## **GENERAL REQUIREMENTS TO PARTICIPATE IN SIDEWALK PROGRAM**

- Program applications must be turned in **prior** to any demolition or other construction work being done. Applications submitted after work has started or finished will be rejected.
- The owner of the home/property or their representative (contractor) can make application to participate in this program.
- Only licensed contractors with the City of Dodge City may perform the work necessary to replace the sidewalk
- Applications will be reviewed by the Engineering Department and the applicant will be notified if approved.
- Only existing sidewalk is eligible for replacement/repair under this program.
- Curb, gutter and driveway replacement will not be reimbursed as a part of this program.
- Sidewalk that is replaced as a result of a driveway replacement or reconstruction is not eligible under this program.
- Brick sidewalks are not eligible for replacement with bricks. Reconstruction with concrete shall be the only option available for repair or reconstruction.
- The owner of the home shall be responsible for all costs associated with sprinkler repair, tree removal, driveway repair/replacement, and retaining wall repair/ reconstruction.
- Only single family residential properties are eligible to participate.
- All city codes and specifications must be followed.
- The applicants contractor is required to obtain a valid permit before any work can begin
- All work must be inspected to be eligible for reimbursement.
- The city will reimburse the owner ½ the cost of replacement up to \$900.00 for single frontage and \$1600.00 for properties with two frontages.
- The owner of the home will be required to submit a paid invoice from the contractor to the City Engineering Department to be eligible for reimbursement.
- There are a limited number of funds for this program. Cost share is paid on a first come first serve basis.

**Upon receipt of the paid bill, the City Engineer will review the bill and completed project and payment will be made during the next available City payment schedule**
