

CITY OF DODGE CITY

COMMUNITY NEWSLETTER

Week of May 18 - 22, 2020

A publication of the City of Dodge City Public Information Office

1. City of Dodge City offices will be closed on Monday, May 25, in observance of the Memorial Day Holiday.
2. Sanitation collection normally scheduled for Monday will be serviced on Tuesday. Residents are asked to have polykarts placed at the curb by 7:00 am. Grass and limb routes will also be picked up later than regularly scheduled. Please leave grass karts at the curb until they have been serviced. The CREW recycle center remains closed, but the bins at the Civic Center and recycle center are available at all times.

3. Parks and Facilities Forestry/Landscape employees began spraying the pine trees along 14th Ave. and other city properties this week. Forestry/Landscape

staff, along with the Southwest Kansas District Forester, determined last year that the trees were suffering from two fungal conditions that, if not treated, will eventually lead to the demise of the trees. The two fungal diseases are Tip Blight (*Sphaeropsis/Diplodia*), and *Dothistroma* needle blight. We encourage homeowners with pine trees to watch for signs of these fungi and contact a tree professional for advice. Forestry/Landscape staff only treat trees on city-owned properties however, other licensed private landscape professionals provide the service.

4. The City of Dodge City received notice this week that the Dodge City A's Board of Directors has decided to cancel the A's 2020 summer baseball season due to the COVID-19 pandemic. This also includes the A's minicamps. A full press release is attached at the end of the newsletter.
5. The Dodge City Fire Department continues its annual fire hydrant testing, which started May 11 and is scheduled to go through the end of July. A full schedule of the fire hydrant testing is listed on the City of Dodge City website, Dodge City Fire Department Facebook page. Any questions regarding fire hydrant testing should be directed to Captain Brian Hudson at 620-225-8187.

6. Parks and Facilities Athletic Field Maintenance staff were busy this week mowing at the St. Mary Soccer Fields and the Dodge City Raceway Park.
7. Parks and Facilities Park staff have been busy spraying parks such as Thurow.
8. Parks and Facilities Forestry/Landscape staff were assisting Maple Grove Cemetery staff this week with Memorial Day preparations. Parks staff also helped the cemetery staff this week.

**Dodge City A's Announce the Cancellation
of the 2020 Summer Baseball Season**

The Dodge City A's Board of Directors has decided to cancel the A's 2020 summer baseball season due to the coronavirus COVID-19 pandemic.

The A's play in the Kansas Collegiate Baseball League. Last week the league announced its cancellation of league play for this summer.

Glenn Kerbs, Board President, released the following statement:

"The current Dodge City A's baseball program began in 2007. It was our goal then and it remains our purpose to bring top notch collegiate baseball to our community while providing a quality opportunity for college baseball players to develop their skills and experience the many good things our community has to offer. With the COVID-19 pandemic, the Board decided our purpose for A's baseball cannot be accomplished in a safe and positive way this summer.

The A's baseball program is blessed with dedicated and caring host families, loyal fans, generous sponsors and over the years many quality young baseball players. The health and well-being of everyone is most important to us during these unusual times.

A's baseball is looking forward to the 2021 summer season. We appreciate each family and every individual who supports the Dodge City A's."
