Date: June 3, 2015
Subject: 2014 Asphalt Street Project (ST 1401)
Agenda Item: Consent Calendar

**Recommendation:** Approve Change Order No. 1 for 2014 Asphalt Street Project.

**Background:** 2014 Asphalt Street Project was approved on June 2, 2014

**Justification:** Sub-Grade Repair— The underrun of Sub-Grade Repair. The reason for the underrun was due to the Contractor not having to repair the sub-grade on Marsha Ln. This was a pay as needed item.

4” HMA Base Course— The overrun of 4 Ton of 4” HMA Base Course. The reason for the overrun is due to a difference between theoretical volumes and actual volumes measured and placed in the field.

2” HMA Surface Course— The overrun of 121 Ton of 2” HMA Surface Course. The reason for the overrun is due to a difference between theoretical volumes and actual volumes measured and placed in the field.

Remove/Replace Curb and Gutter — The underrun of 45 L.F. of Rem./Repl. Curb & Gutter. The reason for the underrun is due to decisions made in the field during construction to reduce the amount of Curb and Gutter being replaced.

Manhole Adjustment — This is a new addition to bid items on the project. It will be paid as Each. The reason for this addition to the bid items was due to an existing manhole located in Robin Rd. that required an adjustment.

**Financial Considerations:** Change Order No. 1 is for a increase of $1,917.00

**Purpose/Mission:** One of the City's core values in Ongoing Improvements. With the construction of these improvements the City is preparing for the community's future and providing new possibilities for current and future citizens of our community.

**Legal Considerations:** N/A

**City of Dodge City**
LAND LEASE AGREEMENT

This LEASE made and entered into this _____ day of __________, 2015, by and between the CITY OF DODGE CITY, KANSAS, hereinafter referred to as OWNER; and ____________________________, hereinafter referred to as TENANT.

As consideration for this agreement, Landlord agrees to lease to TENANT and TENANT agrees to lease from OWNER for use solely as Lawn Space, the north portion of the lot containing Well #9 located at 2204 W. Spruce St. in the city of Dodge City, Kansas (the “Premises”). The Premises is more specifically described by the shaded area as shown in Exhibit A.

1. **TERMS:** TENANT agrees to pay Twenty-five Dollars ($25.00) for the remaining calendar year of 2015 due and payable at the execution of this Lease, and Fifty Dollars ($50.00) per year hereafter. The lease payment for all subsequent years is due and payable on or before January 2nd of each year. This Lease shall continue until December 31, 2020, or until either party terminates this Lease by giving a written notice of intention to terminate at least thirty (30) days prior to the date of termination, see Section 6 below.

2. **ANIMALS:** No animal, fowl, fish, reptile, and/or animal of any kind shall be kept on or about the Premises, for any amount of time.

3. **PARKING:** The TENANT will not be allowed to park any vehicles or trailers on the Premises.

4. **ALTERATIONS:** The TENANT shall not make and/or construct any permanent improvements on or in any portion of the Premises without the written consent of the OWNER.

5. **PROPERTY MAINTENANCE:** The TENANT shall keep all garbage and waste cleaned and disposed of from the Premises. The TENANT shall also be responsible in maintaining the vegetation of the premise, including but not limited to mowing, erosion control, and not allowing any tree growth to take place other than those already present. All maintenance is subject to City Codes.

6. **TERMINATION:** This Lease may be terminated by either party giving to the other party a written notice of intention to terminate at least thirty (30) days in advance of the termination date. The Premises shall be considered vacated at such time as the Premises is clear of all TENANT’S belongings. Should the TENANT hold over beyond the termination date or fail to vacate all possessions on or before the termination date,
TENANT will be liable for additional rent and damages.

7. **INSURANCE:** The TENANT acknowledges that the OWNER’S insurance does not cover personal property damage caused by fire, theft, rain, war, acts of God, acts of others, and/or any other causes, nor shall OWNER be liable for such losses. TENANT acknowledges that he has been advised to obtain his own insurance to cover any personal losses.

8. **RIGHT OF ENTRY AND INSPECTION:** The OWNER may enter, inspect, and/or repair the Premises at any time in case of emergency or suspected abandonment. The OWNER will give the TENANT twenty-four (24) hours advance notice and may enter the premises for the purpose of maintenance of the Well, and/or utilities associated with the Well, and for normal inspections and repairs. The OWNER is permitted to make all alterations, repairs and maintenance that in OWNER’S judgment are necessary to perform.

**ASSIGNMENT:** The TENANT shall not transfer, assign or sublet the Premises or any part thereof.

This Lease is binding upon the heirs, devisees, executors, administrators, agents and assigns of the parties hereto.

IN WITNESS WHEREOF, the parties hereto have signed this Lease the day and year first written above.

From: Nathan Littrell
Date: June 15, 2015
Subject: Vacation of Right-of-Way

Agenda Item: Ordinances and Resolutions

Recommendation: City staff recommends approval of this vacation ordinance, contingent upon easement acquisition and site plan approval.

Background: The applicant, The First Christian Church, requested the vacation of Vine Street Right-Of-Way between 5th Ave. and 7th Ave to allow for expansion of their facilities and parking lot. The applicant owns the properties on both sides of the existing Right-Of-Way.

Justification: All of the utility companies have been notified and they have no objection to this Right-Of-Way being vacated. There is a water line located in the Right-Of-Way and the City has requested to maintain a utility easement for it. There is also currently a sewer line located in the existing Right-Of-Way that the city will abandon due to a lack of usage.

ORDINANCE NO. 3607

AN ORDINANCE VACATING VINE STREET RIGHT-OF-WAY BETWEEN 5TH AVENUE AND 7TH AVENUE.

BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF DODGE CITY:

SECTION 1: The following described property in Dodge City, Ford County, Kansas is hereby vacated: Vine Street Right-Of-Way, between the East Right-Of-Way Line of 7th Ave. to the West edge of the alley located on Block 23 of Original Town, Dodge City, Ford County, Kansas. Vacation of this Right-Of-Way is subject to the retention of a 15’ wide easement as necessary to serve the existing waterline in this area.

SECTION 2: This vacation is granted pursuant to Section 12-504 K.S.A. and is made subject to the existing rights of all present public or private utilities or uses located under, on, upon or over said property.

SECTION 3: No protest to the vacation has been filed, as provided by law.

SECTION 4: This ordinance shall take effect, from and following its publication in the official paper, as provided by law.

SECTION 5: The City Clerk shall file a certified copy of this ordinance in the offices of the County Register of Deeds and County Clerk for Ford County, Kansas.

PASSED BY THE CITY OF DODGE CITY GOVERNING BODY, IN REGULAR SESSION, AND APPROVED BY THE MAYOR, THIS FIFTEENTH DAY OF JUNE, 2015.

Subject: Temporary Suspension of Ord. No.2838 (Fireworks Ban)

Agenda Item:
Ordinances and Resolutions

Recommendation: Approve resolution.

Background: This resolution is the same as those that have been approved over the last several years. The practice of temporarily suspending the ban on the discharge of fireworks in the city was originally started at the request of Ford County in an effort to reduce the amount of fireworks being discharged in their jurisdiction.

Justification: The approval of resolution # 2015-19 would provide a limited time for the public to discharge their fireworks in celebration of independence day. Also, because of high law enforcement calls in past years I am again requesting the ban be lifted for two days only - July 4th and 5th 2015 (10:00 am to 11:00 pm).

Financial Considerations: None

Purpose/Mission: Mission Statement: "Together, we promote open communications with our community members to improve quality of life and preserve our heritage to foster a better future."

Legal Considerations: None

Attachments: A copy of resolution 2015-19 is attached.
RESOLUTION NO. 2015-19

A RESOLUTION FOR THE TEMPORARY SUSPENSION AND WAIVER OF CERTAIN PROVISIONS OF ORDINANCE NO. 2838 AND THE 2009 INTERNATIONAL FIRE CODE PERTAINING TO THE DISCHARGE OF FIREWORKS WITHIN THE CITY LIMITS OF THE CITY OF DODGE CITY, KANSAS:

SECTION 1: For the time period and under the conditions set forth herein, the provisions of Ordinance No. 2838 and the International Fire Code prohibiting the discharge of legal fireworks, as defined by state statutes and regulations of the State Fire Marshal, shall be temporarily suspended and waived so as to allow the lawful discharge of such legal fireworks within the corporate limits of the City of Dodge City, Kansas, subject to the exceptions and under the conditions as provided herein, on Saturday; July 4th and Sunday July 5th, 2015 between the hours of 10:00 a.m. to 11:00 p.m. of each day;

SECTION 2: This waiver and suspension shall not apply to, and the discharge of fireworks shall be prohibited at any time, including July 4th and July 5th, 2015 on any public property, including but not limited to all public parks, public recreation areas such as ball fields and soccer fields, any school grounds including, school playgrounds and athletic facilities, any public rights of way, or public parking areas (Civic Center / Memorial Stadium).

SECTION 3: This waiver and suspension shall not apply to, and the discharge of fireworks shall be prohibited at any time, including July 4th and July 5th, 2015 on any real property within the corporate limits of the City of Dodge City without the permission of the owner or person or entity in control of said real property.

SECTION 4: Notwithstanding this suspension and waiver, officers of the Dodge City Fire Department and the Dodge City Police Department shall have the authority to confiscate any fireworks from any individual possessing the same, if in the opinion of said officer, the use or discharge of such fireworks is being conducted in such a manner as to create a health or safety hazard for the user or other persons, or in such a manner as to create a safety hazard to public or private property.

SECTION 5: This waiver will automatically expire at 11:01 p.m. on July 5th, 2015 and may be rescinded prior thereto by action of the governing body.

SECTION 6: This Resolution shall take effect and be in force from and after its adoption.

Adopted by the governing body this 15th day of June, 2015.

Subject: trash carts
Agenda Item: New Business

Recommendation: On May 26th, 2015 two bids were received and opened for one (1) truck load of 96 Gallon Wheeled Trash Carts. Based on the bids received, staff would recommend purchasing the carts from the lowest bidder (Toter). Their low bid was for $46.88 per cart (624 carts for $29,253.12).

Bid tabulation is attached for your review.

Background: These carts will be used by Sanitation to provide services to Dodge City residents.

Justification: Toter had the lowest bids and they meet the specs. Additionally, Sanitation has tested this make and model (the units hold up to our temperatures and high wind).

Financial Considerations: This will be paid for from Sanitation.

Subject: Hoover Pavilion Exterior Painting
Agenda Item: New Business

Recommendation: On May 5th, 2015 one bid was received and opened for the Hoover Pavilion Exterior Painting Project. Staff recommends taking the bid from T. Baird Painting and Drywall for $29,218.

Bid tabulation is attached for your review.

Background: This project is budgeted. It will be paid for from the Parks Department General Budget. The project had $24,000 budgeted.

Justification: This is the second time we bid this project this year. The first time we had no responses. Staff has had good experience with T. Baird Painting and Drywall and expect a quality outcome.

The job entails repainting the exterior and repairing the stucco, applying sealant, etc. Though the project exceeds the budget by $5,218, Staff recommends we proceed with the maintenance and repairs.

Financial Considerations: This purchase was budgeted for this year.

Subject: Bids for South 2nd Ave. Pressure Sewer
Agenda Item: New Business

Recommendation: Approve bid from Dreiling Construction, LLC, for the construction of the South 2nd Ave. Pressure Sewer, in the amount of $137,184.04.

Background: On and off for the past 8 years, a few of the businesses along S. 2nd Ave. have inquired about extending public sewer. Every time an estimate was presented it was too cost prohibitive to proceed. In 2014, staff looked into installing a pressure sewer along 2nd Ave. to provide sewer the businesses. This concept and construction estimate seemed to be more cost effective. Several Businesses joined together and petitioned the city to design and construct the pressure sewer. Not all businesses along 2nd Ave. will be connecting to the pressure sewer. It will be available to them when the time comes and their septic system fails. These businesses will have a hook up fee to connect.

Justification: This project will provide sewer to several businesses and make sewer available to several more. It will also protect the public health and environment.

Financial Considerations: The construction of the South 2nd Ave. Pressure Sewer will cost $137,184.04. Funding of this project will be by Special Assessments. The Benefit District will be responsible for 90% of the cost and the City at large will be responsible for the remaining 10%.

Purpose/Mission: The completion of this project will continue the ongoing improvement and stewardship for the citizens and business of and around Dodge City.

Legal Considerations: By approving the bid with Dreiling Construction, LLC. the City will enter into a contract with Dreiling Construction, LLC. and be responsible to make payments for the completed work.

Attachments: The bid tabulation for Dreiling Construction LLC., Middlecreek Corporation, Dick Construction, and Smoky Hills, LLC. Included in the bid tab is the Engineer's Opinion of Cost of $179,534.00.

Subject: Primary Pump Station Improvements
         (Screening Building) SS 1102
Agenda Item: New Business

Recommendation: Approve Change Orders No. 2 & 3 for Primary Pump Station Improvements
(Detecting Building) in the amount of $14,116.00.

Background: The construction of the Screening Building was approved by the Commission on
April 7, 2014. Construction started in September of 2014. The Project was substantially
completed with the exception of some minor issues in January of 2015.

Justification: Change Orders #2 & #3 represents the final “as-built” quantities of the project.

Items included in Change Order #2 include;
The existing influent line's alignment was somewhat different than shown on the plans. This
resulted in an additional 20 feet of 30" pipe being needed. Also as a result of the alignment
adjustment an existing manhole was removed to provide a cleaner finished product. The cost of
this work was $11,501.00 and 3 additional days.

When the contractor was installing the 24" by-pass line they encountered a large concrete
structure. They needed a hydraulic hammer to break up and remove the structure. The cost to
remove the structure was $1,975.00 and added one additional day to the project.

Change Order #3 Items include;
Staff decided to use asphalt millings instead the specified aggregate for the drive to the new
building. A deduct of $2,510.00 was a result of this change. The reason we went with millings is
because it is a material we have access to and will not have to special order the aggregate material
when needed in the future.

A "Man-Down" System was added to the project. Due to the nature of this operation this safety
switch was needed. The added cost to install this safety switch was $1,300 and 5 additional days.
Also dealing with safety is the addition of Gas Detection Programming into SCADA. This will alert the operators when sewer gas is present inside the building. The added cost for this upgrade was $1,850 and an additional 5 days.

To keep the project moving each of these items were approved in the field.

**Financial Considerations:** Change Orders No. 2 & 3 is for an increase of $14,116.00. The new contract price including these change orders is $802,097.50. The new contract price represents a 4% increase in the cost of the overall project.

**Purpose/Mission:** One of the City's core values in Ongoing Improvements. With the construction of these improvements the City is preparing for the community's future and providing new possibilities for current and future citizens of our community.

**Legal Considerations:** N/A
