OTHER BUSINESS

ADJOURNMENT
Memorandum

To: City Manager
   Assistant City Manager
   City Commissioners
From: Jan Stevens Director CVB
Date: 11-22-09
Subject: Funding Request for Boot Hill Museum Billboard Partnership
Agenda Item: Consent Calendar

Recommendation: Staff recommends continuation of a partnership with Boot Hill Museum in the form of funding for shared billboard advertisements for Dodge City. The billboard advertisements are located in 13 areas throughout Kansas in 13 areas at a cost of $11,265.00.

Background: In the mid 1990, a partnership of shared space on 13 billboards was established by the CVB and Boot Hill Museum. An image that mirrors the ad campaign, visitors guides, hospitality program materials, and promotional items has been chosen to represent this partnership. The billboards are an important part of the overall promotional and wayfinding signage for Dodge City tourism.

Justification: Currently the partnership between Boot Hill and the CVB, has served to help us stretch our budget, and allowed us to advertise Dodge City at the 13 locations, at one half of the price it would cost us if we did not have the partnership established.

Financial Considerations: I have included the $11,265.00 expense into the 2009 budget, and the 2010 marketing plan, and currently have funds to support this partnership.

Purpose/Mission: The inclusion of this advertising supports the mission of the CVB in the pursuit to promote and market Dodge City and the area’s resources, attractions, and assets to prospective tourists.
**Legal Considerations:** All legal matters concerning contracts and agreements will be handled by Boot Hill Museum.

**Attachments:** I am including a letter of request from Lara Brehm, Boot Hill Museum Director.

Supporting documents available upon request.

Memorandum

To: Ken Strobel
   City Manager

From: Joseph F. Finley, P.E.
   Director of Engineering Services

Date: December 7, 2009

Subject: Boundary Ordinance Describing the City Limits of Dodge City

Agenda Item: Ordinances and Resolutions

Recommendation: Approval of Boundary Resolution

Background: Each year the City must adjust the boundary ordinance that describes the City limits of the City to account for any additional land that has been annexed in the past year. Since the adoption of the last boundary ordinance, three (3) properties have been annexed. The new properties are the Rost Property, the Rebein/Goodnight Property and the Gunsmoke LLC Development.

Justification: Additional land has been annexed by the City and the City is required by KSA 12-517 to adjust the City’s boundary by resolution.

Financial Considerations: Publishing costs

Purpose/Mission: The City is responsible for following State laws. By updating our boundaries, we have identified what properties should be served by the City and can plan for long-term improvements to those areas.

Legal Considerations: The City is obligated under state statute to update the boundary of the City by the last day of December.

From: Nanette Pogue

Date: December 3, 2009

Subject: Resolution No. 2009-28

Agenda Item: Ordinances and Resolutions

Recommendation: Approve Resolution No. 2009-28

Background: The 14th Street Bridge Project has been approved by the City Commission and part of the ARRA money from the federal government. The City needs to formally authorize that project by Resolution so that we can issue financing to fund it. Also, we do not have quite enough funding to see us through the 14th Street and Wyatt Earp projects. We are short approximately $1,160,000 to pay outstanding encumbrances for those two projects. We are in limbo with the State of Kansas on an $800,000 earmark passed down from the federal government. The City of Dodge City signed an agreement with the State of Kansas for the construction of Wyatt Earp, which included this $800,000, but the State had it earmarked for another City project. At this time I am confident we will receive the $800,000 from the State of Kansas, but in addition to that, will still need an additional $360,000 to complete the funding of those projects. Resolution No. 2009-28 authorizes an additional $360,000 for the Wyatt Earp Project. Resolution No. 2009-28 is presented as a supplement to Resolution No. 2007-11 and shows increased funding for Wyatt Earp and adds the 14th Bridge Project to the authorized projects.

Justification: The resolution is necessary to formally authorize the projects so that we can obtain the financing.

Financial Considerations: We will be issuing General Obligation Notes to temporarily finance these projects. When we issue General Obligation Bonds in 2010 for Street Improvements, this portion of the notes will be paid off and refinanced by bonds. Those will most likely be paid back over a 10 year period.

Purpose/Mission: On-going improvement of infrastructure

Legal Considerations: All legal considerations are being met by the passage of this resolution

WHEREAS, the Act provides that all costs of improvements or reimprovements authorized thereunder, including acquisition of right-of-way, engineering costs, and all other costs properly attributable to such projects, shall be paid by the city at large and may be funded, among others, by the issuance of general obligation bonds; and

          Cherise Tieben, Assistant City Manager
From:     Nunnette Pogue
Date:     December 3, 2009
Subject:  Resolution No. 2009-29
Agenda Item: Ordinances and Resolutions

Recommendation: Approve Resolution No. 2009-29

Background: The City authorized $565,000 in street improvements by Resolution No. 2009-28 and previously authorized Water Improvements in the amount of $10,539,000. The City is ready to develop 4 water wells in the amount of approximate $2,750,000. In order to fund these two projects, it is necessary to issue financing. We will issue temporary notes at this time. The notes are in the amount of $3,315,000 and will mature September, 2012. We can call the notes anytime after September 2010. Currently, the plans are to issue General Obligation Bonds for the street portion of the project, sometime in 2010. We have already issued some temporary notes to purchase water rights. Once all of the water improvements have been completed, then we will refinance the notes with either General Obligation Bonds or Revenue Bonds.

Justification: The resolution is necessary to formally issue $3,315,000 in General Obligation Notes

Financial Considerations: Interest will be due in March and September of each year beginning in 2010. The true interest cost on these notes will not exceed 2.5%

Purpose/Mission: On-going improvement of infrastructure

Legal Considerations: All legal considerations are being met by the passage of this resolution

Attachments: Resolution No. 2009-29 and the Note Purchase Agreement to be signed by the Mayor and City Clerk

In any case where a Note Payment Date is not a Business Day, then payment of principal, Redemption Price or interest need not be made on such Note Payment Date but may be made on the next succeeding Business Day with the same force and effect as if made on such Note Payment Date, and no interest shall accrue for the period after such Note Payment Date.

Section 206. Registration, Transfer and Exchange of Notes. The Issuer covenants that, as long as any of the Notes remain Outstanding, it will cause the Note Register to be kept at the office of the Note Registrar as herein provided. Each Note when issued shall be registered in the name of the Owner thereof on the Note Register.

Notes may be transferred and exchanged only on the Note Register as provided in this Section. Upon surrender of any Note at the principal office of the Note Registrar, the Note Registrar shall transfer or exchange such Note for a new Note or Notes in any authorized denomination of the same Stated Maturity and in the same aggregate principal amount as the Note that was presented for transfer or exchange.

Notes presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in a form and with guarantee of signature satisfactory to the Note Registrar, duly executed by the Owner thereof or by the Owner's duly authorized agent.
In all cases in which the privilege of transferring or exchanging Notes is exercised, the Note Registrar shall authenticate and deliver Notes in accordance with the provisions of this Note Resolution. The Issuer shall pay the fees and expenses of the Note Registrar for the registration, transfer and exchange of Notes provided for by this Note Resolution and the cost of printing a reasonable supply of registered note blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the Note Registrar, are the responsibility of the Owners of the Notes. In the event any Owner fails to provide a correct taxpayer identification number to the Paying Agent, the Paying Agent may make a charge against such Owner sufficient to pay any governmental charge required to be paid as a result of such failure. In compliance with Section 3406 of the Code, such amount may be deducted by the Paying Agent from amounts otherwise payable to such Owner hereunder or under the Notes.

The Issuer and the Note Registrar shall not be required (a) to register the transfer or exchange of any Note that has been called for redemption after notice of such redemption has been mailed by the Paying Agent pursuant to Section 304 hereof and during the period of 15 days next preceding the date of mailing of such notice of redemption; or (b) to register the transfer or exchange of any Note during a period beginning at the opening of business on the day after receiving written notice from the Issuer of its intent to pay Defaulted Interest and ending at the close of business on the date fixed for the payment of Defaulted Interest pursuant to Section 205 hereof.

The Issuer and the Paying Agent may deem and treat the Person in whose name any Note is registered on the Note Register as the absolute Owner of such Note, whether such Note is overdue or not, for the purpose of receiving payment of, or on account of, the principal or Redemption Price of and interest on said Note and for all other purposes. All payments so made to any such Owner or upon the Owner's order shall be valid and effective to satisfy and discharge the liability upon such Note to the extent of the sum or sums so paid, and neither the Issuer nor the Paying Agent shall be affected by any notice to the contrary.

At reasonable times and under reasonable regulations established by the Note Registrar, the Note Register may be inspected and copied by the Owners (or a designated representative thereof) of 10% or more in principal amount of the Notes then Outstanding or any designated representative of such Owners whose authority is evidenced to the satisfaction of the Note Registrar.

Section 207. Execution, Registration, Authentication and Delivery of Notes. Each of the Notes, including any Notes issued in exchange or as substitutions for the Notes initially delivered, shall be executed for and on behalf of the Issuer by the manual or facsimile signature of the Mayor, attested by the manual or facsimile signature of the Clerk and the seal of the Issuer shall be affixed thereto or imprinted thereon. The Mayor and Clerk are hereby authorized and directed to prepare and execute the Notes in the manner herein specified, and to cause the Notes to be registered in the office of the Clerk, which registration shall be evidenced by the manual or facsimile signature of the Clerk with the seal of the Issuer affixed thereto or imprinted thereon. The Notes shall also be registered in the office of the State Treasurer, which registration shall be evidenced by the manual or facsimile signature of the State Treasurer with the seal of the State Treasurer affixed thereto or imprinted thereon. The Notes shall be countersigned by the manual or facsimile signature of the Clerk and the seal of the Issuer shall be affixed or imprinted adjacent thereto following registration of the Notes by the Treasurer of the State of Kansas. In case any officer whose signature appears on any Notes ceases to be such officer before the delivery of such Notes, such signature shall nevertheless be valid and sufficient for all purposes, as if such person had remained in office until delivery. Any Note may be signed by such persons who at the actual time of the execution of such Note are the proper officers to sign such Note although at the date of such Note such persons may not have been such officers.
The Mayor and Clerk are hereby authorized and directed to prepare and execute the Notes as herein specified, and when duly executed, to deliver the Notes to the Note Registrar for authentication.

The Notes shall have endorsed thereon a certificate of authentication substantially in the form attached hereto as EXHIBIT A hereof, which shall be manually executed by an authorized officer or employee of the Note Registrar, but it shall not be necessary that the same officer or employee sign the certificate of authentication on all of the Notes that may be issued hereunder at any one time. No Note shall be entitled to any security or benefit under this Note Resolution or be valid or obligatory for any purpose unless and until such certificate of authentication has been duly executed by the Note Registrar. Such executed certificate of authentication upon any Note shall be conclusive evidence that such Note has been duly authenticated and delivered under this Note Resolution. Upon authentication, the Note Registrar shall deliver the Notes to the Purchaser upon instructions of the Issuer or its representative.

Section 208.  Mutilated, Lost, Stolen or Destroyed Notes. If (a) any mutilated Note is surrendered to the Note Registrar or the Note Registrar receives evidence to its satisfaction of the destruction, loss or theft of any Note, and (b) there is delivered to the Issuer and the Note Registrar such security or indemnity as may be required by each of them, then, in the absence of notice to the Issuer or the Note Registrar that such Note has been acquired by a bona fide purchaser, the Issuer shall execute and, upon the Issuer's request, the Note Registrar shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Note, a new Note of the same Stated Maturity and of like tenor and principal amount.

If any such mutilated, destroyed, lost or stolen Note has become or is about to become due and payable, the Issuer, in its discretion, may pay such Note instead of issuing a new Note.

Upon the issuance of any new Note under this Section, the Issuer may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith.

Every new Note issued pursuant to this Section shall constitute a replacement of the prior obligation of the Issuer, and shall be entitled to all the benefits of this Note Resolution equally and ratably with all other Outstanding Notes.

Section 209.  Cancellation and Destruction of Notes Upon Payment. All Notes that have been paid or redeemed or that otherwise have been surrendered to the Paying Agent, either at or before Maturity, shall be cancelled by the Paying Agent immediately upon the payment, redemption and surrender thereof to the Paying Agent and subsequently destroyed in accordance with the customary practices of the Paying Agent. The Paying Agent shall execute a certificate in duplicate describing the Notes so cancelled and destroyed and shall file an executed counterpart of such certificate with the Issuer.

Section 210.  Book-Entry Notes; Securities Depository. The Issuer and Paying Agent have entered into a DTC Representation Letter with DTC. The Notes shall initially be registered to Cede & Co., the nominee for the Securities Depository, and no Beneficial Owner will receive certificates representing their respective interests in the Notes, except in the event the Note Registrar issues Replacement Notes as provided in this Section. It is anticipated that during the term of the Notes, the Securities Depository will make book-entry transfers among its Participants and receive and transmit payment of principal of, premium, if any, and interest on, the Notes to the Participants until and unless the Note Registrar authenticates and delivers Replacement Notes to the Beneficial Owners as described in the following paragraph.
The Issuer may decide, subject to the requirements of the Operational Arrangements of DTC (or a successor Securities Depository), and the following provisions of this section to discontinue use of the system of book-entry transfers through DTC (or a successor Securities Depository):

(a) If the Issuer determines (1) that the Securities Depository is unable to properly discharge its responsibilities, or (2) that the Securities Depository is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, or (3) that the continuation of a book-entry system to the exclusion of any Notes being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Notes; or

(b) if the Note Registrar receives written notice from Participants having interests in not less than 50% of the Notes Outstanding, as shown on the records of the Securities Depository (and certified to such effect by the Securities Depository), that the continuation of a book-entry system to the exclusion of any Notes being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Notes, then the Note Registrar shall notify the Owners of such determination or such notice and of the availability of certificates to Owners requesting the same, and the Note Registrar shall register in the name of and authenticate and deliver Replacement Notes to the Beneficial Owners or their nominees in principal amounts representing the interest of each, making such adjustments as it may find necessary or appropriate as to accrued interest and previous calls for redemption; provided, that in the case of a determination under (a)(1) or (a)(2) of this paragraph, the Issuer, with the consent of the Note Registrar, may select a successor securities depository in accordance with the following paragraph to effect book-entry transfers.

In such event, all references to the Securities Depository herein shall relate to the period of time when the Securities Depository has possession of at least one Note. Upon the issuance of Replacement Notes, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Note Registrar, to the extent applicable with respect to such Replacement Notes. If the Securities Depository resigns and the Issuer, the Note Registrar or Owners are unable to locate a qualified successor of the Securities Depository in accordance with the following paragraph, then the Note Registrar shall authenticate and cause delivery of Replacement Notes to Owners, as provided herein. The Note Registrar may rely on information from the Securities Depository and its Participants as to the names of the Beneficial Owners of the Notes. The cost of printing, registration, authentication, and delivery of Replacement Notes shall be paid for by the Issuer.

In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, the Issuer may appoint a successor Securities Depository provided the Note Registrar receives written evidence satisfactory to the Note Registrar with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities and Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Note Registrar upon its receipt of a Note or Notes for cancellation shall cause the delivery of Notes to the successor Securities Depository in appropriate denominations and form as provided herein.

Section 211. Nonpresentment of Notes. If any Note is not presented for payment when the principal thereof becomes due at Maturity, if funds sufficient to pay such Note have been made available to the Paying Agent all liability of the Issuer to the Owner thereof for the payment of such Note shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the Owner of such Note, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part.
under this Note Resolution or on, or with respect to, said Note. If any Note is not presented for payment within four (4) years following the date when such Note becomes due at Maturity, the Paying Agent shall repay, without liability for interest thereon, to the Issuer the funds theretofore held by it for payment of such Note, and such Note shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the Issuer, and the Owner thereof shall be entitled to look only to the Issuer for payment, and then only to the extent of the amount so repaid to it by the Paying Agent, and the Issuer shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

Section 212. Preliminary and Final Official Statement. For the purpose of enabling the Purchaser to comply with the requirements of Rule 15c2-12(b)(1) of the Securities and Exchange Commission, the Issuer hereby deems the information regarding the Issuer contained in the Preliminary Official Statement to be “final” as of its date, except for the omission of such information as is permitted by Rule 15c2-12(b)(1), and the appropriate officers of the Issuer are hereby authorized, if requested, to provide the Purchaser a letter or certification to such effect and to take such other actions or execute such other documents as such officers in their reasonable judgment deem necessary to enable the Purchaser to comply with the requirement of such Rule.

The final Official Statement is hereby authorized to be prepared by supplementing, amending and completing the Preliminary Official Statement, with such changes and additions thereto as are necessary to conform to and describe the transaction. The Mayor is hereby authorized to execute the final Official Statement as so supplemented, amended and completed, and the use and public distribution of the final Official Statement by the Purchaser in connection with the reoffering of the Notes is hereby authorized. The proper officials of the Issuer are hereby authorized to execute and deliver a certificate pertaining to such Official Statement as prescribed therein, dated as of the Issue Date.

The Issuer agrees to provide to the Purchaser within seven business days of the date of the sale of Notes sufficient copies of the final Official Statement to enable the Purchaser to comply with the requirements of Rule 15c2-12(b)(4) of the Securities and Exchange Commission and with the requirements of Rule G-32 of the Municipal Securities Rulemaking Board.

Section 213. Sale of the Notes – Note Purchase Agreement. The Mayor is hereby authorized to execute the Note Purchase Agreement, provided that the sale of the Notes is subject to the following parameters: (a) principal amount not to exceed $3,400,000; and (b) a true interest cost (“TIC”) of not to exceed 2.50%. The Mayor’s signature on the Note Purchase Agreement shall be conclusive evidence of the approval thereof. Pursuant to the Note Purchase Agreement, the Issuer agrees to sell the Notes to the Purchaser for the Purchase Price, upon the terms and conditions set forth therein.

ARTICLE III

REDEMPTION OF NOTES

Section 301. Redemption by Issuer.

Optional Redemption. At the option of the Issuer, the Notes may be called for redemption and payment prior to their Stated Maturity on September 1, 2010, and thereafter as a whole or in part (selection of the amount of Notes to be redeemed to be determined by the Issuer in such equitable manner as it may determine) at any time, at the Redemption Price of 100% (expressed as a percentage of the principal amount), plus accrued interest thereon to the Redemption Date.
Section 302. Selection of Notes to be Redeemed.

(a) In the event the Issuer desires to call the Notes for redemption prior to maturity, written notice of such intent shall be provided to the Note Registrar in accordance with K.S.A. 10-129, as amended, not less than 45 days prior to the Redemption Date. The Note Registrar shall call Notes for redemption and payment and shall give notice of such redemption as herein provided upon receipt by the Note Registrar at least 45 days prior to the Redemption Date of written instructions of the Issuer specifying the principal amount, Stated Maturities, Redemption Date and Redemption Prices of the Notes to be called for redemption. The Paying Agent may in its discretion waive such notice period so long as the notice requirements set forth in Section 304 are met.

(b) Notes shall be redeemed only in an Authorized Denomination. When less than all of the Notes are to be redeemed and paid prior to their Stated Maturity, such Notes shall be redeemed in such manner as the Issuer shall determine. Notes of less than a full Stated Maturity shall be selected by the Note Registrar in a minimum Authorized Denomination of principal amount in such equitable manner as the Note Registrar may determine.

(c) In the case of a partial redemption of Notes by lot when Notes of denominations greater than a minimum Authorized Denomination are then Outstanding, then for all purposes in connection with such redemption each minimum Authorized Denomination of face value shall be treated as though it were a separate Note of the denomination of a minimum Authorized Denomination. If it is determined that one or more, but not all, of the a minimum Authorized Denomination of face value represented by any Note is selected for redemption, then upon notice of intention to redeem such a minimum Authorized Denomination, the Owner or the Owner's duly authorized agent shall forthwith present and surrender such Note to the Note Registrar: (1) for payment of the Redemption Price and interest to the Redemption Date of such a minimum Authorized Denomination of face value called for redemption, and (2) for exchange, without charge to the Owner thereof, for a new Note or Notes of the aggregate principal amount of the unredeemed portion of the principal amount of such Note. If the Owner of any such Note fails to present such Note to the Paying Agent for payment and exchange as aforesaid, such Note shall, nevertheless, become due and payable on the redemption date to the extent of the a minimum Authorized Denomination of face value called for redemption (and to that extent only).

Section 303. Notice and Effect of Call for Redemption. Unless waived by any Owner of Notes to be redeemed, if the Issuer shall call any Notes for redemption and payment prior to the Stated Maturity thereof, the Issuer shall give written notice of its intention to call and pay said Notes to the Note Registrar and the Purchaser. In addition, the Issuer shall cause the Note Registrar to give written notice of redemption to the Owners of said Notes. Each of said written notices shall be deposited in the United States first class mail not less than 30 days prior to the Redemption Date.

All official notices of redemption shall be dated and shall contain the following information:

(a) the Redemption Date;

(b) the Redemption Price;

(c) if less than all Outstanding Notes are to be redeemed, the identification (and, in the case of partial redemption of any Notes, the respective principal amounts) of the Notes to be redeemed;

(d) a statement that on the Redemption Date the Redemption Price will become due and payable upon each such Note or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the Redemption Date; and
(e) the place where such Notes are to be surrendered for payment of the Redemption Price, which shall be the principal office of the Paying Agent.

The failure of any Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption.

Prior to any Redemption Date, the Issuer shall deposit with the Paying Agent an amount of money sufficient to pay the Redemption Price of all the Notes or portions of Notes that are to be redeemed on such Redemption Date.

For so long as the Securities Depository is effecting book-entry transfers of the Notes, the Note Registrar shall provide the notices specified in this Section to the Securities Depository. It is expected that the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the Beneficial Owners. Any failure on the part of the Securities Depository or a Participant, or failure on the part of a nominee of a Beneficial Owner of a Note (having been mailed notice from the Note Registrar, the Securities Depository, a Participant or otherwise) to notify the Beneficial Owner of the Note so affected, shall not affect the validity of the redemption of such Note.

Official notice of redemption having been given as aforesaid, the Notes or portions of Notes to be redeemed shall become due and payable on the Redemption Date, at the Redemption Price therein specified, and from and after the Redemption Date (unless the Issuer defaults in the payment of the Redemption Price) such Notes or portion of Notes shall cease to bear interest. Upon surrender of such Notes for redemption in accordance with such notice, the Redemption Price of such Notes shall be paid by the Paying Agent. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Note, there shall be prepared for the Owner a new Note or Notes of the same Stated Maturity in the amount of the unpaid principal as provided herein. All Notes that have been surrendered for redemption shall be cancelled and destroyed by the Paying Agent as provided herein and shall not be reissued.

In addition to the foregoing notice, the Issuer shall provide such notices of redemption as are required by the Disclosure Instructions. Further notice may be given by the Issuer or the Note Registrar on behalf of the Issuer as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if official notice thereof is given as above prescribed.

(a) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (1) the CUSIP numbers of all Notes being redeemed; (2) the date of issue of the Notes as originally issued; (3) the rate of interest borne by each Note being redeemed; (4) the maturity date of each Note being redeemed; and (5) any other descriptive information needed to identify accurately the Notes being redeemed.

(b) Each further notice of redemption shall be sent at least one day before the mailing of notice to Owners by first class, registered or certified mail or overnight delivery, as determined by the Note Registrar, to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Notes and to one or more national information services that disseminate notices of redemption of obligations such as the Notes.

(c) Each check or other transfer of funds issued for the payment of the Redemption Price of Notes being redeemed shall bear or have enclosed the CUSIP number of the Notes being redeemed with the proceeds of such check or other transfer.
The Paying Agent is also directed to comply with any mandatory standards then in effect for processing redemptions of municipal securities established by the State or the Securities and Exchange Commission. Failure to comply with such standards shall not affect or invalidate the redemption of any Note.

ARTICLE IV

SECURITY FOR NOTES

Section 401. Security for the Notes. The Notes shall be general obligations of the Issuer payable as to both principal and interest from general obligation bonds of the Issuer and, if not so paid, from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the Issuer. The full faith, credit and resources of the Issuer are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Notes as the same become due.

Section 402. Levy and Collection of Annual Tax. The governing body of the Issuer shall annually make provision for the payment of principal of, premium, if any, and interest on the Notes as the same become due, if necessary, by levying and collecting the necessary taxes upon all of the taxable tangible property within the Issuer in the manner provided by law.

The taxes referred to above shall be extended upon the tax rolls and shall be levied and collected at the same time and in the same manner as the other ad valorem taxes of the Issuer are levied and collected. The proceeds derived from said taxes shall be deposited in the Bond and Interest Fund, shall be kept separate and apart from all other funds of the Issuer shall thereafter be deposited in the Debt Service Account and shall be used solely for the payment of the principal of and interest on the Notes as and when the same become due, and the fees and expenses of the Paying Agent.

If at any time said taxes are not collected in time to pay the principal of or interest on the Notes when due, the Treasurer is hereby authorized and directed to pay said principal or interest out of the general funds of the Issuer and to reimburse said general funds for money so expended when said taxes are collected.

(a) The sum of $[_______] shall be deposited in the Costs of Issuance Account.

(b) The remaining balance of the proceeds derived from the sale of the Notes shall be deposited in the Improvement Fund.

Section 503. Application of Moneys in the Improvement Fund. Moneys in the Improvement Fund shall be used for the sole purpose of: (a) paying the costs of the Improvements, in accordance with the plans and specifications theretofore prepared by the Consulting Engineer heretofore approved by the governing body of the Issuer and on file in the office of the Clerk, including any alterations in or amendments to said plans and specifications deemed advisable by the Consulting Engineer and approved by the governing body of the Issuer; (b) paying interest on the Notes during construction of the Improvements; (c) paying Costs of Issuance to the extent necessary; and (d) transferring any amounts to the Rebate Fund required by Section 506 hereof.

Authorization for withdrawals for other authorized purposes shall be supported by a certificate executed by the Issuer’s Director of Finance (or designate) stating that such payment is being made for a purpose within the scope of this Note Resolution.

Upon completion of the Improvements, any surplus remaining in the Improvement Fund shall be deposited in the Debt Service Account.

Section 504. Substitution of Improvements; Reallocation of Proceeds.

(b) The Issuer may reallocate expenditure of Note proceeds among all Improvements financed by the Notes; provided the following conditions are met: (1) the reallocation is approved by the governing body of the Issuer; (2) the reallocation shall not cause the proceeds of the Notes allocated to any Improvement to exceed the Financeable Costs of the Improvement; and (3) the reallocation will not
adversely affect the tax-exempt status of the Notes under State or federal law.

Section 505. Application of Moneys in Debt Service Account. If, through the lapse of time or otherwise, the Owners of Notes are no longer entitled to enforce payment of the Notes or the interest thereon, the Paying Agent shall return said funds to the Issuer. All moneys deposited with the Paying Agent shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Note Resolution and shall be held in trust by the Paying Agent for the benefit of the Owners of the Notes entitled to payment from such moneys.

Any moneys or investments remaining in the Debt Service Account after the retirement of the indebtedness for which the Notes were issued shall be transferred and paid into the Bond and Interest Fund.

Section 506. Application of Moneys in the Rebate Fund.

(a) There shall be deposited in the Rebate Fund such amounts as are required to be deposited therein pursuant to the Federal Tax Certificate. All money at any time deposited in the Rebate Fund shall be held in trust, to the extent required to satisfy the Rebate Amount (as defined in the Federal Tax Certificate), for payment to the United States of America, and neither the Issuer nor the Owner of any Notes shall have any rights in or claim to such money. All amounts deposited into or on deposit in the Rebate Fund shall be governed by this Section and the Federal Tax Certificate.

(b) The Issuer shall periodically determine the arbitrage rebate, if any, under Code § 148(f) of the Code in accordance with the Federal Tax Certificate, and the Issuer shall make payments to the United States of America at the times and in the amounts determined under the Federal Tax Certificate. Any moneys remaining in the Rebate Fund after redemption and payment of all of the Notes and payment and satisfaction of any Rebate Amount, or provision made therefor, shall be deposited into the Bond and Interest Fund.

(c) Notwithstanding any other provision of this Note Resolution, including in particular Article VII hereof, the obligation to pay arbitrage rebate to the United States of America and to comply with all other requirements of this Section and the Federal Tax Certificate shall survive the defeasance or payment in full of the Notes.

All earnings on any investments held in any Fund or Account shall accrue to and become a part of such Fund or Account; provided that, during the period of construction of the Improvements, earnings on the investment of such funds may be credited to the Debt Service Account.

**Section 508. Application of Moneys in the Costs of Issuance Account.** Moneys in the Costs of Issuance Account shall be used by the Issuer to pay the Costs of Issuance. **ARTICLE VI**

**DEFAULT AND REMEDIES**

**Section 601. Remedies.** The provisions of the Note Resolution, including the covenants and agreements herein contained, shall constitute a contract between the Issuer and the Owners of the Notes. If an Event of Default occurs and shall be continuing, the Owner or Owners of not less than 10% in principal amount of the Notes at the time Outstanding shall have the right for the equal benefit and protection of all Owners of Notes similarly situated:

(a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of such Owner or Owners against the Issuer and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of the Note Resolution or by the Constitution and laws of the State;

(b) by suit, action or other proceedings in equity or at law to require the Issuer, its officers, agents and employees to account as if they were the trustees of an express trust; and

**Section 602. Limitation on Rights of Owners.** The covenants and agreements of the Issuer contained herein and in the Notes shall be for the equal benefit, protection, and security of the Owners of any or all of the Notes, all of which Notes shall be of equal rank and without preference or priority of one Note over any other Note in the application of the funds herein pledged to the payment of the principal of and the interest on the Notes, or otherwise, except as to rate of interest, date of maturity and right of prior redemption as provided in this Note Resolution. No one or more Owners secured hereby shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided, and all proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Outstanding Notes.
Section 603. Remedies Cumulative. No remedy conferred herein upon the Owners is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by the Owner of any Note shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies thereon. No delay or omission of any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Owners of the Notes by this Note Resolution may be enforced and exercised from time to time and as often as may be deemed expedient. If action or proceedings taken by any Owner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or shall have been determined adversely to such Owner, then, and in every such case, the Issuer and the Owners of the Notes shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Owners shall continue as if no such suit, action or other proceedings had been brought or taken.

ARTICLE VII

DEFEASANCE

Section 701. Defeasance. When any or all of the Notes, redemption premium, if any, or scheduled interest payments thereon have been paid and discharged, then the requirements contained in this Note Resolution and the pledge of the Issuer's faith and credit hereunder and all other rights granted hereby shall terminate with respect to the Notes or scheduled interest payments thereon so paid and discharged. Notes, redemption premium, if any, or scheduled interest payments thereon shall be deemed to have been paid and discharged within the meaning of this Note Resolution if there has been deposited with the Paying Agent, or other commercial bank or trust company located in the State and having full trust powers, at or prior to the Stated Maturity or Redemption Date of said Notes or the interest payments thereon, in trust for and irrevocably appropriated thereto, moneys and/or Defeasance Obligations which, together with the interest to be earned on any such Defeasance Obligations, will be sufficient for the payment of the principal of or Redemption Price of said Notes and/or interest accrued to the Stated Maturity or Redemption Date, or if default in such payment has occurred on such date, then to the date of the tender of such payments. If the amount to be so deposited is based on the Redemption Price of any Notes, no such satisfaction shall occur until (a) the Issuer has elected to redeem such Notes, and (b) either notice of such redemption has been given, or the Issuer has given irrevocable instructions, or shall have provided for an escrow agent to give irrevocable instructions, to the Note Registrar to give such notice of redemption in compliance with Section 303(a) of this Note Resolution. Any money and Defeasance Obligations that at any time shall be deposited with the Paying Agent or other commercial bank or trust company by or on behalf of the Issuer, for the purpose of paying and discharging any of the Notes, shall be and are hereby assigned, transferred and set over to the Paying Agent or other bank or trust company in trust for the respective Owners of the Notes, and such moneys shall be and are hereby irrevocably appropriated to the payment and discharge thereof. All money and Defeasance Obligations deposited with the Paying Agent or such bank or trust company shall be deemed to be deposited in accordance with and subject to all of the provisions of this Note Resolution.
ARTICLE VIII

TAX COVENANTS

Section 801. General Covenants. The Issuer covenants and agrees that: it will comply with: (a) all applicable provisions of the Code necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Notes; and (b) all provisions and requirements of the Federal Tax Certificate. The Mayor and Clerk are hereby authorized and directed to execute the Federal Tax Certificate in a form approved by Bond Counsel, for and on behalf of and as the act and deed of the Issuer. The Issuer will, in addition, adopt such other ordinances or resolutions and take such other actions as may be necessary to comply with the Code and with all other applicable future laws, regulations, published rulings and judicial decisions, in order to ensure that the interest on the Notes will remain excluded from federal gross income, to the extent any such actions can be taken by the Issuer.

Section 802. Survival of Covenants. The covenants contained in this Article and in the Federal Tax Certificate shall remain in full force and effect notwithstanding the defeasance of the Notes pursuant to Article VII hereof or any other provision of this Note Resolution until such time as is set forth in the Federal Tax Certificate.

ARTICLE IX

CONTINUING DISCLOSURE REQUIREMENTS

Section 901. Disclosure Requirements. The Mayor and Clerk are hereby authorized and directed to execute the Disclosure Instructions in a form approved by Bond Counsel, for and on behalf of and as the act and deed of the Issuer. The Issuer hereby covenants with the Purchaser and the Beneficial Owners to provide and disseminate such information as is required by the SEC Rule and as further set forth in the Disclosure Instructions, which are incorporated herein by reference. Such covenant shall be for the benefit of and enforceable by the Purchaser and the Beneficial Owners.

Section 902. Failure to Comply with Continuing Disclosure Requirements. In the event the Issuer fails to comply in a timely manner with its covenants contained in the preceding section, the Purchaser and/or any Beneficial Owner may make demand for such compliance by written notice to the Issuer. In the event the Issuer does not remedy such noncompliance within 10 days of receipt of such written notice, the Purchaser or any Beneficial Owner may in its discretion, without notice or demand, proceed to enforce compliance by a suit or suits in equity for the specific performance of such covenant or agreement contained in the preceding section or for the enforcement of any other appropriate legal or equitable remedy, as the Purchaser and/or any Beneficial Owner shall deem effectual to protect and enforce any of the duties of the Issuer under such preceding section.

ARTICLE X

MISCELLANEOUS PROVISIONS

Section 1001. Annual Audit. Annually, promptly after the end of the Fiscal Year, the Issuer will cause an audit to be made of the financial statements of the Issuer for the preceding Fiscal Year by an Independent Accountant. The audit report shall contain a statement regarding the Issuer's compliance with the arbitrage rebate covenants contained in the Federal Tax Certificate and the covenants regarding
continuing disclosure contained in Section 901 hereof and the Continuing Disclosure Instructions. Within 30 days after the completion of each such audit, a copy thereof shall be filed in the office of the Clerk, and a duplicate copy of the audit shall be mailed to the Purchaser. Such audit shall at all times during the usual business hours be open to the examination and inspection by any taxpayer, any Owner of any of the Notes, or by anyone acting for or on behalf of such taxpayer or Owner. Upon payment of the reasonable cost of preparing and mailing the same, a copy of any annual audit will, upon request, be sent to any Owner or prospective Owner. As soon as possible after the completion of the annual audit, the governing body of the Issuer shall review such audit, and if the audit discloses that proper provision has not been made for all of the requirements of this Note Resolution, the Issuer shall promptly cure such deficiency.

Section 1002. Amendments. The rights and duties of the Issuer and the Owners, and the terms and provisions of the Notes or of this Note Resolution, may be amended or modified at any time in any respect by resolution of the Issuer with the written consent of the Owners of not less than a majority in principal amount of the Notes then Outstanding, such consent to be evidenced by an instrument or instruments executed by such Owners and duly acknowledged or proved in the manner of a deed to be recorded, and such instrument or instruments shall be filed with the Clerk, but no such modification or alteration shall:

(a) extend the maturity of any payment of principal or interest due upon any Note;

(b) effect a reduction in the amount which the Issuer is required to pay as principal of or interest on any Note;

(c) permit preference or priority of any Note over any other Note; or

(d) reduce the percentage in principal amount of Notes required for the written consent to any modification or alteration of the provisions of this Note Resolution.

Any provision of the Notes or of this Note Resolution may, however, be amended or modified by resolution duly adopted by the governing body of the Issuer at any time in any legal respect with the written consent of the Owners of all of the Notes at the time Outstanding.

Without notice to or the consent of any Owners, the Issuer may amend or supplement this Note Resolution for the purpose of curing any formal defect, omission, inconsistency or ambiguity herein, to grant to or confer upon the Owners any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Owners, to more precisely identify the Improvements, to reallocate proceeds of the Notes among Improvements, to provide for Substitute Improvements, to conform this Note Resolution to the Code or future applicable federal law concerning tax-exempt obligations, or in connection with any other change therein which is not materially adverse to the interests of the Owners.

Every amendment or modification of the provisions of the Notes or of this Note Resolution, to which the written consent of the Owners is given, as above provided, shall be expressed in a resolution adopted by the governing body of the Issuer amending or supplementing the provisions of this Note Resolution and shall be deemed to be a part of this Note Resolution. A certified copy of every such amendatory or supplemental resolution, if any, and a certified copy of this Note Resolution shall always be kept on file in the office of the Clerk, and shall be made available for inspection by the Owner of any Note or a prospective purchaser or owner of any Note authorized by this Note Resolution, and upon payment of the reasonable cost of preparing the same, a certified copy of any such amendatory or supplemental resolution or of this Note Resolution will be sent by the Clerk to any such Owner or prospective Owner.
Any and all modifications made in the manner hereinabove provided shall not become effective until there has been filed with the Clerk a copy of the resolution of the Issuer hereinabove provided for, duly certified, as well as proof of any required consent to such modification by the Owners of the Notes then Outstanding. It shall not be necessary to note on any of the Outstanding Notes any reference to such amendment or modification.

The Issuer shall furnish to the Paying Agent a copy of any amendment to the Notes or this Note Resolution which affects the duties or obligations of the Paying Agent under this Note Resolution.

Section 1003. Notices, Consents and Other Instruments by Owners. Any notice, consent, request, direction, approval or other instrument to be signed and executed by the Owners may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owners in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Notes, if made in the following manner, shall be sufficient for any of the purposes of this Note Resolution, and shall be conclusive in favor of the Issuer and the Paying Agent with regard to any action taken, suffered or omitted under any such instrument, namely:

(a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of Notes, the amount or amounts, numbers and other identification of Notes, and the date of holding the same shall be proved by the Note Register.

In determining whether the Owners of the requisite principal amount of Notes Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Note Resolution, Notes owned by the Issuer shall be disregarded and deemed not to be Outstanding under this Note Resolution, except that, in determining whether the Owners shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Notes which the Owners know to be so owned shall be so disregarded. Notwithstanding the foregoing, Notes so owned which have been pledged in good faith shall not be disregarded as aforesaid if the pledgee establishes to the satisfaction of the Owners the pledgee’s right so to act with respect to such Notes and that the pledgee is not the Issuer.

Section 1004. Notices. Any notice, request, complaint, demand or other communication required or desired to be given or filed under this Note Resolution shall be in writing, given to the Notice Representative at the Notice Address and shall be deemed duly given or filed if the same shall be: (a) duly mailed by registered or certified mail, postage prepaid; or (b) communicated via fax, with electronic or telephonic confirmation of receipt. Copies of such notices shall also be given to the Paying Agent. The Issuer, the Paying Agent and the Purchaser may from time to time designate, by notice given hereunder to the others of such parties, such other address to which subsequent notices, certificates or other communications shall be sent.

All notices given by: (a) certified or registered mail as aforesaid shall be deemed duly given as of the date they are so mailed; (b) fax as aforesaid shall be deemed duly given as of the date of confirmation of receipt. If, because of the temporary or permanent suspension of regular mail service or for any other reason, it is impossible or impractical to mail any notice in the manner herein provided, then such other form of notice as shall be made with the approval of the Paying Agent shall constitute a sufficient notice.
Section 1005. Electronic Transactions. The issuance of the Notes and the transactions related thereto and described herein may be conducted and documents may be stored by electronic means.

Section 1006. Further Authority. The officers and officials of the Issuer, including the Mayor and Clerk, are hereby authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Note Resolution and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section 1007. Severability. If any section or other part of this Note Resolution, whether large or small, is for any reason held invalid, the invalidity thereof shall not affect the validity of the other provisions of this Note Resolution.

Section 1008. Governing Law. This Note Resolution shall be governed exclusively by and construed in accordance with the applicable laws of the State.

Section 1009. Effective Date. This Note Resolution shall take effect and be in full force from and after its passage by the governing body of the Issuer.

Authorization of Notes. This Note is one of an authorized series of Notes of the Issuer designated “General Obligation Temporary Notes, Series 2009-1,” aggregating the principal amount of $3,315,000 (the “Notes”) issued for the purposes set forth in the Resolution of the Issuer authorizing the issuance of the Notes (the “Note Resolution”). At the option of the Issuer, the Notes may be called for redemption and payment prior to their Stated Maturity on September 1, 2010, and thereafter as a whole or in part (selection of the amount of Notes to be redeemed to be determined by the Issuer in such equitable manner as it may determine) at any time, at the Redemption Price of 100% (expressed as a percentage of the principal amount), plus accrued interest thereon to the Redemption Date.

Redemption Denominations. Whenever the Note Registrar is to select Notes for the purpose of redemption, it shall, in the case of Notes in denominations greater than a minimum Authorized Denomination, if less than all of the Notes then outstanding are to be called for redemption, treat each minimum Authorized Denomination of face value of each such Note as though it were a separate Note in the denomination of a minimum Authorized Denomination.
Notice of Redemption. Notice of redemption, unless waived, shall be given by the Issuer to the Purchaser of the Notes and to the Note Registrar in accordance with the Note Resolution. The Issuer shall cause the Note Registrar to notify each Registered Owner at the address maintained on the Note Register, such notice to be given by mailing an official notice of redemption by first class mail at least 30 days prior to the redemption date. Notice of redemption having been given as aforesaid, the Notes or portions of Notes to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the Issuer defaults in the payment of the redemption price), such Notes or portions of Notes shall cease to bear interest.

One Note certificate with respect to each date on which the Notes are stated to mature or with respect to each form of Notes, registered in the nominee name of the Securities Depository, is being issued and required to be deposited with the Securities Depository and immobilized in its custody. The book-entry system will evidence positions held in the Notes by the Securities Depository's participants, beneficial ownership of the Notes in authorized denominations being evidenced in the records of such participants. Transfers of ownership shall be effected on the records of the Securities Depository and its participants pursuant to rules and procedures established by the Securities Depository and its participants. The Issuer and the Note Registrar will not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing the records maintained by the Securities Depository, the Securities Depository nominee, its participants or persons acting through such participants. While the Securities Depository nominee is the owner of this Note, notwithstanding the provision hereinabove contained, payments of principal of, redemption premium, if any, and interest on this Note shall be made in accordance with existing arrangements among the Issuer, the Note Registrar and the Securities Depository.

Governing Body
City of Dodge City, Kansas

Re: $3,315,000 General Obligation Temporary Notes, Series 2009-1, of the City of Dodge City, Kansas, Dated December 30, 2009

We have acted as Bond Counsel in connection with the issuance by the City of Dodge City, Kansas (the “Issuer”), of the above-captioned notes (the “Notes”). In this capacity, we have examined the law and the certified proceedings, certifications and other documents that we deem necessary to render this opinion. Capitalized terms not otherwise defined herein shall have the meanings ascribed thereto in the resolution adopted by the governing body of the Issuer prescribing the details of the Notes.

Regarding questions of fact material to our opinion, we have relied on the certified proceedings and other certifications of public officials and others furnished to us without undertaking to verify them by independent investigation.

Based upon the foregoing, we are of the opinion, under existing law, as follows:

1. The Notes have been duly authorized, executed and delivered by the Issuer and are valid and legally binding general obligations of the Issuer.

2. The Notes are payable as to both principal and interest from general obligation bonds of the Issuer and, if not so paid, from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the Issuer. The Issuer is required by law to include in its annual tax levy the principal and interest coming due on the Notes to the extent that necessary funds are not provided from other sources.

3. The interest on the Notes [(including any original issue discount properly allocable to an owner of a Note)] is excluded from gross income for federal income tax purposes. Interest on the Notes is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations and is not taken into account in determining adjusted current earnings for the purpose of computing the alternative minimum tax imposed on certain corporations. The opinions set forth in this paragraph are subject to the condition that the Issuer comply with all requirements of the Internal Revenue Code of 1986, as amended (the “Code”), that must be satisfied subsequent to the issuance of the Notes in order to preserve the exclusion of the interest on the Notes from gross income for federal income tax purposes. The Issuer has covenanted to comply with all of these requirements. Failure to comply
with certain of these requirements may cause interest on the Notes to be included in gross income for federal income tax purposes retroactive to the date of issuance of the Notes. The Notes have not been designated as “qualified tax-exempt obligations” for purposes of Section 265(b) of the Code. We express no opinion regarding other federal tax consequences arising with respect to the Notes.

4. The interest on the Notes is excluded from computation of Kansas adjusted gross income.

We express no opinion regarding the accuracy, completeness or sufficiency of the Official Statement or other offering material relating to the Notes (except to the extent, if any, stated in the Official Statement). Further, we express no opinion regarding tax consequences arising with respect to the Notes other than as expressly set forth in this opinion.

The rights of the owners of the Notes and the enforceability thereof may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights generally and by equitable principles, whether considered at law or in equity.

This opinion is given as of its date, and we assume no obligation to revise or supplement this opinion to reflect any facts or circumstances that may come to our attention or any changes in law that may occur after the date of this opinion.

Memorandum

To:       City Commissioners
From:    Cherise Tieben, Assistant City Manager
Date:    December 7th, 2009
Subject:  Resolution 2009-30

**Recommendation:** Staff in the coordination with the Dodge City/Ford County Development Corporation recommends the acceptance of the CHAT report and approval of Resolution 2009-30 which permits staff to submit multiple proposed Rural Housing Incentive Districts to the Kansas Secretary of Commerce for approval.

**Background:** In April of 2008 the City and County received the CHAT report which provided our community with a housing needs and analysis. The report showed that our community housing needs were substantial and provided guidance to the areas which the cause of the shortage and efforts which can be made to correct the issue. The establishment of a Rural Housing Incentive District (RHID) is the first step towards providing an incentive that will entice developers to our community.

**Justification:** Numerous developers have reviewed their opportunities to pursue housing projects in our community. These projects, according to developers, will not cash flow and have not come to fruition due to infrastructure costs, high cost of building supplies, property taxes, low market/rent rates and other issues. Establishing a RHID will encourage the developers through incentives to pursue housing opportunities in our community. It is our hope that the resulting housing developments, will allow more families to join our community in order to fulfill the employment needs of our local businesses.

**Financial Considerations:** None at this time. However, if utilized the financial consideration would be dependent upon each independent development agreement.

**Purpose/Mission:** This resolution assists staff by taking the first step to improving housing opportunities and therefore, improving the quality of life for our citizens.
Legal Considerations: None

Subject: Purchase of Sewer Truck
Agenda Item: New Business

Recommendation:

On November 24, 2009, three bids were received and opened for the purchase of one new combination Vacuum/Jet Rodder Sewer Cleaner Truck. Based on the bids received, staff would recommend that the commission accept the bid from Key Equipment and Maupin's Truck Sales in the amount of $270,230.22.

Background: The 2009 Budget includes $280,000.00 in the MERF to replace the current sewer cleaning truck. A 1992 International Chassis Model 4900 with Camel Combination Vacuum/Jet Rodder Body will be traded in for this purchase.

The 1992 International with Camel Combination Vacuum/Jet Rodder has 78,106 miles and 3,856 engine hours and is currently being used by OMI. The Water Department is using a 2001 Freightliner with Camel Combination Vacuum/Jet Rodder that will go to OMI once the new combination Vacuum/Jet Rodder is received.

In the process of developing specifications to bid this equipment, staff was directed to solicit demonstrations for this equipment before submitting a bid specification for a formal bid. As a result six vendors demonstrated their equipment here in Dodge City.

A committee of Waste Water and Water Department employees evaluated each of the vendor's equipment. City Staff rated each truck based on a pre-established criteria, and listed pros and cons for each truck along with their recommendation. The recommendation by all seven City employees attending the demonstrations was unanimously in support of the truck from Key Equipment. Staff recommends purchasing the unit from Key Equipment, due to the fact that operators in Utilities Division preferred
the truck from Key Equipment because of its performance, safety features, and ease of operation.

**Justification:** Although the concepts behind the Vaccon and Vactor are similar, the operation of each body is very different. During the demonstration process, staff was able to recognize many safety and performance issues with the Vaccon body. The Vaccon body does not meet all the criteria in the specifications. Based on the specification that staff recommended the Vactor body will exceed every part of the specification. It was through this long process, that staff identified quality equipment, which will perform for many years.

Key Equipment is a very reputable company that the City has worked with in the past and is pleased with their service and quality of the equipment. The City’s current street sweeper and many trash trucks were purchased from and are supported by Key Equipment. Key Equipment is located in Kansas City and services our area on a regular basis.

Staff recommends purchasing the combination sewer vac truck from Key Equipment and Maupin’s Truck Sales and Service for a total of $270,230.22

City of Dodge City
City Commission
Dodge City, Kansas 67801

We are pleased to confirm our understanding of the services we are to provide City of Dodge City, Kansas for the years ended December 31, 2009 and 2010. We will audit the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information, which collectively comprise the basic financial statements, of City of Dodge City as of and for the years ended December 31, 2009 and 2010. Accounting standards generally accepted in the United States provide for certain required supplementary information (RSI), such as management’s discussion and analysis (MD&A), to accompany City of Dodge City’s basic financial statements. As part of our engagement, we will apply certain limited procedures to City of Dodge City’s RSI. These limited procedures will consist principally of inquiries of management regarding the methods of measurement and presentation, which management is responsible for affirming to us in its representation letter. Unless we encounter problems with the presentation of the RSI or with procedures relating to it, we will disclaim an opinion on it. The following RSI is required by generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

1) Management’s Discussion and Analysis.

Supplementary information other than RSI also accompanies City of Dodge City’s basic financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the basic financial statements and will provide an opinion on it in relation to the basic financial statements:

1) Schedule of expenditures of federal awards.
2) Combining and individual fund financial statements.

Audit Objectives

The objective of our audit is the expression of opinions as to whether your basic financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles and to report on the fairness of the additional information referred to in the first paragraph when considered in relation to the basic financial statements taken as a whole. The objective also includes reporting on—
• Internal control related to the financial statements and compliance with laws, regulations, and the provisions of contracts or grant agreements, noncompliance with which could have a material effect on the financial statements in accordance with Government Auditing Standards.

• Internal control related to major programs and an opinion (or disclaimer of opinion) on compliance with laws, regulations, and the provisions of contracts or grant agreements that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations.

The reports on internal control and compliance will each include a statement that the report is intended solely for the information and use of management, the body or individuals charged with governance, others within the entity specific legislative or regulatory bodies, federal awarding agencies, and if applicable, pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America; the standards for financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; and the provisions of OMB Circular A-133, and will include tests of accounting records, a determination of major program(s) in accordance with Circular A-133, and other procedures we consider necessary to enable us to express such opinions and to render the required reports. If our opinions on the financial statements or the Single Audit compliance opinions are other than unqualified, we will fully discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or to issue a report as a result of this engagement.

Management Responsibilities

Management is responsible for the basic financial statements and all accompanying information as well as all representations contained therein. Management is also responsible for preparation of the schedule of expenditures of federal awards in accordance with the requirements of OMB Circular A-133. As part of the audit, we will assist with preparation of your financial statements, schedule of expenditures of federal awards, and related notes. You are responsible for making all management decisions and performing all management functions relating to the financial statements, schedule of expenditures of federal awards, and related notes and for accepting full responsibility for such decisions. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements and the schedule of expenditures of federal awards and that you have reviewed and approved the financial statements, schedule of expenditures of federal awards, and related notes prior to their issuance and have accepted responsibility for them. Further, you are required to designate an individual with suitable skill, knowledge, or experience to oversee any nonaudit services we provide and for evaluating the adequacy and results of those services and accepting responsibility for them.
Management is responsible for establishing and maintaining internal controls, including internal controls over compliance, and for monitoring ongoing activities to help ensure that appropriate goals and objectives are met. You are also responsible for the selection and application of accounting principles; for the fair presentation in the financial statements of the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of Dodge City and the respective changes in financial position and, where applicable, cash flows in conformity with U.S. generally accepted accounting principles; and for compliance with applicable laws and regulations and the provisions of contracts and grant agreements.

Management is also responsible for making all financial records and related information available to us and for ensuring that management and financial information is reliable and properly recorded. Your responsibilities also include, including identifying significant vendor relationships in which the vendor has responsibility for program compliance and for the accuracy and completeness of that information. Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud or illegal acts affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud or illegal acts could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the government received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the entity complies with applicable laws, regulations, contracts, agreements, and grants. Additionally, as required by OMB Circular A-133, it is management’s responsibility to follow up and take corrective action on reported audit findings and to prepare a summary schedule of prior audit findings and a corrective action plan. The summary schedule of prior audit findings should be available for our review when audit fieldwork begins.

Management is responsible for establishment and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying for us previous financial audits, attestation engagements, performance audits or other studies related to the objectives discussed in the Audit Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or studies. You are also responsible for providing management’s views on our current findings, conclusions, and recommendations, as well as your planned corrective actions, for the report, and for the timing and format for providing that information.
Audit Procedures—General

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. We will plan and perform the audit to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the entity or to acts by management or employees acting on behalf of the entity. Because the determination of abuse is subjective, Government Auditing Standards do not expect auditors to provide reasonable assurance of detecting abuse.

Because an audit is designed to provide reasonable, but not absolute assurance and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements or noncompliance may exist and not be detected by us. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or major programs. However, we will inform you of any material errors and any fraudulent financial reporting or misappropriation of assets that come to our attention. We will also inform you of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will also require certain written representations from you about the financial statements and related matters.

Audit Procedures—Internal Controls

Our audit will include obtaining an understanding of the entity and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to Government Auditing Standards.
As required by OMB Circular A-133, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to OMB Circular A-133.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under professional standards, Government Auditing Standards, and OMB Circular A-133.

Audit Procedures—Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of City of Dodge City’s compliance with applicable laws and regulations and the provisions of contracts and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to Government Auditing Standards.

OMB Circular A-133 requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with applicable laws and regulations and the provisions of contracts and grant agreements applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the OMB Circular A-133 Compliance Supplement for the types of compliance requirements that could have a direct and material effect on each of City of Dodge City’s major programs. The purpose of those procedures will be to express an opinion on City of Dodge City’s compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to OMB Circular A-133.

Audit Administration, Fees, and Other

We understand that your employees will prepare all cash, accounts receivable, or other confirmations we request and will locate any documents selected by us for testing.

At the conclusion of the engagement, we will complete the appropriate sections of and sign the Data Collection Form that summarizes our audit findings. It is management’s responsibility to submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditors’ reports, and corrective action plan) along with the Data Collection Form to the federal audit clearinghouse. We will coordinate with you the electronic submission and certification. If applicable, we will provide copies of our report for you to include with the reporting package you will submit to pass-through entities. The Data Collection Form and the reporting package must be submitted within the earlier of 30 days after receipt of the auditors’ reports or nine months after the end of the audit period, unless a longer period is agreed to in advance by the cognizant or oversight agency for audits.
The audit documentation for this engagement is the property of Kennedy McKee & Company LLP and constitutes confidential information. However, pursuant to authority given by law or regulation, we may be requested to make certain audit documentation available to a Cognizant of Oversight Agency for Audit or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Kennedy McKee & Company LLP personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of five years after the report release or for any additional period requested by the Cognizant Agency, Oversight Agency for Audit, or Pass-through Entity. If we are aware that a federal awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

Our fees for these services will be based on the actual time spent at our standard hourly rates, plus other out-of-pocket costs such as report production, typing, postage, etc. Our standard hourly rates vary according to the degree of responsibility involved and the experience level of the personnel assigned to your audit. Our invoices for these fees may be rendered each month as work progresses and are payable on presentation. Based on our preliminary estimates, the fee for each year will not exceed $38,500 plus $75 per hour for the audit of Federal financial assistance programs. This estimate is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs.

*Government Auditing Standards* require that we provide you with a copy of our most recent external peer review report and any letter of comment, and any subsequent peer review reports and letters of comment received during the period of the contract. Our 2008 peer review report accompanies this letter.

We appreciate the opportunity to be of service to City of Dodge City and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the enclosed copy and return it to us.

Very truly yours,

We have reviewed the system of quality control for the accounting and auditing practice of Kennedy McKee & Company LLP (the Firm) in effect for the year ended September 30, 2008. A system of quality control encompasses the Firm’s organizational structure and the policies adopted and procedures established to provide it with reasonable assurance of conforming with professional standards. The elements of quality control are described in the Statements on Quality Control Standards issued by the American Institute of Certified Public Accountants (AICPA). The Firm is responsible for designing a system of quality control and complying with it to provide the Firm reasonable assurance of conforming with professional standards in all material respects. Our responsibility is to express an opinion on the design of the system of quality control and the Firm's compliance with its system of quality control based on our review.

Our review was conducted in accordance with standards established by the Peer Review Board of the AICPA. During our review, we read required representations from the Firm, interviewed Firm personnel and obtained an understanding of the nature of the Firm's accounting and auditing practice, and the design of the Firm's system of quality control sufficient to assess the risks implicit in its practice. Based on our assessments, we selected engagements and administrative files to test for conformity with professional standards and compliance with the Firm's system of quality control. The engagements selected represented a reasonable cross-section of the Firm's accounting practice with emphasis on higher-risk engagements. The engagements selected included among others, engagements performed under Government Auditing Standards. Prior to concluding the review, we reassessed the adequacy of the scope of the peer review procedures and met with Firm management to discuss the results of our review. We believe that the procedures we performed provide a reasonable basis for our opinion.

In performing our review, we obtained an understanding of the system of quality control for the Firm's accounting and auditing practice. In addition, we tested compliance with the Firm's quality control policies and procedures to the extent we considered appropriate. These tests covered the application of the Firm's policies and procedures on selected engagements. Our review was based on selected tests therefore it would not necessarily detect all weaknesses in the system of quality control or all instances of noncompliance with it. There are inherent limitations in the effectiveness of any system of quality control and therefore noncompliance with the system of quality control may occur and not be detected. Projection of any evaluation of a system of quality control to future periods is subject to the risk that the system of quality control may become inadequate because of changes in conditions, or because the degree of compliance with the policies or procedures may deteriorate.
In our opinion, the system of quality control for the accounting and auditing practice of Kennedy McKee & Company LLP in effect for the year ended September 30, 2008, has been designed to meet the requirements of the quality control standards for an accounting and auditing practice established by the AICPA and was complied with during the year then ended to provide the Firm with reasonable assurance of conforming with professional standards.

As is customary in a system review, we have issued a letter under this date that sets forth comments that were not considered to be of sufficient significance to affect the opinion expressed in this report.

Date: December 3, 2009

Subject: Hoover Roof Bids

Agenda Item: New Business

Recommendation: Staff recommends accepting the low bid of Diamond Roofing in the amount of $56,560 for the re-roofing of Hoover Pavilion.

Background: The roof at Hoover Pavilion has developed several leaks and needs replacement. This roof system utilizes two materials, a flat top section using a modified roofing system surrounded by clay tiles laid up on the pitched portions. The modified roofing has deteriorated and needs replacement and the underlayment material under the clay tiles has rotted and must also be replaced. Additionally, the scuppers or drain openings on the flat roof need to be modified as they have contributed to the underlayment issues on the clay tile roof below.

Justification: In recent years the City has invested a considerable amount of time and money into renovating Hoover Pavilion. This beautiful facility preserves some of our local history and is a prime location for wedding receptions and other community events. It is essential to repair the roof in order to protect the work previously completed and to maintain the facility in an appropriate fashion.

Financial Considerations: This project will be funded out of the Insurance Claims fund and adequate funds are available to complete the work. The Claims Fund is a non-budgeted fund from dollars received through insurance claims and is specifically set out for these types of projects.

The final cost for this project will be adjusted based on the amount of deck repairs and clay tile replacement required. Deck repairs cannot be identified until the existing roof materials are removed. The clay tiles from the existing roof will be salvaged but there will be an unknown quantity needed to make up for damaged tiles and insure tiles are installed according to specifications. Bidders were asked to provide costs for those items so we have fixed material costs but quantities will have to be field verified.

Purpose/Mission: This project fits the City's core value of Ongoing Improvements as it provides for the preservation and continued use of a public facility that is widely used and appreciated.

Legal Considerations: N/A
