Dodge City Convention and Visitors Bureau Announces Website Design Update

The Dodge City Convention and Visitors Bureau (CVB) is pleased to announce the launch of the newly designed visitdodgecity.org website.

“We began working on the updates and design concepts several months ago, looking to freshen the look of our site.” Says Jan Stevens, director of the Dodge City Convention and Visitors Bureau.

“The site is much more vibrant and has many features our old site couldn’t support. New elements such as an online version of our printed Visitors Guide, video streaming capabilities, up to the minute news capabilities and ‘quick link’ buttons throughout the site.”

The new design features a more user-friendly model, with a ‘fewer clicks’ idea element incorporated in the scheme that will allow visitors planning their trip, and guests in the community to find information on the site, easily. Additional updates are allowing for a greater responsive visual image for those who use mobile devices. Other new features for Dodge City users include a fillable online form for CVB Print and Marketing Grants and a more visible button for submitting events to the CVB calendar. The website also features a google translation key, so that those visiting from other countries can take advantage of the information provided on the site.

“Our website has a limitless capability to feature events and happenings in Dodge City, we feature the website banner images and offer calendar space on our website free of charge. We are always excited to be able to feature all there is to see and do in the community. The user simply clicks the ‘Submit an Event’ button, fills out the information, and in a short amount of time, the event will appear on the calendar,” says Stevens.

The CVB invites everyone to take a look at all the updates on the site.

The mission of the Convention and Visitors Bureau (CVB) is to promote Dodge City and the area’s resources and assets to bring prospective tourists and convention and travel business to Dodge City. The CVB is a department of the City of Dodge City.

For more information about the website, contact Jan Stevens, Director of the Dodge City Convention and Visitors Bureau at 620-225-8191 or visit our website at www.visitdodgecity.org
