Proclamation

Building Safety Month — May 2023

Whereas the City of Dodge City is committed to recognizing that our growth and strength depends on the safety and essential role our homes, buildings and infrastructure play, both in everyday life and when disasters strike, and;

Whereas our confidence in the resilience of these buildings that make up our community is achieved through the devotion of vigilant guardians—building safety and fire prevention officials, architects, engineers, builders, tradespeople, design professionals, laborers, plumbers and others in the construction industry—who work year-round to ensure the safe construction of buildings, and;

Whereas these guardians are dedicated members of the International Code Council, a nonprofit that brings together local, state, territorial, tribal and federal officials who are experts in the built environment to create and implement the highest-quality codes to protect us in the buildings where we live, learn, work and play, and;

Whereas these modern building codes include safeguards to protect the public from hazards such as hurricanes, snowstorms, tornadoes, wildland fires, floods and earthquakes, and;

Whereas Building Safety Month is sponsored by the International Code Council to remind the public about the critical role of our communities’ largely unknown protectors of public safety—our local code officials—who assure us of safe, sustainable and affordable buildings that are essential to our prosperity, and;

Whereas “It Starts with You,” The theme for Building Safety Month 2023, encourages us all to raise awareness about building safety on a personal, local and global scale, and;

Whereas each year, in observance of Building Safety Month, people all over the world are asked to consider the commitment to improve building safety, resilience and economic investment at home and in the community, and to acknowledge the essential service provided to all of us by local and state building departments, fire prevention bureaus and federal agencies in protecting lives and property.

NOW, THEREFORE, I, Michael Burns, Mayor of the City of Dodge City, do hereby proclaim the month of May 2023 as Building Safety Month. Accordingly, I encourage our citizens to join us as we participate in Building Safety Month activities.

PROCLAMATION

WHEREAS, public works services provided in our community are an integral part of our citizen’s everyday lives; and

WHEREAS, the health, safety and comfort of this community greatly depends on these facilities and services; and

WHEREAS, the quality and effectiveness of these facilities, as well as their planning, design, and construction, is vitally dependent upon the efforts and skill of public works officials; and

WHEREAS, the efficiency of the qualified and dedicated personnel who staff public works departments is materially influenced by the people’s attitude and understanding of the importance of the work they perform.

NOW, THEREFORE, I, Michael Burns, Mayor of the City of Dodge City, do hereby proclaim the week of May 21 through May 27, 2023 as

To: Nick Hernandez, City Manager and City Commissioners
From: Nicole May, Finance Director
Date: May 11, 2023
Subject: Resolution No. 2023-16
Agenda Item: Ordinances and Resolutions

Purpose: Due to changing times, newspapers are not as widely read as they once were. The Dodge City Daily Globe is only published three days a week. Allowing items to be published on the City’s web page instead of in the newspaper will insure that notices are posted within the required timeframes.

Recommendation: Staff recommends the approval of Resolution No. 2023-16.

Background: State statute requires that certain items of City business be published in the officially designated newspaper. Due to times changing, it is now allowable to designate the City’s website as the official city newspaper. Charter Ordinance No. 42, the first step in the process, was approved at the March 7, 2022 Commission meeting.

City Commission Options:
1. Approve
2. Disapprove
3. Table for further discussion

Financial Considerations:
None

Legal Considerations: Resolution was drafted by City Attorney.

Mission/Values: To promote open communications, honesty and integrity.

Memorandum

To: Nick Hernandez, City Manager and City Commissioners  
From: Ray Slattery, PE, Director of Engineering Services  
Date: May 15, 2023  
Subject: Approve Associated Quotes pertaining to the INK Grant for Kiosks, Conduit Install, Fiber, Outdoor Digital Directory Displays  

Agenda Item: New Business

**Purpose:** Provide the necessary infrastructure for three Interactive Touch Screen Displays, audio, internet, and traffic signal coordination for the downtown streetscape project.

**Recommendation:** Approve the associated quotes for the installation of conduit, fiber, software and hardware for the display enclosures, as well as the audio, future traffic signal coordination, installation of internet units and fiber backbone for the Downtown Streetscape Project associated with the Information Network of Kansas (INK) Grant in the amount of $203,248.41. The city’s share of this grant will be $48,248.41.

**Background:** The City was awarded an Information Network of Kansas (INK) Grant for three Interactive Touch Screen Displays on August 6, 2021. This project will help connect citizens and visitors with valuable information on the region and the state’s economy, geography, history, and tourism attractions. The displays will be a part of the City’s Streetscape project which is partially funded through STAR Bonds and the Kansas Department of Transportation (KDOT) Cost Share program. The streetscape project will renovate the legendary downtown from Wyatt Earp Blvd. to Gunsmoke St. and from 3rd Ave. to Central Ave.

The three displays will give those walking the Front St. area the opportunity to access information and updates on events and activities quickly and easily. The kiosks will provide information on the history of Dodge City and Southwest Kansas, regional tourism attractions, details on diverse economies and geography, an online map for directions to downtown destinations, and up-to-date local weather. This information will also be available in both English and Spanish.

The conduit and fiber installation will also enable the future traffic signal coordination along Wyatt Earp Blvd. to help with traffic flow, congestion, and quicker recovery from train pre-emption. The goal would be to link the traffic signals at 1st Ave., 2nd Ave., and 4th Ave. on Wyatt Earp Blvd. along with the signals at 1st Ave. and 2nd Ave. on Trail St.

Conduit would also be installed so that future equipment could be installed to provide audio on Front St. from 3rd Ave. to Central Ave. and along 2nd Ave. from Front St. to Gunsmoke St.

This project would also include the installation of Internet units that could be activated during events and large gatherings to help provide information during the events.

**City Commission Options:**

1. Approve
2. Disapprove
3. Table for further discussion
Financial Considerations: The breakdown of project costs per the quotes received for the project are as follows:

- $12,901.00 – cost to install the fiber back bone, internet units, and miscellaneous
- $73,323.00 – cost of hardware and software for three kiosks.
- $155,000.00 – INK Grant amount to cover the kiosks, kiosk enclosures, conduit and fiber install, and miscellaneous cost for kiosk install

Amount $: 48,245.41 – Needed for match and cover what is not covered by the INK Grant

Fund: $7,500.00 – Special Streets
       $40,745.41 – Master Tourism Plan

   X Budgeted Expense  X Grant  ___ Bonds  ___ Other

PROPOSAL

43" Skyline 3.0

Created by:

Prepared for:

Dodge City, Kansas
Hello John,

Here is your quote for the three, Dodge City-branded, freestanding outdoor Skyline 3.0 wayfinding kiosks with 43” sunlight-readable touch displays to be placed in your historic downtown district.

Included are two options for our robust software package that will enable Dodge City to remotely control content to provide tourists and residents to look at historic landmarks, current events happening in the district and city as well as maps, weather information and much more. We have provided two options, Engage and Interact, (descriptive graphics for which are below) so you may select the best option for Dodge City. Software support, both online and phone, are included with our packages.

Also included are costs for two levels of extended hardware agreements, which in our case are advanced replacement, so that no unit will ever be down longer than forty eight hours. Installation charges are listed, as well.

Lastly, we include design and training for maintaining the user experience in the look, feel and voice of Dodge City's branding. As the kiosks are being built, our software team will work with Dodge City to develop the U/X, so that we may go live the moment the units are installed.

Plus we have included a webcam built into the kiosk (to use for it's own security). (let's discuss security software options here separately)

Only thing outstanding is the freight charges, as freight is dynamically priced and changes from day to day. If you would like an estimate, we can provide.

Once you've had a chance to review the quote, please reach out with any questions or concerns.

Thank you!

Process

We will work closely with you to build and fulfill the needs of this project within 14 to 16 weeks from receipt of deposit and signed submittal drawing. We will do this by establishing clear goals and a comprehensive solution based on Dodge City, Kansas's requirements.

Our process to achieve this is as follows:

**Phase 1: Project Plan**

Taking into consideration each customer's unique needs, our project management team creates a project plan to align with the project goals. The details of the project are communicated and expectations are set to reach important milestones such as: component selection, submittal drawings, approval process and installation parameters.

**Phase 2: Functionality, Design, Engineering**

After verifying the project details, our team will work with yours to build the contracted scope of work outlined in the proposal. This approach allows us to tailor the solution specifically for Dodge City, Kansas's requirements and make sure each part is approved along the way.

**Phase 3: Supply Chain Management & Build**

Once screen templates, UX and kiosk designs are approved, our team will begin building the outdoor digital wayfinding directories and any accessory the client selects. Our project management team will initiate the supply chain to procure all required items on the bill of materials. Our modern, robotic manufacturing facility will fabricate the kiosk parts and integrate the hardware and software protocols. Our software team will develop the application, load and test to verify everything is operating to spec. Based on our ISO quality certification, all quality control measures are taken and testing protocols to ensure all is working prior to shipment.

**Phase 4: Deploy & Support**
Once final testing is completed, the outdoor digital wayfinding directories will be packed for safe shipping and installation coordination will escalate. We can offer white glove delivery and install for a seamless transition as well as ongoing support agreements.

About REDYREF

REDYREF is a twenty-first century interactive solution provider that thrives on the latest systems and processes for interactive solution & manufacturing. Founded in 1913, we started building telephone booths. We recognized early that a phone booth without a phone book was not a complete solution. We met this challenge by patenting the original plastic-bound, armored-chorded reference phone book solution that can be found in phone booths today. In this way, RedyRef was born. As we evolved, we went from manufacturing phone booths all the way to creating interactive solutions and gained 100 years of experience and knowhow along the way to become experts in our field.

Terms of Sale/ Warranty/ Service

REDYREF TERMS OF SALE

These terms apply to all purchases of REDYREF Interactive Kiosk (REDYREF) products, software, services, or support.

PLEASE READ THIS DOCUMENT CAREFULLY! IT CONTAINS VERY IMPORTANT INFORMATION ABOUT YOUR RIGHTS AND OBLIGATIONS, AS WELL AS LIMITATIONS AND EXCLUSIONS. THESE TERMS REQUIRE THE USE OF ARBITRATION ON AN INDIVIDUAL BASIS TO RESOLVE DISPUTES, RATHER THAN JURY TRIALS OR CLASS ACTIONS. IF YOU DO NOT AGREE WITH THESE TERMS, DO NOT ORDER YOUR PRODUCT.

These Terms of Sale (“Agreement”) apply to your purchase of products, software, and/or services and support (together, “Product”) sold in the United States by REDYREF. You agree to these terms by placing your order. If you have already placed your order and no longer want to be bound to this Agreement then you must either promptly cancel your order or return your purchase in accordance with REDYREF’s Return Policy. Please act promptly and note that these options may carry restocking or other fees.

This is a binding agreement. As an Agreement between REDYREF and yourself, it may NOT be altered, supplemented or amended by any other document unless the new document is signed by both you and REDYREF. In addition to this document, the terms contained within the other REDYREF documents referenced in this Agreement, including REDYREF’s License Agreements, Return Policy, Service Agreements, and Limited Warranties may apply to your purchase.

Orders, Pricing and Payments. REDYREF strives to communicate accurate pricing and product information but will not be held responsible for any pricing, typographical, or other errors in such communications. At REDYREF, special attention is paid to accurate price calculation. Despite our best efforts, we are unable
to exclude the possibility of price change. In the event of such changes, customers are notified immediately. The genesis of the price change may occur upon the purchase of raw material or components from the marketplace. The market for steel, components and other raw materials are facing unprecedented headwinds, where market dynamics are causing large price fluctuations and supply chain delays. While it is unlikely that any changes will occur after ordering raw materials and components, REDYREF cannot entirely exclude this possibility. Also worth noting, these fluctuations may also affect project completion dates. That all said, REDYREF will work diligently to limit these changes to the best of our ability.

Your order is subject to cancellation by REDYREF, in REDYREF’s sole discretion. Unless otherwise agreed to by REDYREF, payment must be received by REDYREF prior to our acceptance of an order. REDYREF may process payment for and ship parts of an order separately.

**Shipping.** Product title passes to you when the Product is shipped. You have 5 business days to notify REDYREF of anything missing or wrong.

IMPORTANT – Freight carrier is liable for any damage once the product leaves REDYREF facility. Please carefully check the product prior to freight carrier leaving your facility. You should also mark bill of lading with any comments describing the damage. You are entitled to refuse shipment due to damage. If unsure what to do please call REDYREF customer service department at 800-628-3603 x2 or email at support@redyref.com. Please following this instruction as REDYREF cannot be held responsible for damages related to freight.

**Tax.** Unless you provide REDYREF with a valid and correct tax exemption certificate applicable to your purchase of Product and the Product ship-to location, you are responsible for sales and other taxes associated with the order.

**Warranties.** REDYREF MAKES NO OTHER WARRANTIES FOR REDYREF-MANUFACTURED OR REDYREF OEM PRODUCT, AND MAKES NO WARRANTIES WHATSOEVER FOR SERVICE, SOFTWARE, MAINTENANCE OR SUPPORT OR FOR NON-REDYREF BRANDED PRODUCT. SUCH PRODUCT, SOFTWARE, SERVICE, MAINTENANCE OR SUPPORT IS PROVIDED BY REDYREF “AS IS” AND ANY THIRD-PARTY WARRANTIES,
PRODUCTS, SOFTWARE, SERVICES, MAINTENANCE OR SUPPORT ARE PROVIDED BY THE ORIGINAL MANUFACTURER OR SUPPLIER, NOT BY REDYREF. UNLESS SPECIFIED IN THE STATEMENT OF WORK OR PROPOSAL. SOME STATES DO NOT ALLOW LIMITATIONS OF IMPLIED WARRANTIES, SO THESE LIMITATIONS MAY NOT APPLY TO YOU.

**Software.** Any software that is part of your purchase will have its own license agreement, including any open source provisions. If any software provided by REDYREF for support or service does not have its own license agreement then REDYREF grants you a personal, non-exclusive license to access and use the software during the term of support or services and only as necessary for you to enjoy the benefits of the support or service.

**Service.** In addition to these Terms of Sale, REDYREF and/or your third-party service provider may provide service and support to you in accordance with an applicable service agreement, Master Services Agreement (MSA), Statement of Work (SOW) or as otherwise delivered to you. If you have purchased a service offering, please review the applicable service agreement carefully as it contains important rights and limitations.

**Receiving Warranty or Service Support.** IT IS YOUR RESPONSIBILITY TO BACK UP ALL EXISTING DATA, SOFTWARE AND PROGRAMS BEFORE RECEIVING SERVICES OR SUPPORT (INCLUDING TELEPHONE SUPPORT). REDYREF AND/OR YOUR THIRD-PARTY SERVICE PROVIDER WILL HAVE NO LIABILITY FOR LOSS OR RECOVERY OF DATA OR PROGRAMS, OR FOR LOSS OF USE OF SYSTEM(S) ARISING OUT OF THE SERVICES OR SUPPORT OR ANY ACT OR OMISSION, INCLUDING NEGLIGENCE, BY REDYREF OR YOUR-THIRD-PARTY SERVICE PROVIDER. Parts used in repairing or servicing Product(s) may be new, equivalent-to-new, or reconditioned.

**Telephone Communications.** Telephone communications with us, including calls with any of our agents or independent contractors, may be monitored and/or recorded. You expressly consent, on behalf of yourself and other users of your phone number, to being monitored or recorded. By providing us with a phone number (including mobile) as your contact number, you expressly authorize us to contact you regarding
your account for non-telemarketing communications, via text message or telephone, including the use of prerecorded or auto-dialed calls, using that number.

**Limitation of Liability.** REDYREF DOES NOT ACCEPT LIABILITY BEYOND THE REMEDIES SET FORTH HEREIN, INCLUDING BUT NOT LIMITED TO ANY LIABILITY FOR PRODUCT NOT BEING AVAILABLE FOR USE, LOST PROFITS, LOSS OF BUSINESS OR FOR LOST OR CORRUPTED DATA OR SOFTWARE, OR THE PROVISION OF SERVICES AND SUPPORT. EXCEPT AS EXPRESSLY PROVIDED HEREIN, REDYREF WILL NOT BE LIABLE FOR ANY CONSEQUENTIAL, SPECIAL, INDIRECT OR PUNITIVE DAMAGES, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR FOR ANY CLAIM BY ANY THIRD PARTY. YOU AGREE THAT FOR ANY LIABILITY RELATED TO THE PURCHASE OF PRODUCT, REDYREF IS NOT LIABLE OR RESPONSIBLE FOR ANY AMOUNT OF DAMAGES ABOVE THE AMOUNT INVOICED FOR THE APPLICABLE PRODUCT. SOME JURISDICTIONS MAY NOT ENFORCE ALL OF THESE LIMITATIONS, AND ONLY THE LIMITATIONS THAT ARE LAWFULLY APPLIED TO YOU IN YOUR JURISDICTION WILL APPLY.

**Purchases may not be resold or exported unless you have a valid Reseller agreement with REDYREF.** Your purchase is for your own use, not for resale or export unless you have a valid resale agreement or expressed permission by REDYREF to resell our products and services. Your purchase may not be sold, leased, or transferred to restricted countries, restricted end users, or for restricted end uses according to U.S. export and sanctions laws.

**Governing Law.** THE PARTIES AGREE THAT THIS AGREEMENT, ANY SALES THERE-UNDER, OR ANY CLAIM, DISPUTE OR CONTROVERSY (WHETHER IN CONTRACT, TORT OR OTHERWISE) BETWEEN YOU AND REDYREF ARISING FROM OR RELATING TO THIS AGREEMENT, ITS INTERPRETATION OR THE BREACH, TERMINATION OR VALIDITY THEREOF, THE RELATIONSHIPS WHICH RESULT FROM THIS AGREEMENT, REDYREF’S ADVERTISING, OR ANY RELATED PURCHASE SHALL BE GOVERNED BY THE LAWS OF THE STATE OF NEW JERSEY, WITHOUT REGARD TO CONFLICTS OF LAW.
Dispute Resolution and Binding Arbitration. YOU AND REDYREF ARE
AGREEING TO GIVE UP ANY RIGHTS TO LITIGATE CLAIMS IN A

OR REPRESENTATIVE ACTION WITH RESPECT TO A CLAIM. OTHER
RIGHTS THAT YOU WOULD HAVE IF YOU WENT TO COURT MAY
ALSO BE UNAVAILABLE OR MAY BE LIMITED IN ARBITRATION.

ANY CLAIM, DISPUTE OR CONTROVERSY (WHETHER IN CONTRACT,
TORT OR OTHERWISE, WHETHER PRE-EXISTING, PRESENT OR FUTURE,
AND INCLUDING STATUTORY, CONSUMER PROTECTION, COMMON LAW,
INTENTIONAL TORT, INJUNCTIVE AND EQUITABLE CLAIMS) BETWEEN
CUSTOMER AND REDYREF, its agents, employees, successors, assigns, direct and
indirect subsidiaries, and any third party providing any products or services to you in
connection with your purchase (collectively “REDYREF”) arising from or relating in
any way to your purchase of Product, this Agreement, its interpretation or the breach,
termination or validity thereof, the relationships which result from this Agreement
(including relationships with third parties who are not signatories to this Agreement),
REDYREF’s advertising or any related purchase SHALL BE RESOLVED
EXCLUSIVELY AND FINALLY BY BINDING ARBITRATION. The arbitrator

or any other challenge that the arbitration provision or the Agreement is void,
voidable or otherwise invalid. The arbitration shall be administered by the American
Arbitration Association (AAA) or JAMS (or a substitute forum if both are

applicable procedures of the selected arbitration administrator, including any
applicable procedures for consumer-related disputes, in effect at the time the claim is
filed. Consumer claimants (individuals whose transaction is intended for personal,
family or household use) may elect to pursue their claims in small-claims court rather

**What will REDYREF do?**

Upon contacting REDYREF, you will be required to engage in a remote diagnosis session to help determine the cause of your issue. Remote diagnosis may involve customer access to the inside of the product and multiple or extended sessions. If REDYREF determines that your issue is the result of a defect in materials or workmanship but the issue is not able to be resolved remotely, REDYREF, at its sole
discretion, may dispatch a replacement part to you, arrange for you to send your product or defective part back to REDYREF’s repair depot or replace the part or product with a comparable part or product that may be new or refurbished. Parts returned to our depot will be processed and returned within 21 business days, unless a separate Service Level Agreement (SLA) is in place. If the REDYREF SLA for your product also includes onsite service then REDYREF may also elect to dispatch a service technician to your location to perform the repair or replacement. Additional information on our other purchasable service levels can be found in our REDYREF Service Contracts document.

If your limited warranty has expired or if we determine that the problem is not covered under this limited warranty, we may be able to offer you service alternatives on a fee basis.

We use new and refurbished parts made by various manufacturers in performing warranty repairs and in building replacement parts and products. All parts and products are inspected and tested for quality. Replacement parts and products are covered for the remaining period of the limited warranty for the product you purchased. REDYREF owns all parts removed from repaired products and, in most instances, you will be required to return defective parts to REDYREF.

REDYREF may use authorized representatives to provide any of the technical support or repair services under this limited warranty.

**Important information about returning products to REDYREF for repair or replacement:**

**For In-Warranty Product:** Customer supplies box, pays shipping to REDYREF, REDYREF pays shipping back: Upon a determination by REDYREF that your In-Warranty product should be returned to REDYREF for repair or replacement, we will issue a Return Material Authorization (RMA) number that you must include with your return. You must return the product to us in its original or equivalent packaging, prepay shipping charges and insure the shipment or accept the risk if the product is lost or damaged in shipment, which could void warranty coverage as customer-induced damage. We will return the repaired or replacement part to you. We will pay to ship the repaired or replaced product to you if you use an address in the United
States (excluding Puerto Rico and U.S. possessions and territories) or in Canada (in respect of systems registered in Canada). Otherwise, we will ship the product to you freight collect.

For Out-of Warranty: Customer supplies box, Customer pays shipping both ways: Upon a determination by REDYREF that your Out-of-Warranty product should be returned to REDYREF for repair or replacement, we will issue a Return Material Authorization (RMA) number that you must include with your return. You must return the product to us in its original or equivalent packaging, prepay shipping charges and insure the shipment or accept the risk if the product is lost or damaged in shipment, which could void warranty coverage as customer-induced damage. We will review the part upon arrival and submit an estimated cost to customer to repair or replace part. If approved by customer REDYREF will proceed upon payment by customer for cost plus freight. We will then return the repaired or replacement part to you.

When you contact us regarding certain products, we may offer to ship you a replacement part prior to receiving your original product back. In such instance, we require a valid credit card number at the time you request a replacement part or ask you to reference your Service Level Agreement. We will not charge or invoice you for the replacement part as long as you return the original product to us within 10 days of your receipt of the replacement part and we confirm that your product issue is covered under this limited warranty. If we do not receive your original product within 10 days, we will charge your credit card or invoice you for the then-current standard price for the product. If upon receipt of your original product, we determine that your product issue is not covered under this limited warranty, you will be given the opportunity to return the replacement unit, at your sole expense, within 10 days from the date we contact you regarding the lack of coverage for your issue or we will charge to your credit card or invoice you the then-current standard price for the product. In addition, if you fail to pay REDYREF the amounts, REDYREF may suspend your limited warranty support until the applicable amount is paid. A suspension of your limited warranty for failure to properly return a product or to pay an amount charged for such
failure to return a product will not toll the term of your limited warranty and the limited warranty will still expire in accordance with its original term.

**Important information about Silver, Gold, Platinum Level Support by REDYREF:**

If you have a Service Level Agreement that provides for advanced replacement of hardware, REDYREF will dispatch a new or refurbished part for you to replace a defective part in advance of receiving the defective part, if we agree that the defective part needs to be replaced. You must return the defective part to REDYREF. In such instances, we may require a valid credit card number at the time you request a replacement part. We will not charge or invoice you for the replacement part as long as you return the original part to us within 10 days of your receipt of the replacement part. Failure to timely return the defective part to REDYREF in accordance with the written instructions provided with the replacement part may result in the suspension of your service level agreement/limited warranty support or a charge to your credit card or invoice in the amount of the then-current standard REDYREF price for that part. A suspension of your limited warranty for failure to properly return a part will not toll the term of your service level agreement/limited warranty and the service level agreement/limited warranty will still expire in accordance with its original term.

We will pay to ship the part to you if you use an address in the United States (excluding Puerto Rico and U.S. possessions and territories) or in Canada (in respect of systems registered in Canada). Otherwise, we will ship the part freight collect or charge in advance.

**NOTE:** If applicable, before you replace parts, make sure to back up the data on the hard drive(s) and any other storage device(s) in the product(s). You are responsible for removing any confidential, proprietary or personal information and removable media such as storage cards or devices, DVDs/CDs or PC Cards regardless of whether a technician is also providing onsite assistance. We are not responsible for any of your confidential, proprietary or personal information; lost or corrupted data; data or voice charges incurred as a result of failing to remove all SIM cards; or damaged or lost removable media. When returning
parts to REDYREF, please only include the product components requested by REDYREF.

Important information about Onsite Service After Remote Diagnosis:

If the Service Level Agreement or other service level for your kiosk includes onsite warranty service, and if REDYREF determines that your issue is covered under this Service Level Agreement and your problem cannot be resolved remotely or, if applicable, by dispatching a part or replacement part to you, then REDYREF may dispatch a service technician to your location within the United States (including Puerto Rico, but excluding the other U.S. possessions and territories) or in Canada (in respect of systems registered in Canada). Please tell the service coordinator the full address of your system’s location. Both the performance of service and service response times depend upon the time of day your request is received by REDYREF, the service alternative you purchased, parts availability, geographical restrictions, weather conditions and the terms of this Service Level Agreement. An adult must be present at all times during the service technician’s visit. You must grant the service technician full access to the system and (at no cost to REDYREF) have working space, electricity and a local telephone line. If these requirements are lacking, REDYREF is not obligated to provide service. In addition, REDYREF is not obligated to provide service if you fail to provide an environment that is conducive to computer repair, including for example, if you insist on service to be provided at varying locations, if you threaten our technician either verbally or physically, or if your location or the general area where the system is located is dangerous, infested with insects, rodents, pests, biohazards, human or animal excrement and/or chemicals as reasonably determined to be unsafe by our technician. If you or your authorized representative is not at the location when the service technician arrives, the service technician will not be able to service your system and you may be charged an additional amount for a follow-up service call.

If REDYREF determines that your system needs a replacement part, you authorize the on-site technician to act as your service agent to handle the delivery and return of the warranty parts necessary to render on-site repairs. You may incur a charge if you fail to allow the on-site technician to return nonworking/unused units/warranty parts to REDYREF.
What if I purchased a service contract?

If you purchased an additional or uplifted service contract (Service Level Agreement) from REDYREF, service will be provided to you under the terms of the service level agreement. Please refer to that contract for details on how to obtain service.

THIS LIMITED LIFETIME WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS AND YOU MAY ALSO HAVE OTHER RIGHTS, WHICH VARY FROM STATE TO STATE, PROVINCE TO PROVINCE, JURISDICTION TO JURISDICTION OR COUNTRY TO COUNTRY. REDYREF’S RESPONSIBILITY FOR MALFUNCTIONS AND DEFECTS IN HARDWARE IS LIMITED TO REPLACEMENT AS SET FORTH IN THIS LIMITED LIFETIME WARRANTY STATEMENT. EXCEPT FOR THE EXPRESS WARRANTIES CONTAINED IN THIS WARRANTY STATEMENT, REDYREF DISCLAIMS ALL OTHER WARRANTIES AND CONDITIONS, EXPRESS OR IMPLIED, STATUTORY OR OTHERWISE, FOR THE PRODUCT, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES AND CONDITIONS OF MERCHANTABILITY, MERCHANTABILITY QUALITY, FITNESS FOR A PARTICULAR PURPOSE, PERFORMANCE, SUITABILITY OR NON-INFRINGEMENT. ANY IMPLIED WARRANTIES AND CONDITIONS THAT MAY BE IMPOSED BY AND THAT ARE NOT PERMITTED TO BE DISCLAIMED BY LAW ARE LIMITED IN DURATION TO THE LIMITED WARRANTY PERIOD. SOME STATES, PROVINCES, JURISDICTIONS OR COUNTRIES DO NOT ALLOW THE EXCLUSION OF CERTAIN IMPLIED WARRANTIES OR CONDITIONS, OR LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY OR CONDITION LASTS, SO THIS LIMITATION MAY NOT APPLY TO YOU. THIS LIMITED LIFETIME WARRANTY COVERAGE TERMINATES IF YOU SELL OR OTHERWISE TRANSFER THIS PRODUCT TO ANOTHER PARTY.

REDYREF DOES NOT ACCEPT LIABILITY BEYOND THE REMEDIES PROVIDED FOR IN THIS LIMITED LIFETIME WARRANTY AND WE DO NOT ACCEPT LIABILITY FOR SPECIAL, INDIRECT, CONSEQUENTIAL OR INCIDENTAL DAMAGES, FOR THIRD-PARTY CLAIMS AGAINST YOU FOR DAMAGES, FOR PRODUCTS NOT BEING AVAILABLE FOR USE, OR FOR LOST DATA OR LOST SOFTWARE. REDYREF’S LIABILITY WILL BE NO
MORE THAN THE AMOUNT YOU PAID FOR THE PRODUCT THAT IS THE SUBJECT OF A CLAIM. THIS IS THE MAXIMUM AMOUNT FOR WHICH REDYREF IS RESPONSIBLE.

SOME STATES, PROVINCES, JURISDICTIONS OR COUNTRIES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU.

Memorandum

To: Nick Hernandez, City Manager and City Commissioners
From: Nicole May, Finance Director
Date: May 11, 2023
Subject: Approval of Special Assessment Proceedings – Candletree Addition Unit 6
Agenda Item: New Business

Recommendation: I recommend the City Commission approve the documents as presented which will accept the final costs for the Candletree Addition Unit 6 Special Assessment improvements and the documents that will notice the public and property owners of a public hearing to be set at the June 5 City Commission meeting. This was originally approved at the May 1, 2023 meeting but due to the costs being incorrect and the notice not being published by the correct date to follow the requirement of giving 10 day’s notice, it must be approved again with the new date of June 5, 2023.

Background: The City Commission previously approved Resolution No. 2021-03 which authorized improvements to be special assessed in Candletree Addition Unit 6. The construction of the improvements are now complete and we have the final numbers to approve. The special assessment process includes approving the final costs of the project, approving the assessment rolls, setting a public hearing for any comments regarding the assessments and causing the City Clerk to post notice of the public hearing in the newspaper and sending notices to the property owners.

Justification: The special assessment proceedings are required by State Statute.

Financial Considerations: The costs of the project will be bonded later in the year. Currently we have financed the improvements with Temporary Notes.

Purpose/Mission: To expand the infrastructure and development in the City.

Legal Considerations: None
