Following receipt of such funds the Paying Agent shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 nor less than 10 days prior to the date of the proposed payment. The Paying Agent shall promptly notify the Issuer of such Special Record Date and, in the name and at the expense of the Issuer, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefore to be mailed, by first

The Issuer and the Bond Registrar shall not be required (a) to register the transfer or exchange of any Bond that has been called for redemption after notice of such redemption has been mailed by the Paying Agent pursuant to Article III hereof and during the period of 15 days next preceding the date of mailing of such notice of redemption; or (b) to register the transfer or exchange of any Bond during a period beginning at the opening of business on the day after receiving written notice from the Issuer of its intent to pay Defaulted Interest and ending at the close of business on the date fixed for the payment of Defaulted Interest pursuant to this Article II.

All payments so made to any such Owner or upon the Owner's order shall be valid and effective to satisfy and discharge the liability upon such Bond to the extent of the
sum or sums so paid, and neither the Issuer nor the Paying Agent shall be affected by any notice to the contrary.

At reasonable times and under reasonable regulations established by the Bond Registrar, the Bond Register may be inspected and copied by [the Bond Insurer or] the Owners (or a designated representative thereof) of 10% or more in principal amount of the Bonds then Outstanding or any designated representative of such Owners whose authority is evidenced to the satisfaction of the Bond Registrar.

The Bonds shall also be registered in the office of the State Treasurer, which registration shall be evidenced by the manual, electronic or facsimile signature of the State Treasurer with the seal of the State Treasurer affixed thereto or imprinted thereon. In case any officer whose signature appears on any Bonds ceases to be such officer before the delivery of such Bonds, such signature shall nevertheless be valid and sufficient for all purposes, as if such person had remained in office until delivery. Any Bond may be signed by such persons who at the actual time of the execution of such Bond are the proper officers to sign such Bond although at the date of such Bond such persons may not have been such officers.

The Bonds shall have endorsed thereon a certificate of authentication substantially in the form attached hereto as EXHIBIT A hereof, which shall be manually executed by an authorized officer or employee of the Bond Registrar, but it shall not be necessary that the same officer or employee sign the certificate of authentication on all of the Bonds that may be issued hereunder at any one time. No Bond shall be entitled to any security or benefit under this Bond Resolution or be valid or obligatory for any purpose unless and until such certificate of authentication has been duly executed by the Bond Registrar. If any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the Issuer, in its discretion, may pay such Bond instead of issuing a new Bond.

imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith.

Every new Bond issued pursuant to this Section shall constitute a replacement of the prior obligation of the Issuer, and shall be entitled to all the benefits of this Bond Resolution equally and ratably with all other Outstanding Bonds.

Section 209. Cancellation and Destruction of Bonds Upon Payment. All Bonds that have been paid or redeemed or that otherwise have been surrendered to the Paying Agent, either at or before Maturity, shall be cancelled by the Paying Agent immediately upon the payment, redemption and surrender thereof to the Paying Agent and subsequently destroyed in accordance with the customary practices of the Paying Agent. The Bonds shall initially be registered to Cede & Co., the nominee for the Securities Depository, and no Beneficial Owner will receive certificates representing their respective interests in the Bonds, except in the event the Bond Registrar issues Replacement Bonds as provided in this Section. It is anticipated that during the term of the Bonds, the Securities Depository will make book-entry transfers among its Participants and receive and transmit payment of principal of, premium, if any, and interest on, the Bonds to the Participants until and unless the Bond Registrar authenticates and delivers Replacement Bonds to the Beneficial Owners as described in the following paragraph.

The Issuer may decide, subject to the requirements of the Operational Arrangements of DTC (or a successor Securities Depository), and the following provisions of this section to discontinue use of the system of book-entry transfers through DTC (or a successor Securities Depository):

(a) If the Issuer determines (1) that the Securities Depository is unable to properly discharge its responsibilities, or (2) that the Securities Depository is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, or (3) that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Bonds; or

(b) if the Bond Registrar receives written notice from Participants having interests in not less than 50% of the Bonds Outstanding, as shown on the records of the Securities Depository (and certified to such effect by the Securities Depository), that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Bonds, then the Bond Registrar shall notify the Owners of such determination or such notice and of the availability of certificates to Owners requesting the same, and the Bond Registrar shall register in the name of and authenticate and deliver Replacement Bonds to the Beneficial Owners or their nominees in principal amounts representing the interest of each, making such adjustments as it may find necessary or appropriate as to accrued interest and previous calls for redemption; provided, that in the case of a determination under (a)(1) or (a)(2) of this paragraph, the Issuer, with the consent of the Bond Registrar, may select a successor securities depository in accordance with the following paragraph to effect book-entry transfers.

In such event, all references to the Securities Depository herein shall relate to the period of time when the Securities Depository has possession of at least one Bond. Upon the issuance of Replacement Bonds, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Bond Registrar, to the extent applicable with
respect to such Replacement Bonds. If the Securities Depository resigns and the Issuer, the Bond Registrar or Owners are unable to locate a qualified successor of the Securities Depository in accordance with the following paragraph, then the Bond Registrar shall authenticate and cause delivery of Replacement Bonds to Owners, as provided herein. The Bond Registrar may rely on information from the Securities Depository and its Participants as to the names of the Beneficial Owners of the Bonds. The cost of printing, registration, authentication, and delivery of Replacement Bonds shall be paid for by the Issuer.

In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, the Issuer may appoint a successor Securities Depository provided the Bond Registrar receives written evidence satisfactory to the Bond Registrar with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities and Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Bond Registrar upon its receipt of a Bond or Bonds for cancellation shall cause the delivery of Bonds to the successor Securities Depository in an Authorized Denominations and form as provided herein.

Section 211. Nonpresentment of Bonds. If any Bond is not presented for payment when the principal thereof becomes due at Maturity, if funds sufficient to pay such Bond have been made available to the Paying Agent all liability of the Issuer to the Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the Owner of such Bond, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Bond Resolution or on, or with respect to, said Bond. If any Bond is not presented for payment within four (4) years following the date when such Bond becomes due at Maturity, the Paying Agent shall repay, without liability for interest thereon, to the Issuer the funds theretofore held by it for payment of such Bond, and such Bond shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the Issuer, and the Owner thereof shall be entitled to look only to the Issuer for payment, and then only to the extent of the amount so repaid to it by the Paying Agent, and the Issuer shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

Section 212. Preliminary and Final Official Statement. The Preliminary Official Statement dated June 20, 2022, is hereby ratified and approved. For the purpose of enabling the Purchaser to comply with the requirements of Section (b)(1) of the SEC Rule, the Issuer hereby deems the information regarding the Issuer contained in the Preliminary Official Statement to be “final” as of its date, except for the omission of such information as is permitted by Section (b)(1) of the SEC Rule, and the appropriate officers of the Issuer are hereby authorized, if requested, to provide the Purchaser a letter or certification to such effect and to take such other actions or execute such other documents as such officers in their reasonable judgment deem necessary to enable the Purchaser to comply with the requirement of the SEC Rule.

The Official Statement is hereby authorized to be prepared by supplementing, amending and completing the Preliminary Official Statement, with such changes and additions thereto as are necessary to conform to and describe the transaction. The Mayor and Director of Finance are hereby authorized to execute the Official Statement as so supplemented, amended and completed, and the use and public distribution of the Official Statement by the Purchaser in connection with the reoffering of the Bonds is hereby authorized. The proper officials of the Issuer are hereby authorized to execute and deliver a certificate pertaining to such Official Statement as prescribed therein, dated as of the Issue Date.
The Issuer agrees to provide to the Purchaser within seven business days of the date of the sale of Bonds sufficient copies of the Official Statement to enable the Purchaser to comply with the requirements of the SEC Rule and Rule G-32 of the Municipal Securities Rulemaking Board.

**Section 213. Sale of the Bonds.** The sale of the Bonds to the Purchaser is hereby ratified and confirmed. The Mayor and Clerk are hereby authorized to execute the official bid form submitted by the Purchaser. Delivery of the Bonds shall be made to the Purchaser on the Issue Date (which shall be as soon as practicable after the adoption of this Bond Resolution), upon payment of the Purchase Price.

**ARTICLE III**

**Optional Redemption.** At the option of the Issuer, Bonds maturing on September 1 in the years 2031, and thereafter, will be subject to redemption and payment prior to their Stated Maturity on September 1, 2030, and thereafter, as a whole or in part (selection of maturities and the amount of Bonds of each maturity to be redeemed to be determined by the Issuer in such equitable manner as it may determine) at any time, at the Redemption Price of 100% (expressed as a percentage of the principal amount), plus accrued interest to the Redemption Date.

**Mandatory Redemption.** [(a) [_____] Term Bonds.] The [_____] Term Bonds shall be subject to mandatory redemption and payment prior to Stated Maturity pursuant to the mandatory redemption requirements of this Section at a Redemption Price equal to 100% of the principal amount thereof plus accrued interest to the Redemption Date. At its option, to be exercised on or before the 45th day next preceding any mandatory Redemption Date, the Issuer may: (1) deliver to the Paying Agent for cancellation Term Bonds subject to mandatory redemption on said mandatory Redemption Date, in any aggregate principal amount desired; or (2) furnish the Paying Agent funds, together with appropriate instructions, for the purpose of purchasing any Term Bonds subject to mandatory redemption on said mandatory Redemption Date from any Owner thereof whereupon the Paying Agent shall expend such funds for such purpose to such extent as may be practical; or (3) receive a credit with respect to the mandatory redemption obligation of the Issuer under this Section for any Term Bonds subject to mandatory redemption on said mandatory Redemption Date which, prior to such date, have been redeemed (other than through the operation of the mandatory redemption requirements of this subsection) and cancelled by the Paying Agent and not theretofore applied as a credit against any redemption obligation under this subsection. Each Term Bond so delivered or previously purchased or redeemed shall be credited at 100% of the principal amount thereof on the obligation of the Issuer to redeem Term Bonds of the same Stated Maturity on such mandatory Redemption Date, and any excess of such amount shall be credited on future mandatory redemption obligations for Term Bonds of the same Stated Maturity as designated by the Issuer, and the principal amount of Term Bonds to be redeemed by operation of the requirements of this Section shall be accordingly reduced. If the Issuer intends to exercise any option granted by the provisions of clauses (1), (2) or (3) above, the Issuer will, on or before the 45th day next preceding each mandatory Redemption Date, furnish the Paying Agent a written certificate indicating to what extent the provisions of said clauses (1), (2) and (3) are to be complied with, with respect to such mandatory redemption payment.

Section 302. Selection of Bonds to be Redeemed. Bonds shall be redeemed only in an Authorized Denomination. When less than all of the Bonds are to be redeemed and paid prior to their Stated Maturity, such Bonds shall be redeemed in such manner as the Issuer shall determine. Bonds of less than a full Stated Maturity shall be selected by the Bond Registrar in a minimum Authorized Denomination of principal amount in such equitable manner as the Bond Registrar may determine.

In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than a minimum Authorized Denomination are then Outstanding, then for all purposes in connection with such redemption a minimum Authorized Denomination of face value shall be treated as though it were a separate Bond of the denomination of a minimum Authorized Denomination. If it is determined that one or more, but not all, of a minimum Authorized Denomination of face value represented by any Bond is selected for redemption, then upon notice of intention to redeem a minimum Authorized Denomination, the Owner or
the Owner’s duly authorized agent shall forthwith present and surrender such Bond to the Bond Registrar: (1) for payment of the Redemption Price and interest to the Redemption Date of a minimum Authorized Denomination of face value called for redemption, and (2) for exchange, without charge to the Owner thereof, for a new Bond or Bonds of the aggregate principal amount of the unredeemed portion of the principal amount of such Bond. If the Owner of any such Bond fails to present such Bond to the Paying Agent for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the redemption date to the extent of a minimum Authorized Denomination of face value called for redemption (and to that extent only).

Section 303. Notice and Effect of Call for Redemption. In the event the Issuer desires to call the Bonds for redemption prior to maturity, written notice of such intent shall be provided to the Bond Registrar in accordance with K.S.A. 10-129, as amended, not less than 45 days prior to the Redemption Date. The Bond Registrar shall call Bonds for redemption and payment and shall give notice of such redemption as herein provided upon receipt by the Bond Registrar at least 45 days prior to the Redemption Date of written instructions of the Issuer specifying the principal amount, Stated Maturities, Redemption Date and Redemption Prices of the Bonds to be called for redemption. [The foregoing provisions of this paragraph shall not apply in the case of any mandatory redemption of Term Bonds hereunder, and Term Bonds shall be called by the Paying Agent for redemption pursuant to such mandatory redemption requirements without the necessity of any action by the Issuer and whether or not the Paying Agent holds moneys available and sufficient to effect the required redemption.]

Unless waived by any Owner of Bonds to be redeemed, if the Issuer shall call any Bonds for redemption and payment prior to the Stated Maturity thereof, the Issuer shall give written notice of its intention to call and pay said Bonds to the Bond Registrar[, the Bond Insurer] and the Purchaser. In addition, the Issuer shall cause the Bond Registrar to give written notice of redemption to the Owners of said Bonds. Each of said written notices shall be deposited in the United States first class mail not less than 30 days prior to the Redemption Date.

All official notices of redemption shall be dated and shall contain the following information:

(a) the Redemption Date;
(b) the Redemption Price;
(c) if less than all Outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption of any Bonds, the respective principal amounts) of the Bonds to be redeemed;
(d) a statement that on the Redemption Date the Redemption Price will become due and payable upon each such Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the Redemption Date; and
(e) the place where such Bonds are to be surrendered for payment of the Redemption Price, which shall be the principal office of the Paying Agent.

The failure of any Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption.

Prior to any Redemption Date, the Issuer shall deposit with the Paying Agent an amount of money sufficient to pay the Redemption Price of all the Bonds or portions of Bonds that are to be redeemed on such Redemption Date.
For so long as the Securities Depository is effecting book-entry transfers of the Bonds, the Bond Registrar shall provide the notices specified in this Section to the Securities Depository. It is expected that the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the Beneficial Owners. Any failure on the part of the Securities Depository or a Participant, or failure on the part of a nominee of a Beneficial Owner of a Bond (having been mailed notice from the Bond Registrar, the Securities Depository, a Participant or otherwise) to notify the Beneficial Owner of the Bond so affected, shall not affect the validity of the redemption of such Bond.

Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds to be redeemed shall become due and payable on the Redemption Date, at the Redemption Price therein specified, and from and after the Redemption Date (unless the Issuer defaults in the payment of the Redemption Price) such Bonds or portion of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with such notice, the Redemption Price of such Bonds shall be paid by the Paying Agent. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the Owner a new Bond or Bonds of the same Stated Maturity in the amount of the unpaid principal as provided herein. All Bonds that have been surrendered for redemption shall be cancelled and destroyed by the Paying Agent as provided herein and shall not be reissued.

In addition to the foregoing notice, the Issuer shall provide such notices of redemption as are required by the Disclosure Undertaking. Further notice may be given by the Issuer or the Bond Registrar on behalf of the Issuer as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if official notice thereof is given as above prescribed:

(a) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (1) the CUSIP numbers of all Bonds being redeemed; (2) the date of issue of the Bonds as originally issued; (3) the rate of interest borne by each Bond being redeemed; (4) the maturity date of each Bond being redeemed; and (5) any other descriptive information needed to identify accurately the Bonds being redeemed.

(b) Each further notice of redemption shall be sent at least one day before the mailing of notice to Owners by first class, registered or certified mail or overnight delivery, as determined by the Bond Registrar, to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Bonds and to one or more national information services that disseminate notices of redemption of obligations such as the Bonds.

(c) Each check or other transfer of funds issued for the payment of the Redemption Price of Bonds being redeemed shall bear or have enclosed the CUSIP number of the Bonds being redeemed with the proceeds of such check or other transfer.

The Paying Agent is also directed to comply with any mandatory standards then in effect for processing redemptions of municipal securities established by the State or the Securities and Exchange Commission. Failure to comply with such standards shall not affect or invalidate the redemption of any Bond.}**
ARTICLE IV
SECURITY FOR BONDS

Section 401. Security for the Bonds. The Bonds shall be general obligations of the Issuer payable as to both principal and interest in part from special assessments levied upon the property benefited by the construction of the Improvements, and if not so paid, from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the Issuer. The balance of the principal and interest on the Bonds is payable from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the Issuer. The full faith, credit and resources of the Issuer are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Bonds as the same become due.

Section 402. Levy and Collection of Annual Tax; Transfer to Debt Service Account. The Governing Body shall annually make provision for the payment of principal of, premium, if any, and interest on the Bonds as the same become due by, to the extent necessary, levying and collecting the necessary taxes and/or assessments upon all of the taxable tangible property within the Issuer in the manner provided by law.

The taxes and/or assessments referred to above shall be extended upon the tax rolls in each of the several years, respectively, and shall be levied and collected at the same time and in the same manner as the other ad valorem taxes of the Issuer are levied and collected. The proceeds derived from said taxes shall be deposited in the Bond and Interest Fund, shall be kept separate and apart from all other funds of the Issuer shall thereafter be transferred to the Debt Service Account and shall be used solely for the payment of the principal of and interest on the Bonds as and when the same become due, taking into account any scheduled mandatory redemptions, and the fees and expenses of the Paying Agent.

If at any time said taxes and/or assessments are not collected in time to pay the principal of or interest on the Bonds when due, the Treasurer is hereby authorized and directed to pay said principal or interest out of the general funds of the Issuer and to reimburse said general funds for money so expended when said taxes are collected.

(a) Excess proceeds, if any, received from the sale of the Bonds shall be deposited in the Debt Service Account.

(b) An amount necessary to pay the Costs of Issuance shall be deposited in the Costs of Issuance Account.

(c) An amount necessary to pay the costs of retiring the Refunded Notes shall be deposited into the Refunded Notes Redemption Fund.

(d) The remaining balance of the proceeds derived from the sale of the Bonds shall be deposited in the Improvement Fund.

Section 503. Application of Moneys in the Improvement Fund. Moneys in the Improvement Fund shall be used for the sole purpose of: (a) paying the costs of the Improvements, in accordance with the plans and specifications therefor prepared by the Consulting Engineer heretofore approved by the Governing Body and on file in the office of the Clerk, including any alterations in or amendments to said plans and specifications deemed advisable by the Consulting Engineer and approved by the Governing Body; (b) paying interest on the Bonds during construction of the Improvements; (c) paying Costs of Issuance; and (d) transferring any amounts to the Rebate Fund required by this Article V.

Withdrawals from the Improvement Fund shall be made only when authorized by the Governing Body. Each authorization for costs of the Improvements shall be supported by a certificate executed by the Consulting Engineer stating that such payment is being made for a purpose within the scope of this Bond Resolution and that the amount of such payment represents only the contract price of the property, equipment, labor, materials or service being paid for or, if such payment is not being made pursuant to an express contract, that such payment is not in excess of the reasonable value thereof. Authorizations for withdrawals for other authorized purposes shall be supported by a certificate executed by the Director of Finance (or designate) stating that such payment is being made for a purpose within the scope of this Bond Resolution. Upon completion of the Improvements, any surplus remaining in the Improvement Fund shall be deposited in the Debt Service Account.

Section 504. Substitution of Improvements; Reallocation of Proceeds.

(a) The Issuer may elect for any reason to substitute or add other public improvements to be financed with proceeds of the Bonds provided the following conditions are met: (1) the Substitute Improvement and the issuance of general obligation bonds to pay the cost of the Substitute Improvement has been duly authorized by the Governing Body in accordance with the laws of the State; (2) a resolution or ordinance authorizing the use of the proceeds of the Bonds to pay the Financeable Costs of the Substitute Improvement has been duly adopted by the Governing Body pursuant to this Section, (3) the Attorney General of the State has approved the amendment made by such resolution or ordinance to the transcript of
proceedings for the Bonds to include the Substitute Improvements; and (4) the use of the proceeds of the Bonds to pay the Financeable Cost of the Substitute Improvement will not adversely affect the tax-exempt status of the Bonds under State or federal law.

(b) The Issuer may reallocate expenditure of Bond proceeds among all Improvements financed by the Bonds; provided the following conditions are met: (1) the reallocation is approved by the Governing Body; (2) the reallocation shall not cause the proceeds of the Bonds allocated to any Improvement to exceed the Financeable Costs of the Improvement; and (3) the reallocation will not adversely affect the tax-exempt status of the Bonds under State or federal law.

Section 505. Application of Moneys in the Refunded Notes Redemption Fund. Moneys in the Refunded Notes Redemption Fund shall be paid and transferred to the Refunded Notes Paying Agent, with irrevocable instructions to apply such amount to the payment of the Refunded Notes on the Refunded Notes Redemption Date. Any moneys remaining in the Refunded Notes Redemption Fund not needed to retire the Refunded Notes shall be transferred to the Debt Service Account.

Section 506. Application of Moneys in Debt Service Account. All amounts paid and credited to the Debt Service Account shall be expended and used by the Issuer for the sole purpose of paying the principal or Redemption Price of and interest on the Bonds as and when the same become due and the usual and customary fees and expenses of the Bond Registrar and Paying Agent. The Treasurer is authorized and directed to withdraw from the Debt Service Account sums sufficient to pay both principal or Redemption Price of and interest on the Bonds and the fees and expenses of the Bond Registrar and Paying Agent as and when the same become due, and to forward such sums to the Paying Agent in a manner which ensures that the Paying Agent will receive immediately available funds in such amounts on or before the Business Day immediately preceding the dates when such principal, interest and fees of the Bond Registrar and Paying Agent will become due. If, through the lapse of time or otherwise, the Owners of Bonds are no longer entitled to enforce payment of the Bonds or the interest thereon, the Paying Agent shall return said funds to the Issuer. All moneys deposited with the Paying Agent shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Bond Resolution and shall be held in trust by the Paying Agent for the benefit of the Owners of the Bonds entitled to payment from such moneys.

Any moneys or investments remaining in the Debt Service Account after the retirement of the Bonds shall be transferred and paid into the Bond and Interest Fund.

Section 507. Application of Moneys in the Rebate Fund.

(a) There shall be deposited in the Rebate Fund such amounts as are required to be deposited therein pursuant to the Federal Tax Certificate. All money at any time deposited in the Rebate Fund shall be held in trust, to the extent required to satisfy the Rebate Amount (as defined in the Federal Tax Certificate), for payment to the United States of America, and neither the Issuer nor the Owner of any Bonds shall have any rights in or claim to such money. All amounts deposited into or on deposit in the Rebate Fund shall be governed by this Section and the Federal Tax Certificate.

(b) The Issuer shall periodically determine the arbitrage rebate, if any, under Code § 148(f) in accordance with the Federal Tax Certificate, and the Issuer shall make payments to the United States of America at the times and in the amounts determined under the Federal Tax Certificate. Any moneys remaining in the Rebate Fund after redemption and payment of all of the Bonds and payment and satisfaction of any Rebate Amount, or provision made therefor, shall be deposited into the Bond and Interest Fund.
Notwithstanding any other provision of this Bond Resolution, including in particular Article VII hereof, the obligation to pay arbitrage rebate to the United States of America and to comply with all other requirements of this Section and the Federal Tax Certificate shall survive the defeasance or payment in full of the Bonds.

Section 508. Deposits and Investment of Moneys. Moneys in each of the Funds and Accounts shall be deposited in accordance with laws of the State, in a bank, savings and loan association or savings bank organized under the laws of the State, any other state or the United States: (a) which has a main or branch office located in the Issuer; or (b) if no such entity has a main or branch office located in the Issuer, with such an entity that has a main or branch office located in the county or counties in which the Issuer is located. All such depositaries shall be members of the Federal Deposit Insurance Corporation, or otherwise as permitted by State law. All such deposits shall be invested in Permitted Investments as set forth in this Article or shall be adequately secured as provided by the laws of the State. All moneys held in the Funds and Accounts shall be kept separate and apart from all other funds of the Issuer so that there shall be no commingling with any other funds of the Issuer.

Moneys held in any Fund or Account other than the Refunded Notes Redemption Fund may be invested in accordance with this Bond Resolution and the Federal Tax Certificate in Permitted Investments; provided, however, that no such investment shall be made for a period extending longer than to the date when the moneys invested may be needed for the purpose for which such fund was created. All earnings on any investments held in any Fund or Account shall accrue to and become a part of such Fund or Account; provided that, during the period of construction of the Improvements, earnings on the investment of such funds may, at the discretion of the Issuer, be credited to the Debt Service Account.

Section 509. Application of Moneys in the Costs of Issuance Account. Moneys in the Costs of Issuance Account shall be used by the Issuer to pay the Costs of Issuance. Any funds remaining in the Costs of Issuance Account, after payment of all Costs of Issuance, but not later than the later of 30 days prior to the first Stated Maturity of principal or one year after the date of issuance of the Bonds, shall be transferred to the Improvement Fund until completion of the Improvements and thereafter to the Compliance Account or Debt Service Account.

Section 510. Application of Moneys in the Compliance Account. Moneys in the Compliance Account shall be used by the Issuer to pay fees and expenses relating to compliance with federal arbitrage law and state or federal securities laws. Any funds remaining in the Compliance Account on the sixth anniversary of the Issue Date shall be transferred to the Debt Service Account.

ARTICLE VI

DEFAULT AND REMEDIES

Section 601. Remedies. The provisions of the Bond Resolution, including the covenants and agreements herein contained, shall constitute a contract between the Issuer and the Owners of the Bonds. If an Event of Default occurs and shall be continuing, the Owner or Owners of not less than 10% in principal amount of the Bonds at the time Outstanding shall have the right for the equal benefit and protection of all Owners of Bonds similarly situated:

(a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of such Owner or Owners against the Issuer and its officers, agents and employees, and to require and
compel duties and obligations required by the provisions of the Bond Resolution or by the Constitution and laws of the State;

(b) by suit, action or other proceedings in equity or at law to require the Issuer, its officers, agents and employees to account as if they were the trustees of an express trust; and

(c) by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the Owners of the Bonds.

Section 602. Limitation on Rights of Owners. The covenants and agreements of the Issuer contained herein and in the Bonds shall be for the equal benefit, protection, and security of the Owners of any or all of the Bonds, all of which Bonds shall be of equal rank and without preference or priority of one Bond over any other Bond in the application of the funds herein pledged to the payment of the principal of and the interest on the Bonds, or otherwise, except as to rate of interest, date of maturity and right of prior redemption as provided in this Bond Resolution. No one or more Owners secured hereby shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided, and all proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Outstanding Bonds.

Section 603. Remedies Cumulative. No remedy conferred herein upon the Owners is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by the Owner of any Bond shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies thereon. No delay or omission of any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Owners of the Bonds by this Bond Resolution may be enforced and exercised from time to time and as often as may be deemed expedient. If action or proceedings taken by any Owner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or shall have been determined adversely to such Owner, then, and in every such case, the Issuer and the Owners of the Bonds shall, subject to any determination in such action or proceeding or applicable law of the State, be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Owners shall continue as if no such suit, action or other proceedings had been brought or taken.

[Section 604. Control of Remedies Upon an Event of Default and Event of Insolvency. Notwithstanding anything herein to the contrary, upon the occurrence and continuance of an Event of Default, the Bond Insurer, provided the Bond Insurance Policy is in full force and effect and the Bond Insurer shall not be in default thereunder, shall be entitled to control and direct the enforcement of all rights and remedies granted to the Owners under this Bond Resolution. Any reorganization or liquidation plan with respect to the Issuer must be acceptable to the Bond Insurer. In the event of any reorganization or liquidation, the Bond Insurer shall have the right to vote on behalf of all Owners who hold the Bonds insured by the Bond Insurer absent a default by the Bond Insurer under the applicable Bond Insurance Policy insuring such Bonds.]
ARTICLE VII

DEFEASANCE

Section 701. Defeasance. When any or all of the Bonds, redemption premium, if any, or scheduled interest payments thereon have been paid and discharged, then the requirements contained in this Bond Resolution and the pledge of the Issuer's faith and credit hereunder and all other rights granted hereby shall terminate with respect to the Bonds or scheduled interest payments thereon so paid and discharged. Bonds, redemption premium, if any, or scheduled interest payments thereon shall be deemed to have been paid and discharged within the meaning of this Bond Resolution if there has been deposited with the Paying Agent, or other commercial bank or trust company located in the State and having full trust powers, at or prior to the Stated Maturity or Redemption Date of said Bonds or the interest payments thereon, in trust for and irrevocably appropriated thereto, moneys and/or Defeasance Obligations which, together with the interest to be earned on any such Defeasance Obligations, will be sufficient for the payment of the principal of or Redemption Price of said Bonds and/or interest accrued to the Stated Maturity or Redemption Date, or if default in such payment has occurred on such date, then to the date of the tender of such payments. If the amount to be so deposited is based on the Redemption Price of any Bonds, no such satisfaction shall occur until (a) the Issuer has elected to redeem such Bonds, and (b) either notice of such redemption has been given, or the Issuer has given irrevocable instructions, or shall have provided for an escrow agent to give irrevocable instructions, to the Bond Registrar to give such notice of redemption in compliance with Article III hereof. Any money and Defeasance Obligations that at any time shall be deposited with the Paying Agent or other commercial bank or trust company by or on behalf of the Issuer, for the purpose of paying and discharging any of the Bonds, shall be and are hereby assigned, transferred and set over to the Paying Agent or other bank or trust company in trust for the respective Owners of the Bonds, and such moneys shall be and are hereby irrevocably appropriated to the payment and discharge thereof. All money and Defeasance Obligations deposited with the Paying Agent or such bank or trust company shall be deemed to be deposited in accordance with and subject to all of the provisions of this Bond Resolution. [The Issuer shall notify the Bond Insurer of any defeasance under this Section.]

[Notwithstanding anything in this Bond Resolution to the contrary, in the event that the principal and/or interest due on the Bonds shall be paid by the Bond Insurer pursuant to the Bond Insurance Policy, the Bonds shall remain Outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the Issuer and the covenants, agreements and other obligations of the Issuer to the Owners shall continue to exist and shall run to the benefit of the Bond Insurer, and the Bond Insurer shall be subrogated to the rights of such Owners.]

ARTICLE VIII

TAX COVENANTS

Section 801. General Covenants. The Issuer covenants and agrees that it will comply with: (a) all applicable provisions of the Code necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Bonds; and (b) all provisions and requirements of the Federal Tax Certificate. The Mayor and Director of Finance are hereby authorized and directed to execute the Federal Tax Certificate in a form approved by Bond Counsel, for and on behalf of and as the act and deed of the Issuer. The Issuer will, in addition, adopt such other ordinances or resolutions and take such other actions as may be necessary to comply with the Code and with all other applicable future laws, regulations, published rulings and judicial decisions, in order to ensure that the interest on the Bonds will remain excluded from federal gross income, to the extent any such actions can be taken by the Issuer.
**Section 802. Survival of Covenants.** The covenants contained in this Article and in the Federal Tax Certificate shall remain in full force and effect notwithstanding the defeasance of the Bonds pursuant to *Article VII* hereof or any other provision of this Bond Resolution until such time as is set forth in the Federal Tax Certificate.

**ARTICLE IX**

**[PROVISIONS RELATING TO THE BOND INSURANCE POLICY]**

*[AGM:*

**Section 901. Payment Procedure Pursuant to Bond Insurance Policy.** As long as the Bond Insurance Policy shall be in full force and effect, the Issuer and the Paying Agent agree to comply with the following provisions:

(a) If, on the Business Day prior to the related Stated Maturity there is not on deposit with the Paying Agent, after making all transfers and deposits required under the Bond Resolution, moneys sufficient to pay the principal of and interest on the Bonds due on such Stated Maturity, the Paying Agent shall give notice to the Bond Insurer and to the Insurer's Fiscal Agent by telephone or telecopy of the amount of such deficiency by 1:00 p.m., New York City time, on such Business Day. If, on the related Stated Maturity, there continues to be a deficiency in the amount available to pay the principal of and interest on the Bonds due on such Stated Maturity, the Paying Agent shall make a claim under the Bond Insurance Policy and give notice to the Bond Insurer and the Insurer's Fiscal Agent (if any) by telephone of the amount of such deficiency, and the allocation of such deficiency between the amount required to pay interest on the Bonds and the amount required to pay principal on the Bonds, confirmed in writing to the Bond Insurer and the Insurer's Fiscal Agent by 1:00 p.m., New York City time, on such Stated Maturity by filling in the form of Notice of Claim and Certificate delivered with the Bond Insurance Policy.

(b) In the event the claim to be made is for a mandatory sinking fund redemption installment, upon receipt of the moneys due, the Paying Agent shall authenticate and deliver to affected Owners who surrender their Bonds a new Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond surrendered. The Paying Agent shall designate any portion of payment of principal on Bonds paid by the Bond Insurer, whether by virtue of mandatory sinking fund redemption, maturity or other advancement of maturity, on its books as a reduction in the principal amount of Bonds registered to the then current Owner, whether DTC or its nominee or otherwise, and shall issue a replacement Bond to the Bond Insurer, registered in the name of the Bond Insurer, in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Paying Agent's failure to so designate any payment or issue any replacement Bond shall have no effect on the amount of principal or interest payable by the Issuer on any Bond or the subrogation rights of the Bond Insurer.

The Paying Agent shall keep a complete and accurate record of all funds deposited by the Bond Insurer into the Policy Payments Account (as hereinafter defined) and the allocation of such funds to payment of interest on and principal paid in respect of any Bond. The Bond Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Paying Agent.

Upon payment of a claim under the Bond Insurance Policy the Paying Agent shall establish a separate special purpose trust account for the benefit of Owners referred to herein as the “Policy Payments Account” and over which the Paying Agent shall have exclusive control and sole right of withdrawal. The Paying Agent shall receive any amount paid under the Bond Insurance Policy in trust on behalf of Owners
and shall deposit any such amount in the Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Paying Agent to Owners in the same manner as principal and interest payments are to be made with respect to the Bonds under the sections hereof regarding payment of Bonds. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to pay debt service with other funds available to make such payments.

Funds held in the Policy Payments Account shall not be invested by the Paying Agent and may not be applied to satisfy any costs, expenses or liabilities of the Paying Agent.

Any funds remaining in the Policy Payments Account following a Stated Maturity date shall promptly be remitted to the Bond Insurer.

(c) The Bond Insurer shall, to the extent it makes any payment of principal of or interest on the Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Bond Insurance Policy.

(d) The Issuer agrees to pay or reimburse the Bond Insurer any and all charges, fees, costs and expenses which the Bond Insurer may reasonably pay or incur in connection with (1) the administration, enforcement, defense or preservation of any rights or security in respect of the Bond Resolution, (2) the pursuit of any remedies under the Bond Resolution or otherwise afforded by law or equity, (3) any amendment, waiver or other action with respect to, or related to, the Bond Resolution whether or not executed or completed, (4) the violation by the Issuer of any law, rule or regulation, or any judgment, order or decree applicable to it or (5) any litigation or other dispute in connection with the Bond Resolution or the transactions contemplated thereby, other than amounts resulting from the failure of the Bond Insurer to honor its obligations under the Bond Insurance Policy. The Bond Insurer reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of the Bond Resolution.

(e) Payments required to be made to the Bond Insurer shall be payable solely from the taxes levied pursuant to Article IV hereof and shall be paid (1) prior to an Event of Default, to the extent not paid from the Debt Service Account, and (2) after an Event of Default, with respect to amounts other than principal and interest on the Bonds, on the same priority as payments to the Paying Agent for expenses. The obligations to the Bond Insurer shall survive discharge or termination of the Bond Resolution.

(f) The Bond Insurer shall be entitled to pay principal or interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer (as such terms are defined in the Bond Insurance Policy) and any amounts due on the Bonds as a result of acceleration of the maturity thereof in accordance with this Bond Resolution, whether or not the Bond Insurer has received a Notice (as defined in the Bond Insurance Policy) of Nonpayment or a claim upon the Bond Insurance Policy.

Section 902. Consent of the Bond Insurer. Any provision of this Bond Resolution expressly recognizing or granting rights in or to the Bond Insurer may not be amended in any manner which affects the rights of the Bond Insurer hereunder without the prior written consent of the Bond Insurer.

The Bond Insurer's consent shall be required in addition to Owner consent, when required, for the execution and delivery of any supplemental resolution, or any amendment, supplement or change to or modification of other documents relating to the security for the Bonds; removal or substitution of the Paying Agent; or approval of any action or document requiring approval of the Owners.
The Bond Insurer shall be deemed to be the sole Owner of the Bonds insured by it for the purpose of exercising any voting right or privilege or giving any consent or direction or taking any other action that the Owners of the Bonds insured by it are entitled to take pursuant to this Bond Resolution.

Section 903. Notices to the Bond Insurer.

(a) While the Bond Insurance Policy is in effect, the Issuer shall, in addition to the other notice requirements contained in this Bond Resolution, furnish to the Bond Insurer:

1. As soon as practicable after the filing thereof, a copy of any financial statement, audit and/or annual report of the Issuer;

2. A copy of any notice to be given to the Owners, including, without limitation, notice of any redemption of or defeasance of Bonds, and any certificate rendered pursuant to this Bond Resolution relating to the security for the Bonds;

3. Notice of an Event of Default within five business days after the occurrence of such event; and

4. such additional information as the Bond Insurer may reasonably request.

(b) The Issuer shall notify the Bond Insurer of any failure of the Issuer to provide relevant notices, certificates, etc.

(c) The Issuer will permit the Bond Insurer to discuss the affairs, finances and accounts of the Issuer or any information the Bond Insurer may reasonably request regarding the security for the Bonds with appropriate officers of the Issuer. The Issuer will permit the Bond Insurer to have access to and to make copies of all books and records relating to the Bonds at any reasonable time.

(d) The Bond Insurer shall have the right to direct an accounting at the Issuer's expense, and the Issuer's failure to comply with such direction within thirty (30) days after receipt of written notice of the direction from the Bond Insurer shall be deemed an Event of Default hereunder; provided, however, that if compliance cannot occur within such period, then such period will be extended so long as compliance is begun within such period and diligently pursued, but only if such extension would not materially adversely affect the interests of any Owner.

(e) Notwithstanding any other provision of this Bond Resolution, the Issuer shall immediately notify the Bond Insurer if at any time there are insufficient moneys to make any payments of principal and/or interest as required and immediately upon the occurrence of any Event of Default hereunder.

(f) In each case in which notice or other communication to the Bond Insurer refers to an Event of Default or with respect to which failure on the part of the Bond Insurer to respond shall be deemed to constitute consent or acceptance, then a copy of such notice or other communication shall also be sent to the attention of General Counsel and shall be marked to indicate “URGENT MATERIAL ENCLOSED.”

Section 904. Third Party Beneficiary. To the extent that this Bond Resolution confers upon or gives or grants to the Bond Insurer any right, remedy, or claim under or by reason of this Bond Resolution, the Bond Insurer is hereby explicitly recognized as being a third-party beneficiary hereunder and may enforce any such right, remedy or claim conferred, given or granted hereunder.
Section 905. Parties Interested Herein. Nothing in this Bond Resolution, expressed or implied is intended or shall be construed to confer upon, or to give to, any person or entity, other than the Issuer, the Bond Insurer, the Paying Agent and the Owners, any right, remedy or claim under or by reason of this Bond Resolution, or any covenant, condition or stipulation hereof, and all covenants, stipulations, promises and agreements in this Bond Resolution contained by and on behalf of the Issuer shall be for the sole and exclusive benefit of the Issuer, the Paying Agent, the Bond Insurer and the Owners of the Bonds.

Section 906. Suspension of Bond Insurer’s Rights. Rights of the Bond Insurer to direct or consent to actions granted under this Bond Resolution shall be suspended during any period in which the Bond Insurer is in default in its payment obligations under the Bond Insurance Policy (except to the extent of amounts previously paid by the Bond Insurer and due and owing to the Bond Insurer) and shall be of no force or effect in the event the Bond Insurance Policy is no longer in effect or the Bond Insurer asserts that the Bond Insurance Policy is not in effect or the Bond Insurer shall have provided written notice that it waives such rights.]*

***[BAM:

Section 907. Payment Procedure Pursuant to Bond Insurance Policy. As long as the Bond Insurance Policy shall be in full force and effect, the Issuer and the Paying Agent agree to comply with the following provisions:

(a) In the event that principal and/or interest due on the Bonds shall be paid by the Bond Insurer pursuant to the Policy, the Bonds shall remain outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the Issuer, the assignment and pledge of the trust estate and all covenants, agreements and other obligations of the Issuer to the registered owners shall continue to exist and shall run to the benefit of the Bond Insurer, and the Bond Insurer shall be subrogated to the rights of such registered owners including, without limitation, any rights that such owners may have in respect of securities law violations arising from the offer and sale of the Bonds.

(b) In the event that on the second (2nd) business day prior to the payment date on the Bonds, the Paying Agent has not received sufficient moneys to pay all principal of and interest on the Bonds due on the second (2nd) following business day, the Paying Agent shall immediately notify the Bond Insurer or its designee on the same business day by telephone or electronic mail, of the amount of the deficiency.

(c) If any deficiency is made up in whole or in part prior to or on the payment date, the Paying Agent or Trustee shall so notify the Bond Insurer or its designee.

(d) In addition, if the Paying Agent has notice that any Bondholder has been required to disgorge payments of principal of or interest on the Bonds pursuant to a final, non-appealable order by a court of competent jurisdiction that such payment constitutes an avoidable preference to such Bondholder within the meaning of any applicable bankruptcy law, then the Paying Agent shall notify the Bond Insurer or its designee of such fact by telephone or electronic mail, or by overnight or other delivery service as to which a delivery receipt is signed by a person authorized to accept delivery on behalf of the Bond Insurer.

(e) The Paying Agent shall irrevocably be designated, appointed, directed and authorized to act as attorney-in-fact for holders of the Bonds as follows:

(1) If there is a deficiency in amounts required to pay interest and/or principal on the Bonds, the Paying Agent or Trustee shall (i) execute and deliver to the Bond Insurer, in form satisfactory to the Bond Insurer, an instrument appointing the Bond Insurer as agent for such holders of the Bonds in any legal proceeding related to the payment of and an assignment to the Bond Insurer of the claims for interest on the Bonds, (ii) receive as designee of the respective
holders (and not as Paying Agent) in accordance with the tenor of the Bond Insurance Policy
payment from the Bond Insurer with respect to the claims for interest so assigned, and (iii) disburse
the same to such respective holders; and

(2) If there is a deficiency in amounts required to pay principal of the Bonds, the
Paying Agent shall (i) execute and deliver to the Bond Insurer, in form satisfactory to the Bond
Insurer, an instrument appointing the Bond Insurer as agent for such holder of the Bonds in any
legal proceeding related to the payment of such principal and an assignment to the Bond Insurer of
the Bond surrendered to the Bond Insurer (but such assignment shall be delivered only if payment
from the Bond Insurer is received), (ii) receive as designee of the respective holders (and not as
Paying Agent) in accordance with the tenor of the Policy payment therefore from the Bond Insurer,
and (iii) disburse the same to such holders.

(f) Payments with respect to claims for interest on and principal of Bonds disbursed by the
Paying Agent from proceeds of the Bond Insurance Policy shall not be considered to discharge the
obligation of the Issuer with respect to such Bonds, and the Bond Insurer shall become the owner of such
unpaid Bond and claims for the interest in accordance with the tenor of the assignment made to it under the
provisions of the preceding paragraph (e) or otherwise.

(g) Irrespective of whether any such assignment is executed and delivered, the Issuer and the
Paying Agent shall agree for the benefit of the Bond Insurer that:

(1) They recognize that to the extent the Bond Insurer makes payments directly or
indirectly (e.g., by paying through the Paying Agent), on account of principal or interest on the
Bonds, the Bond Insurer will be subrogated to the rights of such holders to receive the amount of
such principal and interest from the Issuer, with interest thereon, as provided and solely from the
sources stated in the transaction documents and the Bonds; and

(2) They will accordingly pay to the Bond Insurer the amount of such principal and
interest, with interest thereon as provided in the transaction documents and the Bonds, but only
from the sources and in the manner provided therein for the payment of principal of and interest on
the Bonds to holders, and will otherwise treat the Bond Insurer as the owner of such rights to the
amount of such principal and interest.

Section 908. Notices to the Bond Insurer.

(a) While the Bond Insurance Policy is in effect, the Issuer shall, in addition to the other notice
requirements contained in this Bond Resolution, furnish to the Bond Insurer:

(1) As soon as practicable after the filing thereof, a copy of any financial statement,
audit and/or annual report of the Issuer;

(2) A copy of any notice to be given to the Owners, including, without limitation,
notice of any redemption or defeasance of Bonds, and any certificate rendered pursuant to this
Bond Resolution relating to the security for the Bonds;

(3) Copies of any filings or notices required to be given by the Issuer pursuant to the
Disclosure Undertaking;

(4) Notice of an Event of Default within five business days after the occurrence of
such event; and
Such additional information as the Bond Insurer may reasonably request.

The Issuer shall notify the Bond Insurer of any failure of the Issuer to provide relevant notices, certificates, etc.

Notwithstanding any other provision of this Bond Resolution, the Issuer shall immediately notify the Bond Insurer if at any time there are insufficient moneys to make any payments of principal and/or interest as required and immediately upon the occurrence of any Event of Default hereunder.

**Section 909. Suspension of Bond Insurer’s Rights.** Rights of the Bond Insurer to direct or consent to actions granted under this Bond Resolution shall be suspended during any period in which the Bond Insurer is in default in its payment obligations under the Bond Insurance Policy (except to the extent of amounts previously paid by the Bond Insurer and due and owing to the Bond Insurer) and shall be of no force or effect in the event the Bond Insurance Policy is no longer in effect or the Bond Insurer asserts that the Bond Insurance Policy is not in effect or the Bond Insurer shall have provided written notice that it waives such rights.]***

**ARTICLE X**

**CONTINUING DISCLOSURE REQUIREMENTS**

**Section 1001. Disclosure Requirements.** The Issuer hereby covenants with the Purchaser and the Beneficial Owners to provide and disseminate such information as is required by the SEC Rule and as further set forth in the Disclosure Undertaking, the provisions of which are incorporated herein by reference. Such covenant shall be for the benefit of and enforceable by the Purchaser and the Beneficial Owners.

**Section 1002. Failure to Comply with Continuing Disclosure Requirements.** In the event the Issuer fails to comply in a timely manner with its covenants contained in the preceding section, the Purchaser and/or any Beneficial Owner may make demand for such compliance by written notice to the Issuer. In the event the Issuer does not remedy such noncompliance within 10 days of receipt of such written notice, the Purchaser or any Beneficial Owner may in its discretion, without notice or demand, proceed to enforce compliance by a suit or suits in equity for the specific performance of such covenant or agreement contained in the preceding section or for the enforcement of any other appropriate legal or equitable remedy, as the Purchaser and/or any Beneficial Owner shall deem effectual to protect and enforce any of the duties of the Issuer under such preceding section. [The Purchaser or Beneficial Owner shall provide a copy of any such demand or notice to the Bond Insurer.] Notwithstanding any other provision of this Bond Resolution, failure of the Issuer to comply with its covenants contained in the preceding section shall not be considered an Event of Default under this Bond Resolution.

**ARTICLE XI**

**MISCELLANEOUS PROVISIONS**

**Section 1101. Annual Audit.** Annually, promptly after the end of the Fiscal Year, the Issuer will cause an audit to be made of the financial statements of the Issuer for the preceding Fiscal Year by an Independent Accountant. Within 30 days after the completion of each such audit, a copy thereof shall be filed in the office of the Clerk[, and a duplicate copy of the audit shall be mailed to the Bond Insurer]. Such
audit shall at all times during the usual business hours be open to the examination and inspection by any
taxpayer, any Owner of any of the Bonds, or by anyone acting for or on behalf of such taxpayer or Owner.
Upon payment of the reasonable cost of preparing and mailing the same, a copy of any annual audit will,
upon request, be sent to any Owner or prospective Owner. As soon as possible after the completion of the
annual audit, the Governing Body shall review such audit, and if the audit discloses that proper provision
has not been made for all of the requirements of this Bond Resolution, the Issuer shall promptly cure such
deficiency.

Section 1102. Amendments. The rights and duties of the Issuer and the Owners, and the terms
and provisions of the Bonds or of this Bond Resolution, may be amended or modified at any time in any
respect by ordinance or resolution of the Issuer with the written consent of [the Bond Insurer and] the
Owners of not less than a majority in principal amount of the Bonds then Outstanding, such consent to be
evidenced by an instrument or instruments executed by [the Bond Insurer and] such Owners and duly
acknowledged or proved in the manner of a deed to be recorded, and such instrument or instruments shall
be filed with the Clerk, but no such modification or alteration shall:

(a) extend the maturity of any payment of principal or interest due upon any Bond;

(b) effect a reduction in the amount which the Issuer is required to pay as principal of or interest
on any Bond;

(c) permit preference or priority of any Bond over any other Bond; or

(d) reduce the percentage in principal amount of Bonds required for the written consent to any
modification or alteration of the provisions of this Bond Resolution.

Any provision of the Bonds or of this Bond Resolution may, however, be amended or modified by
ordinance or resolution duly adopted by the Governing Body at any time in any legal respect with the
written consent of [the Bond Insurer and] the Owners of all of the Bonds at the time Outstanding.

Without notice to or the consent of any Owners, the Issuer may amend or supplement this Bond
Resolution for the purpose of curing any formal defect, omission, inconsistency or ambiguity herein, to
grant to or confer upon the Owners any additional rights, remedies, powers or authority that may lawfully
be granted to or conferred upon the Owners, to more precisely identify the Improvements, to reallocate
proceeds of the Bonds among Improvements, to provide for Substitute Improvements, to conform this Bond
Resolution to the Code or future applicable federal law concerning tax-exempt obligations, or in connection
with any other change therein which is not materially adverse to the interests of the Owners. [AGM: Copies
of any amendments shall be provided to each Rating Agency at least 10 days prior to the effective date
thereof.][BAM: Copies of any amendments which are consented to by the Bond Insurer shall be provided
to Standard & Poor's.]

Every amendment or modification of the provisions of the Bonds or of this Bond Resolution, to
which the written consent of the [Bond Insurer and the] Owners is given, as above provided, shall be
expressed in a resolution or ordinance adopted by the Governing Body amending or supplementing the
provisions of this Bond Resolution and shall be deemed to be a part of this Bond Resolution. A certified
copy of every such amendatory or supplemental ordinance or resolution, if any, and a certified copy of this
Bond Resolution shall always be kept on file in the office of the Clerk, [shall be delivered to the Bond
Insurer] and shall be made available for inspection by the Owner of any Bond or a prospective purchaser
or owner of any Bond authorized by this Bond Resolution, and upon payment of the reasonable cost of
preparing the same, a certified copy of any such amendatory or supplemental ordinance or resolution or of
this Bond Resolution will be sent by the Clerk to any such Owner or prospective Owner.

600188.20032\BASICDOCS-GOB v.1
Any and all modifications made in the manner hereinabove provided shall not become effective until there has been filed with the Clerk a copy of the ordinance or resolution of the Issuer hereinabove provided for, duly certified, as well as proof of any required consent to such modification by [the Bond Insurer and] the Owners of the Bonds then Outstanding. It shall not be necessary to note on any of the Outstanding Bonds any reference to such amendment or modification.

The Issuer shall furnish to the Paying Agent a copy of any amendment to the Bonds or this Bond Resolution which affects the duties or obligations of the Paying Agent under this Bond Resolution.

Section 1103. Notices, Consents and Other Instruments by Owners. Any notice, consent, request, direction, approval or other instrument to be signed and executed by the Owners may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owners in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes of this Bond Resolution, and shall be conclusive in favor of the Issuer and the Paying Agent with regard to any action taken, suffered or omitted under any such instrument, namely:

(a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of Bonds, the amount or amounts, numbers and other identification of Bonds, and the date of holding the same shall be proved by the Bond Register.

In determining whether the Owners of the requisite principal amount of Bonds Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Bond Resolution, Bonds owned by the Issuer shall be disregarded and deemed not to be Outstanding under this Bond Resolution, except that, in determining whether the Owners shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Bonds which the Owners know to be so owned shall be so disregarded. Notwithstanding the foregoing, Bonds so owned which have been pledged in good faith shall not be disregarded as aforesaid if the pledgee establishes to the satisfaction of the Owners the pledgee's right so to act with respect to such Bonds and that the pledgee is not the Issuer.

Section 1104. Notices. Any notice, request, complaint, demand or other communication required or desired to be given or filed under this Bond Resolution shall be in writing, given to the Notice Representative at the Notice Address and shall be deemed duly given or filed if the same shall be: (a) duly mailed by registered or certified mail, postage prepaid; or (b) communicated via fax, with electronic or telephonic confirmation of receipt. Copies of such notices shall also be given to the Paying Agent[ and the Bond Insurer]. The Issuer, the Paying Agent[, the Bond Insurer] and the Purchaser may from time to time designate, by notice given hereunder to the others of such parties, such other address to which subsequent notices, certificates or other communications shall be sent.

All notices given by: (a) certified or registered mail as aforesaid shall be deemed duly given as of the date they are so mailed; (b) fax as aforesaid shall be deemed duly given as of the date of confirmation of receipt. If, because of the temporary or permanent suspension of regular mail service or for any other reason, it is impossible or impractical to mail any notice in the manner herein provided, then such other form of notice as shall be made with the approval of the Paying Agent shall constitute a sufficient notice.
**Section 1105.  Electronic Transactions.** The transactions described in this Bond Resolution may be conducted, and documents related to the Bonds may be sent, received, executed, and stored, by electronic means or transmissions. Copies, telecopies, electronic files and other reproductions of original executed documents (or documents executed by electronic means or transmissions) shall be deemed to be authentic and valid counterparts of such documents for all purposes, including the filing of any claim, action or suit in the appropriate court of law.

**Section 1106.  Further Authority.** The officers and officials of the Issuer, including the Mayor, Director of Finance and Clerk, are hereby authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Bond Resolution and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

**Section 1107.  Severability.** If any section or other part of this Bond Resolution, whether large or small, is for any reason held invalid, the invalidity thereof shall not affect the validity of the other provisions of this Bond Resolution.

**Section 1108.  Governing Law.** This Bond Resolution shall be governed exclusively by and construed in accordance with the applicable laws of the State.

**Section 1109.  Effective Date.** This Bond Resolution shall take effect and be in full force from and after its adoption by the Governing Body.

The Notes shall bear interest at the above specified rates (computed on the basis of a 360-day year of twelve 30-day months) from the later of the Dated Date or the most recent Interest Payment Date to which interest has been paid on the Interest Payment Dates in the manner set forth in Section 204 hereof.

Each of the Notes, as originally issued or issued upon transfer, exchange or substitution, shall be printed in accordance with the format required by the Attorney General of the State and shall be substantially in the form attached hereto as EXHIBIT A or as may be required by the Attorney General pursuant to the Notice of Systems of Registration for Kansas Municipal Bonds, 2 Kan. **Section 203. The Issuer will at all times maintain a Paying Agent and Note Registrar meeting the qualifications herein described for the performance of the duties hereunder. The Issuer reserves the right to appoint a successor Paying Agent or Note Registrar by (a) filing with the Paying Agent or Note Registrar then performing such function a certified copy of the proceedings giving notice of the termination of such Paying Agent or Note Registrar and appointing a successor, and (b) causing notice of appointment of the successor Paying Agent and Note Registrar to be given by first class mail to each Owner. No resignation or removal of the Paying Agent or Note Registrar shall become effective until a successor has been appointed and has accepted the duties of Paying Agent or Note Registrar.

Every Paying Agent or Note Registrar appointed hereunder shall at all times meet the requirements of K.S.A. 10-501 et seq. and K.S.A. 10-620 et seq., respectively.

**Section 204. Method and Place of Payment of the Notes.** The principal of, or Redemption Price, if any, and interest on the Notes shall be payable in any coin or currency which, on the respective dates of payment thereof, is legal tender for the payment of public and private debts.

The interest payable on each Note on any Interest Payment Date shall be paid to the Owner of such Note as shown on the Note Register at the close of business on the Record Date for such interest (a) by check or draft mailed by the Paying Agent to the address of such Owner shown on the Note Register or at such other address as is furnished to the Paying Agent in writing.
by such Owner; or (b) in the case of an interest payment to Cede & Co. or any Owner of $500,000 or more in aggregate principal amount of Notes, by electronic transfer to such Owner upon written notice given to the Note Registrar by such Owner, not less than 15 days prior to the Record Date for such interest, containing the electronic transfer instructions including the bank, ABA routing number and account number to which such Owner wishes to have such transfer directed.

Notwithstanding the foregoing provisions of this Section, any Defaulted Interest with respect to any Note shall cease to be payable to the Owner of such Note on the relevant Record Date and shall be payable to the Owner in whose name such Note is registered at the close of business on the Special Record Date for the payment of such Defaulted Interest, which Special Record Date shall be fixed as hereinafter specified in this paragraph. The Issuer shall notify the Paying Agent in writing of the amount of Defaulted Interest proposed to be paid on each Note and the date of the proposed payment (which date shall be at least 45 days after receipt of such notice by the Paying Agent) and shall deposit with the Paying Agent at the time of such notice an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Paying Agent for such deposit prior to the date of the proposed payment. Following receipt of such funds the Paying Agent shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 nor less than 10 days prior to the date of the proposed payment. The Paying Agent shall promptly notify the Issuer of such Special Record Date and, in the name and at the expense of the Issuer, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, by first class mail, postage prepaid, to each Owner of a Note entitled to such notice at the address of such Owner as it appears on the Note Register not less than 10 days prior to such Special Record Date.

The Paying Agent shall keep a record of payment of principal and Redemption Price of and interest on all Notes and at least annually shall forward a copy or summary of such records to the Issuer.

Section 205. Payments Due on Saturdays, Sundays and Holidays. In any case where a Note Payment Date is not a Business Day, then payment of principal, Redemption Price or interest need not be made on such Note Payment Date but may be made on the next succeeding Business Day with the same force and effect as if made on such Note Payment Date, and no interest shall accrue for the period after such Note Payment Date.

Section 206. Registration, Transfer and Exchange of Notes. The Issuer covenants that, as long as any of the Notes remain Outstanding, it will cause the Note Register to be kept at the office of the Note Registrar as herein provided. Each Note when issued shall be registered in the name of the Owner thereof on the Note Register.

Notes may be transferred and exchanged only on the Note Register as provided in this Section. Upon surrender of any Note at the principal office of the Note Registrar, the Note Registrar shall transfer or exchange such Note for a new Note or Notes in any Authorized Denomination of the same Stated Maturity and in the same aggregate principal amount as the Note that was presented for transfer or exchange.

Notes presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in a form and with guarantee of signature satisfactory to the Note Registrar, duly executed by the Owner thereof or by the Owner's duly authorized agent.

In all cases in which the privilege of transferring or exchanging Notes is exercised, the Note Registrar shall authenticate and deliver Notes in accordance with the provisions of this Note Resolution. The Issuer shall pay the fees and expenses of the Note Registrar for the registration, transfer and exchange of Notes provided for by this Note Resolution and the cost of printing a reasonable supply of registered
note blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of
the Note Registrar, are the responsibility of the Owners of the Notes. In the event any Owner fails to provide
a correct taxpayer identification number to the Paying Agent, the Paying Agent may make a charge against
such Owner sufficient to pay any governmental charge required to be paid as a result of such failure. In
compliance with Section 3406 of the Code, such amount may be deducted by the Paying Agent from
amounts otherwise payable to such Owner hereunder or under the Notes.

The Issuer and the Note Registrar shall not be required (a) to register the transfer or exchange of
any Note that has been called for redemption after notice of such redemption has been mailed by the Paying
Agent pursuant to Article III hereof and during the period of 15 days next preceding the date of mailing of
such notice of redemption; or (b) to register the transfer or exchange of any Note during a period beginning
at the opening of business on the day after receiving written notice from the Issuer of its intent to pay
Defaulted Interest and ending at the close of business on the date fixed for the payment of Defaulted Interest
pursuant to this Article II.

The Issuer and the Paying Agent may deem and treat the Person in whose name any Note is
registered on the Note Register as the absolute Owner of such Note, whether such Note is overdue or not,
for the purpose of receiving payment of, or on account of, the principal or Redemption Price of and interest
on said Note and for all other purposes. All payments so made to any such Owner or upon the Owner's
order shall be valid and effective to satisfy and discharge the liability upon such Note to the extent of the
sum or sums so paid, and neither the Issuer nor the Paying Agent shall be affected by any notice to the
contrary.

At reasonable times and under reasonable regulations established by the Note Registrar, the Note
Register may be inspected and copied by the Owners (or a designated representative thereof) of 10% or
more in principal amount of the Notes then Outstanding or any designated representative of such Owners
whose authority is evidenced to the satisfaction of the Note Registrar.

Section 207. Execution, Registration, Authentication and Delivery of Notes. Each of the
Notes, including any Notes issued in exchange or as substitutions for the Notes initially delivered, shall be
executed for and on behalf of the Issuer by the manual, electronic or facsimile signature of the Mayor,
attested by the manual, electronic or facsimile signature of the Clerk and the seal of the Issuer shall be
affixed thereto or imprinted thereon. The Mayor and Clerk are hereby authorized and directed to prepare
and execute the Notes in the manner herein specified, and to cause the Notes to be registered in the office
of the Clerk, which registration shall be evidenced by the manual, electronic or facsimile signature of the
Clerk with the seal of the Issuer affixed thereto or imprinted thereon. The Notes shall also be registered in
the office of the State Treasurer, which registration shall be evidenced by the manual, electronic or facsimile
signature of the State Treasurer with the seal of the State Treasurer affixed thereto or imprinted thereon.
The Notes shall be countersigned by the manual, electronic or facsimile signature of the Clerk and the seal
of the Issuer shall be affixed or imprinted adjacent thereto following registration of the Notes by the
Treasurer of the State of Kansas. In case any officer whose signature appears on any Notes ceases to be
such officer before the delivery of such Notes, such signature shall nevertheless be valid and sufficient for
all purposes, as if such person had remained in office until delivery. Any Note may be signed by such
persons who at the actual time of the execution of such Note are the proper officers to sign such Note
although at the date of such Note such persons may not have been such officers.

The Mayor and Clerk are hereby authorized and directed to prepare and execute the Notes as herein
specified, and when duly executed, to deliver the Notes to the Note Registrar for authentication.

The Notes shall have endorsed thereon a certificate of authentication substantially in the form
attached hereto as EXHIBIT A hereof, which shall be manually executed by an authorized officer or
employee of the Note Registrar, but it shall not be necessary that the same officer or employee sign the certificate of authentication on all of the Notes that may be issued hereunder at any one time. No Note shall be entitled to any security or benefit under this Note Resolution or be valid or obligatory for any purpose unless and until such certificate of authentication has been duly executed by the Note Registrar. Such executed certificate of authentication upon any Note shall be conclusive evidence that such Note has been duly authenticated and delivered under this Note Resolution. Upon authentication, the Note Registrar shall deliver the Notes to the Purchaser upon instructions of the Issuer or its representative.

Section 208. Mutilated, Lost, Stolen or Destroyed Notes. If (a) any mutilated Note is surrendered to the Note Registrar or the Note Registrar receives evidence to its satisfaction of the destruction, loss or theft of any Note, and (b) there is delivered to the Issuer and the Note Registrar such security or indemnity as may be required by each of them, then, in the absence of notice to the Issuer or the Note Registrar that such Note has been acquired by a bona fide purchaser, the Issuer shall execute and, upon the Issuer's request, the Note Registrar shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Note, a new Note of the same Stated Maturity and of like tenor and principal amount.

If any such mutilated, destroyed, lost or stolen Note has become or is about to become due and payable, the Issuer, in its discretion, may pay such Note instead of issuing a new Note.

Upon the issuance of any new Note under this Section, the Issuer may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith.

Every new Note issued pursuant to this Section shall constitute a replacement of the prior obligation of the Issuer, and shall be entitled to all the benefits of this Note Resolution equally and ratably with all other Outstanding Notes.

Section 209. Cancellation and Destruction of Notes Upon Payment. All Notes that have been paid or redeemed or that otherwise have been surrendered to the Paying Agent, either at or before Maturity, shall be cancelled by the Paying Agent immediately upon the payment, redemption and surrender thereof to the Paying Agent and subsequently destroyed in accordance with the customary practices of the Paying Agent. The Paying Agent shall execute a certificate in duplicate describing the Notes so cancelled and destroyed and shall file an executed counterpart of such certificate with the Issuer.

Section 210. Book-Entry Notes; Securities Depository. The Issuer and Paying Agent have entered into a DTC Representation Letter with DTC. The Notes shall initially be registered to Cede & Co., the nominee for the Securities Depository, and no Beneficial Owner will receive certificates representing their respective interests in the Notes, except in the event the Note Registrar issues Replacement Notes as provided in this Section. It is anticipated that during the term of the Notes, the Securities Depository will make book-entry transfers among its Participants and receive and transmit payment of principal of, premium, if any, and interest on, the Notes to the Participants until and unless the Note Registrar authenticates and delivers Replacement Notes to the Beneficial Owners as described in the following paragraph.

The Issuer may decide, subject to the requirements of the Operational Arrangements of DTC (or a successor Securities Depository), and the following provisions of this section to discontinue use of the system of book-entry transfers through DTC (or a successor Securities Depository):

(a) If the Issuer determines (1) that the Securities Depository is unable to properly discharge its responsibilities, or (2) that the Securities Depository is no longer qualified to act as a securities depository
and registered clearing agency under the Securities and Exchange Act of 1934, as amended, or (3) that the continuation of a book-entry system to the exclusion of any Notes being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Notes; or

(b) if the Note Registrar receives written notice from Participants having interests in not less than 50% of the Notes Outstanding, as shown on the records of the Securities Depository (and certified to such effect by the Securities Depository), that the continuation of a book-entry system to the exclusion of any Notes being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Notes, then the Note Registrar shall notify the Owners of such determination or such notice and of the availability of certificates to Owners requesting the same, and the Note Registrar shall register in the name of and authenticate and deliver Replacement Notes to the Beneficial Owners or their nominees in principal amounts representing the interest of each, making such adjustments as it may find necessary or appropriate as to accrued interest and previous calls for redemption; provided, that in the case of a determination under (a)(1) or (a)(2) of this paragraph, the Issuer, with the consent of the Note Registrar, may select a successor securities depository in accordance with the following paragraph to effect book-entry transfers.

In such event, all references to the Securities Depository herein shall relate to the period of time when the Securities Depository has possession of at least one Note. Upon the issuance of Replacement Notes, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Note Registrar, to the extent applicable with respect to such Replacement Notes. If the Securities Depository resigns and the Issuer, the Note Registrar or Owners are unable to locate a qualified successor of the Securities Depository in accordance with the following paragraph, then the Note Registrar shall authenticate and cause delivery of Replacement Notes to Owners, as provided herein. The Note Registrar may rely on information from the Securities Depository and its Participants as to the names of the Beneficial Owners of the Notes. The cost of printing, registration, authentication, and delivery of Replacement Notes shall be paid for by the Issuer.

In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, the Issuer may appoint a successor Securities Depository provided the Note Registrar receives written evidence satisfactory to the Note Registrar with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities and Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Note Registrar upon its receipt of a Note or Notes for cancellation shall cause the delivery of Notes to the successor Securities Depository in appropriate denominations and form as provided herein.

Section 211. Nonpresentment of Notes. If any Note is not presented for payment when the principal thereof becomes due at Maturity, if funds sufficient to pay such Note have been made available to the Paying Agent all liability of the Issuer to the Owner thereof for the payment of such Note shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the Owner of such Note, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Note Resolution or on, or with respect to, said Note. If any Note is not presented for payment within four (4) years following the date when such Note becomes due at Maturity, the Paying Agent shall repay, without liability for interest thereon, to the Issuer the funds theretofore held by it for payment of such Note, and such Note shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the Issuer, and the Owner thereof shall be entitled to look only to the Issuer for payment, and
then only to the extent of the amount so repaid to it by the Paying Agent, and the Issuer shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

Section 212. Preliminary and Final Official Statement. The Preliminary Official Statement dated June 20, 2022, is hereby ratified and approved. For the purpose of enabling the Purchaser to comply with the requirements of Section (b)(1) of the SEC Rule, the Issuer hereby deems the information regarding the Issuer contained in the Preliminary Official Statement to be “final” as of its date, except for the omission of such information as is permitted by Section (b)(1) of the SEC Rule, and the Mayor or Director of Finance of the Issuer are hereby authorized, if requested, to provide the Purchaser a letter or certification to such effect and to take such other actions or execute such other documents as such officers in their reasonable judgment deem necessary to enable the Purchaser to comply with the requirement of the SEC Rule.

The Official Statement is hereby authorized to be prepared by supplementing, amending and completing the Preliminary Official Statement, with such changes and additions thereto as are necessary to conform to and describe the transaction. The Mayor or Director of Finance of the Issuer are hereby authorized to execute the final Official Statement as so supplemented, amended and completed, and the use and public distribution of the final Official Statement by the Purchaser in connection with the reoffering of the Notes is hereby authorized. The proper officials of the Issuer are hereby authorized to execute and deliver a certificate pertaining to such Official Statement as prescribed therein, dated as of the Issue Date.

The Issuer agrees to provide to the Purchaser within seven business days of the date of the sale of Notes sufficient copies of the final Official Statement to enable the Purchaser to comply with the requirements of the SEC Rule and Rule G-32 of the Municipal Securities Rulemaking Board.

Section 213. Sale of the Notes. The sale of the Notes to the Purchaser is hereby ratified and confirmed. The Mayor and Clerk are hereby authorized to execute the official bid form submitted by the Purchaser. Delivery of the Notes shall be made to the Purchaser on the Issue Date (which shall be as soon as practicable after the adoption of this Note Resolution), upon payment of the Purchase Price.

ARTICLE III
REDEMPTION OF NOTES

Section 301. Redemption by Issuer.

Optional Redemption. At the option of the Issuer, the Notes will be subject to redemption and payment prior to maturity on September 1, 2023, and thereafter, as a whole or in part (selection of the amount of Notes to be redeemed to be determined by the Issuer in such equitable manner as it may determine) at any time, at the redemption price of 100% (expressed as a percentage of the principal amount), plus accrued interest thereon to the Redemption Date.

Section 302. Selection of Notes to be Redeemed. Notes shall be redeemed only in an Authorized Denomination. When less than all of the Notes are to be redeemed and paid prior to their Stated Maturity, such Notes shall be redeemed in such manner as the Issuer shall determine. Notes of less than a full Stated Maturity shall be selected by the Note Registrar in a minimum Authorized Denomination of principal amount in such equitable manner as the Note Registrar may determine.

In the case of a partial redemption of Notes by lot when Notes of denominations greater than a minimum Authorized Denomination are then Outstanding, then for all purposes in connection with such redemption each minimum Authorized Denomination of face value shall be treated as though it were a
separate Note of the denomination of a minimum Authorized Denomination. If it is determined that one or more, but not all, of a minimum Authorized Denomination of face value represented by any Note is selected for redemption, then upon notice of intention to redeem a minimum Authorized Denomination, the Owner or the Owner's duly authorized agent shall forthwith present and surrender such Note to the Note Registrar: (1) for payment of the Redemption Price and interest to the Redemption Date of a minimum Authorized Denomination of face value called for redemption, and (2) for exchange, without charge to the Owner thereof, for a new Note or Notes of the aggregate principal amount of the unredeemed portion of the principal amount of such Note. If the Owner of any such Note fails to present such Note to the Paying Agent for payment and exchange as aforesaid, such Note shall, nevertheless, become due and payable on the redemption date to the extent of a minimum Authorized Denomination of face value called for redemption (and to that extent only).

Section 303. Notice and Effect of Call for Redemption. In the event the Issuer desires to call the Notes for redemption prior to maturity, written notice of such intent shall be provided to the Note Registrar in accordance with K.S.A. 10-129, as amended, not less than 45 days prior to the Redemption Date. The Note Registrar shall call Notes for redemption and payment and shall give notice of such redemption as herein provided upon receipt by the Note Registrar at least 45 days prior to the Redemption Date of written instructions of the Issuer specifying the principal amount, Stated Maturities, Redemption Date and Redemption Prices of the Notes to be called for redemption. The Paying Agent may in its discretion waive such notice period so long as the notice requirements set forth in this Section are met.

Unless waived by any Owner of Notes to be redeemed, if the Issuer shall call any Notes for redemption and payment prior to the Stated Maturity thereof, the Issuer shall give written notice of its intention to call and pay said Notes to the Note Registrar and the Purchaser. In addition, the Issuer shall cause the Note Registrar to give written notice of redemption to the Owners of said Notes. Each of said written notices shall be deposited in the United States first class mail not less than 30 days prior to the Redemption Date.

All official notices of redemption shall be dated and shall contain the following information:

(a) the Redemption Date;

(b) the Redemption Price;

(c) if less than all Outstanding Notes are to be redeemed, the identification (and, in the case of partial redemption of any Notes, the respective principal amounts) of the Notes to be redeemed;

(d) a statement that on the Redemption Date the Redemption Price will become due and payable upon each such Note or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the Redemption Date; and

(e) the place where such Notes are to be surrendered for payment of the Redemption Price, which shall be the principal office of the Paying Agent.

The failure of any Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption.

Prior to any Redemption Date, the Issuer shall deposit with the Paying Agent an amount of money sufficient to pay the Redemption Price of all the Notes or portions of Notes that are to be redeemed on such Redemption Date.
For so long as the Securities Depository is effecting book-entry transfers of the Notes, the Note Registrar shall provide the notices specified in this Section to the Securities Depository. It is expected that the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the Beneficial Owners. Any failure on the part of the Securities Depository or a Participant, or failure on the part of a nominee of a Beneficial Owner of a Note (having been mailed notice from the Note Registrar, the Securities Depository, a Participant or otherwise) to notify the Beneficial Owner of the Note so affected, shall not affect the validity of the redemption of such Note.

Official notice of redemption having been given as aforesaid, the Notes or portions of Notes to be redeemed shall become due and payable on the Redemption Date, at the Redemption Price therein specified, and from and after the Redemption Date (unless the Issuer defaults in the payment of the Redemption Price) such Notes or portion of Notes shall cease to bear interest. Upon surrender of such Notes for redemption in accordance with such notice, the Redemption Price of such Notes shall be paid by the Paying Agent. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Note, there shall be prepared for the Owner a new Note or Notes of the same Stated Maturity in the amount of the unpaid principal as provided herein. All Notes that have been surrendered for redemption shall be cancelled and destroyed by the Paying Agent as provided herein and shall not be reissued.

In addition to the foregoing notice, the Issuer shall provide such notices of redemption as are required by the Disclosure Undertaking. Further notice may be given by the Issuer or the Note Registrar on behalf of the Issuer as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if official notice thereof is given as above prescribed:

(a) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (1) the CUSIP numbers of all Notes being redeemed; (2) the date of issue of the Notes as originally issued; (3) the rate of interest borne by each Note being redeemed; (4) the maturity date of each Note being redeemed; and (5) any other descriptive information needed to identify accurately the Notes being redeemed.

(b) Each further notice of redemption shall be sent at least one day before the mailing of notice to Owners by first class, registered or certified mail or overnight delivery, as determined by the Note Registrar, to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Notes and to one or more national information services that disseminate notices of redemption of obligations such as the Notes.

(c) Each check or other transfer of funds issued for the payment of the Redemption Price of Notes being redeemed shall bear or have enclosed the CUSIP number of the Notes being redeemed with the proceeds of such check or other transfer.

The Paying Agent is also directed to comply with any mandatory standards then in effect for processing redemptions of municipal securities established by the State or the Securities and Exchange Commission. Failure to comply with such standards shall not affect or invalidate the redemption of any Note.
ARTICLE IV
SECURITY FOR NOTES

Section 401. Security for the Notes. The Notes shall be general obligations of the Issuer payable as to both principal and interest from special assessments levied upon the property benefited by the construction of the Improvements, or from general obligation bonds of the Issuer, and if not so paid, from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the Issuer. The full faith, credit and resources of the Issuer are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Notes as the same become due.

Section 402. Levy and Collection of Annual Tax. The governing body of the Issuer shall annually make provision for the payment of principal of, premium, if any, and interest on the Notes as the same become due, if necessary, by levying and collecting the necessary taxes upon all of the taxable tangible property within the Issuer in the manner provided by law.

Authorizations for withdrawals for other authorized purposes shall be supported by a certificate executed by the Clerk (or designate) stating that such payment is being made for a purpose within the scope of this Note Resolution. Upon completion of the Improvements, any surplus remaining in the Improvement Fund shall be deposited in the Debt Service Account.

(b) The Issuer may reallocate expenditure of Note proceeds among all Improvements financed by the Notes; provided the following conditions are met: (1) the reallocation is approved by the governing body of the Issuer; (2) the reallocation shall not cause the proceeds of the Notes allocated to any Improvement to exceed the Financeable Costs of the Improvement; and (3) the reallocation will not adversely affect the tax-exempt status of the Notes under State or federal law.
Section 505. Application of Moneys in Debt Service Account. All amounts paid and credited to the Debt Service Account shall be expended and used by the Issuer for the sole purpose of paying the principal or Redemption Price of and interest on the Notes as and when the same become due and the usual and customary fees and expenses of the Note Registrar and Paying Agent. If, through the lapse of time or otherwise, the Owners of Notes are no longer entitled to enforce payment of the Notes or the interest thereon, the Paying Agent shall return said funds to the Issuer. All moneys deposited with the Paying Agent shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Note Resolution and shall be held in trust by the Paying Agent for the benefit of the Owners of the Notes entitled to payment from such moneys.

All money at any time deposited in the Rebate Fund shall be held in trust, to the extent required to satisfy the Rebate Amount (as defined in the Federal Tax Certificate), for payment to the United States of America, and neither the Issuer nor the Owner of any Notes shall have any rights in or claim to such money. All amounts deposited into or on deposit in the Rebate Fund shall be governed by this Section and the Federal Tax Certificate.

(b) The Issuer shall periodically determine the arbitrage rebate, if any, under Code § 148(f) of the Code in accordance with the Federal Tax Certificate, and the Issuer shall make payments to the United States of America at the times and in the amounts determined under the Federal Tax Certificate. Any moneys remaining in the Rebate Fund after redemption and payment of all of the Notes and payment and satisfaction of any Rebate Amount, or provision made therefor, shall be deposited into the Bond and Interest Fund.

(c) Notwithstanding any other provision of this Note Resolution, including in particular Article VII hereof, the obligation to pay arbitrage rebate to the United States of America and to comply with all other requirements of this Section and the Federal Tax Certificate shall survive the defeasance or payment in full of the Notes.

Section 507. Deposits and Investment of Moneys. Moneys in each of the Funds and Accounts shall be deposited in accordance with laws of the State, in a bank, savings and loan association or savings bank organized under the laws of the State, any other state or the United States: (a) which has a main or branch office located in the Issuer; or (b) if no such entity has a main or branch office located in the Issuer, with such an entity that has a main or branch office located in the county or counties in which the Issuer is located. All such depositaries shall be members of the Federal Deposit Insurance Corporation, or otherwise as permitted by State law. All such deposits shall be invested in Permitted Investments as set forth in this Article or shall be adequately secured as provided by the laws of the State. All moneys held in the Funds and Accounts shall be kept separate and apart from all other funds of the Issuer so that there shall be no commingling with any other funds of the Issuer.
Moneys held in any Fund or Account may be invested in accordance with this Note Resolution and the Federal Tax Certificate in Permitted Investments; provided, however, that no such investment shall be made for a period extending longer than to the date when the moneys invested may be needed for the purpose for which such fund was created. All earnings on any investments held in any Fund or Account shall accrue to and become a part of such Fund or Account; provided that, during the period of construction of the Improvements, earnings on the investment of such funds may be credited to the Debt Service Account.

Section 508. Application of Moneys in the Costs of Issuance Account. Moneys in the Costs of Issuance Account shall be used by the Issuer to pay the Costs of Issuance. Section 509. Application of Moneys in the Compliance Account. Any funds remaining in the Compliance Account on the sixth anniversary of the Issue Date shall be transferred to the Debt Service Account.

ARTICLE VI

DEFAULT AND REMEDIES

Section 601. Remedies. The provisions of the Note Resolution, including the covenants and agreements herein contained, shall constitute a contract between the Issuer and the Owners of the Notes. If an Event of Default occurs and shall be continuing, the Owner or Owners of not less than 10% in principal amount of the Notes at the time Outstanding shall have the right for the equal benefit and protection of all Owners of Notes similarly situated:

(a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of such Owner or Owners against the Issuer and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of the Note Resolution or by the Constitution and laws of the State;

(b) by suit, action or other proceedings in equity or at law to require the Issuer, its officers, agents and employees to account as if they were the trustees of an express trust; and

(c) by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the Owners of the Notes.

Section 602. Limitation on Rights of Owners. The covenants and agreements of the Issuer contained herein and in the Notes shall be for the equal benefit, protection, and security of the Owners of any or all of the Notes, all of which Notes shall be of equal rank and without preference or priority of one Note over any other Note in the application of the funds herein pledged to the payment of the principal of and the interest on the Notes, or otherwise, except as to rate of interest, date of maturity and right of prior redemption as provided in this Note Resolution. No one or more Owners secured hereby shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided, and all proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Outstanding Notes.
Section 603. Remedies Cumulative. No remedy conferred herein upon the Owners is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by the Owner of any Note shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies thereon. No delay or omission of any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Owners of the Notes by this Note Resolution may be enforced and exercised from time to time and as often as may be deemed expedient. If action or proceedings taken by any Owner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or shall have been determined adversely to such Owner, then, and in every such case, the Issuer and the Owners of the Notes shall, subject to any determination in such action or proceeding or applicable law of the State, be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Owners shall continue as if no such suit, action or other proceedings had been brought or taken.

ARTICLE VII

DEFEASANCE

Section 701. Defeasance. When any or all of the Notes, redemption premium, if any, or scheduled interest payments thereon have been paid and discharged, then the requirements contained in this Note Resolution and the pledge of the Issuer's faith and credit hereunder and all other rights granted hereby shall terminate with respect to the Notes or scheduled interest payments thereon so paid and discharged. Notes, redemption premium, if any, or scheduled interest payments thereon shall be deemed to have been paid and discharged within the meaning of this Note Resolution if there has been deposited with the Paying Agent, or other commercial bank or trust company located in the State and having full trust powers, at or prior to the Stated Maturity or Redemption Date of said Notes or the interest payments thereon, in trust for and irrevocably appropriated thereto, moneys and/or Defeasance Obligations which, together with the interest to be earned on any such Defeasance Obligations, will be sufficient for the payment of the principal of or Redemption Price of said Notes and/or interest accrued to the Stated Maturity or Redemption Date, or if default in such payment has occurred on such date, then to the date of the tender of such payments. If the amount to be so deposited is based on the Redemption Price of any Notes, no such satisfaction shall occur until (a) the Issuer has elected to redeem such Notes, and (b) either notice of such redemption has been given, or the Issuer has given irrevocable instructions, or shall have provided for an escrow agent to give irrevocable instructions, to the Note Registrar to give such notice of redemption in compliance with Article III. Any money and Defeasance Obligations that at any time shall be deposited with the Paying Agent or other commercial bank or trust company by or on behalf of the Issuer, for the purpose of paying and discharging any of the Notes, shall be and are hereby assigned, transferred and set over to the Paying Agent or other bank or trust company in trust for the respective Owners of the Notes, and such moneys shall be and are hereby irrevocably appropriated to the payment and discharge thereof. All money and Defeasance Obligations deposited with the Paying Agent or such bank or trust company shall be deemed to be deposited in accordance with and subject to all of the provisions of this Note Resolution.
ARTICLE VIII

TAX COVENANTS

Section 801. General Covenants. The Issuer covenants and agrees that: it will comply with: (a) all applicable provisions of the Code necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Notes; and (b) all provisions and requirements of the Federal Tax Certificate. The Mayor, Director of Finance and Clerk are hereby authorized and directed to execute the Federal Tax Certificate in a form approved by Bond Counsel, for and on behalf of and as the act and deed of the Issuer. The Issuer will, in addition, adopt such other ordinances or resolutions and take such other actions as may be necessary to comply with the Code and with all other applicable future laws, regulations, published rulings and judicial decisions, in order to ensure that the interest on the Notes will remain excluded from federal gross income, to the extent any such actions can be taken by the Issuer.

Section 802. Survival of Covenants. The covenants contained in this Article and in the Federal Tax Certificate shall remain in full force and effect notwithstanding the defeasance of the Notes pursuant to Article VII hereof or any other provision of this Note Resolution until such time as is set forth in the Federal Tax Certificate.

ARTICLE IX

CONTINUING DISCLOSURE REQUIREMENTS

Section 901. Disclosure Requirements. The Issuer hereby covenants with the Purchaser and the Beneficial Owners to provide and disseminate such information as is required by the SEC Rule and as further set forth in the Disclosure Undertaking, the provisions of which are incorporated herein by reference. Such covenant shall be for the benefit of and enforceable by the Purchaser and the Beneficial Owners.

Section 902. Failure to Comply with Continuing Disclosure Requirements. In the event the Issuer fails to comply in a timely manner with its covenants contained in the preceding section, the Purchaser and/or any Beneficial Owner may make demand for such compliance by written notice to the Issuer. In the event the Issuer does not remedy such noncompliance within 10 days of receipt of such written notice, the Purchaser or any Beneficial Owner may in its discretion, without notice or demand, proceed to enforce compliance by a suit or suits in equity for the specific performance of such covenant or agreement contained in the preceding section or for the enforcement of any other appropriate legal or equitable remedy, as the Purchaser and/or any Beneficial Owner shall deem effectual to protect and enforce any of the duties of the Issuer under such preceding section.

ARTICLE X

MISCELLANEOUS PROVISIONS

Section 1001. Annual Audit. Annually, promptly after the end of the Fiscal Year, the Issuer will cause an audit to be made of the financial statements of the Issuer for the preceding Fiscal Year by an Independent Accountant. Within 30 days after the completion of each such audit, a copy thereof shall be filed in the office of the Clerk. Such audit shall at all times during the usual business hours be open to the examination and inspection by any taxpayer, any Owner of any of the Notes, or by anyone acting for or on behalf of such taxpayer or Owner. Upon payment of the reasonable cost of preparing and mailing the same,
a copy of any annual audit will, upon request, be sent to any Owner or prospective Owner. As soon as possible after the completion of the annual audit, the governing body of the Issuer shall review such audit, and if the audit discloses that proper provision has not been made for all of the requirements of this Note Resolution, the Issuer shall promptly cure such deficiency.

Section 1002. Amendments. The rights and duties of the Issuer and the Owners, and the terms and provisions of the Notes or of this Note Resolution, may be amended or modified at any time in any respect by resolution or ordinance of the Issuer with the written consent of the Owners of not less than a majority in principal amount of the Notes then Outstanding, such consent to be evidenced by an instrument or instruments executed by such Owners and duly acknowledged or proved in the manner of a deed to be recorded, and such instrument or instruments shall be filed with the Clerk, but no such modification or alteration shall:

(a) Extend the maturity of any payment of principal or interest due upon any Note;

(b) effect a reduction in the amount which the Issuer is required to pay as principal of or interest on any Note;

(c) permit preference or priority of any Note over any other Note; or

(d) reduce the percentage in principal amount of Notes required for the written consent to any modification or alteration of the provisions of this Note Resolution.

Any provision of the Notes or of this Note Resolution may, however, be amended or modified by resolution or ordinance duly adopted by the governing body of the Issuer at any time in any legal respect with the written consent of the Owners of all of the Notes at the time Outstanding.

Without notice to or the consent of any Owners, the Issuer may amend or supplement this Note Resolution for the purpose of curing any formal defect, omission, inconsistency or ambiguity herein, to grant to or confer upon the Owners any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Owners, to more precisely identify the Improvements, to reallocate proceeds of the Notes among Improvements, to provide for Substitute Improvements, to conform this Note Resolution to the Code or future applicable federal law concerning tax-exempt obligations, or in connection with any other change therein which is not materially adverse to the interests of the Owners.

Every amendment or modification of the provisions of the Notes or of this Note Resolution, to which the written consent of the Owners is given, as above provided, shall be expressed in a resolution or ordinance adopted by the governing body of the Issuer amending or supplementing the provisions of this Note Resolution and shall be deemed to be a part of this Note Resolution. A certified copy of every such amendatory or supplemental resolution or ordinance, if any, and a certified copy of this Note Resolution shall always be kept on file in the office of the Clerk, and shall be made available for inspection by the Owner of any Note or a prospective purchaser or owner of any Note authorized by this Note Resolution, and upon payment of the reasonable cost of preparing the same, a certified copy of any such amendatory or supplemental resolution or ordinance or of this Note Resolution will be sent by the Clerk to any such Owner or prospective Owner.

Any and all modifications made in the manner hereinabove provided shall not become effective until there has been filed with the Clerk a copy of the resolution or ordinance of the Issuer hereinabove provided for, duly certified, as well as proof of any required consent to such modification by the Owners of the Notes then Outstanding. It shall not be necessary to note on any of the Outstanding Notes any reference to such amendment or modification.
The Issuer shall furnish to the Paying Agent a copy of any amendment to the Notes or this Note Resolution which affects the duties or obligations of the Paying Agent under this Note Resolution.

**Section 1003. Notices, Consents and Other Instruments by Owners.** Any notice, consent, request, direction, approval or other instrument to be signed and executed by the Owners may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owners in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Notes, if made in the following manner, shall be sufficient for any of the purposes of this Note Resolution, and shall be conclusive in favor of the Issuer and the Paying Agent with regard to any action taken, suffered or omitted under any such instrument, namely:

(a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of Notes, the amount or amounts, numbers and other identification of Notes, and the date of holding the same shall be proved by the Note Register.

In determining whether the Owners of the requisite principal amount of Notes Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Note Resolution, Notes owned by the Issuer shall be disregarded and deemed not to be Outstanding under this Note Resolution, except that, in determining whether the Owners shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Notes which the Owners know to be so owned shall be so disregarded. Notwithstanding the foregoing, Notes so owned which have been pledged in good faith shall not be disregarded as aforesaid if the pledgee establishes to the satisfaction of the Owners the pledgee's right so to act with respect to such Notes and that the pledgee is not the Issuer.

**Section 1004. Notices.** Any notice, request, complaint, demand or other communication required or desired to be given or filed under this Note Resolution shall be in writing, given to the Notice Representative at the Notice Address and shall be deemed duly given or filed if the same shall be: (a) duly mailed by registered or certified mail, postage prepaid; or (b) communicated via fax, with electronic or telephonic confirmation of receipt. Copies of such notices shall also be given to the Paying Agent. The Issuer, the Paying Agent and the Purchaser may from time to time designate, by notice given hereunder to the others of such parties, such other address to which subsequent notices, certificates or other communications shall be sent.

All notices given by: (a) certified or registered mail as aforesaid shall be deemed duly given as of the date they are so mailed; (b) fax as aforesaid shall be deemed duly given as of the date of confirmation of receipt. If, because of the temporary or permanent suspension of regular mail service or for any other reason, it is impossible or impractical to mail any notice in the manner herein provided, then such other form of notice as shall be made with the approval of the Paying Agent shall constitute a sufficient notice.

**Section 1005. Electronic Transactions.** The transactions described in this Note Resolution may be conducted, and documents related to the Notes may be sent, received, executed, and stored, by electronic means or transmissions. Copies, telecopies, electronic files and other reproductions of original executed documents (or documents executed by electronic means or transmissions) shall be deemed to be authentic and valid counterparts of such documents for all purposes, including the filing of any claim, action or suit in the appropriate court of law.
Section 1006. Further Authority. The officers and officials of the Issuer, including the Mayor and Clerk, are hereby authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Note Resolution and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section 1007. Severability. If any section or other part of this Note Resolution, whether large or small, is for any reason held invalid, the invalidity thereof shall not affect the validity of the other provisions of this Note Resolution.

From: Angie Gonzalez, Housing and Special Projects Coordinator  
Date: 07/12/2022  
Subject: CDBG- Environmental Review Statutory Checklist  
Agenda Item: Statutory Checklist

Purpose: The Community Development Block Grant Housing Program would allow us to focus on preserving our existing housing in low-income neighborhoods. Community Development Block Grant funds cannot be released, obligated, or incurred until the environmental review process is completed and cleared by the state.

Recommendation: Staff recommends the approval of the Statutory Checklist allowing the City of Dodge City to proceed with the notice of intent to release funds from the Kansas Department of Commerce for the housing target rehabilitation project.

Background: The City of Dodge City recognizes the need to use strategic rehabilitation and housing conservation to strengthen home values in aging neighborhoods. The City was awarded a $300,000.00 grant from the Kansas Department of Commerce, compliance with the environmental review is a requirement for the release of those funds. The environmental review process evaluates the impact of Community Development Block projects upon the human and natural environment and describes any actions or conditions that are needed to mitigate or minimize adverse impacts. The Statutory Checklist is a component of the environmental review consisting of the overview of verifiable source compliance documentation.

City Commission Options:
1. Approve  
2. Disapprove  
3. Table for further discussion

Financial Considerations: No funding match is required.

Amount $:

Fund: Dept: Expense Code:

__ Budgeted Expense ___X__ Grant ___ Bonds ___ Other

Legal Considerations: None

Mission/Values: The housing rehabilitation project meets the city’s core value of ongoing improvements by expanding economic opportunities for low-and moderate-income citizens.

### 24 CFR §58.5 – NEPA-Related Federal Statutes and Authorities

**DIRECTIONS** – For each authority, check one of the appropriate boxes under “Status.”

“A box” The project is in compliance, either because: (1) the nature of the project does not implicate the authority under consideration, or (2) supporting information documents that project compliance has been achieved. In either case, information must be provided as to **WHY the authority is not implicated, or HOW compliance is met**; OR

“B box” The project requires an additional compliance step or action, including but not limited to consultation with or approval from an oversight agency, performance of a study or analysis, completion of remediation or mitigation measure, or obtaining of license or permit.

**IMPORTANT:** Compliance documentation consists of verifiable source documents and/or relevant base data. Appropriate documentation must be provided for each law or authority. Documents may be incorporated by reference into the ERR provided that each source document is identified and available for inspection by interested parties. Proprietary material and studies that are not otherwise generally available for public review shall be included in the ERR. Refer to HUD guidance for more information.

RE: City of Dodge City – Rehabilitation and Non-Cosmetic Repair of Eligible Homes, Dodge Co.
FWS Tracking # 2022-0036330

Dear Ms. Gonzalez:

This is in response to your request for comment on the proposed Rehabilitation and Non-Cosmetic Repair of Eligible Homes. The project target area is bounded by the south side of the 1000 – 1200 block of West Beeson Road, 1000 – 1200 block of Longbranch Road, 900 – 1000 block of Harris Avenue, 900 – 1000 block of Kelley Avenue, 1000 – 1200 block of McArtor Road and the 900 block of Masterson Road, City of Dodge City, Dodge County, Kansas.

Based on review of the proposed actions and locations, I conclude that no federally listed threatened or endangered species are likely to be present in the targeted project area.

Should project plans change, or if additional information on listed or proposed species or critical habitat becomes available, this determination may be reconsidered. Until the ongoing project is complete, we recommend that you contact this office every 90 days from the date of this letter to ensure that listed species presence/absence information for the proposed project is correct.

Thank you for this opportunity to comment this proposed project. If we can be of any further assistance, please contact Ms. Michele McNulty, of this office, at michele_mcnulty@fws.gov.

Sincerely,

Michele McNulty

Dear Angie:

RE: KDWP Review of CDBG Project #22-HR-004 – Housing Rehabilitation Project, Dodge City, KS

Legal Description: Sec 02 – T27S – R25W

The referenced project was reviewed for potential impacts on crucial wildlife habitats, current state-listed threatened and endangered species and species in need of conservation, and public recreation areas for which this agency has administrative authority.

We have no objections to the project and provide the following comments and general recommendations when applicable:

- Incorporate principles of low impact development (LID), such as permeable asphalt pavement, porous concrete, swales, bioretention, or raingardens. More info on LID: [https://www.epa.gov/nps/urban-runoff-low-impact-development](https://www.epa.gov/nps/urban-runoff-low-impact-development).

- Implement and maintain standard erosion control Best Management Practices during all aspects of construction by installing sediment barriers (wattles, filter logs, rock check ditches, mulching, or any combination of these) across the entire construction area to prevent sediment and spoil from entering aquatic systems. Barriers should be maintained at high functioning capacity until construction is completed and vegetation is established. For more information on erosion BMPs go to: [http://www.kdheks.gov/stormwater/#construct](http://www.kdheks.gov/stormwater/#construct).

- Reseed disturbed areas with native warm-season grasses, forbs, and trees.

Results of our review indicate there will be no significant impacts to crucial wildlife habitats; therefore, no special mitigation measures are recommended. The project will not impact any public recreational areas, nor could we document any potential impacts to species currently listed as threatened, endangered or in need of conservation. No Department of Wildlife and Parks permits or special authorizations will be needed if construction is started within one year, and no design changes are made in the project plans. Permits may still be required from other agencies. We recommend consultation with all other applicable regulatory authorities which, among others, may include Kansas Department of Health and Environment, Kansas Department of Agriculture-Division of Water Resources, and the U.S. Army Corps of Engineers.

Since the Department’s recreational land obligations and the State’s species listings periodically change, if construction has not started within one year of this date, or if design changes are made in the project plans, the project sponsor must contact this office to verify continued applicability of this assessment report. For our purposes, we consider construction started when advertisements for bids are distributed.

Thank you for the opportunity to provide these comments and recommendations.

Sincerely,

Mark Van Scoyoc

MEMORANDUM

CC: Julie Coleman, Amy Thompson
FROM: Kevin Heit – Bureau of Waste Management
DATE: June 16th, 2022
RE: Intergovernmental Agency Review requested by Dodge City/Ford County Development Corporation for CDBG # 22-HR-004 grant funded City of Dodge City Residential Rehabilitation Project, in Ford County, KS.

The City of Dodge City, Ford County and its contractor(s) should review the attached Technical Guidance Document and ensure all waste is properly disposed. Waste that does not meet the definition of clean rubble or construction/demolition waste should be disposed at a permitted municipal solid waste landfill. If further information is required, I may be reached via email at kevin.heit@ks.gov or by phone at (785) 296-1757.
Construction and Demolition Wastes and Clean Rubble

Construction and Demolition (C&D) waste is solid waste generated during construction or demolition activities. Clean rubble is also generated during construction or demolition activities, but it differs in composition from C&D waste. This document explains the definitions of C&D waste and clean rubble and acceptable methods for disposal of both.

Construction and Demolition Waste

Definition of C&D waste
C&D waste is defined in KSA 65-3402 (u) as:
• solid waste resulting from the construction, remodeling, repair and demolition of structures, roads, sidewalks and utilities;
• untreated wood and untreated sawdust from any source;
• treated wood from construction or demolition projects;
• small amounts of municipal solid waste generated by the consumption of food and drinks at construction or demolition sites, including, but not limited to, cups, bags and bottles;
• furniture and appliances from which ozone depleting chlorofluorocarbons have been removed in accordance with the provisions of the federal clean air act;
• solid waste consisting of motor vehicle window glass; and
• solid waste consisting of vegetation from land clearing and grubbing, utility maintenance, and seasonal or storm related cleanup.

Such wastes include, but are not limited to, bricks, concrete, and other masonry materials, roofing materials, soil, rock, wood, wood products, wall or floor coverings, plaster, drywall, plumbing fixtures, electrical wiring, electrical components containing no hazardous materials, non-asbestos insulation and construction related packaging.

Other statutes and regulations further refine the definition:

Construction related packaging means small quantities of packaging wastes that are generated in the construction, remodeling or repair of structures and related appurtenances. “Construction related packaging” does not include packaging wastes that are generated at retail establishments selling construction materials, chemical containers generated from any source or packaging generated during maintenance of existing structures. KSA 65-3402(dd)

Furniture and appliances do not include computer monitors and other computer components, televisions, videocassette recorders, stereos, and similar waste electronics. KAR 28-29-300(a)(4)(A)

Treated wood includes wood treated with any of the following:
(i) Creosote;
(ii) oil-borne preservatives, including pentachlorophenol and copper naphthenate;
(iii) waterborne preservatives, including chromated copper arsenate (CCA), ammoniacal copper zinc arsenate (ACZA), and ammoniacal copper quaternary compound (ACQ); or
(iv) any other chemical that poses risks to human health and the environment that are similar to the risks posed by the chemicals specified in paragraphs (i) through (iii).

\textit{KAR 28-29-300(a)(4)(B)}

Untreated wood includes the following, if the wood has not been treated with any of the chemicals listed in the definition of treated wood:
(i) Coated wood, including wood that has been painted, stained, or varnished; and
(ii) engineered wood, including plywood, laminated wood, oriented-strand board, and particle board. \textit{KAR 28-29-300(a)(4)(C)}

\textbf{Wastes which may be disposed of in a C&D landfill}

In addition to the items \textit{explicitly} identified as C&D waste in KSA 65-3402 (u), the Kansas Department of Health and Environment (KDHE) considers the following materials as \textit{acceptable} for disposal in a C&D landfill:
1. Uncontaminated wooden pallets;
2. Street sweepings (litter must be removed and concentrations of metals, volatile organic compounds, and other compounds must be below regulatory levels);
3. Floor tile, siding, and roofing material containing non-friable asbestos. This material should be:
   a. handled so it remains non-friable (e.g., may have to be manually removed prior to demolition of structure);
   b. transported wet (covered with a mist spray to suppress dust) or transported with tarp cover; and
   c. covered immediately at the landfill;
4. Trees, brush, sod, and incidental quantities of leaves and grass;
5. Ash and other residues from the burning of trees and brush (trees and brush must have been burned in accordance with KAR 28-19-647);
6. Metal scrap (e.g. tie strapping);
7. Mobile homes and trailers (except the tires and fuel tanks). KDHE encourages the recycling of metal components.

Dry mud trap solids from commercial car washes may be applied as cover at a C&D landfill. To be considered a solid the material must pass the paint filter test, EPA method SW 846/9095.

\textbf{Wastes which may not be disposed of in a C&D landfill}

\textit{Construction and demolition waste} does not include waste material containing friable asbestos, garbage, appliances from which ozone depleting chlorofluorocarbons have not been removed in accordance with the provisions of the federal clean air act, electrical equipment containing hazardous materials, tires, drums and containers even though such wastes resulted from construction and demolition activities.

\textit{KSA 65-3402(u)}

In addition to the items \textit{explicitly} identified as \textit{not} being C&D waste, KDHE considers the following wastes \textit{unacceptable} for disposal in a C&D landfill:
1. Processed tires - i.e. cut or baled;
2. Mud trap wastes from businesses other than commercial car washes;
3. Bagged or bulk quantities of leaves and/or grass clippings;
4. Trash bags, unless demonstrated to contain only acceptable wastes.
Disposal options for C&D wastes
Acceptable C&D wastes may be disposed of in either a municipal solid waste landfill (MSWLF) or in a C&D landfill. Both MSWLFs and C&D landfills must be approved by KDHE through a permit process. But because of the relatively inert nature of the wastes disposed in C&D landfills, these landfills do not have to meet design standards as strict as those for MSWLFs.

Most C&D landfills will, on occasion, receive waste that is not appropriate for disposal. Therefore, all C&D landfills should conduct waste screening (i.e., inspect incoming waste and remove unacceptable materials) and maintain a dumpster or roll-off container onsite for unacceptable wastes which are received at the landfill. Waste screening is covered in Technical Guidance Document SW 02-01, and storage of unapproved wastes screened from construction and demolition landfills is addressed in Bureau of Waste Management Policy 02-01.

Clean Rubble

Definition of clean rubble
According to KSA 65-3402 (w), “Clean rubble means the following types of construction and demolition waste: concrete and concrete products including reinforcing steel, asphalt pavement, brick, rock and uncontaminated soil as defined in rules and regulations adopted by the secretary.”

KSA 65-3415b lists “clean rubble” as a waste which is exempt from the state solid waste tonnage fee. The definition of “construction and demolition waste” in KSA 65-3402(u) states: “Clean rubble that is mixed with other construction and demolition waste during demolition or transportation shall be considered to be construction and demolition waste.”

Clean rubble that is brought separately to a construction and demolition landfill or a municipal solid waste landfill is not subject to the tonnage fee, even if the clean rubble is mixed with construction and demolition waste or municipal solid waste upon disposal.

Disposal of clean rubble
The stable nature of the materials in clean rubble means it may be disposed of with C&D waste, or it may be disposed of separately at a clean rubble site. However, clean rubble that is mixed with other C&D waste during demolition or transportation is considered to be C&D waste and must be disposed of at either a MSWLF or at a C&D landfill.

Unlike a C&D landfill, state statutes do not require a solid waste permit for operation of a site that accepts only clean rubble. However, a clean rubble site may be subject to local city or county requirements such as local approval (zoning or land use) and local ordinances.

Approval from the Division of Water Resources (DWR) may be required if the site is located in the 100-year flood plain. The operation and appearance of the site must not create a public nuisance or adversely affect the public health or the environment.

Selected Definitions (continued)

**Flood Insurance Rate Map (FIRM)** – The FIRM is the basis for floodplain management, mitigation, and insurance activities for the National Flood Insurance Program (NFIP). Insurance applications include enforcement of the mandatory purchase requirement of the Flood Disaster Protection Act which "...requires the purchase of flood insurance by property owners who are being assisted by Federal programs or by Federally supervised, regulated or insured agencies or institutions in the acquisition or improvement of land facilities located or to be located in identified areas having special flood hazards" (Section 2 (b) (4) of the 1973 Flood Disaster Protection Act). In addition to the identification of Special Flood Hazard Areas, the risk zones shown on the FIRM are the basis for the establishment of premium rates for flood coverage offered through the NFIP.

**Freeboard** – Freeboard means a factor of safety usually expressed in feet above a flood level for purposes of floodplain management. "Freeboard" tends to compensate for the many unknown factors that could contribute to flood heights greater than the height calculated for a selected size flood and floodway conditions, such as wave action, bridge openings, and the hydrological effect of urbanization of the watershed.

**Variance** – A grant of relief by a community from the terms of a floodplain management regulation. Because a variance can create an increased risk to life and property, variances from flood elevation or other requirements in the flood ordinance should be rare. Insurance premium rates are required by statute to be based on actuarial risk and will not be modified by the granting of a variance. Specific criteria for granting a variance is described in the supplemental information.

FEMA may review a community’s findings justifying the granting of variances, and if that review indicates a pattern inconsistent with the objectives of sound floodplain management, FEMA may take appropriate action up to and including suspending the community from the NFIP.

**Reasonably Safe from Flooding** – Base flood waters will not inundate the land or damage structures to be removed from the SFHA and that any subsurface waters related to the base flood will not damage existing or proposed buildings.

---

**Flood Zones**

Flood zones are geographic areas that the Federal Emergency Management Agency (FEMA) has defined according to varying levels of flood risk. These zones are depicted on a community’s Flood Hazard Boundary Map (FHBM) or Flood Insurance Rate Map (FIRM). Each zone reflects the severity or type of flooding in the area.

Undetermined Risk Areas: Zone D -- Flood insurance available to all property owners and renters. Unstudied areas of undetermined but possible flood hazards. Lenders do not require flood insurance purchase. Base flood elevations not available.

**Moderate to Low Risk Areas:** Zones B, C, and X -- Lower-cost flood insurance available to all property owners and renters. Areas located outside the 1% annual chance floodplain (100-year floodplain). Includes areas protected from flood by certified 100-year levees. Lenders do not require flood insurance purchase. Area is higher than base flood elevation.

**High Risk Areas:** Flood insurance available to all property owners and renters. Lenders require mandatory purchase of flood insurance in all flood zones that begin with the letter A.

- **Zone A** – Areas with a 1% or greater annual chance of flooding (100-year floodplain). Hydraulic analyses not performed. Base flood elevations not shown.
- **Zone AE** – Areas with a 1% or greater annual chance of flooding (100-year floodplain). Hydraulic analyses performed. Base flood elevations shown.
- **Zone AH** – Areas with a 1% or greater annual chance of shallow flooding (ponding) with an average depth of 1 to 3 feet. Hydraulic analyses performed. Base flood elevations shown.
- **Zone AO** – Areas with a 1% or greater annual chance of shallow flooding (sheetflow), with an average depth of 1 to 3 feet. Hydraulic analyses performed. Base flood elevations shown.
- **Zone AR** – Areas with a 1% or greater annual chance of flooding protected behind a decertified levee, which is in the process of being reconstructed to restore 100-year flood protection.
