Subject: Ratification ARFF Change Order #4
Credit $18,257.81
Agenda Item: Consent Calendar

Recommendation:
Ratification of Change Order #4, ARFF Facility.

Staff recommends the approval of a contractor provided credit for the ARFF facility. This credit was due to a project schedule overrun and charges for liquidated damages that were assessed. The credit is to be deducted from the overall project cost. The total cost of this change order is ($18,257.81). for the modification to the ARFF building during construction.

Background:

During the construction of the ARFF facility, it was determined that the contractor would not meet the contract day count as specified in the Project Manual. After reviewing the contractor provided documentation for a contract extension, it was determined that a contract extension was not valid. Therefore a credit to the ARFF project was assessed as the charge for liquidated damages.

Burns & McDonnell completed an independent cost analysis to verify the cost deduction was reasonable. The cost analysis is as follows:

<table>
<thead>
<tr>
<th>Item Description</th>
<th>BMcD Estimate</th>
<th>Building Solution Costs</th>
<th>Percentage</th>

</thead>
<tbody>
<tr>
<td>Contractor Credit</td>
<td>($18,257.81)</td>

</tr>
</tbody>
</table>

Staff concurs with Burns & McDonnell’s analysis and recommends approval of Change Order No. 4.

Justification:

Change Order #4, ARFF Facility credit of $18,257.81.
Financial Considerations:
P.O. # 2848 Building Solutions Original Amount $1,561,254.00

Total Change Orders # 1, 2 & 3 Amount $ 52,762.00 (Approved August 2, 2010)

Agenda Item  Ordinances and Resolutions

**Recommendation:** I recommend the approval of Resolution No. 2010-23

**Background:** So that the City can obtain financing for construction projects in the form of general obligation bonds or notes, the project first needs to be authorized by Resolution of the City of Dodge City. In 2010, the City needs funding in the amount of approximately 395,000 for previously authorized street projects that exceeded the amount of the original authorization. Those projects were 14th Avenue Bridge Repair and Ross Boulevard to Plains Street. So, the resolution will reauthorize those projects for the actual costs of the project. The second project that needs authorization is the Construction and Reconstruction of Comanche Street. Since we have already incurred some engineering and design costs and it is possible we will contract for more prior to year end, we will need authorization for the entire project and funding for the engineering and design. The amount of authorization for this project will be blank and will be completed at the conclusion of the work session on Monday night, so we can have a good idea of how much to authorize for this project.

**Justification:** To issue General Obligation Notes to fund these projects, street projects needs to be authorized by Resolution.

**Financial Considerations:** Once the projects are authorized, funding will be issued to fund these projects.

**Purpose/Mission:** To maintain and improve the infrastructure in Dodge City.

**Legal Considerations:** None

**Attachments:** Resolution No. 2010-23
RESOLUTION NO. 2010-23

WHEREAS, K.S.A. 12-687 provides that the governing body of any city shall have the power to improve or reimprove or cause to be improved or reimproved, any main trafficway or trafficway connection designated and established under the provisions of K.S.A. 12-685 et seq. (the “Act”), and such improvement or reimprovement may include grading, regrading, curbing, recurbing, guttering, reguttering, paving, repaving, macadamizing, remacadamizing, constructing, reconstructing, opening, widening, extending, rounding corners, straightening, relocating, building any necessary bridges and approaches thereto, viaducts, overpasses, underpasses, culverts and drainage, trafficway illumination, traffic control devices, pedestrian ways, or other improvements or any two or more of such improvements or reimprovements and the acquisition of right-of-way by purchase or condemnation when necessary for any of such purposes; and

Date: November 10, 2010

Subject: Resolution No. 2010-24

Agenda Item  Ordinances and Resolutions

Recommendation: I recommend the approval of Resolution No. 2010-24.

Background: Prior to year end, the City will need funding for the following projects: previously authorized street projects in the amount of $395,000; Comanche Street engineering and design costs, either $164,610 which we have already contracted for or up to $764,610 which we may contract for as a result of the work session; and the water and street improvement projects for Interfaith Housing Project in the amount of approximately $440,000. Because we are uncertain about the amount of financing we will need for Comanche Street in 2010 and knowing we will have additional costs in 2011 and the Interfaith Housing Project cannot be financed with bonds until the project is complete because it is a special assessment project, we are going to issue Temporary Notes in 2010 and then issue General Obligation Bonds in 2011 that will finance more of the Comanche Street Project, the Interfaith Housing project and any other street projects for 2011. This will be more efficient than issuing a small issue and notes in 2010 and another issue in 2011.

Justification: To finance construction projects that are already underway in 2010.

Financial Considerations: The notes will need to be redeemed by General Obligation Bonds and paid back over a period of 10 years.

Purpose/Mission: To maintain and improve the infrastructure in Dodge City.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF DODGE CITY, KANSAS, AS FOLLOWS:

The Issuer agrees to provide to the Purchaser within seven business days of the date of the sale of Notes or within sufficient time to accompany any confirmation that requests payment from any customer of the Purchaser, whichever is earlier, sufficient copies of the final Official Statement to enable the Purchaser to comply with the requirements of Rule 15c2-12(3) and (4) of the Securities and Exchange Commission and with the requirements of Rule G-32 of the Municipal Securities Rulemaking Board.

From: Paul Lewis

Date: November 9, 2010

Subject: Revise City Code Section 3-102  
Agenda Item: Ordinances and Resolutions

Recommendation: Staff recommends approving Ordinance No. 3500 repealing Ordinance No. 3346 and amending Ordinance No. 3396 and amending City Code, Section 3-102, subsection (c) and (d).

Background: Ordinance No. 3346 and 3396 were previously adopted exempting certain public facilities from a general prohibition against serving and consuming alcoholic beverages on public property. Ordinance No. 3500 adds the Special Event Center, Dodge City Civic Center, Cavalier Field, and Mariah Hills golf course to the list of exempt facilities.

In the existing code, alcohol is permitted only for private parties and events not open to the general public. An element of the operational concept for the Special Events Center is to provide that service for appropriate events and activities in the arena and the convention space. Because one company will be managing both the Special Events Center and the Civic Center, it’s appropriate to allow them the opportunity to provide that service at both locations.

At Mariah Hills Clubhouse, the lease agreement the City entered into with the restaurant operator was conditioned upon approval of an ordinance permitting the sale and service of alcohol by the tenant. This ordinance fulfills that requirement.

Cavalier Field is added to the list at the request of the Dodge City A’s baseball club. The club wishes to be able to sell cereal malt beverages at their games and that availability is expected to allow them to generate additional revenue to help support the organization.

Justification: Ordinance No. 3500 permits the sale and consumption of cereal malt beverages and alcohol at these additional facilities. Such service is typical of the events and activities anticipated and planned for the Special Events Center and common to most restaurant operations and athletic facilities. This ordinance is important to provide the tools and amenities necessary to allow these facilities to meet expected service levels from a wide range of patrons and users.
**Financial Considerations:** Revenue derived from the sale and service of alcoholic beverages is an important part of the overall revenue stream operators of these facilities expect and need to make their operations financially successful. In addition, this action opens the door to corporate sponsorships at the Special Event Center and for the A’s, providing further funding to offset operational costs and supporting those ventures.

**Legal Considerations:** None

ORDINANCE NO. 3500

AN ORDINANCE AMENDING THE CITY OF DODGE CITY CODE, CHAPTER III, BEVERAGES, ARTICLE 1, PUBLIC SALE AND REPEALING ORDINANCE NO. 3346 AND AMENDING ORDINANCE NO. 3396.

BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF DODGE CITY:

SECTION 1. Section 3-102 of the Code of the city of Dodge City shall be amended by deleting the provisions of sub-section (c) and (d) and inserting in lieu thereof the following:

(c) The prohibition against sale, service or consumption of cereal malt beverages or alcoholic beverages shall not apply to the Hoover Pavilion in Wright Park which is property owned by the City when that property is leased for a private function which the City Manager determines is not open to the general public, or when leased to a not-for-profit tax exempt civic club or organization in conjunction with a banquet or dinner sponsored by such club or organization, admission to which is gained by a ticket sold prior to the event and the proceeds of which go to support the club or organization's civic projects. Such lease may contain additional restrictions or conditions relating to the dispensing and consumption of cereal malt beverages or alcoholic beverages as the City Manager deems appropriate under the circumstances.

(d) The prohibition against sale, service or consumption of cereal malt beverages or alcoholic liquors shall not apply to the Dodge City/Ford County Special Events Center, Dodge City Civic Center, Mariah Hills Golf Course, Dodge City Raceway Park, Legends Park, Cavalier Field, or other city-owned property as determined from time to time by duly adopted motion of the City Commission, if a proper and appropriate conditional license establishing the terms and conditions under which such sale, service or consumption may occur has been issued for said location by the City Clerk.

SECTION 2: EFFECTIVE DATE. This ordinance shall take effect upon its publication in the official City newspaper.
