From:  
Ray Slattery, P.E.  
Director of Engineering Services  

Date:  
January 10, 2012  

Subject:  
Boundary Ordinance Describing the City Limits of Dodge City  

Agenda Item:  
Ordinances and Resolutions  

Recommendation:  
Approval of Boundary Resolution 2012-2  

Background:  
Each year the City must adjust the boundary ordinance that describes the City limits of the City to account for any additional land that has been annexed in the past year. Since the adoption of the last boundary ordinance, the Victory Electric property was annexed.  

Justification:  
Additional land has been annexed by the City and the City is required by KSA 12-517 to adjust the City’s boundary by resolution.  

Financial Considerations:  
Publishing costs  

Purpose/Mission:  
The City is responsible for following State laws. By updating our boundaries, we have identified what properties should be served by the City and can plan for long-term improvements to those areas.  

Legal Considerations:  
The City is obligated under state statute to update the boundary of the City.  

Attachments:

To:    Ken Strobel, City Manager  
       Cherise Tieben, Assistant City Manager
From:  Nannette Pogue
Date   January 10, 2012
Subject: Resolution No. 2012-03

Agenda Item  Ordinances and Resolutions

Recommendation: I recommend the City Commission adopt Resolution No. 2012-03

Background: The City of Dodge City previously issued Industrial Revenue Bonds to Kimbroy’s property for a motel (Best Western). Because of the IRBs, the city is listed as owner of the property. The original resolution that was adopted when the bonds were issued allows for sale of unimproved land from the project if it in no way affects the project. Kimbroy’s wants to sell a portion of the unimproved tract that is part of the project along with land directly south of the motel. In order to accomplish this transaction, Gilmore and Bell has prepared the documents which include the resolution, Exhibit A which is a special warranty deed, and Exhibit B which is a release of lease. The resolution authorizes the Mayor and City Clerk to execute these documents to complete the transaction. This will allow Kimbroy’s to sell the land that is now part of the project included in the IRBs.

Justification: The transfer of property in no way affects the current Kimbroy IRB.

Financial Considerations: none

Purpose/Mission: We value progress, growth and new possibilities

Legal Considerations: None
