Memorandum

To: City Manager, City Commissioners
From: Mollea Wainscott, Assistant Director of Economic Development
Date: 05/16/22
Subject: RHID
Agenda Item: Resolution No. 2022-20

Recommendation: Staff recommends adoption of Resolution 2022-20, which permits the submittal of a proposed Rural Housing Incentive District (RHID) to the Kansas Secretary of Commerce for approval.

Background: In 2008, the City commissioned a Housing Needs Analysis, which reflected a critical shortage of housing available in the community. In 2009, the City Commission adopted a Resolution providing for several incentive programs in order to encourage housing development in the City. The RHID was identified as one of those programs. The program has captured the attention of several developers, locally and statewide. In 2018, the City commissioned another Housing Needs Analysis taking into consideration the progress that had developed since the 2008 Analysis. The latest Analysis continued to reflect a major shortage of housing. The establishment of this RHID will provide the incentive needed to entice developers to and in our community.

Justification: Housing continues to be a constant challenge in the Dodge City area. Establishment of the RHID is necessary in order to address the City’s critical housing shortage.

Financial Considerations: None at this time. However, if utilized, the financial consideration would be dependent upon each independent development agreement.

Purpose/Mission: To provide adequate housing in order for the City to accommodate present and future growth.

Legal Considerations: None

RESOLUTION NO. 2022-20

A RESOLUTION MAKING CERTAIN FINDINGS AND DETERMINATIONS AS TO THE NEED FOR HOUSING WITHIN THE CITY OF DODGE CITY, KANSAS AND SETTING FORTH THE LEGAL DESCRIPTION OF REAL PROPERTY PROPOSED TO BE DESIGNATED AS A RURAL HOUSING INCENTIVE DISTRICT WITHIN THE CITY.

WHEREAS, K.S.A. 12-5241 et seq. (the “Act”) authorizes any city incorporated in accordance with the laws of the state of Kansas (the “State”) with a population of less than 60,000 located in a county with a population of less than 80,000, to designate rural housing incentive districts within such city; and

WHEREAS, prior to such designation the governing body of such city shall conduct a housing needs analysis to determine what, if any, housing needs exist within its community; and

WHEREAS, after conducting such analysis, the governing body of such city may adopt a resolution making certain findings regarding the establishment of a rural housing incentive district and providing the legal description of property to be contained therein; and

WHEREAS, after publishing such resolution, the governing body of such city shall send a copy thereof to the Secretary of Commerce of the State (the “Secretary”) requesting that the Secretary agree with the finding contained in such resolution; and

WHEREAS, if the Secretary agrees with such findings, such city may proceed with the establishment of a rural housing incentive district within such city and adopt a plan for the development or redevelopment of housing and public facilities in the proposed district; and

WHEREAS, the City of Dodge City, Kansas (the “City”) has an estimated population of 27,340, is located in Ford County, Kansas, which has an estimated population of 33,848 and therefore constitutes a city as said term is defined in the Act; and

WHEREAS, the Governing Body of the City has performed a Housing Needs Analysis dated 2018 (the “Needs Analysis”), a copy of which is on file in the office of the City Clerk; and

WHEREAS, based on the Needs Analysis, the Governing Body of the City proposes to commence proceedings necessary to create a Rural Housing Incentive District, in accordance with the provisions of the Act.
THEREFORE, BE IT RESOLVED by the Governing Body of the City of Dodge City, Kansas, as follows:

Section 1. The Governing Body hereby adopts and incorporates by this reference as part of this Resolution the Needs Analysis, a copy of which is on file in the office of the City Clerk, and based on a review of said Needs Analysis makes the following findings and determinations.

Section 2. The Governing Body hereby finds and determines that there is a shortage of quality housing of various price ranges in the City despite the best efforts of public and private housing developers.

Section 3. The Governing Body hereby finds and determines that the shortage of quality housing can be expected to persist and that additional financial incentives are necessary in order to encourage the private sector to construct or renovate housing in the City.

Section 4. The Governing Body hereby finds and determines that the shortage of quality housing is a substantial deterrent to the future economic growth and development of the City.

Section 5. The Governing Body hereby finds and determines that the future economic well-being of the City depends on the Governing Body providing additional incentives for the construction or renovation of quality housing in the City.

Section 6. Based on the findings and determinations recited in Sections 2 through 5 of this Resolution, the Governing Body proposes to establish a Rural Housing Incentive District pursuant to the Act, within boundaries of the real estate legally described in Exhibit A-28, attached hereto, and shown on the maps depicting the existing parcels of land contained in Exhibit B-28, attached hereto (the “District”).

Section 7. The City Clerk is hereby directed to publish this Resolution one time in the official City newspaper, and to send a certified copy of this Resolution to the Secretary of Commerce for the Secretary’s review and approval.

Section 8. This Resolution shall take effect after its adoption and publication once in the official City newspaper.

Approved this 16th day of May 2022 and signed by the Mayor.

Background: David Swezey is submitting a petition to the create the Village Square Mall Community Improvement District and authorize the proposed CID projects. The petition is to add a 1% sales tax at the Village Square Mall location. There are plans to make improvements at the Village Square Mall to attract a new tenant for the former Gordmans space and also a new Pylon sign, parking lot improvements, infrastructure improvements, and other various improvements throughout the property. The estimated cost of the improvements is $6,000,000. The petition is on file in my office and is an exhibit to the Resolution. The resolution also restates the general nature of the proposed project, the estimated cost of the project, the proposed methods of financing, and a proposed 1% CID sales tax.

Memorandum

To: City Commission  
From: Ryan Reid, Director of Administration  
Date: 05/11/2022  
Subject: Mowers for Golf  
Agenda Item: New Business

Recommendation: Authorize the purchase of three new mowers as below.

Two (2) Jacobson gp400 Tee Mowers from Kansas Golf and Turf: $85,453 (42,726.50 each)
One (1) Jacobson AR530 Rough Mower from Kansas Golf and Turf: $70,700

Background: Staff opened bids May 6th and reviewed the bids. The Jacobsons have been very reliable and Kansas Golf and Turf has been good to work with. Additionally we have some mower attachments that will only work with Jacobson.

Justification:

The tee mowers we are replacing are from 2007 and 2009. Replacing these mowers should improve uptime. These are expected to last at least ten years. These are used to mow 72 tee boxes at Mariah Hill, two-three times weekly.

The Rough mower would replace a 2001 model as well as a 2016 model that has needed expensive repairs since purchased (different brand). This unit would be used to mow the rough areas at Mariah Hills.

Financial Considerations: This is a budgeted purchase. The older mowers will be sold at auction.

Purpose/Mission: Together we value progress, growth and ongoing improvement.

Legal Considerations: There are no legal considerations.

Jacobson Tee Mower

Jacobson Rough Mower AR530
Memorandum

To: Nick Hernandez, City Manager and City Commissioners
From: Nathan Littrell, Planning & Zoning Administrator
Date: May 16, 2022
Subject: Vickie’s Addition Plat
Agenda Item: New Business

Recommendation: The Planning Commission met on May 10, 2022 to review and recommend approval of this replat. It is also City staff’s recommendation to approve this plat.

Background: The applicant wishes to replat this property zoned R-2 Residential Medium Density to allow for this platted lot to be subdivided into 4 lots. This property had previously been split into two lots. In order to split up these lots further, replatting was required. The two existing lots have residences on the west, off of Missouri Dr. There is a previously dedicated drainage easement on the north end of the property.

Justification: Dividing this lot into 4 smaller lots that will each be about 60’ by 133’, around 8,000 sq. ft. in size. The minimum lot width for R-2 is 50’ and minimum lot area is 6,000 sq. ft., so the lots exceed minimum size requirements. The proposed western lots will still be accessed off of Missouri Dr. and the eastern lots will be accessed from 14th Ave. This plat proposes to take the drainage easement and make that a dedicated drainage way. Adjacent property owners would still be responsible for the maintenance of this drainage way. This plat meets the City’s zoning and subdivision regulations and is in agreement with the City’s Comprehensive Plan.

Financial Considerations: None

Purpose/Mission: Approving this plat will encourage and support growth and development in our community.

Legal Considerations: None

Subject: Rodeo Hills Subdivision Plat  
Agenda Item: New Business

Recommendation: The Planning Commission met on May 10, 2022 to review and recommend approval of this replat. It is also City staff’s recommendation to approve this plat.

Background: The applicant wishes to replat this property zoned R-2 Residential Medium Density and R-3 Residential Higher Density to allow for the property to be developed with both single-family and multi-family residential. The property was rezoned to R-2 and R-3 on Dec. 20, 2021.

Justification: As proposed in the rezoning process, the lots on the eastern portion are sized to meet R-1 Residential Low Density minimum requirements. The lots reduce in size from east to west where it transitions to multi-family housing. All lots on plat are sized to meet at least the minimum size requirements of R-2 zones. This plat meets the City’s zoning and subdivision regulations and is in agreement with the City’s Comprehensive Plan.

Financial Considerations: None

Purpose/Mission: Approving this plat will encourage and support growth and development in our community.

Legal Considerations: None
