Subject: Public Hearing – Advisability of Creating a Community Improvement District  
Ordinance No. 3785 – Making Certain Findings on the Advisability of Creating a Community Improvement District

Agenda Item: Public Hearing and Ordinances and Resolutions

Purpose: The Community Improvement District is an economic development tool authorized by the State of Kansas that allows eligible construction costs to be reimbursed to the developer. The additional sales tax collected in the improvement district is the only amount reimbursed to the developer.

Recommendation: I recommend the City Commission open the Public Hearing and hear any comments from the public regarding the Casa Mariachi CID. If after the public hearing, the Commission finds it advisable to create the Community Improvement District, adopt Ordinance No. 3785.

Background: A petition was filed for the establishment of a community improvement district for Casa Mariachi, located at 2303 W. Wyatt Earp (former Bad Habits location). The petition was filed in October 2022, by Miguel Esparza, owner to establish a CID. There are plans to make improvements at the location to ready the building for a new upscale Mexican restaurant. The estimated cost of the improvements is $1,191,700.

The City Commission adopted Resolution No. 2022-39, on October 17, 2022, that directed a public hearing to be held to consider the advisability of creating a community improvement district and required the City Clerk to give notice of such public hearing. A notice was published in the Dodge City Daily Globe for 2 consecutive weeks, at least 7 days prior to the November 21 meeting notifying the public of consideration of the CID.

Later in the meeting after the public hearing is complete, the Commission will consider the Ordinance. This ordinance states that the governing body of the City of Dodge City finds and determines it to be advisable to create the proposed community improvement district, authorizes the project, approves the estimated cost of the project, sets forth the boundaries of the district, levies the community improvement district sales tax, and approves the method of financing.

Date: 11/21/22
Subject: RHID
Agenda Item: Development Agreement and Ordinance No 3787

Purpose: To approve a Development Agreement and Development Plan creating a Rural Housing Incentive District between the City of Dodge City and Volz Builders, LLC.

Recommendation: Staff recommends the approval of the Development Agreement between the City of Dodge City and Volz Builders, LLC and approval of Ordinance 3787.

Background: In 2010, the City staff began working with developers interested in building multi-family and single-family residential developments. Most developers were interested in utilizing the Rural Housing Incentive District program which provides assistance for various eligible costs such as infrastructure. The Volz Builders, LLC development will provide a total of one hundred single-family units (100) with an assessed valuation of not less than Two Hundred Fifty Thousand Dollars ($250,000.00).

City Commission Options:
   1. Approve
   2. Disapprove

Financial Considerations: Ford County and U.S.D. No. 443 have no risk in this process; in addition, they would not have received the increment as the development would not have been feasible without the incentive.

Legal Considerations: None
