase of:

*One (1) Boom Truck from Elliot Equipment for $203,611 delivered in 180 days
*One (1) Rear Loader Trash Truck from TriVista with the Leach 2R3 chassis for $253,141.81

Background: Sanitation needs trucks to fulfill their mission and since the Pandemic, the have been taking longer to procure and build.

Justification: These trucks are used on daily sanitation routes to pick up waste in the Community to improve sanitation and the appearance in our community.

Both trucks would be replacing trucks that are outdated and have developed persistent ongoing maintenance issues. The boom truck will replace truck #612 that is over twenty years old. The rear loader will replace truck #621 that is nineteen years old.

Financial Considerations: This is a budgeted purchase. Both units, when replaced, will be sold at auction.

Purpose/Mission: Together we value progress, growth and ongoing improvement.

Legal Considerations: There are no legal considerations.

Date: December 5, 2022  
Subject: Approval of Quote to Purchase Generator for the Airport  
Agenda Item: New Business  

Purpose: The purpose of this project is to replace the emergency generator at the airport. This generator supplies emergency power to the airfield lighting on Runway 14/32, all nav aids for the runway, taxi alpha, the ramp area, airport terminal, and the FBO hanger. The Airport has received a KDOT grant in the amount of $80,000.00 to replace the generator at the airport.

Recommendation: To reject a bid from Screed Tech in the amount of $113,265.00 for an 8.7L 200 kW Generac diesel generator along with a bid in the amount of $146,500.00 for 14.2L 200 kW Generac natural gas generator. To approve a quote from Foley Power Solutions in the amount of $63,100.00 for a CAT 200 kW diesel generator and transfer switch.

Background: This project will replace the generator located at the airport. The current generator is an old military era generator too old to find new parts for. This generator is still in operation however, it no longer starts automatically when needed. Staff has had several technicians try to repair the issue with no resolution. The airport was awarded a 90/10 KDOT grant earlier this year to replace the generator. Staff opened bids to replace the generator on October 6, 2022, the bids received were more than the budgeted amount. Staff then reached out to several suppliers for this equipment and learned most were afraid to bid due to the lead times to build the generator. Foley's quote is to purchase the generator only it does not include installation. Staff will request quotes from local electricians to install the generator once the generator is received. Staff also plans to perform some of the install work in house.

City Commission Options:  
1. Reject bid from Screed Tech and approve quote from Foley  
2. Disapprove the quote from Foley and reject bid from Screed Tech

Terms & Conditions:

Foley’s Standard Terms & Conditions to apply. A copy is available upon request.

Clarifications, Deviations and Exceptions:

This proposal was based on the following section(s) of the specification: Section 263213 and 263600, dated XX/XX/XXXX & Drawing(s): EXXX, EXXX, and EXXX, dated XX/XX/XXXX, & Addendum(s): X-X. No other Sections, Drawings, and/or Addendums are included as a part of this proposal and general exception is made. Please verify that this quote matches current drawings and specifications.

Pricing Validity:

The pricing for this proposal is valid for 30 days and is subject to change on a daily basis due to the surcharges of commodities. A new quote may be required. Proposal does not include sales tax. Tax exempt documentation will be required to be on file with Foley Equipment at the time of order.

Warranty:

Caterpillar Standard Generator warranty period is 24 months/1000 hours for standby applications, refer to SELF5611. All terms begin after initial startup or 18 months after the factory ship date, whichever is sooner. Please assure that substantial completion does not exceed these warranty periods.

Start-up, Training and Installation Service:

With the exception of the start-up and training assistance identified as part of this scope-of-supply, all field installation of the delivered equipment is to be completed by others. Installation of shipped loose items will be the responsibility of the installing contractor(s).

Foley Power Solutions includes site visits and consultation prior to delivery and startup by Foley’s project management team, as a complimentary part of services rendered.

Foley Power Solutions
Foley Power Solutions - Topeka

Start-up services include the use of a factory authorized generator technician for testing and general training of the equipment supplied. The services will be performed during normal business hours, Monday through Friday, 7:30am to 3:30pm. Any additional trips or services rendered outside of normal business hours are available; however, a formal written request for services with a change order by an authorized person billed at prevailing rates, will be required.

Typical Foley start-up services include hooking up batteries, visual inspection of equipment for damage or missing parts, fluid level checks, isolator adjustments (anchoring to be done by the installing contractor), termination of wiring for remote start at generator and ATS, termination of wiring for remote annunciator panel, termination of utility power at the generator for accessory power (i.e., block heaters, battery charger), verification of proper operation of battery charger, prime fuel system, verification and download of factory control panel settings, starting of generator, verification of voltage and frequency, safety checks, verification of gauge operation, wiring continuity, safety shutoffs and controls; including automatic transfer switches, if supplied.

It is important to note that any required NETA or third party testing including but not limited to Transient Tests, Harmonic Tests, Infrared Scanning, etc. is outside the scope of this quote and will be the sole responsibility of others, if required.

**Fuel:**

Unless otherwise stated above, the fuel for startup and/or testing is excluded and provided by others.

**Offloading:**

Unless otherwise stated above, the installing contractor is responsible for the offloading of the above equipment and setting it in place.

**Load Bank Testing:**

This quotation will clearly indicate if any on-site load bank testing is included above. If there is any on-site load bank testing, it is assumed that the load banks can be stationed within 100 ft of the connection point. Additional distance will require a change order. Load bank testing is contingent on weather and may require a reschedule, if conditions are not conducive to testing at the scheduled time. Please review and confirm that the allotted hours quoted will be sufficient for this project's needs.

**Freight:**

Freight to the first destination is included within this quote via commercial carrier. If the site is not ready for equipment delivery, Foley Power Solutions can arrange for the storage and delivery to site at a later time for an additional charge.

**Installation:**

Unless otherwise stated above, the installing contractor is responsible for the installation and connections of the above equipment.

**O&M Manuals & Submittals:**

An electronic copy of the standard submittals and O&M Manuals to be provided upon request.

**Notes:**

Any required permits to be provided others.

Foley Power Solutions is an equipment supplier only. Foley limits the scope of supply for this quotation to the equipment and services identified in our bills-of-material. Unless specifically identified in the proposal, equipment and/or service related activities not identified are assumed to be supplied by others.

Please check over this quote to be certain that it meets your requirements. Foley is not liable for confirming compliance of local, state, and/or federal requirements with governing jurisdictions. We reserve the right to correct any errors or omissions in this proposal and adjust pricing as necessary to comply with the requested specifications for those errors or omissions.

Foley terms are full invoice amount is due upon receipt, with approved credit. This quote is contingent upon Customer's acceptance of Foley Power Solutions standard terms and conditions as shown on Foley's buyer’s agreement available upon request. Foley reserves the right to negotiate terms and conditions of sale.

There will be a 25% cancellation fee for any orders cancelled, once the order has been placed and accepted by Foley.

Foley will not be responsible for any labor or material charges by others associated with the start-up and installation of this equipment unless previously agreed upon, in writing by Foley.

Foley is a “Woman Owned and Controlled Business”.

From: City Manager, Nick Hernandez  
Date: December 5, 2022  
Subject: Approval of Proposal to Negotiate a lease agreement with Catholic Charities of Southwest Kansas (CCSK)  
Agenda Item: New Business

Recommendation: Approve proposal for City Manager to negotiate a lease agreement with CCSK for partial use of City Hall located at 806 N. 2nd Avenue. Lease will be pending review and approval by City Attorney.

Background: With the purchase of the Municipal Services Building, there will be available office space at the current City Hall as Engineering Services, Public Works and Development Services are in the process of moving to the new building. City Services remaining in the building include Municipal Court Services, Utility Building, some inspection services, city clerk services and administration services.

Justification: CCSK has been searching for a new space that will help them better meet the needs of the community through their various services including counseling services, citizenship preparation, immigrant, and refugee services among other services. They have also worked in partnership with the City to offer these services.

The proposed space for lease is approximately 7,092 sq. ft. The space consists of the area generally represented on the floor plan shown in the attached proposal and highlighted in purple. The detail of those spaces is included in the attached chart.

Financial Considerations:
The proposed terms are similar to rent and lease rates at other City owned facilities and are proposed as follows:

- Lease Rate - $12/sq. ft per year. ($85,104)
- Lease Payments - Prorated monthly and billed by City. ($7,092/month)
- Utilities - Gas, Electric, Internet, and Security System costs shared by City and CCSK based on allocated space. Total area of the building is 12,678 sq. ft. +/- and CCSK’s leased space represents 7,092 sq. ft. +/- equaling 56%.
- CCSK will be responsible for their own Telephone services and equipment.

Legal Considerations: The agreement is recommended to be a 5-year minimum, 10 year preferred and will be subject to review and approval by City and CCSK Legal Counsel.

Subject: Proposed Lease – Dodge City, City Hall

BACKGROUND

The City of Dodge City (City) is pleased to submit an outline for potential leased office space for Catholic Charities of Southwest Kansas (CCSK) at the present City Hall located at 806 Second Ave. This outline presents a shared use arrangement between City and CCSK with adjacent parking.

The current City Hall is located at 806 Second Ave. The building was acquired by the City in the early 90’s and renovated and expanded to its current configuration to serve as City Hall and Municipal Court operations.

**THE PROPOSAL**

City proposes to lease to CCSK office space at City Hall amounting to approximately 7,092 sq. ft. The space consists of the area generally represented on the floor plan shown below and highlighted in purple. The detail of those spaces is included in the chart provided.

**Proposed Terms:**

- **Lease Rate** - $12/sq. ft per year. ($85,104)
- **Lease Payments** - Prorated monthly and billed by City. ($7,092/month)
- **Utilities** - Gas, Electric, Internet, and Security System costs shared by City and CCSK based on allocated space. Total area of the building is 12,678 sq. ft. +/- and CCSK’s leased space represents 7,092 sq. ft. +/- equaling 56%. Monthly costs for included items will be totaled and CCSK will be responsible for 56% of the total bill which will be invoiced with the following months lease payment.

City’s annual utility costs for the past year were as follows: Gas - $2,893; Electric - $19,344; Internet - $2,164; Alarm system - $3,240 for a total of $27,641. In this example, CCSK’s annual utility costs would be $15,479.

CCSK will be responsible for their own Telephone services and equipment.

- **Lease Term** - 5 year minimum, 10 year preferred. Lease to Own option negotiable.

- **Custodial** - The City is responsible for all grounds maintenance and snow removal when required. CCSK is responsible for custodial service in leased space and after use of any shared conference/training space.

- **Renovations** - City is making proposed spaces available to CCSK as is. If CCSK desires renovations to any interior leased spaces, CCSK may complete such renovations at their own cost provided prior approval of the work has been obtained from the City.

- **Shared Space** - City will make Commission Chambers area available to CCSK as scheduling permits. No additional rents will be applied. The area is generally available during office hours Monday, Wednesday, Friday and on evenings when arrangements can be made. City will be solely responsible for scheduling and access to the Commission Chambers.

**OTHER INFORMATION**

**Parking Availability:**

Parking is available on-site in three areas. South lot: 26 spaces and 2 ADA, 2nd Street Parking: 8 spaces, East Roof Parking: 7 spaces. Additional on-street parking is available. All parking is provided on a first come – first served basis.

**Insurance:**

City agrees to keep the leased building facility insured for the benefit of the City against loss of damage by fire and all casualties included in the broadest standard form obtainable of extended coverage or supplemental contract of endorsements. CCSK shall have the responsibility to insure all its interest in the fixtures, equipment, inventory, and other CCSK assets.

CCSK shall be responsible for and shall provide total and complete liability insurance in the amount of at least $500,000 that will save and protect the City from any and all claims or demands of any kind or character which may arise or claim to arise against the City by reason of the use of leased premises by the CCSK, and the City shall be named as an additional insured on such policies.

**Capital Maintenance:**

City will be responsible for the maintenance and repair of the roof, the exterior portions of all outside walls of the leased building and shall be responsible for repairs necessitated by structural defects of the building. In addition, the City shall be responsible for repair and maintenance of all plumbing, sewer, lighting, electrical, and heating and air conditioning units.

CCSK is responsible for all interior maintenance of the leased space, including but not limited to, cleaning, painting, and general upkeep.
Building Accessibility & Security:

CCSK will have access to leased spaces at all hours during the week, after hours and on weekends by way of key and a building security system. CCSK will be provided keys for access to exterior doors in the leased spaces and assigned security codes as necessary.

ADA Compliance:

The City has determined this building meets all current ADA Accessibility requirements. Should any physical accessibility requirement come into question, the City will be responsible for addressing the issue and for any modifications and changes found necessary.

Lease to Own:

City is willing to provide a Lease to Own provision in any negotiated lease agreement with a percentage of previous lease payments applied to the agreed purchase price. Negotiations would need to determine the percentage applied to the purchase and a process to arrive at an agreed upon purchase price.
