RE: Edward Byrne Justice Assistance Grant Program

The Dodge City Police Department is eligible for grant funds from the 2012 Edward Byrne Memorial Justice Assistance Grant program. Under this grant program the Dodge City Police Department has been allocated $15,823. This grant does not require a local match. The grant provides funds for use in a number of stated areas, including the application we will be submitting. It is our plan to use these funds to enhance our ability to process crime scenes in low light or dark conditions and to communicate with barricaded subjects or large crowds with a public address system.

The Police Department has been working with the Ford County Sheriff’s Department on various criminal investigations and public safety issues surrounding large scale public events. The light towers being requested below will aid the detectives in processing crime scenes at night. Currently neither department has adequate lighting to process a crime scene at night. These light towers can also be used during large scale public events as emergency lighting.

The public address system being requested can be used during barricaded suspect situations. Currently we use a hand held bull horn to communicate with a barricaded subject if the special crisis phone system is unable to be safely delivered to the suspect. This system allows a speaker to be placed facing the suspect's residence and a wireless microphone is used by the negotiator who would be in a safe location out of harms way. This system can also be used at large scale public events to keep the audience apprised of weather conditions or any other message that is deemed necessary.

Below is a break down of the costs associated with this request:

A. Amida light towers model: AL406004MH Qty: 2 Total cost $10,586.60
B. Mipro model: MA808 public address system Qty: 2 Total cost $5,236.40

Total cost $15,823.00

Thank you

Craig Mellecker
Chief of Police

nonstructural improvements, plumbing and electrical equipment and fixtures and all property including
fixtures, equipment and personal property which cannot be removed without undue damage to the Leased
Premises or which would be of insignificant value after removal from the Leased Premises. Other
examples, again without limitation, shall include attach carpet and other floor covering, draperies, light
fixtures, ceiling fans, wall panel and permanently installed equipment. All such permanent improvements
shall become property of the City when installed, unless the City otherwise agrees in writing. Lessee
shall not convey a security interest in any permanent improvements to any creditor.

C. The City’s approval of permanent improvements to be made by Lessee shall not make Lessee
the agent or trustee of the City for any purpose, and the provisions of Paragraph 13 and Paragraph 9 shall
be controlling. The Lessee shall not construe anything in Paragraph 8, concerning the use of the Leased
Premises, or in any other provisions of the Lease as written approval by the City for permanent
improvements.

11. OWNERSHIP OF PERSONAL PROPERTY AND TRADE FIXTURES:

A. Any personal property, furniture, fixtures, or equipment owned by the City and located on
premises at any time during the term of this Lease shall remain the property of the City and shall not be
removed from premise without the City’s written consent; Lessee may use such property in the conduct of
its business, but shall suffer no waste or injury thereto, reasonable wear and tear excepted, and at all times
shall keep such property clean and shall perform ordinary maintenance necessary to the preservation
thereof; the City has no obligation either to rebuild, replace, maintain, repair, improve or remodel such
personal property, furniture, fixtures or equipment being used by Lessee; Lessee shall repair and maintain such property a Lessee's sole expense. Lessee shall be liable to the City for destruction of such property resulting from Lessee's negligence or misuse thereof.

B. Lessee may replace or install on premises, at its sole expense, such personal property, furniture, trade fixtures and equipment as it shall deem necessary for the conduct of its business; Lessee shall have the privilege, at any time during the term of this Lease, of removing any and all of its personal property, furniture, trade fixtures and equipment except as provide hereafter and only so long as no permanent improvements as defined in Paragraph 10 shall be removed from the Leased Premises without the City's written consent. Lessee shall be liable to the City for all damages to premises resulting from Lessee's removal of any property.

C. Immediately upon termination of this Lease for any reason, the Lessee shall remove all of its personal property from the Leased Premises. In the event Lessee fails to remove its personal property within ten (10) days of termination of this Lease, then the City may, at the City's option, take possession of said personal property, store said personal property at Lessee's expense, and sell or otherwise dispose of the same. The City shall, however, provide written notification of the intent to sell said personal property, to Lessee by depositing a copy of a notice thereof in the United States mail, postage prepaid, addressed to Lessee at Lessee's address as specified in this Lease. Such notice shall state the name of the Lessee, a brief description of the property and the date that the City intends to sell or otherwise dispose of such property. So long as the City complies with the notice provisions as herein set forth, the City shall not be liable either to Lessee or to any other person who claims any interest in any property sold or otherwise disposed of except as to any secured creditor who gives written notice to the City of his or her interest in the property prior to the time of sale or disposition. In the event the City has taken custody and possession of personal property pursuant to this provision, the Lessee shall have no right to the return thereof unless and until Lessee has paid all rent or other monies due and owing to the City and the reasonable expenses incurred by the City in holding and preparing the property for sale. In the event the City sells the property of Lessee, it shall be applied first to pay the City's expenses in disposing of the personal property, then to reimburse the City for any rents or other monies due, and if any money remains, the City shall return it to the Lessee. Lessee shall protect, indemnify and save the City, its agent and employees harmless from any and all claims for damages to said property while in the City's possession, whether such property is owned by Lessee, its officers, employees, agents or anyone else.

12. TOTAL AND PARTIAL DESTRUCTION OF PREMISES:

A. Partial Destruction: In the event premises covered by this Lease are not totally destroyed but are damaged by fire, wind or other occurrence to the extent that such damage is, within the sole opinion of the City, repairable with reasonable diligence within one hundred twenty (120) days after the occurrence of such destruction or damage, then:

1) The City may, at the City's option, either elect to repair the premises or to cancel this Lease. In the event such Lease is canceled, it shall be canceled as of the date of the damage or destruction, and no rent shall be due and payable thereafter. In the event the City elects to have the Leased Premises repaired, the repairs shall be completed as soon as reasonably practicable and all insurance monies covering the Leased Premises shall be available to the City in making such repairs. The City shall not be liable to spend any money on repairs over and above the insurance proceeds. In the event no election to repair is made, then all insurance proceeds on the Leased Premises shall become the sole property of the City.

2) In the event that the Leased Premises are to be repaired, then this Lease shall continue in full force and effect, but rent due and owing from the Lessee to the City shall be abated from the date of partial destruction to the date the repairs are completed in the same ratio as that portion of the Leased Premises which is rendered unfit for occupancy bears to the whole.

B. Total Destruction: If, in the sole opinion of the City, there is total destruction of the Leased Premises, or, in the sole opinion of the City, the premises are so damaged or destroyed so as to render the whole or a substantial part thereof unfit for occupancy, and the same cannot be repaired with reasonable diligence within one hundred twenty (120) days after the happening of such destruction or damage, then:

1) Either party to this Lease may terminate this Lease by giving the other party written notification of such termination within fifteen (15) days after the occurrence of such damage or
destruction (except that the Lessee may not exercise this option if such total destruction is the proximate result of the negligence of Lessee, its agents, servants or employees). In the event of termination, any unearned rent paid in advance by Lessee shall be refunded. In the event of termination by either party, all insurance proceeds applicable to the Leased Premises shall be the sole property of and shall be paid to the City.

2) Should neither party elect to terminate the Lease, the City shall have the option to enter into negotiations for a mutually agreeable substitute lease with all insurance proceeds being used for the construction of a substitute building.

3) In no event shall the City, at any time, be required to restore the Leased Premises or construct any building the total cost of which shall exceed the insurance available by reason of the destruction of the Leased Premises.

13. NO MECHANICS LIENS, NO AGENCY CREATED.

Lessee is not the agent, partner or trustee of the City, and by this Lease, Lessee acquires no rights to act for or on behalf of the City in regard to the repairs or building of any structure upon the Leased Premises. The City is not, and shall not, be liable for any labor, services or material furnished to Lessee, its officers, employees, agents or anybody claiming under this Lease. No material men or persons furnishing labor or other services to Lessee shall have the right to file any lien upon the Leased Premises, and no mechanics lien filed by any such material men, workers or other persons shall attach to said Leased Premises or affect the City's interest as owner of the Leased Premises. Lessee shall not, at any time, hold him/herself out as having any authority to act for and on behalf of the City or create a lien on the Leased Premises. Should any lien be filed against the Leased Premises by reason of any services, materials or work furnished for and on behalf of Lessee, the same shall constitute a breach of this Lease by Lessee, and Lessee shall immediately cause the discharge of any such lien.

14. CONTEST OF LIENS:

A. Notwithstanding provisions of Paragraph 13, Lessee shall have the right to contest any mechanics lien or other similar lien if Lessee notifies the City in writing of its intention to do so.

B. On demand of the City, Lessee shall provide a bond in the City's favor, the face amount of which shall be at least twice the amount of the lien claim contested to indemnify and protect the City against liability, loss, damage an expense of any nature resulting from said asserted lien and the contest thereof; if Lessee diligently prosecutes such contest, prevents any judicial sale of any part of the Leased Premises and pays or otherwise satisfies a final judgment enforcing such contested lien claim and thereafter promptly procures record releases or satisfaction thereof, Lessee shall be discharged and the bond released.

15. INDEMNITY:

A. Lessee shall indemnify, protect, defend and save the City harmless from and against all claims, demands, liabilities and costs, including attorneys fee arising from damage or injury, actual or claimed, of whatever kind or character to property or persons allegedly occurring on or about premises during this Lease term or Lessee's period of actual possession of Leased Premises, whichever is longer. Upon notice from the City, Lessee shall defend the City in any action or proceeding brought in connection with such claims and demands.

B. Nothing in this Paragraph shall require Lessee to indemnify, protect, defend and save the City harmless against claims, demands, liabilities and costs arising from negligence of the City, its officers, employees, and agents.

16. INSURANCE:

The Lessee shall purchase and maintain at its expense insurance coverage of such types and in such amounts as are herein specified, and/or of the kind that is usual and customary for operations of this nature, to protect itself and the interest of the City of Dodge City and others from claims which may arise out of or result from its operations of work, or the operations or work of subcontractors retained by it. Lessee further agrees to name the City of Dodge City as an additional insured on all appropriate policies. Failure of an individual or business to maintain proper insurance coverage shall not relieve that person or
persons of any contractual responsibility or obligations. Such insurance coverage shall be provided by insurance companies licensed to do business in the State of Kansas and the individual or business shall provide certificates of insurance to the City of Dodge City. The Lessee shall provide Workers Compensation insurance meeting the statutory requirement of the State of Kansas. It is further agreed that the City of Dodge City is not responsible for the tangible property owned by or in the care, custody or control of the Lessee. Operations involving owned or non-owned aircraft used by the Lessee are also the responsibility of the Lessee and should be covered with the appropriate liability insurance.

Any increased insurance costs on the Leased Premise shall be reflected in an increased basic rental amount, including increases caused by increased valuation of the Leased Premises as a result of improvements or inflation, due to use of the Leased Premises, or for any other reason.

A. Lessee, at its sole expense, shall maintain public liability insurance to protect against any liability that may arise from accident or injury on or about the Leased Premises; such liability insurance coverage shall have the following minimum requirements:

1) This policy shall be on a Comprehensive General Liability form and shall not be less than the amount shown below:

<table>
<thead>
<tr>
<th>Entity Covered</th>
<th>Per Occurrence</th>
<th>Aggregate</th>
</tr>
</thead>
<tbody>
<tr>
<td>Airport, Fixed Base Operator, Fuel Farm Operator</td>
<td>$1,000,000</td>
<td></td>
</tr>
<tr>
<td>Hangar Keeper</td>
<td>$500,000</td>
<td></td>
</tr>
</tbody>
</table>

B. The City reserves the right to require additional insurance if, in its sole discretion, the City deems such additional coverage to be necessary because of a substantial change in Lessee's operations or for any other reason. The Lessee shall pay the cost of any such additional insurance coverage.

C. Lessee shall procure any insurance coverage required by this Lease through companies authorized to write insurance in Kansas as selected by the Lessee and approved in writing by the City. Lessee may include the required insurance coverage under its existing insurance policy, provided each insurance requirement of this Lease is fulfilled thereby and the City approves thereof.

D. The insurance policies described in subparagraph A & B above shall name the City of Dodge City as an “additional named insured”. The policies shall be endorsed to provide thirty (30) day written notice of cancellation, non-renewal or material changes including reduction of insurance coverage limits. The notice will be sent to the City via certified mail.

E. In the event Lessee fails or neglects to procure and maintain require insurance coverage and pay premiums thereon, the City, at its option, either may treat such failure as a default and breach of this Lease or procure such insurance and pay the premiums thereon, and add the cost thereof to basic rent due in the month following the date such costs are incurred.

17. UTILITIES and MAINTENANCE.

The Lessee shall pay the cost of all utilities and utility services used by Lessee in, on, or about the Leased Premises, including but not limited to electricity, natural gas, water, heat, telephone, solid waste removal, cable, internet access and the cost of installing utility meters. Such services shall be contracted in Lessee's name, and Lessee shall procure, at its sole expense, all permits, licenses and authorizations necessary for such service.

18. INSPECTION OF PREMISES.

Lessee shall permit agents and officers of the City and the Federal Aviation Administration free access to the Leased Premises at all reasonable times to examine and inspect the condition thereof and exercise any right reserved to the City in this Lease.

19. ASSIGNMENT AND SUBLEASES.
Lessee shall neither assign, mortgage, pledge, sell nor in any manner transfer, convey or dispose of this Lease or any interest therein or part thereof whether voluntary, involuntary or by operation of law, and Lessee shall neither sublet the Leased Premises or any part thereof nor permit any licensee or concessionaire to operate thereon without prior written consent of the City in each instance. In the event the City gives such consent, neither sublease nor assignment of this Lease by Lessee shall release Lessee from its obligations under this Lease.

20. TAXES.

Lessee shall pay to the proper governmental agencies as they become due all taxes, assessments and similar charges which, at any time during the term of this Lease, may be taxed, assessed or imposed upon Lessee whether such taxes arise from this Lease, the Leased Premises and any permanent improvements thereto or from any other levy or assessment. The City shall not be liable to pay any such taxes.

21. RULES AND REGULATIONS.

Lessee, its officers, agents and employees shall comply with all rule and regulations issued from time to time by the City in connection with the management and operation of the Dodge City Regional Airport properties, including land use restrictions.

22. NONDISCRIMINATION ASSURANCES.

A. The Lessee for itself, its heirs, personal representatives, successor in interest, and assignees, as a part of the consideration hereof does hereby covenant and agree as a covenant running with the land that in the event facilities are constructed, maintained, or otherwise operated on the Leased Premises for a purpose for which a Department of Transportation program or activity is extended or for another purpose involving the provision of similar services or benefits, the Lessee shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to 49 CFR Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation, and as said Regulations may be amended.

B. The Lessee, for itself, its personal representatives, successors interest, and assignees, as part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that: (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over, or under the Leased Premises and the furnishing of service thereon, no person on the ground of race, color, or national origin shall excluded from participation in, denied the benefits of, or otherwise subjected to discrimination, (3) that the Lessee shall use the Leased Premises in compliance with all other requirements imposed by or pursuant to 49 CFR Part 21, Nondiscrimination in Federally Assisted Programs of the Department of Transportation, and as said Regulations may be amended.

C. Lessee shall furnish service on a fair, equal and not unjustly discriminatory basis to all users thereof and shall charge fair, reasonable and not unjustly discriminatory prices for each unit or service; provided, Lessee may make reasonable nondiscriminatory discounts, rebates and similar price reductions to volume purchasers. The City may take action directed by the United States Government to enforce this Paragraph.

23. AIRPORT PROTECTION.

A. The City reserves the right to maintain and keep in repair the airport landing area, apron area, and all publicly owned airport facilities with the right to direct and control all of Lessee's activities in this regard.

B. The City reserves the right further to develop and improve the landing area and all publicly owned air navigation facilities of the airport however it sees fit regardless of the desires or views of Lessee, and without Lessee's interference or hindrance.

C. The City reserves the right to take whatever action necessary to protect aerial approaches of the airport against obstruction and reserves the right to prevent Lessee from erecting or permitting to be
erected any buildings or other structures on or near the airport which, in the opinion of the City, either would limit the usefulness of the airport or constitute a hazard to aircraft.

D. Lessee’s right granted by this Lease shall not be exercised in such a way as to interfere with or adversely affect the use, operation, maintenance or development of the airport.

E. The City hereby reserves to itself, its successors and assigns, for the use and benefit of the public, a free and unrestricted right of flight for the passage of aircraft through the airspace above the surface of the Leased Premises together with the right to cause in said airspace such noise as may be inherent in the operation of aircraft now known or hereafter used for air navigation and use of said airspace for landing, taking off and operating on or about the airport.

24. SUBORDINATION CLAUSE.

A. This Lease shall be subordinate to provisions of any existing or future agreement between the City and the United States of America or any agency thereof relative to the operation or maintenance of the airport, the execution of which has been or may be required as a condition precedent to the expenditure of Federal funds for the development of the airport.

B. During time of war or national emergency, the City shall have the right to enter into an agreement with the United States Government for military or naval use of part or all of the landing area, the publicly owned air navigation facilities and/or other areas or facilities of the airport. If any such agreement is executed, the provisions of this instrument, insofar as they are inconsistent with the provisions of the agreement with the Government, shall be suspended.

25. NO EXCLUSIVE USE.

It is understood and agreed that nothing herein contained shall be construed to grant or authorize the granting of an exclusive right within the meaning of Section 5190.6B, Compliance Manual Chapter 8, Exclusive Rights of the US Code.

Chapter 8, Exclusive Rights describes the sponsor’s federal obligations under Grant Assurance 23, Exclusive Rights, which prohibits an airport sponsor from granting an exclusive right for the use of the airport, including granting an exclusive right to any person or entity providing or intending to provide aeronautical services to the public.

In particular, the sponsor may not grant a special privilege or a monopoly to anyone providing aeronautical services on the airport or engaging in an aeronautical use. The intent of this restriction is to promote aeronautical activity and prevent fair competition at federally obligated airports.

26. DEFAULT AND BREACH:

A. Lessee shall be in default of this Lease whenever Lessee:

1) Fails to perform any duty, agreement or condition required by this Lease;
2) Fails in the due and punctual payment of rent or any other monies due the City;
3) Files a voluntary petition under the bankruptcy act or an involuntary petition under such act is filed against Lessee, and Lessee, after full hearing, is adjudged to be bankrupt, insolvent or unable to pay its debts as they mature;
4) Makes an assignment for the benefit of its creditors;
5) A trustee or receiver, after full hearing, is appointed or retained to take charge of and manage any substantial part of the assets of Lessee;
6) Any execution or attachment shall issue against Lessee whereupon any part either of the Leased Premises or of Lessee’s interest therein shall be taken or an attempt is made to take the same in contemplation of a judicial sale there under (except that Lessee shall have the right to contest any such attachment or execution in the same manner and to the same extent as Lessee’s right to contest liens as set forth in paragraph 14 hereof); or,
7) Abandons the Leased Premises; abandonment shall occur whenever Lessee, its officers, employees and agents all shall be and remain absent from the Leased Premises for thirty (30) consecutive days without notice to the City of such absence. At the expiration of such thirty (30) day period, the City shall have the option to issue termination notice as provided in Paragraph 28 which shall
take effect immediately on issuance thereof without providing a ten (10) day period within which to cure this default.

B. Lessee's default in performance of required duties, agreements and conditions shall constitute a breach of this Lease. The City may, at its option, terminate this Lease in the manner provided in Paragraph 27 on Lessee's default or at any time thereafter while Lessee continues in default.

C. Any waiver by the City of any default or breach of this Lease shall neither be construed as a continuing waiver nor as a waiver of a subsequent default or breach and in no event shall imply further indulgence by the City.

27. TERMINATION:
   A. This Lease shall terminate:
      1) Automatically at the expiration of its original or any renewal term;
      2) Immediately after either party exercises the option to terminate provided in Paragraph 12;
      3) Immediately upon the City exercising its option to terminate provided in Paragraph 26;
      4) Upon the occurrence of any default by Lessee as more particularly set forth in Paragraph 26. Such right to cure notice shall specify the amount of past due rent and/or the nature of Lessee's other default and breach and shall state that the Lease shall not terminate should the Lessee pay such past due rent and/or cure such other default and breach to the City's satisfaction prior to the expiration of the ten (10) days; but that the Lease shall terminate automatically on the date specified in the notice unless such rent has been paid or other breach has been cured by such date.

   B. In the event of termination by the City pursuant to the terms hereof, Lessee shall remain liable for payment of the full unpaid balance of all rent due for the remaining term of the Lease, but shall upon such termination be obligated to forthwith return the premises to the City. Upon such termination, the City shall have the immediate and unconditional right to reenter the Leased Premises free of any right, title and interest of Lessee to the use and possession thereof, but such reentry shall not relieve Lessee's duty to comply with all requirements of this Lease as specified herein. The remedies conferred upon the City herein shall not be considered exclusive of any other remedy, but shall be in addition to every other remedy available to the City as landlord under this Lease and as matter of law. The failure of the City to insist upon a strict performance of any term or condition of this Lease shall not be deemed a waiver of any right or remedy that the City may have and shall not be deemed a waiver or any subsequent breach of such term or condition.

28. SURRENDER OF POSSESSION.
   A. Upon termination, Lessee shall forthwith peacefully surrender the Leased Premises to the City in good condition and repair, ordinary wear and tear excepted. Lessee shall remain liable to the City for all rent due and owing through the entire term of the Lease.

   B. In the event that Lessee's Lease term has expired and Lessee remains on the Leased Premises, even with the concurrence of the City, such acts shall not constitute a renewal of this Lease nor require the City to forfeit any of it rights under this Lease. In such event, Lessee shall be considered a tenant at will. No payment of money by Lessee to the City subsequent to the termination of this Lease shall reinstate, continue or extend the terms of this Lease, but Lessee shall remain in full compliance with all such terms and conditions of this Lease during such extended possession.

29. ATTORNEY FEES.

Subject: Ordinance No. 3536
Agenda Item Ordinances and Resolutions

Recommendation: Approve Ordinance No. 3536.

Background: At the April 2 City Commission meeting, the City Commission approved special assessment process for special assessments for the Interfaith Housing Project. The Public hearing was held May 7th. There was no property owners in attendance at this meeting, however I had been contacted prior to the meeting regarding a lot that didn’t appear to benefit from the improvements. Ray Slattery and I assessed the benefit district and found that there was 1 lot that didn’t benefit from either the Street or Water improvements and another 2 lots that were already served by water prior to the improvements being put in. I sent out new notices with the amended amounts to the property owners after the public hearing. Based upon the amended notices sent this ordinance will approve the levying of assessments for property in the Interfaith Housing Project improvement district at the amounts listed in the ordinance. The amounts will be assessed for 20 years and the interest rate used will be the amount we sell the General Obligation bond for that will be issued later in the year.

Justification: In order to levy special assessments on property, this ordinance will need to be approved.

Financial Considerations: none

Purpose/Mission: We strive for high service standards

Legal Considerations: All legal requirements of the bond procedures are met.

To: City Manager

City Commissioners
From: Ray Slattery,
Director of Engineering Services
Date: May 16, 2012
Subject: Ordinance 3537
No Parking along 14th Ave.
Agenda Item: Ordinances and Resolutions

Recommendation: Approve Ordinance No. 3537

Background: The Police Chief requested that we look at not allowing parking along the southern end of 14th Avenue on the paved shoulders or in the ditches. There is some concern that parking may happen from time to time along this portion of the roadway due to events held at DCRP and/or Western State Expo. City Staff reviewed the request and decided that if parking was not going to be allowed on the southern end of 14th Avenue then parking should not be allowed along the entire roadway in the city limits. The County will be taking measures not to allow parking along 14th Ave. that is in their jurisdiction.

Justification: The reasoning for not allowing parking is because the shoulder and/or ditch were not designed for parking. Site distances from intersections and driveways are greatly reduced if vehicles were allowed to park on the shoulders or in the road ditches.

Financial Considerations: The cost of the installation of No Parking Signage.

Purpose/Mission: One of the City's core values is Safety. The No Parking & Loading Zone signage the City will be able to provide a safe and secure workplace and community.

Legal Considerations: N/A

Attachments: Ordinance 3537 and a map of the area.
ORDINANCE NO. 3537

BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF DODGE CITY:

Section 1: Standing, stopping or parking shall be prohibited on both the west and east sides of 14th Avenue from McArtor Road to the south City Limits of Dodge City.

Section 2: Any person convicted of the violation of the provisions of this ordinance shall be subject to penalties in accordance with the provisions of Article 20, of the Standard Traffic Ordinance for Kansas cities, prepared and published by the League of Kansas Municipalities Edition 2010, and adopted by the Governing Body of the City of Dodge City, and as set out in Section 14.101 of the Code of the City of Dodge City.

Section 3: This ordinance shall take effect following its publication in the official City newspaper as provided by law, and after the posting of appropriate signs advising the motoring public of the provisions of this ordinance.

Subject: FCCA Dispatching Agreement

Agenda Item: New Business

Recommendation: Staff recommends that City Commission approve attached Agreement between the City of Dodge City (CITY) and the Finney County Committee on Aging (FCCA) detailing agreement for Finney County Transit (FIT) to provide dispatching for General Public Transportation services operated by City of Dodge City.

Background: With the arrival of two new 20 passenger buses and expansion of General Public Transportation services to all areas of Ford County, it is necessary to install 800 MHz radios on all vehicles in the fleet and to adopt computer aided dispatching. As part of its commitment to develop a regional public transportation system in Southwest Kansas, KDOT is paying 100% of the costs for purchase and installation of the new radios and base station equipment, with installation expected to be completed within 30 days. KDOT’s vision of regional public transportation system also includes regional dispatching utilizing Novus Trapeze dispatching software.

As Finney County Transit (FIT) has already implemented the Novus Trapeze dispatching system, it is KDOT’s preference that the City of Dodge City Public Transportation system contract with FIT (a part of FCCA) to provide dispatching services. All transportation operations shall remain under the exclusive control of CITY, and CITY will maintain a dispatching base unit in the Public Transportation offices and continuous contact with the CITY’s transportation fleet. FIT will provide dispatching services and generate all mandatory reports associated with the U.S.C 49-5311 Public Transportation grant program which provides funding for operations, dispatching and capital costs associated with the General Public Transportation program. The Agreement details responsibilities of each party, as well as how costs associated with regional dispatching will be paid by the 5311 grant and local funds.

Justification: With Dodge City Public Transportation program’s expanding fleet and service area, it is essential to adopt an 800 MHz radio system and computer aided dispatch. By pursuing a regional approach to public transportation and dispatching, KDOT is providing bridge funding to cover 100% of the initial costs for equipment and operating expenses which run through June 30, 2013. The expenses associated with computer aided dispatching using Novus Trapeze will be shared among multiple local governments in Southwest Kansas, and we will be able to draw upon Finney County Transit’s years of experience using the complex dispatching software.
Significant cost efficiencies will be achieved by contracting with FIT to provide dispatching services, and high quality performance is expected.

**Financial Considerations:** KDOT is paying 100% of the costs for purchase and installation of the new radios and base station equipment. KDOT will also pay 100% of the costs for adopting and implementing regional dispatching through June 30, 2013. On July 1, 2013, Dodge City and its local government partners will become responsible for the local match costs of dispatching in the City service area. At that time the projected annual budget for dispatching is $104,180 with 5311 grant funds covering a minimum of 50% of the costs, and local funds covering the remaining costs. Those local match funds will be divided among local governments which directly benefit from the public transportation services offered at that time, including at least Dodge City and Ford County.

**Purpose/Mission:** Approval of this agreement represents the City’s commitment to a core value of Ongoing Improvement by pursuing options to provide improved public transportation services to the citizens of Dodge City.

**Legal Considerations:** The proposed agreement has been reviewed by the City Manager and the Finney County Attorney. The agreement is one year agreement with automatic renewals and termination clauses that allow either party to get out at any time with adequate notice. Finney County Committee on Aging has executed this agreement.

AGREEMENT

THIS AGREEMENT (Agreement) made and entered into on the ____ day of ______________, 2012, by and between the CITY OF DODGE CITY, KANSAS (CITY), a municipal corporation, and the FINNEY COUNTY COMMITTEE ON AGING, INC. (FCCA), a private non-profit corporation.

The purpose of this agreement is to constitute the responsibilities to be assumed by the agreeing parties in connection with dispatching eligible passengers of the CITY Public Transportation Service. Financial consideration to be paid by CITY included hereinafter in this agreement shall be dependent upon funding received from state and federal grant funds administered by Kansas Department of Transportation (KDOT) pursuant to an agreement executed between KDOT and CITY and FCCA, on ______day of ________, 2012.

WHEREAS, FCCA operates public transportation for elderly, disabled and the general public; and

WHEREAS, CITY has a need for dispatching services for expanded public transportation to meet the needs of the residents of the areas served by the CITY Public Transportation Service; and

WHEREAS, FCCA is willing to provide centralized dispatching for the transportation for the elderly, disabled and general public on all CITY Public Transportation Service bus routes; and

WHEREAS, CITY is willing to contribute funds to pay a portion of the costs associated with acquisition of equipment and annual operating expenses for centralized public transportation dispatching;

NOW, THEREFORE, in consideration of the terms and conditions set forth below, the parties agree as follows:

1. DISPATCHING. FCCA agrees to Dispatch for the CITY’s public transportation routes, from 6:00 a.m. to 7:00 p.m., Monday through Friday, for transportation of the general public, in the areas served by CITY’s Public Transportation Service in Ford and Gray Counties. The actual routes shall be established by the CITY Public Transportation in consultation with FCCA. On a periodic basis, not less frequent than annually, CITY and FCCA, or their designated agents, shall meet to discuss the efficiency of the routes, and whether the routes and dispatching are meeting the transportation needs of the general public.

2. CONTRIBUTION OF CITY. Annually, prior to submittal of KDOT grant application, FCCA and CITY shall review and agree upon a budget based on projected services as related to grant application. CITY agrees to pay to FCCA, a share of equipment acquisition and annual dispatching operating expenses, as follows:

(b) CITY shall reimburse FCCA fifty percent (50%) of annual operating expenses associated with the 5311 Program dispatching provided by FCCA to the residents served by the CITY Public Transportation Service, or that amount not reimbursed by KDOT, per the annual award letter from KDOT;

(c) CITY shall match KDOT’s 10% Administrative Operating Funds as approved in the CITY’s share of the 5311 grant;

(d) The payment made by CITY to FCCA for dispatching operating expenses shall be made within thirty (30) days of submission of an accounting from FCCA to CITY for the previous month’s dispatching operating expenses;

(e) If FCCA terminates this Agreement, for any reason, FCCA shall not be required to repay or reimburse CITY for any expenditure made by CITY for equipment acquisition costs; and

(f) FCCA shall provide CITY all financial and dispatching reports requested by CITY that relate to the general public transportation dispatching services provided by FCCA for which the financial contributions set forth herein are to be made by CITY.

3. **OPERATION OF DISPATCHING AND TRANSPORTATION SERVICES.**

Other than input by CITY on the conduct of dispatching services, all dispatching shall be under the exclusive control of FCCA. Material dispatching operational changes shall be presented to the CITY and FCCA, and shall be subject to approval by same.

Material transportation operational changes shall be presented to the CITY and FCCA, and shall be subject to approval by same. At the time this agreement was executed, CITY operates five (5) vehicles for the demand response transportation of eligible passengers in the service area of City of Dodge City and 2 miles beyond, and deviated fixed route services in Ford and Gray Counties as described in Attachment A. Material operational changes including, but not limited to, additional vehicles(s) and/or expansion of service area may result in increased costs to CITY.

Beginning on _______________, 2012, CITY will operate the buses or minivans on a demand response system that will begin at 7:30 a.m. and end at 6:00 p.m., and operate deviated fixed routes services during those same hours of operation. Dispatch Services will be provided from 6:00 a.m. to 7:00p.m.. Service will be provided every weekday except on days when the CITY Public Transportation service is deemed closed. There will be no service provided on weekends or major holidays as outlined in Attachment B. CITY reserves the right to determine that service needs to be cancelled for Ford and/or Gray County due to inclement weather. FCCA shall provide dispatching services for CITY Public Transportation Service during all agreed to days and times of
service, even during those times when FCCA determines that service needs to be cancelled in the FCCA service area due to inclement weather. FCCA and CITY provide “general public transportation” as defined by the USC 49-5311 grant program. This service is based on a first come first serve basis, and no prioritizing of rides shall be permitted.

4. INSURANCE. CITY shall be responsible for all general liability, vehicle and property casualty insurance required for operation of the general public transportation services contemplated by this Agreement. FCCA shall be responsible for employee general liability and property casualty insurance on dispatch employees and dispatching equipment.

5. INDEMNIFICATION. FCCA shall keep, protect, hold harmless, and indemnify CITY from any loss, cost, claim, judgment or experience of any sort or nature, and from any liability to any person, on account of any injury, damage or death to any person or property related to the dispatching services provided by FCCA under the terms of this Agreement. CITY shall keep, protect, hold harmless and indemnify FCCA from any loss, cost, claim, judgment or experience of any sort or nature, and from any liability to any person, on account of any injury, damage or death to any person or property related to the general public transportation services provided by CITY under the terms of this agreement.

6. TERM. The term of this Agreement shall begin on the date of approval by both parties, and end on June 30, 2013. Thereafter, the term of this Agreement shall automatically renew for annual terms from July 1st to June 30th of each year, unless this Agreement is terminated by either party, by giving written notice of not less than ninety (90) days to the other party.

7. GRANT FUNDING. The obligation of CITY to pay FCCA, pursuant to paragraph 2 of this Agreement, is dependent upon CITY and/or FCCA annually receiving state and federal grant funding from the Kansas Department of Transportation (KDOT) for the specific purpose intended by this Agreement. Should CITY and/or FCCA not receive the KDOT grant for a fiscal year, CITY or FCCA shall have the right to terminate this Agreement by giving notice as set forth in paragraph 6 or 8 of this Agreement.

8. TERMINATION. CITY may terminate its participation in the centralized dispatch program and services, and this Agreement, for any reason, by providing FCCA written notice of termination not less than ninety (90) days prior to the end of the initial or any renewal term.

9. DRIVERS AND DISPATCHERS. CITY shall provide drivers for the buses and/or minivans, who will be employees of the CITY, and abide by policies of the CITY. CITY shall be responsible to license, supervise, and discipline the drivers. FCCA shall provide dispatchers who will be employees of FCCA, and abide by policies of FCCA. FCCA shall be responsible to license, supervise and discipline the dispatchers.
10. **ELIGIBLE PASSENGERS.** Eligible passengers shall be only those in the “service area” of Dodge City. City shall provide each eligible passenger who uses the service a Dodge City Public Transportation rider handbook, Attachment C.

11. **SEVERABILITY.** If any clause or provision herein shall be adjudged invalid or unenforceable by a court of competent jurisdiction or by operation of any applicable law, it shall not affect the validity of any other clause or provision, which shall remain in full force and effect.

12. **GOVERNING LAW.** In the event of any dispute arising under this agreement, it is agreed between the parties that the law of the State of Kansas will govern the interpretation, validity and effect of this contract.

13. **DEFAULT.** Should a party fail to meet its obligations under this Agreement, the other party shall give written notice of default. Should the defaulting party fail to cure the default within thirty (30) days of the notice, the non-defaulting party may declare this Agreement to be immediately terminated by serving a written notice of termination on the other party.

14. **NON-APPROPRIATION OF FUNDS.** In the event sufficient funds shall not be budgeted and appropriated by CITY for payments required to be paid under paragraph 2, CITY may terminate this Agreement at the end of the fiscal year in which funds were last budgeted and appropriated for payments, and CITY shall have no further rights or obligations under this Agreement. CITY shall notify FCCA at least Ninety (90) to the expiration of the fiscal year then in effect, if funds are not going to be available during the ensuing term for the payments required by this Agreement by reason of non-appropriation of funds. Failure of CITY to appropriate funds for continuation of this Agreement shall not constitute an element of default under this Agreement.

15. **EFFECTIVE DATE.** This Agreement shall take effect upon its approval by the governing bodies of the parties.

16. **GENERAL COVENANTS.**
