City Clerk
Memorandum

To: Nick Hernandez, City Manager and City Commissioners  
From: Ray Slattery, PE, Director of Engineering Services  
Date: December 4, 2023  
Subject: Change Order #2, 2023 Asphalt Street Maintenance, ST 2302  
Agenda Item: Consent Calendar

Purpose: Approve Change Order #2 of the 2023 Asphalt Maintenance Project.

Recommendation: Approve Change Order #2 for the 2023 Asphalt Maintenance Project for an increase in the amount of $5,746.00.

Background: The 2023 Asphalt Maintenance Project was approved in June of this year. The project started construction on September 20, 2023. Prior to construction starting, staff decided to add a portion of US 50 to the project, instead of having a short section of old pavement between two sections of new pavement. The extra work resulted in an overrun in Milling and Asphalt. The following item was adjusted based on quantities placed in the field:

- An additional 577 L.F of 4” Yellow Line.
- An additional 282 L.F. of 4” White Line.
- An additional 34 L.F. of 24” White Stop Bar.
- An additional 24” x 8 ft Crosswalk Bar.
- An additional 2 Left Turn Arrows.
- An additional 3 Right Turn Arrows.

City Commission Options:
1. Approve
2. Disapprove
3. Table for further discussion

Financial Considerations: Change Order #2 is for an increase of $5,746.00. Funding will be from Street Sales Tax Fund.

Amount $: $5,746.00

Fund: 12730300 – 442004

_X_ Budgeted Expense  __Grant  ___ Bonds  ___Other

Legal Considerations: By approving the Change Order for APAC Kansas, Inc., the contract dollar amount will be amended.
Mission/Values: This aligns with the City’s Core Value of Ongoing Improvement, Safety, Working Towards Excellence.

Date: December 4, 2023  
Subject: Resolution 2023-40 – Boundary Resolution Describing and Defining the Boundary of the City of Dodge City  
Agenda Item: Ordinances and Resolutions

---

**Purpose:** Each year the City is required by KSA 12-517 to adjust the City’s boundary by resolution to define any territory that has been added or excluded from the previous Boundary Resolution.

**Recommendation:** Approve Resolution 2023-40, the 2023 Boundary Resolution of the City of Dodge City

**Background:** Each year the City must adjust the boundary resolution that describes the City Limits of the City to account for any additional lands that had been annexed in the past year or correct any errors found in the description. This year’s changes to the boundary limits are as follows.

- None

No Property was annexed into the City Boundary during the of year of 2023

**City Commission Options:**

From: Ray Slattery, PE, Director of Engineering Services  
Date: December 4, 2023  
Subject: Approval of Amendment #2 to the Jacobs Agreement for Operations, Maintenance, and Services for Calendar Year 2024  
Agenda Item: New Business

Purpose: Extend the agreement between the City and Jacobs for the Operation, Maintenance, and Service of the City’s Wastewater Treatment Plants and Biogas Facility.

Recommendation: Approve Amendment #2 to the Jacobs Agreement of Operations, Maintenance, and Services for operation for calendar year 2024.

Background: On November 15, 2021, the City and Jacobs entered into the original Agreement for Operations, Maintenance, and Management Services. As part of the agreement there is a yearly adjustment/amendment to be approved that covers the next calendar year. Amendment #2 will begin January 1, 2024, and end December 31, 2024. The proposed cost for 2024 is $2,507,130.51. This is an increase of $66,285.51 or 2.71% increase over the 2023 agreement amendment of $2,440,845.00.

City Commission Options:  
1. Approve  
2. Disapprove  
3. Table for further discussion

Financial Considerations: The cost of Amendment #2 for 2024 is $2,507,130.51. Which represents a 2.71% increase over the 2023 agreement amendment.

Amount $: $2,507,130.51  
Fund: 52042200  420003  
_X__ Budgeted Expense  __Grant  __Bonds  __Other

Legal Considerations: The only amendment to the original agreement is Article E.1.1 in Appendix E for adjusted compensation for services performed under the agreement.

Mission/Values: This aligns with the City’s Core Values of Safety, Ongoing Improvement, and Working Towards Excellence.

5AMENDMENT NO. 2
To the
AGREEMENT
For
OPERATIONS, MAINTENANCE AND
MANAGEMENT SERVICES

THIS AMENDMENT NO. 2 is made and entered into this ___ day of _______ 2023, by and between the City of Dodge City, Kansas (hereinafter “Owner”), whose address for any formal notice is P.O. Box 880, Dodge City, Kansas 67801 and Jacobs Project Management Co. (hereinafter “Operator”), whose address for any formal notice is 6312 S. Fiddlers Green Circle, Suite 300N, Greenwood Village, CO 80111. This is an Amendment to the Agreement for Operations, Maintenance and Management Services dated the 15th day of November 2021, between Owner and Operator (the “Agreement”). Collectively, Owner and Operator will be referred to as the “Parties” and each individually as a “Party.”

Owner and Operator agree that the Agreement shall be and is hereby amended and modified in the following manner:

1. Article E.1.1 in Appendix E is deleted in its entirety and replaced with the following Article E.1.1 in Appendix E:

   E.1.1 Owner shall pay to Operator as compensation for Services performed under this Agreement a Base Fee of Two Million Five Hundred Seven Thousand One Hundred Thirty Dollars and Fifty-One Cents ($2,507,130.51) which includes the Base Fee, Biosolids Cost, Gypsum Costs, Repairs Costs, Chemicals Costs and the Membrane Agreement Costs for the period of January 1, 2024 through December 31, 2024. The Base Fee for subsequent calendar years of the initial term and any subsequent terms shall be determined as hereinafter specified.

All other terms and conditions of the original November 15, 2021 Agreement, as it has subsequently been amended, shall remain in effect. The Parties hereby approve this Amendment as is indicated by the signatures of their authorized representatives, below.

Date: December 5, 2023  
Subject: Approval of Bid for Asphalt Street Chip Sealing, ST 2404  
Agenda Item: New Business

Purpose: The purpose of this project is to apply chip sealant to asphalt streets as a preventative maintenance measure. Chip sealing is a low-cost maintenance technique that helps extend the service life of asphalt streets. This project will concentrate on maintenance zone #3 (see attached map).

Recommendation: Approve the bid from Circle C Paving and Construction, LLC to apply chip seal to 166,500 square yards (=10 miles of City streets) of asphalt pavement for $450,000. The two other bidders on the project. The engineer’s estimate for the project was 159,574 square yards.

Background: This project will perform preventative maintenance on most asphalt streets in maintenance zone #3. This maintenance consists of applying a layer of emulsified asphalt material, which will fill minor surface distresses, followed by a layer of rock chips which seals off the asphalt surface and helps prevent water from percolating through cracks. This application will smooth out minor surface deformities and provide a new wearing surface to the pavement. Maintenance zone #3 can be seen in the attached map and has already received an application of mastic crack sealant. Public works will complete utility patching and pothole repairs in this zone prior to the chip seal application. Asphalt streets in zone #3 that have planned reconstruction or major maintenance in the next few years will not receive chip sealing.

3/8" Washed Chips from Harshman in Howard, Ks. After Chip Seal, a Fog Seal will be applied to control dust.
Memorandum

To: Nick Hernandez, City Manager and City Commissioners  
From: Tanner Rutschman, PE, City Engineer  
Date: December 5, 2023  
Subject: Approval of Bid to Apply Asphalt Crack Sealant, ST 2403  
Agenda Item: New Business

Purpose: The purpose of this project is to apply crack sealant to asphalt streets and other City facilities as a preventative maintenance measure. Applying sealant to cracks is a low-cost maintenance technique that helps extend the service life of asphalt streets. This project will concentrate on maintenance zone #2 (see attached map) for large cracks.

Recommendation: Approve the bid from Stripe & Seal, LLC to apply 6,600 gallons of large crack seal material and 3,600 gallons of small crack seal material to the City’s asphalt streets. City Staff would also recommend extending the quantity of large crack seal material to 6,930 gallons, which equates to a $5,000 increase, to be applied at Saint Mary’s Soccer Complex.

Background: This project will perform preventative maintenance on several asphalt streets and a park facility in the City. This maintenance consists of filling cracks in asphalt pavement to prevent water from percolating to the sub-grade. The streets in town that will receive mastic with this project are in maintenance zone #2, which includes all the asphalt streets north of Comanche St., south of US50 Highway and west of Central Ave.

This project will be split up with $100,000 in large crack seal & $50,000 in small crack seal for City streets and $5,000 in large crack seal for Saint Mary’s Soccer Complex.

**Memorandum**

To: Nick Hernandez, City Manager and City Commissioners  
From: Ray Slattery, PE, Director of Engineering Services  
Date: December 4, 2023  
Subject: Approve Change Order (CO) #5 for the Expansion of the S. WWTP from UCI – SS 2101  
Agenda Item: New Business

**Purpose:** Approval CO #5 for the construction of a retaining wall along Anaerobic #4 on the expansion of the south WWTP.

**Recommendation:** Approve CO #5 for the construction of a retaining wall along Anaerobic #4 on the expansion of the South WWTP in the amount of $376,922.00.

**Background:** At the November 7, 2022, Commission Meeting the Commission approved the contract with UCI for the Expansion of the South WWTP. With Hilmar Cheese development along with additional growth of the city and Industrial users, the existing South WWTP will be beyond its design capacity for treatment.

To provide better vehicle and worker access to the west side of Anaerobic #4, a retaining wall is needed to elevate the area immediately adjacent to Anaerobic #4. This retaining wall will be constructed along the eastern edge of Facultative #3 for approximately 360 L.F. This wall will allow the roadway to be roughly 18” below Anaerobic #4 top of wall. This makes it safer for Jacobs employees to get onto the cover of Anaerobic #4 for maintenance purposes, i.e., pump off water, make minor repairs, etc.

We do have a contingency fund for this project. Currently, the contingency fund is $636,752.15. However, Staff would prefer not to fund the construction of this retaining wall from the contingency fund as the project is far from the finish and there may be other expenses that the fund will need to cover.

Here is a summary of the CO’s to date.
- CO #1 – Addition of Earthwork to UCI’s GMP
- CO #2 – Bentonite Sealing of Anaerobic and Aerobic Lagoons, not needed after further clarification from KDHE
- CO #3 – Retaining Wall, after further investigation, CO #5 was required for Retaining Wall
- CO #4 – Change in Seeding of disturbed areas, Deduct and added to Contingency

**City Commission Options:**
1. Approve  
2. Disapprove  
3. Table for further discussion

**Financial Considerations:** CO #5 amount is $376,922.00. Funding will come from the State Revolving Fund.
Amount $: $376,922.00

Fund:

___ Budgeted Expense  ___Grant  ___ Bonds  ___ Other  SRF

**Legal Considerations:** This Change Order will be added to the UCI’s GMP Contract.

**Mission/Values:** This aligns with the City’s Core Value of Ongoing Improvement, Safety, Working Towards Excellence.

Price includes removal of existing curb at the facultative cell #3 and installation of 6.5' tall, 12" thick retaining wall with reinforcing piers/footing. Revised plansheets CG104, CG105, CG130, and SC501 dated 10/30/2023 were utilized for this change order.

Wall shall be supported with 12" diameter, 12' tall concrete piers drilled into the ground, placed 8' on center. Concrete shall be 4000 PSI and reinforced with a rebar cage of (5) #4 bars and #3 ties placed at 12" on center. The rebar cage will extend up from the pier through the retaining wall.

**Cost to drill the piers has been excluded from this change order as UCI will complete this portion of the project.**

MJE has added a 3' wide x 12" thick footing at the top of the piers for form support for wall construction. Footing will be constructed with 4000 PSI concrete and reinforced with a double mat of #4 rebar placed 12" on center.

Retaining wall shall be 6.5' tall x 12" thick constructed of 4000 PSI concrete with #5 rebar reinforcement placed at 12" on center. A 5' #5 bent bar shall be placed every 2' on center along the top of the retaining wall.

Date: December 4, 2023  
Subject: Approval of Design Services for the Completion of Final Plans for Comanche St., US 50 to 14th Ave., ST 0909  
Agenda Item: New Business

Purpose: The purpose of this agreement is to provide the design services to complete the plans for the Comanche St. construction from US 50 to 14th Ave.

Recommendation: Approve the Agreement for Services for the completion of plans for Comanche St. from US 50 to 14th Ave. with Brungardt Honomichl & company, P.A. (BHC) in the amount of $220,882.00.

Background: The design of this project was started in April of 2010. The original design agreement was for BHC to complete the design of the project to Office Check Phase. At that time the City would then determine if Final Plans would be needed to construct the roadway per the approved concept. Office Check plans were completed in May of 2015. However, the project was shelved for a later date.

This project has never fully gone away, from time to time it was dusted off and discussed upon how and if the project should proceed. The project has remained in the City’s Capital Improvement Project every year since 2015. This roadway would provide a direct route from the United Wireless Event Center/Boot Hill Casino and Resort Conference Center and the Boot Hill Casino and any other development that may happen in the area to the heart of town. With the completion of the plans, the City would be able to apply for possible grants, State and/or Federal Funding to construct the project. Many of these grants and funding opportunities expect the project to be shovel ready in a matter of a few months.

The plan is for Comanche St. to be for a 4-lane boulevard street from US 50 to the Walmart Drive. From there to 14th Ave., Comanche St. would be a 5-lane section with a Two Way Left Turn Lane (TWLTL). This would be done by adding one lane in each direction to the recently reconstructed portion of Comanche St. from the Walmart drive to 14th Ave. Sidewalks and a Multi-Use Trail would also be included with the project. A new 16” waterline would be designed to replace the existing 12” waterline.

City Commission Options:

1. Approve
2. Disapprove

Between:

BRUNGARDT HONOMICHL & COMPANY, P.A.

And

City of DODGE CITY, KANSAS

BHC Contract Number:
October 30, 2023
AGREEMENT FOR PROFESSIONAL SERVICES

THIS AGREEMENT, effective the ______ day of __________, 2023, by and between Brungardt Honomichl & Company, P.A. (hereinafter referred to as Consultant), a professional corporation with offices at 7101 College Blvd., Suite 400, Overland Park, Kansas 66210, and the city of Dodge City, Kansas (hereinafter referred to as City), a public entity.

WITNESSETH:

WHEREAS, City requires professional services for the resumption and completion of design of improvements to Comanche Street from US 50 Hwy intersection to 14th Avenue as described in Attachment ‘A’; and,

WHEREAS, Consultant is prepared to provide such services;

NOW THEREFORE, in consideration of the premises and mutual covenants herein contained, the parties hereto agree as follows:

ARTICLE 1.0 – SERVICES TO BE PERFORMED BY CONSULTANT. Consultant shall perform the Services described in Attachment A - Scope of Services, which is attached hereto and incorporated by reference as part of this agreement.

ARTICLE 2.0 – COMPENSATION AND TERMS OF PAYMENT. Client shall pay Consultant for performance of services in accordance with fees presented in Attachment B - Compensation, which is attached hereto and incorporated by reference as part of this agreement. Consultant shall submit invoices every four weeks based on completion of the individual work items described in the Fee Schedule. Payment shall be due upon receipt and shall be considered past due after 30 days. After 30 days, an interest fee of 0.5% per month shall be applied for all late amounts.

ARTICLE 3.0 – ADDITIONAL SERVICES. Additional services may be provided after execution of this agreement without invalidating this agreement. Upon recognizing the need to perform additional services that may arise as the project proceeds, the consultant shall notify the Client. The Consultant however shall not proceed to provide such services until the Consultant receives the Client’s written authorization. Additional services provided in accordance with this section shall entitle the Consultant to additional compensation.

ARTICLE 4.0 – CHANGED CONDITIONS. If, during the term of this Agreement, circumstances or conditions that were not originally contemplated by or known to the Consultant are revealed, to the extent that they affect the scope of services, compensation, schedule, allocation of risks or other material terms of this Agreement, the Consultant may call for renegotiation of appropriate portions of this Agreement. The Consultant shall notify the Client of the changed conditions necessitating renegotiation, and the Consultant and the Client shall promptly and in good faith enter into renegotiation of this Agreement to address the changed
conditions. If terms cannot be agreed to, the parties agree that either party has the absolute right to terminate this Agreement in accordance with the Termination provision hereof.

ARTICLE 5.0 – GENERAL OBLIGATIONS OF CONSULTANT. In providing services under this Agreement, the Consultant shall perform in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances at the same time and in the same or similar locality.

Consultant shall exercise usual and customary professional care in its effort to comply with rules or regulations of the federal, state, or other government body or any administrative agency pertaining to the performance of the work hereunder.

Consultant shall not assign, transfer, or sublet this Agreement or any interest herein without the prior written consent of the Client.

ARTICLE 6.0 – GENERAL OBLIGATIONS OF THE CLIENT. The Client shall provide payment to the Consultant as provided in Article 2.0, Compensation.

Client shall monitor the performance of the Consultant’s work and shall notify them of any concerns and/or modifications required to the Services.

Client shall make available to the Consultant any documents, drawings, electronic files, specifications, files or other information necessary in the execution and completion of the Services. The Client shall furnish, at the Client’s expense, all information, requirements, reports, and instructions required by this Agreement. The Consultant may use such information, requirements, reports, and instructions in performing its services and is entitled to rely upon the accuracy and completeness thereof.

Client shall not assign, transfer, or sublet this Agreement or any interest herein without the prior written consent of the Consultant.

ARTICLE 7.0 – OWNERSHIP OF DOCUMENTS. The Client acknowledges the Consultant’s documents, including electronic files, as instruments of professional service. Nevertheless, the final documents prepared under this Agreement shall become the property of the Client upon completion of the Services and payment in full of all monies due to the Consultant. The Client shall not reuse or make any modification to the documents without the prior written authorization of the Consultant. The Client agrees, to the fullest extent permitted by law, to indemnify and hold harmless the Consultant, its officers, directors, employees and subconsultants (collectively, Consultant) against any damages, liabilities or cost, including reasonable attorneys’ fees and defense costs, arising from or allegedly arising from or in any way connected with the unauthorized reuse or modification of the documents by the City or any person or entity that acquires or obtains the documents from or through the Client without the written authorization of the Consultant.
ARTICLE 8.0 – INSURANCE. Consultant shall carry and maintain throughout the performance of the Services insurance acceptable to the Client in the following amounts:

1. Workers Compensation, including occupational disease.
   (Statutory Limits)
2. General (Public) Liability
   Bodily Injury $1,000,000
   Property Damage $1,000,000
3. Automobile Liability (hired, owned, non-owned)
   Bodily Injury $1,000,000
   Property Damage $1,000,000
4. Professional Liability $1,000,000

Upon request by the Client, the Consultant shall provide the Client with certificates of insurance evidencing the coverage in effect. After such policies become effective, none of such policies shall be canceled by the insurance company except after ten days’ notice in writing to the Client.

ARTICLE 9.0 - INDEMNIFICATION. The Consultant shall indemnify the City and hold it and its officers harmless from any damage, expense, and liability or claim therefore on account of any injury, including death, resulting therefrom, or damage sustained by any person or persons (including the Consultant’s employees) by reason of any negligent act, omission or neglect on the part of the Consultant’s employees.

The City shall also indemnify the Consultant and hold him and his officers harmless from any damage, expense, and liability or claim therefore on account of any injury, including death resulting therefrom, or damage sustained by any person or persons (including the City’s employees) by reason of any negligent act, omission, or neglect on the part of the City’s employees.

Neither the City nor the Consultant shall be obligated to indemnify the other party in any manner whatsoever for the other party’s own negligence.

ARTICLE 10.0 – TERMINATION AND SUSPENSION. Either party may terminate this Agreement at any time by giving the other party five (5) calendar day’s written notice of such termination. Immediately upon receipt of Notice of Termination, the Consultant shall discontinue Services and incur no further obligation or expenses. The Consultant shall be paid for all work completed prior to the effective date of such termination.

If the Client fails to make payment in accordance with this Agreement or otherwise is in material breach of this Agreement, the Consultant may suspend the performance of services upon five (5) calendar days written notice to the Client. The Consultant shall have no liability to the Client, and the Client agrees to make no claim for any delay or damage as a result of such suspension caused by any breach of this Agreement by the Client. Upon receipt of payment in full for all outstanding amounts due the Consultant, or curing of other such breach which caused the Consultant to suspend services, the Consultant may resume services and there shall be equitable adjustment to the remaining project schedule and fees as a result of such suspension.
ARTICLE 11.0 – NON-DISCRIMINATION. There shall be no discrimination against any person employed pursuant to this Agreement in any manner forbidden by law.

ARTICLE 12.0 – STATUS. The Consultant shall, during the entire term of this Agreement, be construed to be an independent contractor, and in no event shall any of its personnel be construed to be an employee of the Client.

ARTICLE 13.0 – GOVERNING LAW AND JURISDICTION. The Client and Consultant agree that this Agreement and any legal actions concerning its validity, interpretation, and performance shall be governed by the laws of Kansas. It is further agreed that any legal action between the Client and the Consultant arising out of this Agreement or the performance of the services shall be brought in a court of competent jurisdiction in Kansas.

ARTICLE 14.0 – DISPUTE RESOLUTION. In an effort to resolve any conflicts that arise during the design and construction of the Project or following the completion of the Project, the Client and the Consultant agree that all disputes between them arising out of or relating to this Agreement or the Project shall be submitted to nonbinding mediation.

ARTICLE 15.0 – THIRD PARTY BENEFICIARIES. Nothing contained in this Agreement shall create a contractual relationship with or a cause of action in favor of a third party against either the Client or the Consultant. The Consultant's services under this Agreement are being performed solely for the Client's benefit, and no other party or entity shall have any claim against the Consultant because of this Agreement or the performance or nonperformance of services hereunder.

ARTICLE 16.0 – JOBSITE SAFETY. Neither the professional activities of the Consultant, nor the presence of the Consultant or its employees and subconsultants at a construction/project site, shall impose any duty on the Consultant, nor relieve the General Contractor of its obligations, duties and responsibilities including, but not limited to, construction means, methods, sequence, techniques or procedures necessary for performing, superintending and coordinating the Work in accordance with the Contract Documents and any health or safety precautions required by any regulatory agencies. The Consultant and its personnel have no authority to exercise any control over any construction contractor or its employees in connection with their work or any health or safety programs or procedures. The Client agrees that the General Contractor shall be solely responsible for jobsite and worker safety and warrants that this intent shall be carried out in the Client's contract with the General Contractor. The Client also agrees that the General Contractor shall defend and indemnify the Client, the Consultant and the Consultant's subconsultants. The Client also agrees that the Client, the Consultant and the Consultant's subconsultants shall be made additional insureds under the General Contractor's policies of general liability insurance.

ARTICLE 17.0 – HAZARDOUS MATERIALS. Both parties acknowledge that the Consultant's scope of services does not include any services related to the presence of any hazardous or toxic materials. In the event the Consultant or any other person or entity involved in the project encounters any hazardous or toxic materials, or should it become known to the Consultant that such materials may be present on or about the jobsite or any adjacent areas that may affect the performance of the Consultant's services, the Consultant may, at its sole option and without liability for consequential or any other damages, suspend performance of its services.
under this Agreement until the Client retains appropriate qualified consultants and/or contractors to identify and abate or remove the hazardous or toxic materials and warrants that the jobsite is in full compliance with all applicable laws and regulations.

ARTICLE 18.0 – SEVERABILITY. If any term or provision of this Agreement is held to be invalid or unenforceable under any applicable statute or rule of law, such holding shall be applied only to the provision so held, and the remainder of this Agreement shall remain in full force and effect.

ARTICLE 19.0 – ENTIRE AGREEMENT. This Agreement constitutes the entire agreement between the Client and the Consultant. It supersedes all prior communications, understandings and agreements, whether oral or written. Both parties have participated fully in the preparation and revision of this Agreement. Any rule of contract construction regarding ambiguities being construed against the drafting party shall not apply in the interpreting of this Agreement, including any Section Headings or Captions. Amendments to this Agreement must be in writing and signed by both the Client and the Consultant.

IN WITNESS WHEREOF, the parties have executed this Agreement by their duly authorized representatives effective the day and year first above written.

## Additional Services

The services provided for this project are limited to those listed in the Scope of Services. Any additional services will be performed at an hourly rate or a lump sum basis as agreed to prior to initiating the additional service. Additional services may include but are not limited to the following:

1. Culvert or Bridge Design (other than use of KDOT standard plans).
2. Street Lighting Electrical Details (beyond use of previous project details).
3. Traffic signal design.
4. Additional Permitting (i.e. USACE 404, FEMA) beyond KDOT’s environmental clearance, land disturbance, and Corps’ NWP submittals. The NOI (with KHS and KDWPT Endangered Species documentation) IS included in scope of services.
5. Stormwater Pollution Prevention Plan (SWPPP); Contractor would prepare a Stormwater Pollution Prevention Plan (SWPPP).
6. Any survey of new utility locations outside the corridor topo limits (horizontal and vertical).
7. Utility Design (sanitary sewer, telecommunications, etc) unless specifically included above.
8. Environmental Studies / Reports / Mitigation.
10. Inspection / Construction Observation & Documentation.
Attachment B
Fee Schedule
Resume Completion of Final Plans for Comanche Street

The City will reimburse the Consultant for the provision of professional services described in the Scope of Services on a time and expense basis with the total amount for the services agreed to within Attachment A not to exceed Two Hundred Twenty Thousand Eight Hundred Eighty Two Dollars ($220,882.00).

ADDITIONAL SERVICES

If additional services beyond those described in the Scope of Services are required and agreed to in writing by the City, an equitable adjustment in fee and time of performance will be mutually determined by both the Consultant and the City prior to the Consultant proceeding with the additional services.

Additional work will be performed on an hourly basis at our current hourly rates. Reimbursable expenses incurred outside of this agreement will be charged to the City in accordance with the current reimbursable expense schedule.
