1. City/FOP Contract Negotiations

ADJOURNMENT
PROCLAMATION

WHEREAS, pioneering men and women, recognized as cowboys, helped establish the American West; and

WHEREAS, that cowboy spirit continues to infuse this country with its solid character, sound family values, and good common sense; and

WHEREAS, the cowboy embodies honesty, integrity, courage, compassion, respect, a strong work ethic, and patriotism; and

WHEREAS, approximately 800,000 ranchers are conducting business in all 50 States and are contributing to the economic well being of nearly every county in the Nation; and

WHEREAS, rodeo is the sixth most-watched sport in the United States; and

WHEREAS, the cowboy is an American icon; and

WHEREAS, to recognize the American cowboy is to acknowledge the ongoing commitment of the United States to an esteemed and enduring code of conduct; and

WHEREAS, the ongoing contributions made by cowboys to their communities should be recognized and encouraged:

NOW, THEREFORE, be it Resolved, that the City of Dodge City supports the Senate of the United States in their quest to designate the 4th Saturday in July each year, and this year designates July 24, 2010, as

NATIONAL DAY OF THE AMERICAN COWBOY

and encourages the people of Dodge City and the United States to observe the day with appropriate ceremonies and activities.

IN WITNESS WHEREOF, I have hereunto set my hand this 19th day of July, 2010.

E. Kent Smoll, Mayor

SEAL

Nannette Pogue, City Clerk
CITY COMMISSION MINUTES
City Hall Commission Chambers
Tuesday, July 6, 2010
7:00 p.m.

OTHER BUSINESS

Ken Strobel, City Manager:
- Fireworks went off after a 1 day delay at 10:00 p.m. on July 5th;
- Will be scheduling a Budget Work Session;
- Business Appreciation Luncheon was well attended;
- Dodge City Days Parade – City Commission will have a float; and
- Expressed sympathy to Ron Allen’s family. He was the leadership for Horse Thief Canyon Reservoir, appreciated his commitment to the project.

Jane Longmeyer, Director of Public Information:
- Advised on the Cultural Relations Advisory Board seeking nominations; and
- Clean Team will be getting together prior to Dodge City Days.
Commissioner Jim Sherer:
- Congratulated Paul Lewis and Fireworks Committee on a wonderful show;
- 14th Avenue railroad crossing looks good; and
- Attended All-4-Fun and complimented on the establishment looking good.

Commissioner Rick Sowers:
- Congratulated the committee on the Fireworks Show;
- Did receive compliments regarding fireworks in general; and
- Volunteered himself for Dodge City Days Cleanup.

Commissioner Monte Broeckelman:
- Congratulations to local gymnastics team that traveled to Florida and did great.

Commissioner Brian Weber:
- Congratulated the committee on the Fireworks; and
- Candidate Forum is scheduled for this coming Friday at 6:00 p.m.

Mayor Kent Smoll:
- Enjoyed the Fireworks Display and thanked the committee for their commitment;
- Railroad crossing on 14th Avenue is really nice;
- Horse Thief Canyon had Grand Opening;
- Expressed condolences to the Ron Allen family; and
- Has received comments about truck traffic on Wyatt Earp Blvd.

**ADJOURNMENT:** Commissioner Jim Sherer moved to adjourn the meeting. Commissioner Monte Broeckelman seconded the motion. The motion carried unanimously.

E. Kent Smoll, Mayor

1 Spouse not required to be over 21 years of age. K.S.A. 41-2703(b)(9)
Memorandum

To: City Manager
Assistant City Manager
City Commissioners

From: Ray Slattery, City Engineer

Date: July 7, 2010

Subject: 2009 Beeson Court Subdivision PL 0903
Agenda Item: Consent Calendar

Recommendation: Approve Change Order #1 for the 14th Ave. Pavement Replacement at the Railroad Crossing.

Background: The 14th Ave. Pavement Replacement at the Railroad Crossing was approved approved by the Commission on June 7, 2010.

Justification:

Remove Existing Pavement – The additional 23 S.Y. of represents actual field measurements. A section existing pavement had to be removed to provide a transition from the new sidewalk and drainage along the Southwest Distributors’ Building.

Rem./Repl. Curb & Gutter – The additional 35 L.F. of represents actual field measurements. Due to the railroad crossing being installed at a higher elevation than the previous crossing all the curb & gutter had to be removed and replaced.

6” “Rock” Sub-Grade w/Geo-Grid – The additional 11 S.Y. of represents actual field measurements. The “Rock” sub-Grade was placed under the additional curb & gutter and the extra 9” Concrete Pavement.

9” PCC (NRDJ) Pavement – The additional 2 S.Y. of represents actual field measurements. The existing concrete pavement at the south end of the job was removed to provide a smooth connection to the new pavement. There was a jagged edge butted up against the existing asphalt pavement.
4” x 5’ Sidewalk – The decrease of 3 S.Y. represents actual field measurements. This decrease was due to the routing and radii used to construct the sidewalk in the field as compared to the design drawings.

Patch Existing Storm Pipe & Backfill – This item was added because the existing storm pipe under the project area had a misaligned bell. The Contractor provided a concrete collar for the storm pipe and then backfilled the “wet” area caused by the misaligned storm pipe with flow-able fill.

4” Concrete Flume – The additional 45 S.Y. of represents actual field measurements. A section existing pavement had to be removed to provide a transition from the new sidewalk and drainage along the Southwest Distributors’ Building. The pavement placed is more than that removed due to an overestimation of Pavement Removed in the design phase of this project.

Financial Considerations: Change Order #1 is for an increase of $4,377.75

Purpose/Mission: One of the City's core values in Ongoing Improvements. With the construction of these improvements the City is preparing for the community's future and providing new possibilities for current and future citizens of our community.

Legal Considerations: N/A

Memorandum

To: City Manager
   Assistant City Manager
   City Commissioners

From: Joseph E. Finley, P.E.
       Director of Engineering Services

Date: July 14, 2010

Subject: Water & Sewer Service for County Resident located at 1510 Pheasant Street

Agenda: Consent Calendar

Recommendation: Approve agreement for water and sewer for Business on Pheasant Street.

Background: Recently the Ford County Commission approved a conditional use permit for a new business on Pheasant Street. As a stipulation of the conditional use permit, the owner must connect to City water and sewer.

Justification: By connecting this business to City water and sewer, this site will not have a septic system and well that could cause contamination to the City's water source. This area is adjacent to the City limits and does not require any extension of City services.

Financial Considerations: The owner will be responsible to pay for all cost associated with the connection. By accepting these improvements, the City will be responsible for future maintenance of these improvements.

Purpose/Mission: Connection to City utilities will insure that the citizens have access to quality service and the owners will not have to maintain their own wee and septic system.

Legal Considerations: None

Attachments: Contracts for water and sewer service.
CONTRACT FOR SEWER SERVICE

THIS AGREEMENT is made and entered into by and between the City of Dodge City, Kansas, a municipal corporation, hereinafter referred to as “City” and __________________________________, hereinafter referred to as “Owner(s)”, and who are the record Owner(s) of the following described property, located in Ford County, Kansas: Address is Lots of Tracks 12-17 Westview Place an addition to the City of Dodge City, KS. Being located in and part of NE Quarter (1/4) of Section 34, Township 26 South, Range 25 West of the 6th P.M. Except a Tract dedicated to the City in Deed book 199 at page 628, for the Right of way purposes, hereinafter referred to as “the premises”.

WHEREAS, at the present time the premises are located outside the corporation limits of the City, and

WHEREAS, at some point in the future it may be of benefit to the City and the Owners for the City to annex the premises into the corporate limits of the City, and

WHEREAS, in accordance with the provisions of K.S.A. 12-534 the City and Owners may agree that the City will provide access to municipal sewer services for the premises, even though the premises are not currently within the corporate limits of the City, and that said agreement may be conditional upon the Owners consent to annexation of the premises at a later date and such other terms and conditions as the City deems appropriate and necessary, and

WHEREAS, the Owners desire to have public sewer service provided to the premises described above, under the terms and conditions of this agreement, and, the
Contract for Sewer Service

NOW, THEREFORE, in consideration of the mutual promises of the parties, it is agreed as follows:

The City hereby agrees, that in its sole discretion, it will to either allow Owners access to City sewer system at its present location, or, that it will install, construct and maintain an extension of the City’s present public sewer system to a point selected by the City and allow the Owners to access such public sewer extension, all under the terms and conditions as set forth herein.

The Owners do hereby agree to accept public sewer service from a connection at such point as selected by the City and further agree to be responsible for and to pay all costs associated with the system extension and the accessing or tapping the City’s public sewer system at such point or location. Should the City elect not the extend the sewer main line to said premises at this time, the Owners understand and agree that Owners will be responsible to pay for any future costs associated with any future extension.

The Owners understand and agree that the size of the sewer lines and size of the tap will be determined by the City in accordance with its estimated needs of service to the Owners and Owners accept such service with the knowledge and understanding that the City’s ability to provide public sewer service is regulated by certain state agencies which have the legal right to regulate and restrict the City’s ability to provide such public sewer services.

In addition, the Owners hereby agree that they shall not permit or allow any other persons to utilize the public sewer service as established by this agreement by attaching to such sewer lines which the Owners may install for service to the premises.
Owners further agree that they will pay public sewer rates as established by ordinance for (residential) (commercial) customers of the City of Dodge City, as the same may be amended from time to time.

Owners on their own behalf or on behalf of their heirs, administrators, executors, personal representatives and successor owners do, by this agreement, petition the City to annex the premises as described above into the corporate city limits of the City of Dodge City. Owners agree that all determinations with regard to when such annexation shall take place shall be made by the governing body of the City and that Owners shall not withdraw this request for annexation. This request for annexation shall be binding on the present Owners and any successors in interest in and to the above-described property. At such time that annexation takes place, the Owners agree that all costs associated with providing the usual city services to the premises shall be paid for by said Owners.

Owners further agree that they will not assign any right, privilege or obligation which shall accrue to them by virtue of this agreement to any other person or entity except for a legal successor in title to the above-described premises, and any attempt to make such assignment to any other person or entity shall automatically terminate this agreement.

In the event Owners should fail to perform any actions or obligations incumbent upon them by virtue of this agreement and should such default or failure continue for a period of thirty (30) days after notice from the City of such failure or default, then the City may, at its option, terminate this agreement, terminate sewer services to the premises and no longer be required to provide such service and shall be released from any obligations under this agreement.
The Owners understand and agree that if the present City sewer system is to be extended that all costs associated with such extension of said public sewer system to provide such sewer service to the premises under this agreement and all costs associated with the tapping and connection to the system regardless of whether the system is extended or not, shall be paid by the Owners; that the estimated cost of providing such sewer service is __________________, ($_________________) which amount may be increased due to unforeseen circumstances and which amount shall be paid by the Owners to the City in the following time and manner:

Owners further agree that the Owners shall be responsible for and shall pay all costs associated with the installation, construction and continuing maintenance of the Owners sewer service line from the point of connection to the City public sewer system and that such Owners shall construct and maintain said line in accordance with City ordinances and any and all state or federal regulations applicable to such service, except that

SPECIAL CONDITIONS:
THIS AGREEMENT is binding on the parties hereto and any and all successors in interest in and to the above-described premises.

IN WITNESS WHEREOF, the parties have executed this agreement the day and year noted below.

STATE OF KANSAS
MY APPT. EXPIRES 2.20.2011
Memorandum

To: City Manager
Assistant City Manager
City Commissioners

From: Joseph E. Finley, P.E.
Director of Engineering Services

Date: July 14, 2010

Subject: Resolution 2010-21 accepting Infrastructure Improvement for Beeson Court Subdivision PL0903

Agenda: Ordinances and Resolutions

Recommendation: Approve Resolution as submitted.

Background: The City Commission Approved the Beeson Court Subdivision on August 3, 2009. The developer provided all of the engineering drawings for construction and requested the City contract the construction and provide the necessary inspection to insure the improvements were installed according to City standards.

Justification: To add the infrastructure to the City's inventory, the improvements must be accepted by the City.

Financial Considerations: By accepting these improvements, the City will be responsible for future maintenance of these improvements.

Purpose/Mission: By installing and accepting these improvements the quality of life has been improved for residents living in this subdivision and the future maintenance needs will be addressed when necessary.

Legal Considerations: None

Attachments: Certification of Improvements and Resolution 2010-21
RESOLUTION NO. 2010-21

A RESOLUTION ACCEPTING THE STREET, WATER LINES AND SEWER LINES FOR THE BEESON COURT SUBDIVISION.

WHEREAS, the City Commission of Dodge City approved extending City Streets, water and sewer services to the Beeson Court Subdivision; and

WHEREAS, the City Engineer's Office approved the plans and specifications for the construction of water lines, sewer lines, and street improvements for the Beeson Court Subdivision; and

WHEREAS, the construction of the street improvements, water lines and sewer lines for the Beeson Court Subdivision were completed on April 10, 2010; and

WHEREAS, the City Commission of the City of Dodge City, Kansas, is in receipt of a certification from the Director of Engineering that said construction has been found to be in reasonable conformance with the engineering plans and specifications approved by the City of Dodge City and recommending that these improvements be accepted by the City and added to its utility and street system,

NOW, THEREFORE, BE IT RESOLVED by the City Commission of the City of Dodge City, Kansas, that the water lines and sewer lines and street improvements for the Beeson Court Subdivision are hereby accepted by the City and added to its utility system and street inventory.

Passed by the Governing Body of the City of Dodge City in regular session and approved by the Mayor this 19th day of July, 2010.

Memorandum

To: City Commissioners  
From: Ken Strobel  
Date: July 16, 2010  
Subject: Grant Award Agreement to Fund an Energy Manager  
Agenda Item: New Business

**Recommendation:** Authorize the City Manager to sign the Grant Award Agreement with the Kansas Corporation Commission.

**Background:** The State Energy Office received grant funding from the Department of Energy under the American Recovery and Reinvestment Act of 2009. A grant application submitted jointly on behalf of the City of Dodge City, Ford County and U.S.D. #443 to fund an Energy Manager position was approved.

**Justification:** The Energy Manager will evaluate the energy usage and cost data for all fuel types of the three entities and create a prioritized list of improvements for energy use in facilities, transportation and operations. The information is expected to reduce the utility costs. The Energy Manager will also conduct energy conservation training for personnel to maintain long term energy savings and review energy bills and usages.

**Financial Considerations:** The position is fully funded by grant dollars. There are no matching funds required and there is no requirement to fund the position after the grant expires in two years.

**Purpose/Mission:** The purpose of the grant award is to provide financial assistance for hiring an energy manager to determine ways to conserve energy and reduce utility costs.

**Legal Considerations:** The Energy Manager will be required to meet the specifications of the grant agreement and will prepare and file all reports required by the grant. The grant application was written to provide services for the City of Dodge City, Ford County and U.S.D. #443. Since this is a shared grant between the three entities, an interlocal agreement will be prepared to cover the agreed-upon responsibilities by each entity.

**Attachments:** Grant Award Agreement
GRANT AWARD AGREEMENT
BETWEEN THE KANSAS CORPORATION COMMISSION
AND INSTITUTION NAME

Now, on this ___ day of ____, 2010, the Kansas Corporation Commission (hereafter “KCC” or “Grantor”) and the City of Dodge City, Kansas hereafter (“Grantee”) execute this Grant Award Agreement.

The KCC structure includes the State Energy Office and under K.S.A. 74-616 this office is charged with a variety of energy-related responsibilities on behalf of the State of Kansas. The State Energy Office is the recipient of Department of Energy Formula Grant (DE-FOA-0000013) funding, under a provision of the American Recovery and Reinvestment Act of 2009, Public Law 111-5;

Grantee is an entity that has applied to receive grant funding to fund an energy manager position and provide outreach and education in the community.

The Purpose of this Grant Award is to provide financial assistance for hiring an energy manager and for outreach events in the community.

NOW, THEREFORE, IT IS HEREBY AGREED AS FOLLOWS:

1. The KCC shall provide Grantee with a grant of $85,000 annually for a two-year period, not to exceed $170,000 during the two-year period.

2. Grantee will hire a full time equivalent (FTE) energy manager position and host certain energy efficiency and conservation events and projects, as identified in their grant application attached to this agreement as Attachment A and hereby incorporated by reference.

3. This award is made on a conditional basis. Prior to receiving any award, Grantee shall comply with all items listed in the Grant Award Terms & Conditions document attached to this agreement as Attachment B (for the purposes of Attachment B, grantee is referred to as “Recipient”) and hereby incorporated by reference. Determination of compliance shall be at the KCC’s discretion. Forms to be used to meet these requirements are included in Attachment C, and hereby incorporated by reference.

4. KCC and Grantee mutually agree to the following criteria for reimbursement:
a. That KCC shall provide one-year advance payment of funds, within 30 days of the execution of this agreement, for the hiring of an energy manager in the amount of the annual salary and benefits listed in Attachment A, not to exceed $65,000.

b. That KCC shall provide the second year advance payment of funds for the salary and benefits listed in Attachment A on or about the one-year anniversary of the execution of this Agreement.

c. That Grantee shall submit to the KCC, on the fifth day of each month, an invoice for payment that documents and certifies the total costs for eligible projects (identified in Attachment A) incurred in the performance of service, as required in this Agreement, during the preceding month;

d. Monthly invoices shall be accompanied by a report identifying the amount paid in salaries from grant funds, including a cumulative total paid, and the remaining balance of the fund.

e. The final invoice shall be submitted no later than forty-five days following the expiration of this Agreement. The KCC shall not be liable for any reimbursements requested after that date;

f. That all invoices for reimbursement shall be accompanied by documentation of service rendered, date service was performed, individual or individuals performing the services, and expenses incurred, including receipts where appropriate;

g. That total reimbursement in no event will exceed the maximum sum of $170,000.00 for all work performed, services rendered and allowed expenses incurred. Funding for this award is contingent upon approval by the U.S. Department of Energy;

5. The Energy Manager hired by the Grantee must complete the following services within the first six (6) months of the agreement:
   a. Attend a mandatory certified energy manager training, sponsored by the KCC
   b. Categorize current energy use of the coalition by fuel type, operating division, operating entity, facility or department
   c. Collect a minimum of 12 months of energy usage and cost data across all fuel types and calculate all greenhouse gas emissions
from all sources using EPA Greenhouse Gas Equivalencies Calculator.

d. Create a prioritized list of improvements for energy-use in facilities, transportation and operations.

6. During the two-year period of the grant, the Grantee must complete the following:

a. Conduct regular meetings with local government officials on energy-efficiency opportunities.

b. Hold energy conservation training for coalition personnel

c. Identify alternative energy upgrades for future implementation

d. Establish an outreach program for providing energy-efficiency information and identifying opportunities in the community for energy-efficiency improvements

7. This grant award is provided using funds from the American Recovery and Reinvestment Act of 2009 (ARRA) Energy Efficiency and Conservation Block Grant (EECBG) CFDA # 81.128; Funding Opportunity Announcement DE-FOA-0000013; Award # DE-EE000727.

8. The term of this agreement shall be from July 15, 2010 to October 1, 2012, unless otherwise extended in writing. All modifications shall be in writing, captioned Modification of Original Grant Award Agreement and signed by an authorized representative of the undersigned parties.

9. This agreement may be terminated at any time by mutual written consent, signed by an authorized representative of the undersigned parties. Other provisions for termination appear in Attachments B & D, which are hereby incorporated by reference.

10. This Grant Award Agreement incorporates by reference, certain reporting requirements contained in U.S. Department of Energy Funding Opportunity Announcement Number (FOA) DE-FOA-0000013 and amendments thereto, issued April 24, 2009, CDFA Number 81.128. Further, the Kansas Corporation Commission desires that Grantee capture and report other data items. 

Collectively, Grantee shall report the items listed in Attachment B Terms & Conditions. All items shall be reported quarterly, on or before each January 10, April 10, July 10, and October 10 covered by this Grant Award Agreement, indicating numbers for that quarter and year-to-date, since the awarding of the
Grant Award Agreement, by submitting, numbers for each category, and signed, or otherwise attested to by an authorized representative of Grantee. Jobs retained shall mean those jobs, which but for this Grant Award Agreement, would have been eliminated.

Grantee accepts and agrees that the nature of the award may require additional reporting and/or compliance requirements, and in accordance therewith, will promptly execute any reasonable amendment or modification to the Grant Award Agreement reflecting these additional requirements. Failure to timely execute and deliver the amendment or modification shall constitute an event of default.

11. Grantee shall comply with all applicable federal regulations set forth in the FOA. If contractor is, or has been awarded, any other State contracts, an event of default under that contract shall, at either the State’s or the KCC’s discretion, constitute an event of default under this contract.

12. That Grantee accepts full responsibility for payment of salaries, unemployment insurance, premiums for worker’s compensation and social security as well as all income tax withholding and any other taxes or payroll deductions required by law for its employees engaged in the work authorized by this Grant Award Agreement. That Grantee represents that it has, or will secure at its own expense, all personnel required in performing the work and services under this Grant Award Agreement. All of the services to be rendered by Grantee shall be performed by the personnel listed in Grantee’s proposal, who are represented to be fully qualified and authorized under state and local law to perform such work and services. It is the understanding of all parties to this Agreement that the KCC, by executing this Grant Award Agreement, does not pledge or promise to pledge the assets of the State of Kansas, nor does it promise to pay any part of the sum provided for in this Grant Award Agreement from any monies of the treasury of the State of Kansas, except such monies as shall be appropriated for this Grant Award Agreement.

13. Grantee agrees that it shall fully and completely comply with the Contractual Provisions (Form DA-146a) contained in Attachment D; which is attached hereto, incorporated herein by reference and made a part hereof as though fully set forth in this Grant Award Agreement. Grantee is a “contractor” for all purposes of Attachment D.
14. OMB Circular A-128 and A-133 require audits of State and local
government and non-government entities. The audit threshold is
$500,000.00 of Federal award expenditures. All non-federal entities
(profit, not-for-profit, and governmental entities) that expend
$500,000.00 or more in a program year in Federal awards — including
this award — shall have a single or program-specific audit conducted for
that year in accordance with the provisions of A-128 or A-133. The
$500,000.00 Federal funds threshold includes funds from all Federal
agencies. Regulations and qualifications may be found on the Grants
Management Circulars web site:
http://www.whitehouse.gov/omb/grants/grants_circulars.html

15. Grantee shall hold the KCC and the State of Kansas harmless for all
costs, damages, expense, or liability, which may be occasioned solely by
the negligence of Grantee’s agents, or servants or the negligence of
Grantee’s successors or assigns.

16. This Grant Award Agreement may be changed during the timeframe of
the Grant Award Agreement by mutual agreement of the parties. Such
agreement shall be construed as a modification to this Grant Award
Agreement, reduced to writing captioned Modification of Original Grant
Award Agreement, and signed by authorized representatives of the
undersigned parties. Any oral agreements are invalid.

17. This Grant Award Agreement shall in all respects be governed by and
construed in accordance with the laws of the State of Kansas. It is
agreed by and between the undersigned parties that all disputes and
matters whatsoever arising under, in connection with or incident to this
contract shall be litigated, if at all, in and before the District Court of
Shawnee County, Kansas, to the exclusion of the Courts of any other
states or country.

In WITNESS WHEREOF, the parties hereto have affixed their signatures.

GRANT APPLICATION
April 14, 2010

Mr. Stuart Yoho
State Energy Office
Energy Manager Grant
1300 SW Arrowhead Road, Suite 100
Topeka, KS 66604

Dear Mr. Yoho:

Enclosed herewith is our completed Energy Manager Grant Application for our joint energy management program for Dodge City, Ford County and Dodge City Unified School District #443. Please know that we are looking forward to a beneficial working relationship with the Energy Office as we move forward with this program.

If you have any questions regarding this application, please call Dr. Morris Reeves at USD 443 at (620) 227-1621.

Sincerely,

![Signature]

Ken Strobel
City Manager
1. Coalition Members:

List lead applicant first. Square Footage - enter the total square footage of building space. Annual Energy Budget - enter the total annual energy budget for the unit of government including electricity, natural gas, water, and vehicle fuel.

2. Project Narrative

a. Coalition Organization - Provide a detailed description of how the coalition is organized. The city will be the lead agency which will administer the program and employ the Energy Manager. There will be an advisory board consisting of one representative from each public agency. In addition, two at large community representatives along with two representatives, one from the electricity provider and one from the natural gas provider, will be members of the advisory board. The advisory board will provide direction to the Energy Manager in developing board policy and energy conservation guidelines for adoption by the respective governing boards. The Energy Manager will work with building managers, Principals and head custodians in implementing the board adopted policies and regulations.

b. Time Allocation - Enter the amount or percent of time the energy manager will spend working with each member of the coalition.

The time allocation will be as equally divided among the three public agencies as possible. Certain times of the year more attention may be applied to any one of the agencies (i.e. beginning of school) but over the long-term, the service will be spread as fairly as possible.

c. Oversight - Provide a detailed outline of how the coalition will oversee the position (who will supervise, what performance measures will be used, etc).

The immediate supervisor of the Energy Manager will be the city administrator. Performance measures include an evaluation of the Energy Manager’s success in accurately providing energy data to building managers and school principals. The overall reduction of energy consumption and costs across the three agencies will be a major performance measure. In addition, the introduction of energy conservation measures will be considered in the evaluation.

d. Duties - List any duties the position will have that are not included in the grant narrative. If the duties are being added to an existing position, this should be clearly stated.

None.

e. Past Experience - List examples of past experience with multi-government cooperative efforts.

The city, county and school district recently approved a joint resolution implementing a property tax abatement program to encourage housing development in our community. These agencies have a long history of cooperation.
3. Two-Year Project Budget

a. Overview - Provide details of the proposed budget for the project including total salary, benefits, and travel.

<table>
<thead>
<tr>
<th></th>

c. Sustainability - Describe plan to fund the position beyond the two-year grant period, if applicable.

In the cooperative spirit familiar to the three governmental agencies, it is possible to continue this position through the contribution of energy savings to a pool to support this position in ensuring years beyond the termination of grant funds. The Energy Manager will have systemized the program through the development of materials, policies and protocols to continue this mission for years to come.
How to Submit:

This completed application, along with letters of support, and other supporting documentation, should be emailed to Stuart Yoho at s.yoho@kcc.ks.gov.

Signed copies of the complete application package should be mailed to:

State Energy Office
Energy Manager Grant
1300 SW Arrowhead Road, Suite 100
Topeka, KS 66604

Review Process:

Applications must be received by May 15, 2010 and will be reviewed on a first-come, first-served basis until funds are exhausted.

If additional information is required, applicants will receive notification in writing and be given one week to resubmit required information without losing their place in the application queue.

Applicants will receive written notification of the SEO's approval or non-approval within 30 days.

Contact:

If you have questions about the grant or the application please contact:

Stuart Yoho
785.271.3352
s.yoho@kcc.ks.gov

4. Signed Acknowledgment

By signing below, the applicant attests that to the best of their knowledge the information provided by the applicant is current, complete, and accurate, and that the funds attained from this grant will only be used for the specified purpose(s) described in this grant application.

Ken Strobel – City Manager

Printed Name and Title of Lead Applicant

[Signature]

Date: 4-14-2010

Signature of Lead Applicant
Purpose:
The grant is designed to assist coalitions of local governments in hiring an energy manager by providing a $50,000 annual stipend for up to two years. A new position may be created or the duties may be added to an existing position. The energy manager will develop a short-term and long-term plan for each of the coalition members and work with them to transform their energy usage and awareness.

The grant is intended to result in the following:
- Reduced energy use and improved energy efficiency in public and private buildings.
- Reduced consumption of fuel in vehicles and equipment.
- Increased awareness of energy conservation and efficiency.
- Increased participation in programs related to energy conservation and management.

Eligible Applicants:
Coalitions of local governments (cities, counties, and school districts) may apply for this grant. The coalition must designate a city or county as the lead applicant. Cities and counties that received a direct allocation of Energy Efficiency and Conservation Block Grant (EECBG) funds from the U.S. Department of Energy (DOE) are not eligible for this grant.¹

Minimum Qualifications for Coalitions:
1. Coalition must include a minimum of three political subdivisions.
2. Coalitions must collectively own a minimum of 200,000 square feet of facility space or have total annual energy expenditures of at least $250,000. Energy expenditure total may include purchased electricity, gas, water and vehicle fuel.

Minimum Qualifications for Energy Managers:
1. A four-year engineering or architectural degree, or a registered Professional Engineer (P.E.), or Registered Architect (R.A.) with at least three years experience in energy engineering or energy management.
2. A four-year business or related degree, with at least five years experience in energy engineering or energy management.
3. A two-year technical degree, with eight years experience in energy engineering or energy management.
4. Ten years or more verified experience in energy engineering or energy management.

Scope of Work:
Coalitions will establish an energy manager position and hire a full-time energy manager for two years.

In the first 6 months of the grant period, the energy manager must meet all requirements listed below.
1. Attend a mandatory certified energy manager training, sponsored by the State Energy Office.
2. Categorize current energy use by fuel type, operating division, operating entity, facility or department (in the case of transportation) for both the built environment and the transportation uses of the coalition.

¹Cities that received funds directly from DOE: Butler, Crawford, Crawford, Finney, Johnson, Leavenworth, Lyon, Montgomery, Nemaha, and Shawnee. Cities that received direct funds: Hays, Kansas City, Lawrence, Lecompton, Manhattan, Osage, Overland Park, Salina, Shawnee, Topeka, and Wichita.
3. Collect a minimum of 12 months of energy usage and cost data across all fuel types and calculate all greenhouse gas emissions from all sources using EPA Greenhouse Gas Equivalencies Calculator.

4. Identify energy-using facilities, vehicles, and operations that are performing poorly and create a prioritized list of improvements.

5. Develop awareness and skill in utilizing all federal, state, and local public programs to assist in energy upgrades for the energy using units of the coalition.

During the two-year grant period, the energy manager must strive to meet the goals listed below.

1. Conduct regular meetings with local government officials on energy-efficiency upgrade opportunities, hold energy conservation training for all personnel, and identify possible alternative energy upgrades for future implementation.

2. Establish an outreach program for providing energy-efficiency information and identifying opportunities in the community for energy efficiency improvements.

3. Develop a plan for systemic, prioritized energy-efficiency upgrades for all energy-using facilities and equipment, including opportunities for fuel switching and load shifting/leveling.

Source of Funding:

The State Energy Office (SEO) a division of the Kansas Corporation Commission (KCC) has established the energy manager grant program, using $2,558,100 of the Energy Efficiency and Conservation Block Grant (EECBG) funds authorized by the American Recovery and Reinvestment Act of 2009 (ARRA).

Reporting:

These grants are subject to the Federal Funding Accountability and Transparency Act of 2006, as well as ARRA reporting requirements. The lead applicant will receive all funds and provide all reports directly to the SEO. Reporting requirements include monthly payment requests with supporting documentation, as well as other data necessary to assess the success of the program.

Energy Efficiency Building Codes:

All applicants must commit to work towards the voluntary adoption of energy efficiency building codes in their local jurisdictions. The KCC formed the Energy Efficiency Building Codes Working Group to develop a plan to ensure compliance with this ARRA requirement by 2017. The SEO will assist grantees in meeting this requirement.

Ability to Sustain Position:

Preference will be given to applicants that provide a plan to fund the position beyond the two-year grant period. Coalitions are encouraged to consider and evaluate dollar savings from cost-effective energy efficiency and conservation measures as a source of financing the Energy Manager position, including utilization of existing programs (e.g., FCIP and Efficiency Kansas Loan Program).

Applying for Grant:

1. Coalitions must submit a completed application package, which includes:
   a. Energy Manager Grant Application
   b. Letters of support from each coalition member that clearly indicate their intention to participate in this coalition.

2. Applications must be received by May 15, 2010, and will be reviewed on a first-come, first-served basis until funds are exhausted.

Changes: The SEO may make changes as it evaluates the response to the program. These grant funds are a result of the ARRA and are subject to the availability and requirements in place at the time of award.
ATTACHMENT B

TERMS AND CONDITIONS
Attachment B: Special Terms and Conditions for Recipients of Energy Managers Grants

This attachment summarizes the requirements for all recipients, both Grantees and Subcontractors, of the U.S. Department of Energy’s (DOE) Energy Efficiency and Conservation Block Grant (EECBG) funds authorized under the American Recovery and Reinvestment Act of 2009 (ARRA). These requirements must be met in order to receive reimbursement for expenditures associated with the EECBG-funded Energy Managers Program, administered by the State Energy Office. Please note that some requirements apply to both Grantees and Subcontractors.

Definitions

- **Grantees** are the representatives of cities, counties, or other eligible entities that received funds directly from the State Energy Office and signed a contact with the KCC. (Grantees are sometimes termed Subrecipients and Subawardees in DOE literature.)
- **Subcontractors** are anyone hired by Grantees or by another Subcontractor. Prime Contractors are the primary contractors on the project (may be the same individual as the Grantee).
- **Official designees** are individuals with a legally defined fiduciary responsibility for Grantees or Subcontractors.

DOE Flowdown Requirements

The State Energy Office strongly recommends that Grantees and Subcontractors review the U.S. DOE Subrecipient or Subcontractor Flowdown Requirements, which are included on page 4 of this document. The State Energy Office reserves the right to add to this list of required information, as required by the U.S. Department of Energy.

Forms

Forms referenced herein are attached and are also available electronically on the State Energy Office web site: (http://kcc.ks.gov/energy/arra/eecebgr_info.htm). Unless noted otherwise, forms may be submitted electronically.

**U.S. mail submission:** Request for Reimbursement should be addressed to the State Energy Office, 1300 SW Arrowhead Road, Suite 100, Topeka, KS 66604-4074.

**Email submission:** Forms that may be sent by email should be addressed to eeebgrego@kcc.ks.gov.

**Fax submission:** 785-271-3268
State Energy Office Contact Person

If you have questions or need more information, please contact:

Ann Furlong
a.furlong@kcc.ks.gov

Requirements for Grantees

1) **Maintain Separate Accounting:** Grantees must segregate the obligations and expenditures related to the EECBG grant funding and revise financial and accounting systems, as needed, to segregate, track, and maintain these funds apart and separate from other revenue streams.

2) **Submit Annual Request for Reimbursement to the State Energy Office for Energy Manager salary:** Grantees must submit the Request for Reimbursement of Services form for Energy Managers to the State Energy Office, along with support documentation for hiring the individual. This form must be signed by the Prime Grantee or their official designee. Faxed copies may be submitted to speed payment, but they must be followed up with the original certified form sent by U.S. mail.

3) **Submit Monthly Requests for Reimbursement for Materials and Supplies:** Grantees must submit the monthly Request for Reimbursement of Services form for Energy Managers to the State Energy Office, along with support documentation. This form must be signed by the Prime Grantee or their official designee. Faxed copies may be submitted to speed payment, but they must be followed up with the original certified form sent by U.S. mail.

4) **Comply with Subrecipient or Subcontractor Flowdown Requirements:** Grantees and Subcontractors shall comply with any applicable Federal statute or rule, Office of Management and Budget Circular and Government-wide guidance in effect at the date of the award listed on page 4 of this document. All federal regulations referenced in the Subrecipient or Subcontractor Flowdown Requirements are listed on the State Energy Office website (http://kcc.ks.gov/energy/arra/eeecbg_forms.htm).

5) **Submit Salary Expenditure for Energy Manager:** By the 5th day of each month, Grantees will be required to submit a Salary Expenditure for Energy Manager Form.

6) **Submit Required Reporting Metrics:** By the 10th day of the month following the completion of an energy audit, Grantees must submit the Energy Managers Reporting Form.

7) **Develop Milestones:** Grantees will be required to develop milestones for their projects, in cooperation with the State Energy Office, that detail plans and steps taken to enable energy efficiency and conservation. These will be due on April 10th, July 10th, October 10th, and January 10th.

8) **Post a Notice Regarding Whistleblower Protection:** Any non-federal employer receiving ARRA funds is required to post a notice regarding whistleblower protections at all ARRA job sites. The Whistleblower Rights poster, entitled “Know Your Rights Under the Recovery Act,” is available online: http://www.recovery.gov/Contact/ReportFraud/Pages/WhistleBlowerInformation.aspx.
9) [Optional] Projects Recommended by Energy Managers: Although it is not a requirement, energy managers hired under this grant are encouraged to ensure that any projects they recommend meet the environmental and historical preservation criteria outlined in Attachment E. A sample Waste Management Plan is available on the State Energy Office website (http://kcc.ks.gov/energy/arra/eecbg_info.htm).

10) [Optional] Federal “Buy American” Provisions: Although it is not a requirement, energy managers hired under this grant are encouraged to comply with federal “Buy American” provisions for any project they oversee (see description online: http://www1.eere.energy.gov/recovery/buy_american_provision.html). In short, this is a federal requirement that “all iron, steel and manufactured goods used in the project [be] produced in the United States” unless the cost would be “unreasonable” OR these items cannot be purchased domestically in “sufficient and reasonably available quantities and … quality.”
## Summary of Regular Reporting Requirements

Request for Reimbursement of Services

INSTRUCTIONS

Vendor shall submit to the Kansas Corporation Commission, no later than the 15th day of each month, a Request for Reimbursement of Services which documents and certifies the reimbursable costs incurred in the performance of service, as required in the contract agreement, during the preceding month. The KCC shall not be liable for reimbursement of any cost requisitioned by any voucher submitted later than 45 days following the expiration of the contract agreement.

Subgrantee Name: Self-explanatory.

Project/Activity: Self-explanatory.

Agreement/Encumbrance #: See Contract Cover Sheet in the upper right-hand corner in the box labeled Current Document Number. The number should appear as A10 etc.

Reimbursement requested for the following month: Please check appropriate box for month which reimbursement is being requested. If final payment, please check box indicating final.

Subgrantee Representative: Project leader or contact person. Signature required.

Billing Prepared By: Self-explanatory.

PERSONNEL
Employee Salaries: Submit copy of payroll sheets for each employee which hours are being requested for reimbursement. Payroll must be for pay periods included in reimbursement request.

Consultants: Indicate activity associated with hours worked.

OPERATING EXPENSES
Private car mileage - detail should include date travel occurred, destination (to and from), and number of miles.
Airfare - Receipt required.
Lodging - Receipt required.
Meals (per diem) - show date, time departed and returned.
Registration fees - Receipt required.
Other (specify) - Self-explanatory.

ATTACHMENT D

DA 146a
CONTRACTUAL PROVISIONS ATTACHMENT

Important: This form contains mandatory contract provisions and must be attached to or incorporated in all copies of any contractual agreement. If it is attached to the vendor/contractor's standard contract form, then that form must be altered to contain the following provision:

"The Provisions found in Contractual Provisions Attachment (Form DA-146A, Rev. 1-01), which is attached hereto, are hereby incorporated in this contract and made a part thereof."

The parties agree that the following provisions are hereby incorporated into the contract to which it is attached and made a part thereof, said contract being the ______ day of ______________, 20______.

1. **Terms Herein Controlling Provisions:** It is expressly agreed that the terms of each and every provision in this attachment prevail and control over the terms of any other conflicting provision in any other document relating to and a part of the contract in which this attachment is incorporated.

2. **Agreement With Kansas Law:** All contractual agreements shall be subject to, governed by, and construed according to the laws of the State of Kansas.

3. **Termination Due To Lack Of Funding Appropriation:** If, in the judgment of the Director of Accounts and Reports, Department of Administration, sufficient funds are not appropriated to continue the functions performed in this contract and for the payment of the charges hereunder, State may terminate this agreement at the end of its current fiscal year. State agrees to give written notice of termination to contractor at least 30 days prior to the end of its current fiscal year and shall give such notice for a greater period prior to the end of such fiscal year as may be provided in this contract, except that such notice shall not be required prior to 90 days before the end of such fiscal year. Contractor shall have the right, at the end of such fiscal year, to take possession of any equipment provided State under the contract. State will pay to the contractor all contractual payments incurred through the end of such fiscal year, plus contractual charges incidental to the return of any such equipment. Upon termination of the agreement by State, title to any such equipment shall revert to contractor at the end of State's current fiscal year. The termination of the contract pursuant to this paragraph shall not cause any penalty to be charged to the agency or the contractor.

4. **Disclaimer Of Liability:** Neither the State of Kansas nor any agency thereof shall hold harmless or indemnify any contractor beyond that liability incurred under the Kansas Tort Claims Act (K.S.A. 75-6101 et seq.).

5. **Anti-Discrimination Clause:** The contractor agrees: (a) to comply with the Kansas Act Against Discrimination (K.S.A. 44-1001 et seq.) and the Kansas Age Discrimination in Employment Act (K.S.A. 44-1111 et seq.) and the applicable provisions of the Americans With Disabilities Act (42 U.S.C. 12101 et seq.) (ADA) and to not discriminate against any person because of race, religion, color, sex, disability, national origin or ancestry, or age in the admission or access to, or treatment or employment in, its programs or activities; (b) to include in all solicitations or advertisements for employees, the phrase "equal opportunity employer"; (c) to comply with the reporting requirements set out at K.S.A. 44-1031 and K.S.A. 44-1116; (d) to include those provisions in every subcontract or purchase order so that they are binding upon such subcontractor or vendor; (e) that failure to comply with the reporting requirements of (c) above or if the contractor is found guilty of any violation of such acts by the Kansas Human Rights Commission, such violation shall constitute a breach of contract and the contract may be cancelled, terminated or suspended, in whole or in part, by the contracting state agency or the Kansas Department of Administration; (f) if it is determined that the contractor has violated applicable provisions of ADA, such violation shall constitute a breach of contract and the contract may be cancelled, terminated or suspended, in whole or in part, by the contracting state agency or the Kansas Department of Administration.

6. **Acceptance Of Contract:** This contract shall not be considered accepted, approved or otherwise effective until the statutory required approvals and certifications have been given.

7. **Arbitration, Damages, Warranties:** Notwithstanding any language to the contrary, no interpretation shall be allowed to find the State or any agency thereof has agreed to binding arbitration, or the payment of damages or penalties upon the occurrence of a contingency. Further, the State of Kansas shall not agree to pay attorney fees and late payment charges beyond those available under the Kansas Prompt Payment Act (K.S.A. 75-6403), and no provision will be given effect which attempts to exclude, modify, disclaim or otherwise attempt to limit implied warranties of merchantability and fitness for a particular purpose.

8. **Representative's Authority To Contract:** By signing this contract, the representative of the contractor thereby represents that such person is duly authorized by the contractor to execute this contract on behalf of the contractor and that the contractor agrees to be bound by the provisions thereof.

9. **Responsibility For Taxes:** The State of Kansas shall not be responsible for, nor indemnify a contractor for, any federal, state or local taxes which may be imposed or levied upon the subject matter of this contract.

10. **Insurance:** The State of Kansas shall not be required to purchase, any insurance against loss or damage to any personal property to which this contract relates, nor shall this contract require the State to establish a "self-insurance" fund to protect against any such loss of damage. Subject to the provisions of the Kansas Tort Claims Act (K.S.A. 75-610 et seq.), the vendor or lessor shall bear the risk of any loss or damage to any personal property in which vendor or lessor holds title.

11. **Information:** No provision of this contract shall be construed as limiting the Legislative Division of Post Audit from having access to information pursuant to K.S.A. 46-1101 et seq.

12. **The Eleventh Amendment:** The Eleventh Amendment is an inherent and incumbent protection with the State of Kansas and need not be reserved, but prudence requires the State to reiterate that nothing related to this contract shall be deemed a waiver of the Eleventh Amendment.
